GAMMA PHI BETA

Creed of Gamma Phi Beta

Gamma Phi Beta from the past has given
A heritage that makes a fuller life.
Gamma Phi Beta in the present bids
Us strive for lasting values and ideals.
Gamma Phi Beta in the days to come
Will prove that fundamentals can endure.
Therefore we shall embody in our lives
The truths that make for finer womanhood.

Once more we pledged a *loyalty* that means
Adherence to all true and noble things;
A *learning* that enriches all our days
With magic gold that is forever ours;
A *labor* that each hour will glorify
The simple, common task, the common cause;
A *love* that will be strong and great enough
To compass and to pity all the world.

Love, Labor, Learning, Loyalty—Our Creed

I will try this day to live a simple, sincere and serene life, repelling promptly every thought of discontent, anxiety, discouragement, impurity, self-seeking; cultivating cheerfulness, magnanimity, charity and the habit of holy silence; exercising economy in expenditure, generosity in giving, carefulness in conversation, diligence in appointed service, fidelity to every trust and a childlike faith in God.

Good Things Come In Threes . . .

And the old adage is especially true when it is three generations of loyal Gamma Phi Betas. Beta Alpha chapter at the University of Southern California welcomed Shelia Whitehill (left) as the third generation member. Present for the pledging ceremonies were Shelia's grandmother, Mrs. Grace Lasher Berry, center, Grand President of Gamma Phi Beta in 1909, and her mother, Mrs. Peter Whitehill, former president of the Los Angeles alumnae chapter.

A Visit To Ohio State University

ON SEPTEMBER 17, 1873, a group of 20 students assembled to start their studies in the new Ohio Agricultural and Mechanical College. Thus began the college which in 1878 was renamed The Ohio State University. At the present time, approximately 4,000 courses are offered in ten colleges, a graduate school, and nine special schools. The physical appearance of the campus has also been altered. In 1873, University Hall was the only campus building and provided space for classrooms, laboratories and offices, for student and faculty housing, and for all other necessary activities. Today there are some 100 permanent buildings and the university property includes 1,400 acres of campus and farm, a 400-acre airport, and two 18-hole golf courses.

Beta Xi chapter was founded at Ohio State University on April 28, 1951 and is the 23rd sorority to be established at the university. With a beginning of 13 initiates, we have grown to a chapter of over 65 in two short years.

The campus life at O.S.U. is very exciting. It all begins with rushing held either directly before or during the first two weeks of school. Sorority rushing is regulated through the Panhellenic office with every sorority giving the same kind of parties and the rushees choosing the parties to attend from the invitations received.

Every Saturday afternoon, when there is a home game, there are 75,000 or more people migrating down to big, beautiful Ohio Stadium, shaped in the form of a horseshoe, to see one of the top-ten football teams as well as the noted 120 strong Ohio State Marching Band. Phyllis Briggs (Dalton) was one of the three girl cheerleaders last year and many of the Beta Xi girls participated in Block "O," a campus cheering section. On October 31, around 20 Ohio State Gamma Phis migrated to Northwestern for the Ohio State-Northwestern game. Many had a lovely lunch at the Epsilon chapter house. Beta Xi had several well attended open houses after the games and many exchange dinners with fraternities. There was a Hallowe'en party for members and dates and a Christmas party in collaboration with our neighbor fraternity for some needy children. We also went caroling at various hospitals in town before Christmas vacation.

After Christmas vacation Beta Xi had other honors. Mary Ann Conald was on Pledge Princess Court and Scabbard and Blade court. Carolyn Snook brought honors to our chapter by being elected to Queens Court of the Mardi Gras. The sorority basketball team was runner-up in the tournament again this year and several of the girls on the Gamma Phi team played on the O.S.U. team. The biggest thrill came to our chapter when the Gamma Phi Beta singers won the sorority sing (last year the pledge class won the pledge sing) and were asked to sing at many important entertainment functions.

After finals were over, approximately 30 Gamma Phis went

down to Ft. Lauderdale, Florida, for spring vacation. Everybody had a wonderful time and came back with plenty of vim and vigor.

