Moments Of Leisure . . .

One of the many diversions offered at the beautiful Hotel del Coronado for conventioners was sailing the Rainbow Fleet. Here, Fran Maloney, left, and Charlotte Lester of San Diego State College take time off from their duties on the staff of the Crescent Moon, convention newspaper, for a sail in the bay.

1952 Coronado Convention Of Gamma Phi Beta Acclaimed Great Success!

Delightfully cool weather and a warm, friendly welcome from California Gamma Phi Betas combined to make the 45th Convention of Gamma Phi Beta one of the largest and most inspiring gatherings ever held. Meeting in the beautiful and spacious Hotel Del Coronado, at Coronado, California, delegates found each day filled with informative business sessions, luncheon and dinner programs, beautifully planned and executed for the pleasure of delegates and guests, and varied evening entertainment. Climaxing the convention was the traditional Carnation Banquet, a breath-taking event which saw nearly 500 Gamma Phi Betas gathered together, singing the final strains of "Fidelity" as a Crescent moon rode high above the Pacific, casting its reflection in the rolling waves and in the hearts of those present.

GAMMA PHI BETA'S 45th convention opened officially Tuesday evening, June 24 with a formal reception preceding dinner. In the receiving line were members of Grand Council, International officers and honored guests, including Judge Ellsworth Meyer, Dr. Walter Hepner, president of San Diego State College, Mrs. Hepner and Dr. Mary Mendenhall, dean of women at San Diego State College.

Judge Meyer, presiding judge of the Los Angeles Superior Court, gave the principal address following dinner. A noted speaker, Judge Meyer developed a rather serious theme with the light touch of his delightful sense of humor. He compared the

world problems of today with those of 1772, 1812, 1862 and 1932. "Our times," said he, "are no more uncertain or tragic than others have faced in other times."

Pointing out that many people put cynicism in place of faith, he emphasized the fact that great men are never ashamed of their faith, and closed with the admonition, "Do not be women of little faith."

Both President Hepner and Dean Mendenhall gave brief talks, welcoming the Gamma Phi Betas to San Diego. Mrs. Victor Hornung of the Los Angeles alumnae chapter served as toastmistress. D D D

Distinguished guests at the Opening Banquet of the 1952 convention were, left to right: Dr. Walter Hepner, president of San Diego State College, Dean Mary Mendenhall of San Diego State College and Judge Ellsworth Meyer of the Los Angeles Superior Court, who gave the principal address.

Mrs. Ralph E. Dippell, Jr., To Serve Second Term As Grand President

Election of Grand Council officers to guide Gamma Phi Beta during the next biennium was a high point of the final day of convention. Continuing in office are Mrs. Ralph E. Dippell, Grand President, Mrs. George Simonson, N.P.C. Delegate and Mrs. Stuart Fox, new Chairman of Expansion who served formerly as Chairman of Provinces. New members of Grand Council are Mrs. Martin Baldwin of Tucson, Vice-President and Alumnæ Secretary, Mrs. Darrell Wiles, St. Louis, Chairman of Finance and Mrs. George Hinkle, White Plains, Chairman of Provinces.

Gamma Phi Betas look forward to the next biennium with every confidence, for members of the 1952 Grand Council have proved themselves capable, intelligent and loyal in the positions of responsibility they have filled prior to this year's elections. Resigning from Grand Council, after having served most capably in their offices were Mrs. D. W. LeMaster, Vice-President and Alumnæ Secretary, Mrs. Howard Newman, Chairman of Finance and Mrs. John Curtis, Chairman of Expansion.

Evelyn Gooding Dippell, Grand President of Gamma Phi Beta, needs no introduction, for she has served most capably in that office for the past two years. Gamma Phi Betas everywhere congratulate her on a job well done, and wish her continuing success in this highest office of the sorority.

N. P. C. Delegate —

Penelope Murdoch Simonson . . .

succeeding herself in the office of N.P.C. Delegate, will serve as Treasurer of the National Panhellenic Conference during this biennium. It is with great pride that Gamma Phi Betas send Mrs. Simonson to represent them at N.P.C., where her keen intellect and priceless sense of humor have endeared her to all other sorority representatives.

Mrs. Simonson

Mrs. Fox

International Chairman of Expansion —

Ruth Bartels Fox . . .

brings to her new office, Chairman of Expansion, a wealth of experience and understanding of the problems in this field. Her vital interest in Gamma Phi Beta affairs has found her giving unstintingly of her time and effort to Epsilon and the North Shore chapters, to Province II as director and more recently as Chairman of Provinces. Her enthusiasm, tempered with a deep insight, and her faculty for organization, make her a wise choice for her new office.

International Chairman of Finance—

Anne Louise Reeves Wiles . . .

is not new to the International picture, as she has served the past two years as Chairman of Membership. Prior to that she served the St. Louis alumnae chapter as president and delegate to the Glenwood Springs convention and was a member of the nominating committee at the St. Louis convention in 1950. She served Phi chapter at Washington University as alumna advisor for two years.

Anne graduated from Iowa State College where she was a member of Rho chapter, with a double major in music and social science. Her business career found her in Washington D.C. where she served as secretary and administrative officer to the Secretary of State. Later she served as administrative officer for the 5th session of UNRRA at Geneva, Switzerland and as Secretary at the Paris Peace Conference.

Anne keeps busy at home in St. Louis where she maintains a new ranch home and has become involved in gardening activities. Mr. Wiles is a tax lawyer and a true Gamma Phi husband, never flinching when he is asked to help out on the rummage sale male contingent, serving as chaperone at a chapter party or hanging the newest bulletin board in Phi chapter house. Anne will undoubtedly find his services invaluable as she begins her new task as International Chairman of Finance.

Mrs. Wiles

International Chairman of Provinces—

Minnie Mae Hudnall Baldwin

Mrs. Baldwin

was initiated into Alpha Epsilon chapter at the University of Arizona in 1925. During college she served as chapter president, class secretary both her junior and senior years and a member of Mortar Board. As a member of the Tucson alumnae chapter, she served as rush chairman and president. She also was president of the Alpha Epsilon Building Company and of City Panhellenic.

At present she is vice-president of the Executive Board of the Y.W.C.A. and chairman of Y.W.C.A. Young Adult work. She is on the board of the Tucson Red Cross chapter and served as chairman of Canteens during World War II. At present she is doing volunteer work at the Blood Center. She is a member of Catalina Methodist Church and of P.E.O. She served this convention as Memorial Chairman.

"Goodnight Little Sister," an all-time favorite song of Gamma Phi Betas everywhere was written for Minnie Mae by her sister-in-law, Flores Thereso Hudnall.

Highly pleased with her election to Grand Council was Barbara, Minnie Mae's daughter, who attended convention as a member of Alpha Epsilon chapter. Mr. Baldwin, a prominent civic leader, and son Gene, a high school junior, kept the home fires burning while their girls attended convention. D D D

VIRGINIA BEAHAM, Tucson Alumnae Chapter

International Chairman of Provinces— Esther Setters Hinkle . . .

(Lou to all her Gamma Phi Beta sisters) is a graduate of the University of Oregon where she served as president of Nu chapter and president of Mortar Board. For three years she played the lead role in the annual musical comedy, and was a delegate to the Mortar Board convention in St. Louis.

Much of her boundless energy has been devoted to church and P.T.A. Her interest in young people, their plans and problems has kept her young along with her grown son and 16 year old daughter.

While serving as vice-president of the Westchester alumnae chapter, Lou was appointed as Director of Province I and has served in that capacity for the past three years, endearing herself to every Gamma Phi Beta with whom she worked.

Of Lou Hinkle, Janet Milligan Heaton of the Westchester alumnae has this to say, "Her judgment is sound, her personality gracious and democratic, and her understanding of all endeavors of Gamma Phi Beta is far reaching." What better recommendation could there be for the International Chairman of Provinces? D D D

Mrs. Hinkle

Named To Gamma Phi Beta Honor Roll

Beatrice Locke Hogan, left, and Alice Wieber Fitzgerald find a quiet corner at convention, following a great ovation from the delegates when their names were added to Gamma Phi Beta's Honor Roll. Sarah Preston Finley of Kappa chapter was also named to the Honor Roll, but was not present at Convention.

Grand Council Members Report To 45th Convention

Wearing their beautiful orchid leis which were flown in from Hawaii for the Luau, Grand Council officers relax momentarily from the pressures of convention work. Seated, left to right are: Mrs. Simonson, Mrs. Dippell and Miss Hipp, Secretary-Treasurer. Standing, left to right are: Mrs. Fox, Mrs. LeMaster, Mrs. Newman and Mrs. Curtis.

The latter three, who requested not to be candidates for re-election, will turn their duties over to their successors in the Fall.

HAVING been called to the office of Grand President of Gamma Phi Beta following the resignation of Ursula Owen, Evelyn Gooding Dippell brought to this position a wealth of experience in sorority affairs and a capacity for hard work which has seen much progress made in the past biennium.

New chapters installed have been Beta Xi at Ohio State University and Beta Omicron at Oklahoma City University. A third chapter, Beta Pi, will be installed this fall at Indiana State College at Terre Haute, Indiana.

In the field of publications, announcement is made of the new Song Book, ready for distribution this fall and the Handbook for Gamma Phi Betas which was distributed last year. Revision of the *Convention Manual* and *Province Officers' Manual* has been supervised by Mrs. Dippell. "Crescent News," a rushing aid, developed by Ruth Bartels Fox was sent to all chapters in August, 1951 and will be an annual publication. Under the direction of Margaret Stoddard, International Scholarship chairman, an attractive booklet, *Honors in Gamma Phi Beta*, was published in September, 1951.

A new International Committee on Housing was formed to supervise building and remodeling, and Marion Bebb Howe, former Chairman of Finance, was appointed as chairman.

The Service Roll to honor Gamma Phi Betas who have given long, devoted and constructive service to the sorority was created by Grand Council and approved by the 1952 convention.

In order to evaluate and direct Gamma Phi Beta's philanthropic program, the establishment of a Philanthropy Board was recommended by Grand Council and approved by the 1952 convention.

Mrs. D. W. LeMaster's work as Vice President and Alumnæ

Secretary has seen renewed interest and enthusiasm among alumnæ members.

As of April 25, 13 new alumnæ chapters have been chartered, bringing the total number to 117. Mrs. LeMaster's able direction of the Province Alumnæ Secretaries has brought alumnæ Chapters into closer contact with the International organization.

Mrs. Stuart K. Fox, Chairman of Provinces, reported that Province V had been divided due to its great size, and that there are now 11 provinces with a director and Alumnæ Secretary working in each. Province conferences, which were held in the Spring of 1951 had as their theme, "Loyalties," and were under the direction of Mrs. Fox and the Province officers. A school for Province officers was held prior to the convention, emphasizing correct advisory procedure in rushing and in general chapter operation.

N.P.C. Delegate Mrs. George Simonson will serve as Treasurer of the Executive Board of N.P.C., whose offices rotate among the membership. Since Board members do not serve on committees, Grand Council appointed Beatrice Locke Hogan, former Council member, as a special delegate to N.P.C. She is presently serving on the Citizenship committee.

Miss Mary Jane Hipp, Secretary-Treasurer of Gamma Phi Beta, reported on the new location of Central Office in Chicago as a satisfactory move. The convention program contained a complete financial report, as examined by Arthur Andersen and Company for the year ending July 31, 1951.

A tentative budget for 1952-53 was presented by Mrs. Howard Newman, Chairman of Finance and a complete report in the field of expansion was given by the Chairman of Expansion, Mrs. John M. Curtis. D D D

Women in a Democracy

“Education Is Such A Dangerous Thing”

(Based on a speech given at the Honors Luncheon June 26, 1952 at the 45th Convention of Gamma Phi Beta, Coronado, California by Dean Alice Hoyt of the University of California at Berkeley. Miss Hoyt is a member of Gamma Phi Beta, Eta chapter.)

IN THE early days of education for the working classes in England and America, George Bernard Shaw spoke these words, “Education is such a dangerous thing.” But we have discovered it to be dangerous only if it is not used correctly.

Education is something one must achieve. It is not administered to you. No one can make you an educated person. To be truly educated is to have mastered the art of self discipline in study, in interpretation, in knowledge and in wisdom.

Certain tools are available for the job of becoming educated. Your brain, your body and your books are tools. Teaching you to use those tools effectively are your instructors, but from this point on the responsibility for education rests with one person—yourself! Whether you “go through college” or become educated in your college years depends completely on you. The former implies an exposure to many courses (as many snap courses and easy professors as the elder sisters can recommend!) The latter insists upon a sense of devotion and commitment to the educational processes and is an outgrowth of an honorable element in our lives.

Honors should come only to those who work and study and who develop from their own limitations. But honors are also bestowed upon those who have the uncanny knack of knowing just what questions will appear on an examination, and who can write an A paper. Would you call a parrot an educated bird? Certainly not, for words which are heard, then repeated

Looking over the Honors Day luncheon program are, left to right, Mrs. Ralph E. Dippell Jr., Dean Alice Hoyt of the University of California and Mrs. George D. Stoddard, International chairman of Scholarship.

without having made any imprint on the mind or the soul are the hollow echoes of a short circuit. Would you say that a diploma or an honor society key were the marks of an educated person? Not necessarily!