During Spring Quarter, we won the *Sundial* Trophy (campus humor magazine) and Sue Heath was Dream Girl of Pi Kappa Alpha. During May Week, the chapter campaigned for two of our girls for political offices. Sonya Patterson just barely missed getting Junior Class Secretary and Pat Bailey was elected as a Senior Class Senator. Pat was also named associate business manager of the *Makio* (campus yearbook). Susan Scott was elected secretary of the YWCA. Beta Xis also worked on a float that resulted in a picture being published in one of the local newspapers.

Although it is just a young chapter, Beta Xi has already made many traditions. Soon after formal rushing is over, the actives

give an active-pledge slumber party and afterwards the pledges choose their big sister. Later on in the quarter, the new pledges take over the chapter house for a weekend and the actives move out. Last year we had our first formal and expect to make this a tradition. Near Christmas the actives got all dressed up like little girls and gave a surprise Christmas party for the pledges that was even complete with Mrs. Santa Claus. In the spring the chapter has a picnic which includes favors and plenty of food. A steak and beans dinner is held at the beginning of each quarter for the chapter. All girls raising their point hours to .3 eat steak and those not achieving the above eat beans. The pledges give the actives a dinner and also take them on a little journey during the year. When

the pledges are initiated, each one gives her big sister a paddle that has been hand painted and the big sister gives her little sister a crescent necklace. A dinner is given at the end of the year in honor of all the seniors and those girls leaving the chapter for other reasons. This is followed by an Honors Day Tea which is given by the alumnae living in or near Columbus. The undergraduate chapter provides the entertainment and the alumnae award a beautiful pearl crescent necklace to the most outstanding pledge, a trophy to the Sophomore with the highest accumulative average, and a bracelet to the Junior who is most outstanding in activities.

Although Beta Xi is one of the youngest chapters of Gamma Phi Beta, it is already proving itself capable and energetic.

Women in a Democracy

College Women Discuss Their Role

By Mrs. Christine Y. Conaway, Dean of Women

The Ohio State University

WHAT are women students thinking and doing in colleges today about preparing for responsibility? From screaming headlines, depicting escapades to obscure articles of attainment, the public draws its conclusions.

This spring a group of approximately three hundred women students representing the Associated Women Students* from eighty-six colleges and universities from coast to coast met on The Ohio State University campus to talk about "College—Your Pathway to the World." They did not confine themselves to just college, but rather the role they anticipate, uncertain as that may be.

They listened to outstanding speakers give statistics of college women who preceded them, site examples of accomplishments of women, and set sights for future achievement; then these students spent hours in workshops charting their own course.

What is this course? It is well for all college women to be aware of some of the thinking of their representatives at this meeting.

The tools for a rewarding and productive life for women they suggest as subjects in areas of economics, political science, geography, family life and appreciation of the arts. But beyond these specific subjects they also recommend that an integration of these subjects would be worthwhile. The interpretation of student activities is in the light of training for citizenship. Basic to this is the application of skills of human relationships, of careful training of leaders to take the responsibilities for the growth of members.

* Fourteenth Biennial Convention of The Intercollegiate Association of Women Students held at The Ohio State University April 2-5, 1953. For any who are interested in securing copies of the resolutions passed at these meetings write Miss Jacqueline Sterner, Executive Secretary, Canfield Hall, Ohio State University, Columbus 10, Ohio.

Important are some clearcut channels of communication between faculty, administration and students. In this program should be included social relationships of faculty, administration and students as well as committee relationships. The integration of faculty advisers of organizations into the groups as participating members with their role clearly defined and mutually understood was the recommendation.

Campus elections came in for considerable discussion, with the emphasis on the importance of citizenship training. Mock political conventions in cooperation with community service projects so that when students leave college the transition is not a confusing one. It was recommended that college branches of League of Women Voters, Community Chest, American Red Cross, preparation for membership in the American Association of University Women, all these and many more be included.