Then you may ask, who is to judge whether an honor is deserved? Just as the responsibility of becoming educated depends upon oneself, so the sole judge of one's honors is oneself. In the process of becoming educated, we also become mature. And with maturity comes the ability to search our own souls and discover truthful answers. And once we seek these truths, we become endowed with a great humility, for we know then, through our own deep personal discovery, that one never becomes a completely educated person. For no matter how great a fund of knowledge we have achieved, there is

always more waiting to be added to our store.

The humble seeker after knowledge will understand the fervent desires of a young graduate of the College of California who spoke the following words in closing his commencement oration in 1869:

“We ask to be initiated, to go behind the scenes. We cannot be content now, with looking at the ‘show pictures’ and nothing more. We seem to have come into a great and beautiful city. Its stately dwellings, its massive temples, its spacious courts, its long arcades and corridors are wonderful; but their charm for us now is, that they are the shadows of another city that lives within them, a city of the soul. We cannot be willing, then, to remain in the streets, nor to have entered some vestibules and ante-chambers where we have caught glimpses and broken cadences of a harmony and of a beauty which we cannot understand. We must go inward still.”

Service To Humanity—A Byword Of Every Alumnae Chapter!

PRIDE in the philanthropic endeavors of local alumnae chapters swelled visibly when reports of three chapters were read to the convention delegates. Time did not allow reports from all 117 chapters, but the fact that each of these chapters expends time and money to alleviate the suffering of those less fortunate indicates that Gamma Phi Betas everywhere are assuming their responsibilities of good citizenship and service to humanity. Nathalia Field Holland of the Evanston-North-Shore chapter reported on their Ridge Farm project.

Ridge Farm Preventorium in Lake Forest, Illinois, a delightful spot on a wooded knoll of 27 acres, is one of two schools of its kind in the United States engaged in caring for dependent and neglected children of all races and creeds—from six to ten years of age. Children from the narrow streets and dirty alleys of Chicago's sprawling back yard. Children born to neglect and poverty and sorrow . . . who have never learned to laugh, who are classified in sociology textbooks as "difficult." Children who are inscribed in police records as "juvenile delinquents." Children with high I-Q's and nothing more. Think of it! Just the right combination of undisciplined intelligence to produce a future Public Enemy No. 1!

Gamma Phi Beta has long been interested in the needs of little children as evidenced by the splendid work being done nationally in the two camps at Denver and Vancouver. In addition to this work, the North Shore area felt the need of a project close enough to home that personal participation in its activities would be possible. This need was fulfilled in the selection of Ridge Farm as the local philanthropy of the Evanston-North-shore alumnae chapter. The immediate past president of the Ridge Farm executive board is a well-known Gamma Phi Beta, Mrs. William T. Schroeder, Gamma, a member of the Lake County alumnae group. Phillis Lambert Stefan, Epsilon, also a member of Lake County group, served on the Junior board.

Funds are raised annually through a Benefit and presented to the Farm for support of its summer recreational program . . . one of healthful, life-giving play under trained supervision—something these emotionally disturbed children would never have if Gamma Phi Beta did not provide it—as confirmed by the following quotation from a letter received recently from Mr. Hans Kleinke, executive director of Ridge Farm, "I am happy, in accordance with your stipulation, to be able to use the money for the children's summer program which, unfortunately, does not find in our budget the recognition it deserves." Last summer this check not only provided the full-time services of two trained leaders, often selected from the ranks of Gamma Phi Beta, but paid for new play-ground equipment and several summer camping trips to points of interest in Illinois and Wisconsin.

The Ridge Farm Benefit is the big social event of the alumnae year. Under the supervision of the Chairman of Ways and Means, approximately 40 Gamma Phi Betas are drawn into active work on this project. Help on the benefit last year was given by the Lake County group—both in the planning and the

selling of tickets.

In addition to the spring benefit, Gamma Phi Beta gives annually a large Christmas party at the Epsilon chapter house for the 25 children housed at the farm. This year it is under the supervision of the Ridge Farm Chairman, Mrs. Sterling Tremayne (Mary Alt, Phi). It generally comprises a large Christmas tree with individual gifts for each child, and large toys and games given to the school as a whole for use of all the children, a Santa Claus, refreshments and entertainment. The Greek Letter chapter girls enjoy helping with this project and last year volunteered their services to collect, repair and paint toys for the party. In addition, 35 alumnae gave their time to make the party a success.

Just as Gamma Phi Beta is dedicated nationally to the cause of youth advancement toward better health and a better way of life through its camps for underprivileged children, the Evanston-North Shore alumnae group now further that cause in their own local support of the children of Ridge Farm. And the Benefit whose original purpose was to raise funds for this worthwhile philanthropy has served to build public interest in Gamma Phi Beta.

Jeanne McMakin Hesper of the Tucson alumnae chapter told of the aid her chapter has given to the Arizona Children's Colony, a new state home for mentally deficient children. (THE CRESCENT of September 1951 carried a story on this philanthropic project.)

Gail Skogmo Edwards, president of the Minneapolis alumnae chapter, spoke of that chapter's adoption of the Minneapolis Curative Workshop as their project. The Workshop offers a rehabilitation center with a combination of Physical Therapy and Occupational Therapy. Facilities are used to decrease or eliminate physical disability, to renew the patient's confidence and hasten his re-adjustment to a life of usefulness and independence.

Over \$1200 have been donated to the Workshop by the Minneapolis chapter, part of which was used to purchase an electric kiln and clay and part to help pay for a full time employee. The chapter voted recently to set a goal of \$500 as an annual contribution to subsidize this worker's salary.

Each year the chapter president appoints a Curative Workshop chairman, who secures volunteer workers and supervises plans for the fund-raising dance. The newly organized Junior alumnae group has already supplied many volunteer workers, and will assist this year in raising funds.

The work of the volunteers is not tedious. The four hours spent every other week are filled with such tasks as hot packing patients, giving whirlpool treatments, light treatments, changing and counting linen, helping with files and assisting the paid aides wherever needed.

"Volunteer Workers," says Mrs. Edwards, "leave the workshop with the gratifying feeling of having helped . . . of having heeded the words of George Eliot, 'What do we live for if not to make the world less difficult for each other.'" D D D

Book Review . . . "The Zoo" By Alberita Richards Semrad

Mrs. Semrad, Author of The Zoo

A BRAND new book by a brand new Gamma Phi Beta author should solve several of your Christmas gift problems. Alberita Richards Semrad (U. of Wisconsin, 1918) has written a delightful story for children called, "The Zoo." It tells children just the things they want to know about zoo animals in pleasant, story-like form.

"Why is a tiger striped?"

"How can you tell an alligator from a crocodile?"

"Does a porcupine really throw its quills?"

"Do giraffes make any noise?"

(Much to this reviewer's amazement, the answer to the last question is yes!)

Profusely illustrated with photographs and drawings, "The Zoo" will rouse a child's interest and wonder, and help him look at the zoo animals with greater understanding. Illustrations are by Ralph Graham, Assistant Director of the Chicago Zoological Gardens.

Although this is Mrs. Semrad's first book, she is not a newcomer to the writing field. Her articles have appeared in *Glamour Magazine*, *Publishers' Weekly*, *Barron's Weekly*, children's magazines and *The Christian Science Monitor*.

Organizes Richmond Area Panhellenic Association

GIVE credit where credit is due. The Richmond Area Panhellenic Association bestows its laurels upon Mrs. Everett E. Grossman (Mary Lou Goar, Minnesota '37). She is the instigator, organizer, and first president of the group which became affiliated with National Panhellenic Council in June, 1952.

When Mary Lou became a charter member of Richmond's Gamma Phi Beta alumnae chapter, there were only four other active sorority groups in the city. She watched these groups grow from four to thirty one. It was during her own term as president of the chapter that she saw a real need for organizing a Panhellenic group. She began watching newspaper activity calendars, contacting one by one the existing alumnae chapters. The grass roots began growing when delegates from local chapters were invited to attend a tea given for Gamma Phi Beta's Grand Council last December.

Tri Delt, Phi Mu, Gamma Phi Beta, Kappa Delta, Delta Gamma and Alpha Gamma Delta drew up the by laws and Constitution in April. The following month, they were adopted and the following officers elected: President—Mrs. E. E. Grossman, Gamma Phi Beta; Vice President—Mrs. A. B. Urganhart, Alpha

Chi Omega; Treasurer—Mrs. J. E. Dillard, Kappa Delta; Corresponding Secretary—Miss Minnie Franck, Kappa Kappa Gamma; Recording Secretary—Miss Mary Weaver, Delta Delta Delta; Historian—Mrs. N. H. Henry, Phi Mu.

Thalhimer's a large local department store, most willingly came to our assistance, offering us headquarters and sponsored for us a lovely Invitational Tea. There are now twenty groups with delegates to the Executive Board and the number is still growing. Several are working toward national recognition and two have organized as a direct result of the influence of the organization.

This is but a brief testimony of the inspiration Mary Lou has been and of the work and time she has spent. But her energies must be unlimited. She is a member of PEO, national women's organization, Parent Teachers Association, Richmond Girl Scout Day Camp Committee, Chairman of Province VIII Convention in '53; and still finds time for her household duties, her husband and three wonderful children.

Irma Latzer Gamble (Illinois '15) accepts honorary degree of Doctor of Laws at MacMurray College from Dr. C. P. McClelland, president of the college. Miss Mate Giddings, left, invests Mrs. Gamble with the hood emblematic of her new degree.

IRMA LATZER GAMBLE (Illinois '15) was given the honorary degree of Doctor of Laws at the June graduation exercises of MacMurray College at Jacksonville, Illinois. Dr. C. P. McClelland, president of MacMurray College, presented her with the degree, while Miss Mate Giddings, professor of home economics, invested her with the hood, emblematic of her new degree. Irma Gamble (Mrs. M. C.) has been a member of the MacMurray college board of trustees for the past eight years, and as with everything she does, her work as trustee was "above and beyond" her normal duty.

Members of the Peoria alumnæ chapter of Gamma Phi Beta are bursting with pride and happiness, and are gratified that one of their most active members has received deserved recognition for her selfless service. Peoria Gamma Phi Betas know that Irma's activities are widespread and varied, and that the influence of her high principles is felt by the entire community. A complete listings of her many activities is virtually impossible since she approaches them with such matter-of-factness that even her most intimate friends are quite unaware of all the demands on her time. Her conviction that membership in an organization means active participation has been often demonstrated. Chief among those organizations that have had the benefit of her administrative direction are MacMurray College, the Child and Family Service, the League of Women Voters, A.A.U.W., P.E.O., the Girl Scouts and of course, Gamma Phi Beta.

She served as a national officer for Girl Scouts, serving as Commissioner for over six years, and the high plane to which scouting has risen in Peoria district is due to her continued guidance. In addition to time and guidance, she has given the girl scouts in the Peoria area their own "Little House," dedicated to the work and aims of scouting.

The fact that Beta Eta Chapter at Bradley University is in existence today is a direct result of her generosity and organizational ability. With less than thirty alumnæ and twenty-two green little pledges, a chapter was established that from the first exemplified the highest standards of our sorority.

Since incorporation in 1948, she has served as treasurer of the House Corporation Board of Beta Eta Chapter of Gamma Phi Beta. This position brought with it tremendous responsibility, since the new house corporation had to find, finance, buy and furnish a chapter house. Irma shouldered the responsibilities that went with her job and more, and is still doing it.

One of Peoria's most enjoyable charity benefits of last winter was Gamma Phi Beta's Holiday Caravan. It was Irma's suggestion that the idea be tried in Peoria and its tremendous success was due largely to her enthusiastic direction.

Almost every week some organization is enjoying her gracious hospitality in her home on Prospect Road, and of course, Gamma Phi Betas enjoy a lion's share. The May Breakfast, held at her home, has become an annual tradition, eagerly anticipated by all Peoria Gamma Phi Betas.

In spite of her busy life, her family has always been her first consideration. Her son, Ted, and daughter, Kay, are now both married and living away from Peoria, but the Gambles manage to see them often.

Certainly, all Gamma Phi Betas can be extremely proud to have for a sister such an outstanding personality. In her private and public life she is all that is true to the standards of Gamma Phi Beta. D D D

Mark Your Calendar!

TWO RED-LETTER days for the responsible Citizen mark the Autumn calendar—November 4 and December 15.

November 4—America votes! Radio and TV won't let you forget that!

What about December 15?

Why, that's Bill of Rights Day. Too little is known about that great document, the Bill of Rights, proposed by Congress on September 25, 1789 and ratified and declared in force on December 15, two years later in 1791.

The Bill of Rights, which is incorporated as the first ten amendments to the Constitution of the United States, enumerates the privileges and immunities of all people, whether citizen or alien. These are: freedom of religion, speech, press, assembly, and petition of redress; freedom from unreasonable search and seizure, from violation of the security of person and home; freedom from arrest except by warrant, from trial a second time for the same crime, freedom from witnessing against oneself, and from deprivation of life, liberty or property without due process of law; also freedom from excessive bail and fines and from cruel and unusual punishments.