From the national outlook they moved to discussion of international affairs. The relationship of the American student to the foreign student was given due consideration. International dinners, international weekends, inclusion of foreign students in national, state, and local conferences were all recommended.

There was discussion concerning National Student Association and the relationship to Intercollegiate Associated Women Students. Their plan for the ensuing two years is to have representatives attending both regional and national meetings.

This convention brought to light the common concerns of faculty, administration and students. The interest and goals are the same from each of these groups, to help prepare those in training to meet the problems of our future.

With women students as directly concerned as these women were at this meeting, we should have little to worry about as we look forward to the future mothers and career women that the colleges and universities of this country are turning out.

Evanston's Showcase Theater— Another "First" For Hope Summers

DYNAMIC, personable Hope Summers has done it again! Her biggest venture, in a series of big ventures, Evanston's Showcase Theater is now in its ninth successful month, and promises to become a fixture in Hope's home town. Cautioned two years ago that television's increasing popularity would make legitimate theater as dead as a dodo, Hope went ahead to prove her advisers were wrong. Says she, "When someone tells me a thing can't be done, that spurs me on. For each 'insurmountable' problem usually dissolves and something good results therefrom."

The Showcase theater has enjoyed great popularity and has been a rewarding experience for Hope. She wants it to become even more highly professional . . . a real showcase for old and new talent. "It's a very rewarding thing," says Hope, "to have experts from New York find that the Chicago atmosphere and people are more conducive to creative effort than anywhere else in the world."

An average day for Hope starts at six a.m. to make breakfast for her husband, James, son Jim and daughter Bambi. Downtown in Chicago and on the air at eight a.m. An interview at nine. Coaching lesson in Evanston at 10:30 and a session with the Showcase business manager. In the afternoon she supervises rehearsal for an upcoming show, interviews actors for parts, meets with a club president concerning a forthcoming club appearance, shops for groceries, dines at home. Then back to the theater for an evening performance in which she plays an important role, policy conferences and a session to make final choices on future plays, and finally into bed at 1:30 a.m. This is an average day for Hope.

How does she do it? Born with great health, Hope says she is fortunate in having a healthy mind as well. "I'm not a complicated person. I never worry. I don't permit myself any excesses, except loss of sleep, and I don't smoke or drink. I think anyone can achieve a measure of poise and assurance through self-discipline."

Over the years Hope has played in many radio and TV shows, including the Chicago theater and Hawkins Falls. Her professional life has been a busy one, even when her children were small. Yet she has managed to be a devoted mother and efficient homemaker, as well as taking her part in civic and community affairs. Even if she can't make it to the church supper, she sends

her family along with her contribution of homemade cherry pies. She teaches a Sunday School class and has maintained a keen interest in Gamma Phi Beta affairs.

Her sense of humor is ever present, as witness her remarks when asked how one can combine a career and marriage. "Anyone can do it," she cheerfully asserts, "provided they have a fair amount of talent, a routine, some self-discipline, the stamina of a peasant and the experience of being a Cub Scout den mother!"

Gamma Phi Beta Is New Iowa State Golf Champion

YOU COULD safely put your money on a Gamma Phi Beta to win the Iowa State Women's Golf tournament this year, for both finalists were former members of Rho chapter at the University of Iowa.

Corky Major Nydle became the new queen of Iowa golf when she defeated Ann Casey Johnstone, 4 and 3. And perhaps Corky gives credit to Ann for her success at the game, for Ann coached Corky in golf when the latter was a student at Stephens' College.

Ann had won the state championship in 1941 and again in 1951 and she was the medalist in this year's tournament with a 76 to Corky's 78. But Corky kept warming up throughout the tournament, and had a sizzling 72 in her semi-final match, to set a course record. In this match, Corky used only 11 putts on the first nine, and a total of 25 putts for the 18.

In her final match against Ann, Corky's approach shots were so deadly accurate that many times she needed only two or three foot putts to hole out. Ann had tough luck with her pitching and putting and although she was out-driving Corky, her short game cost