To many people, then and now, the Bill of Rights is the nugget of gold in the Constitution. Some of the States refused to ratify the Constitution until assured that these amendments would be made a part of it. It is the Bill of Rights which safeguards the privacy and freedom of the individual—and that means yours and mine too!

However, many a TV panelist would muffle his question if asked who is the author of the Bill of Rights.

Certainly, George Mason, said to have had one of the finest minds of Colonial Days, has received only casual attention until recent years. In the Preamble to the Virginia Declaration of Rights, which was his most noted writing, occurs the basis of these first ten amendments to the Constitution, known as the Bill of Rights. He is thus recognized by some historians as the Author of the Bill of Rights.

Acquired as a gift to the State of Virginia, and opened in 1951 by the National Society of Colonial Dames, under whose custody it is maintained, George Mason's beautiful home, Gunston Hall on the Potomac River a few miles South of Mt. Vernon, is now opened to visitors whose interest in Mr. Mason's contribution to the lives of every citizen of this country will thus become stimulated and better known.

Indicative of this growing interest was the gathering of persons from many states last spring to participate in the wreath laying ceremonies commemorating the birth of this great Virginia Patriot. Ensign Dorothy Cralle Kerr, of the Waves, a descendant of George Mason (member of Alpha Phi Fraternity) made the

presentation, accompanied by a color guard from all the women's Armed Forces. The program was arranged by the NPC Citizenship Committee, assisted by members of the Washington City Panhellenic in collaboration with members of the Colonial Dames.

Every day to more Americans the privileges and responsibilities of their Citizenship become dearer *as they think*. You can understand your citizenship rights better by being thoroughly acquainted with the Bill of Rights. At an opportunity, visit Gunston Hall, perpetual memorial to George Mason and the principles for which he stood. This Georgian plantation house, well known to architectural students of the Colonial period, has rooms of outstanding richness and beauty. Particular attention should be given the beautiful gardens of 18th century designs with magnificent box hedges planted by George Mason himself.

The vision of George Mason and his contemporaries who gave us this immortal document, is startling in the power and influence it has exerted over the lives of Americans from the early days of the founding of our Republic to the present when it is becoming of even more vital interest. Conditions have changed

since the days of George Mason, but not the fundamental nature of human beings. Back in the early days of this Republic, George Washington wrote: "We ought to deprecate the hazard attending ardent and susceptible minds from being too strongly and too early prepossessed in favor of other political systems before they are capable of appreciating their own." How significant this statement is for us in these times.

Does Freedom mean "Do as you please?" Some people think so, as evidenced by the mob psychology displayed on hundreds of Campuses last spring which discredited the aspirations of students asking for more authority and for permission to sit on Administrative Committees of their Colleges. No freedom may be safely granted to officials or groups, young or old, with-

out subjecting it to restraining checks and balances, known as responsibility. No higher duty rests upon the American citizen today than that of understanding what Freedom means for himself and his neighbor, in realizing that we can lose what we value most in our heritage by a lack of understanding.

Stated forcefully in the American's Creed, *your* creed and *my* creed, America and all our citizens will be safe if we respect this pledge:

"It is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its Flag; and to defend it against all enemies." D D D

To Say "We Remember . . ."

So often we wish to remember a loved one who has passed on with a gift more lasting than flowers. Such a gift is a contribution to the Gamma Phi Beta Memorial Fund, because each dollar contributed in memory of a loved one is used to assist Gamma Phi Betas in school who need financial aid and Gamma Phi Beta chapters that need a helping hand.

The funds are handled by the Endowment Board of Gamma

Phi Beta in the form of loans to Gamma Phi Beta students and chapters and thus will be used again and again to give aid and to serve as a living memorial to the person in whose memory the money was contributed.

If your chapter has lost one of its members, you can perpetuate her memory in no finer way than by a contribution to the Memorial Fund. The following form is for your convenience.

Kappa Chapter Celebrates 50th Anniversary

A GARDEN wedding was the theme of Kappa chapter's Golden Banquet on May 23, marking the Golden Anniversary of the University of Minnesota chapter's marriage to Gamma Phi Beta. Pink paper carnations decorated the stage where sat a beautiful pink and white wedding cake. Millicent Lees Hoffman (Past Grand President) spoke a moving devotional to begin the evening. Amy Woerner sang "I Love Thee" as a wedding solo. Then Franny Anderson as Maid of Honor led bridesmaids B. J. Larsen and Gail Gilquist in the processional ballet. All heads turned when Barbara Burns played the first notes of the wedding march, for the surprise of the evening was a six year old bridal pair: Barby Baston (daughter of your Marylu Baston) and David Warner (Son of Jo Warner, Banquet Music Chairman). Barby and David marched proudly to the stage to cut the wedding cake, and cake was served.

Mary Jane Reed as toastmistress, introduced each speaker as a wedding gift, using gaily wrapped packages and clever poems.

Happy couple relive marriage of Kappa Chapter to Gamma Phi Beta. Left to Right—Maid of Honor, Frances Anderson, David Warner, Barby Baston, Gail Gilquist and foreground B. J. Larsen, bridesmaids.

Ruth Newkirk, Charter member of Kappa Chapter, came from Fullerton, California to assist Katherine Silverson (Roll of Honor) in an account of the founding and early years of our chapter.

Mrs. Stuart Fox, Chairman of Provinces, represented Grand Council, and talked on the deeper aspects of our international order. This international feeling was further carried out by the Junior alumnæ Skit which depicted Kappa chapter in year 2000.

An eighteen voice chorus, coached by Jo Warner and Pris Bjorklund sang several numbers including "How Can I Leave Thee?", a lovely song written by Mrs. Adams, sister and former housemother, who was an honored guest at our party.

Alumnæ chapter president, Gail Edwards, reported on the year's activities in the Curative Work Shop, and modeled the 1902 hat she wore at convention.

Ruby Belle Inglis and Demaris Hofer, active president, presented honors to actives.

From the first sip of wedding punch to the last note of Fidelity, this was a truly golden evening. Kappa chapter members look forward to further service and sisterhood in its second fifty years.

MARYLU BASTON

Talking over Kappa Chapter's founding and growth are Helen Hendrik Keyes and Ruth Newkirk, founders, and Katherine Silverson, Roll of Honor member.

Gamma Pledges Work On Service Projects

Not to be outdone by fraternity "help weeks" at the University of Wisconsin, pledges of Gamma chapter went all out working in welfare service projects for Wisconsin institutions.

Prior to their initiation this spring, Marilyn Jones, Greta Wisiol, Mary Hempe, and Nancy Fitzgibbon made 160 small cardboard and paper "grass" baskets for Easter tray favors, which they took to Morningside Sanatorium for children.

Carol Chadwick and Doris Sickert read to and helped patients to read at Wisconsin Neurological Hospital, which is directed by Mr. Tjolas. The patients were retarded but intelligent, and had great difficulty in co-ordinating movements and expressing themselves. Their ages ranged from eight years old to 24 years old. D D D

"Without A Picture"

THIS is an UN-illustrated report because the model just isn't ready to be photographed yet. "She" will be in September, and we hope to have a beautiful photograph to show you later. The subject will be the carnation which is the winner in our COLOSSAL CARNATION CONTEST.

Thumbs, light green, medium green, and dark green, are vying with other green thumbs belonging to Gamma Phi Beta alumnæ here on the Peninsula south of San Francisco. This is truly a Gamma Phi Beta contest.

Helen Mangin, California Membership Chairman, has a way with folks and flowers. She talked her florist into saving some very special pink carnation cuttings. When she went to get them, she was delighted to find that he had rooted them for her.

At the annual Peninsula alumnæ meeting in March, the rooted cuttings complete with instructions for culture and care were distributed among us. The results of our horticulture will be on display at the September meeting and the COLASSAL CARNATION winner chosen at that time.

Mary Thompson, former president of the Seattle Alumnæ group, was a guest at the March meeting and she took a cutting up north with her. We hear that her plant is flourishing. Maybe we'll promote an inter-state Carnation Growing Contest. Are any of you interested? D D D

PAULINE SAWYER UMLAND

A Visit To San Diego State College

SAN DIEGO STATE COLLEGE, established primarily as a normal school in 1897, has progressed through stages as a city normal school, and a State Teachers' College until at the present time it has gained status as a full-fledged State College, specializing in various fields of business, psychology, sciences, and arts, as well as the originally intended elementary and secondary teacher education. It was decided in 1936 after legislative action had changed the name of the college to San Diego State College (dropping the word "Teachers'" from the title) that teacher-training courses should not be required of all students. A complete range of degree programs is available in all the liberal arts fields, a number of vocational and pre-professional areas including teaching and the general secondary credential. Masters degrees are given in psychology and other fields where the subject is applied to teaching.

The college is outstanding in its speech arts, education, and psychology curricula.

The present campus, styled in a combination of Moorish and Renaissance architecture, is the third to be inhabited by the student body since the opening of the normal school, an increasing number of enrollments each year creating a need for a larger campus. The site of the campus, ten miles from the center of town was chosen because of its pleasant surroundings and vast acreage, lending itself extremely well to the building expansion program now underway. Plans for buildings to be erected during the summer include a new campus laboratory school, additions to the science departments, and a new wing for the music building.

With the transfer of classes from the old to the new locations, several new traditions and annual events were brought into being. One of the first was the carving of the 400 foot 'S' on Black Mountain behind the college. Each year since 1931 hundreds of freshmen supervised by Occotl, men's honorary, have trudged up the slope with buckets of whitewash to perform the annual rite of painting the 'S'. Several nights later at the Homecoming game and pageant the same group again makes the ascent, this time with flares, to light the 'S' for all the returning alums. At last year's homecoming parade Beta Lambda was the proud winner of the trophy for third place in the sorority float division and is making plans for a first place float this year.

Cetza, organized in 1929, at the end of its first active year was the foremost women's organization on campus. Cap and Gown, honorary senior women's organization was founded in 1932. Three members of Beta Lambda are present members of this organization, and last year found our president as Chancellor of Cap and Gown. Virginia Janney has just finished a term as president of Cetza.

Spring Sing is another activity participated in each year. All groups send choruses to compete for prizes in choral and novelty divisions. The Sing replaces Femme Frolics which Beta Lambda won two years ago, as the annual spring event. The perpetual trophy for inter-sorority sports competition has been won by Gamma Phi Beta at State for the last three years, and now is ours to keep.

The National greek letter organizations

on campus began as rowing crews when the college was located nearer the bay. These crews then became secret and semi-secret groups taking local greek letter names. When the school moved to its new location the number of these groups increased and by 1947 some had become chapters of national organizations. Kappa Theta became a chapter of Gamma Phi Beta in 1949, but it wasn't 'til 1951 that the last of the 11 local groups became national. All eleven of the sororities on campus are housed in the House of Hospitality in Balboa Park, some 8 miles from the college. Each group has a room on the second floor just off a balcony overlooking a central court. It is here that the fraternities come to serenade and be serenaded. Little provision is made for a sorority-fraternity row at the present time, but little by little the organizations are moving to small homes and apartments near campus to await a time when we can start building our own homes.

Virginia Janney, president of Beta Lambda chapter at S.D.S.C., also serves as president of Delta Phi Upsilon and is a member of Kappa Delta Pi, Cap and Gown, California Student Teachers' Association and the Associated Students' Council.

Dr. Walter Hepner, President came to the college in 1935 with a long and brilliant record as an educator, both as teacher and administrator. He was not a newcomer to San Diego, for he had served as superintendent of the city schools for some little time, coming to that position from a similar post in the Fresno city school system. Immediately prior to his acceptance of the presidency of San Diego State, Dr. Hepner held the office of Chief of the Division of Secondary Education in the state system. Now after 17 years of faithful service to San Diego State College Dr. Hepner is retiring. He has realized at least part of his dream, however, for a larger and more beautiful campus. His successor Dr. Malcolm Love will take over duties as president at the beginning of the fall semester. Dr. Love has recently come from a similar position at the University of Nevada. Although the entire student body is looking forward to meeting and working with Dr. Love and his family, Beta Lambda is especially looking

forward to meeting one particular member of his family—his daughter, a Gamma Phi Beta from Nevada, is transferring to State next semester.

State College over a period of the last thirty years has come to occupy an ever more important place in the educational and cultural life of San Diego and has gained increasing stature among the educational institutions of the state. With the constant enlargement of its curriculum and the expansion of its building program, San Diego State College keeps pace with the growing size and importance of the City of San Diego and its outlying areas, from which the great majority of the student body is drawn.

MARY MOYSE

Betsy Fletcher, Rollins

Meet The Editors From Rollins College!

Three months of hard work on the part of Betsy Fletcher, '52, Editor-in-Chief of the weekly newspaper, *The Sandspur*, when the paper waged a single-handed fight to put the real facts of the Rollins-Presidential battle before the citizens of Central Florida, were adequately rewarded this year when the Associated Collegiate Press handed Betsy a First Class Honor Rating and the highest point score in the *Sandspur's* history. The ACP commented, "You had a big and difficult job to do and generally did a good job. The extras were outstanding."

When Betsy won the campus election last year she succeeded the closest-to-professional editor that Rollins has ever had. Doubt ran high as to whether or not the paper would continue in the manner and quality that had been fostered, for a woman editor was practically unheard of. "A tea-party social,"

or, "A woman will gum up the whole paper" were two often heard phrases.

The only tea-party has been the weekly gossip column and the gum has turned out to be tenaciously adherent to principle and good journalism. Betsy, in editing the *Sandspur*, a task which few people want to or could perform, does a monumental job worthy of the most case-hardened. With her staff ready to follow her slightest whim, Betsy remains in the office, as a regular thing at which no one is surprised anymore, until one, two, or three in the morning, in order to supply the campus with a newspaper that is no longer only read, but eagerly awaited.

Betsy says her greatest compliment came from a professor here on campus who said, "I can read your personality, your vitality, and human interest in every word. The paper is completely yours."

Editor for the yearbook, *Tomokan*, was also selected from the Gamma Phi Beta chapter at Rollins. She is Marcia Mattox, and the only sophomore ever to hold the office of Editor-in-Chief.

Fulbright Scholars

Nancy Phillips, of Lake Forest College was notified last May that she had been awarded a Fulbright Scholarship to study in England next year. An English major, Nancy will continue her studies in English literature at the University of Sheffield for a nine month period under the terms of the grant. Financial coverage of the grant includes transportation expenses, tuition, books and incidental allowances, maintenance and expenses of an orientation week in London. The orientation week is scheduled to start September 19.

Nancy Phillips, Lake Forest

Awarded by the United States Government as authorized under Public Law 584, 79th Congress, the Fulbright scholarships, because of their generous terms and opportunity for foreign travel, are greatly in demand and highly competitive. Students planning to do graduate work and teachers seeking exchange professorships and opportunities for advanced work are eligible to apply. All fields of academic study are encompassed by the grants. Expenses for the fellowships are borne by the host countries in accordance with the law, which seeks to provide a means whereby money owed the United States Government may be repaid without taking funds out of the various countries involved and international understanding also be fostered.

While at Lake Forest, Nancy has been active in the Madrigal singing group, has been a student counsellor at East House and at Bradley lodge, and has done honors work in English, as well as maintaining a high level of academic work.

Another Gamma Phi Beta who has been awarded a Fulbright Scholarship for study abroad is Anne Holden, Gamma, of the University of Wisconsin. D D D

Alpha Omega chapter at the University of Western Ontario, London, is justly proud of one of its outstanding members, pert and blond Miriam Voelker, from Kitchener. "Mim" was voted "Queen of the University College Ball" in February, the third "Glamma" Phi upon whom this honour has been bestowed since 1946. Mim was chosen not only because of her beauty and personality, but also because of her varied activities on the campus, which included the Arts and Science Council, Oxydentalia, *Gazette*, Purple Spur Society and co-convenor of the University College Ball.

As a culmination of her scholastic and extracurricular achievements, Mim was appointed to the Honour Society.

She is now Mrs. Robert Stanbury, as of June 21! Bob graduated from Western in 1950 and is a member of Kappa Alpha Society.

Director of Religious Education

The days ahead will never be dull for Anna Jean Trost (Washington U., '50). The fleeting moments in Shaufter Hall of Union Theological Seminary, Richmond, Virginia, marked the beginning of a most exciting and satisfying career when she received her Master's Degree in Religious Education.

Phi Chapter claimed her when she attended Washington U. where she majored in English Literature and Education. Always working toward the days to come, Anna Jean spent her summers in ways as varied as her capabilities doing social work, attending Camp Miniwaneau, Michigan, American Youth Foundation Leadership Training Camp and for one summer she was Recreational Leader for the city of St. Louis, Mo.

Because of her sparkling personality, superior intelligence and a warm heart, Anna Jean is headed toward certain success as Religious Education Director of the First Presbyterian Church, Athens, Georgia.

Last year she received the Eta Pi Upsilon cup as outstanding Sophomore Woman, and was the Orchid Girl of the College of Home Economics, an award given to the student in the College with the highest average.

Jime Watson's sparkling smile and vivacious personality have certainly added to her campus popularity. In recognition of her scholastic abilities Jime has been elected to Theta Sigma Phi, journalism honorary, and is also a member of Eta Phi Upsilon, Alpha of Mortar Board.

She has also taken a keen interest in the Methodist Student Fellowship, Chapel Choir and the *Syracusan*, of which she was a member of the staff.

Marjorie Williams (left), Gamma Phi Beta from Lake Forest College, was awarded the Joseph P. Nash Memorial Scholarship in Art last June. This scholarship is to be awarded annually in honor of the late Joseph P. Nash, former art instructor at Lake Forest College, to students who excel in the study of art.

Although Marge is interested primarily in art, she is active in campus affairs too. She was elected president of the Women's Athletic Association, is treasurer of the sorority, is the Election Chairman of the Student Council, and is the Layout Editor of the *Forester*, Lake Forest's annual.

Virginia Wellborn (right), freshman at University of Maryland and a member of Beta Beta chapter, was awarded the March Painting-of-the-Month-Club honor for one of her landscapes. Only four of these awards are given by the Art Department each year. As Painting-of-the-Month, the picture was displayed throughout March in the main lobby of the Administration Building. It was also awarded second prize as an entry in the landscapes classes for the entire year's work at the Annual Art Exhibition. Miss Wellborn's painting was chosen, along with two of her others, as part of a small group to be hung all summer in the campus Recreation Hall.

Virginia, who is seventeen years old, is majoring in fine arts and minoring in practical art. After graduation she plans to enter advertising art. Her sister Jennifer is also a member of Beta Beta chapter and her father is a history professor at University of Maryland. Virginia is a Red Cross hostess at Walter Reed Hospital.

island styles from the Royal Hawaiian was featured during the dinner hour.

and Alpha Psi at Lake Forest. These awards were given in recognition of high attainment in scholarship for the two-year period 1949-51. Delegates and visitors were seated at tables marked with scholastic honorary society symbols. Fifty-two members stood for recognition as members of these various groups. Dean Alice Hoyt of the University of California was introduced by Mrs. Edward Ames, toastmistress, and spoke on the subject, "Education is Such a Dangerous Thing."

At 4:30, Gamma Phi Betas filled the Presbyterian Church in Coronado, as Mrs. Marius Lindloff conducted the traditional Memorial Service honoring the deceased members of Gamma Phi Beta. Mrs. Charles Patterson, Mrs. Frank G. Armer and Mrs. Gilbert Hespen assisted in the service. The Province VII Choir was accompanied on the organ by Dorothy Pritz Michaels.

Mrs. George M. Simonson spoke following dinner on the Spanish influence in the West. She reviewed the pioneering of sororities on western campuses, in which Gamma Phi Beta played an important part. A Model Initiation service was held during the evening, directed by Mrs. Marius Lindloff, and presented by San Diego alumnae chapter and Beta Lambda members from San Diego State College. Mrs. Ralph E. Dippell presided.

June 27

At the morning session, Mrs. James Myles, International Magazine chairman reported that Alpha Phi chapter at Colorado College had placed first in collegiate magazine sales and that Eta chapter at the University of California had shown the greatest improvement in sales. Mrs. Ralph von Lehmden urged support for the Special Gifts department to aid in building the Endowment Fund, and reported on the various projects of alumnae chapters which benefit this fund. Mrs. Maynard Kniskern then conducted a round table on Public Relations, assisted by Mrs. John Pettet of St. Louis who discussed newspaper publicity and Mrs. James Marek, CRESCENT Editor, who spoke of public relations from a Panhellenic angle.

Santa Barbara-Ventura alumnae chapter members were hostesses for a Mexican luncheon, which featured strolling troubadours and set the mood for the afternoon trip to Tijuana, Mexico.

Strolling troubadours provided atmosphere for the Mexican luncheon. Here they play for Jeannien Gustavison (left) from Illinois, and Nancy Freeman of U.C.L.A.

Arizona delegates were hostesses at the Indian dinner, and highly prized favors were the Katchina dolls, designed by Kathleen Sage of Tucson. An Indian dance was presented by Barbara Baldwin and Myra Bailey of the University of Arizona and Dana Rhoton and Betty Painter of Arizona State College. Later, members of Grand Council held office hours for individual conferences, while others enjoyed the Indian film, "El Navajo," and played bridge and canasta.

June 28

Final day of convention brought reports from the round tables, Findings Committee and the Resolutions committee. The Honor Roll committee reported that three names had been added to the Honor Roll. They were Alice Wieber Fitzgerald, Sara Preston Finley and Beatrice Locke Hogan. The committee also recommended the establishment of a Service Roll to honor Gamma Phi Betas for long, devoted, constructive service to chapter, province and International Gamma Phi Beta.

Long Beach and Whittier alumnae chapters planned the luncheon program which featured a skit on the founding of the sorority. Delegates and guests were asked to wear hats which represented the date of the founding of their chapters. What conversation pieces they were! Broad brimmed numbers, tied down with a scarf bespoke the days of the first horseless carriages. Plumes, flowers, fruit and feathers added charm to others. Then there were the helmet types of the flapper days, tight over the ears and low on the forehead. Dainty nosegays were the delightful favors, and even the ice cream dessert looked like a miniature straw hat.

The Hat luncheon brought out such bonnets as these, which were the latest thing in the 1880's, when Epsilon chapter at Northwestern was chartered. At left is Ruth Eloise Bailey Berkle, Northwestern '33 of San Diego, and her aunt Ruth Eloise Phillips Sparling of Northwestern's class of '99. Mrs. Sparling, who lives in Los Angeles, assisted in the chartering of Theta chapter at Denver U.

Election of Grand Council officers was held in the afternoon, and a motion made that the secretary cast a ballot for the slate as presented by the nominating committee was carried.

Elvera Fitzgerald, Director of Province II West, issued the invitation for the 1954 convention. The report of the Credentials committee noted that total registration of delegates and visitors was 634. The 45th convention closed with the reading of the Scriptures, Matthew V, 13-17.

At 7:30, nearly 500 Gamma Phi Betas gathered in the Crown room for the traditional Carnation Banquet, at which Mrs. Robert E. Fitzgerald, past Grand President, acted as toastmistress. Gamma Phi Beta husbands had their evening with a stag dinner in the Ocean Terrace room, planned by Janice Maher Winterbottom of Pasadena. Following dinner, the Cirrus Room was reserved for dancing.

The Coronado pool was a popular spot, with its crystal clear, warmed salt water. Frances Kent of Colorado A. and M. (left) and Barbara Young of Nebraska found the Pacific breezes a bit chilly but the swim invigorating!

A live Totem pole added interest to the Indian dinner, which was arranged by Arizona Gamma Phi Betas. Barbara Baldwin, Myra Bailey, Dana Rhoton and Betty Painter presented authentic Indian dances during dinner.

Everybody went shopping in Tijuana, Mexico! Here, Pat Chant, left, of Bradley University and Mary Cosgrove of San Diego State look over a special bargain in a Mexican shop.

For a small fee, one may don a sombrero, pose on the back of a burro or in a cart and have a picture taken for the folks back home. From left to right, these typical tourists are Fran Maloney of San Diego State, Nancy June of William and Mary, Mary Cosgrove of San Diego State and Pat Chant of Bradley University.

Having served together on a former Grand Council, these convention veterans found time to reminisce a bit in the Coronado patio. Left to right, they are Mrs. Joseph Weiner of San Francisco, Miss Alice Camerer of Detroit, Mrs. Cicero F. Hogan of Washington, D.C., Mrs. William Dehn of Seattle, Mrs. G. M. Simonson of Piedmont and Mrs. Robert Fitzgerald of Milwaukee.

Mary Cosgrove of San Diego State College plays an accompaniment on the uke, while Eleanor Stevens Fuller, of San Diego (left) and Sally Stevens Jones, San Diego, admire the lovely orchids flown in from the Islands.

Some of the more energetic delegates made use of the hotel tennis courts. Here Marilyn Swope of Long Beach, left, discusses her game with Marion Schaaf of Westwood.

"The Essence Of Spring!"

When the awards were given out at the Round Up festivities at the University of Texas, Gamma Phi Beta took first prize for the most comical float, titled, "The Essence of Spring." All down the main street of Austin "Stinky" the skunk would raise a big red rose to his nose, flutter his eyelashes and roll his head back and forth. Profits From The Sale Of Magazines Build The Endowment Fund

Last year the sales and profits of the Gamma Phi Beta Magazine Agency were the highest since the agency became an official International project. However, instead of having sales in excess of \$20,000, we could have had PROFITS IN EXCESS OF \$20,000 if each member had sent in one subscription. Since we all subscribe to magazines, this profit could have been achieved without any additional financial expense by our members. As International Chairman I wish to thank all who have contributed to the Endowment Fund by placing orders through our agency and to ask for the cooperation

and support of EVERY MEMBER this year. Following is the statistical report of chapter sales for the last two years:
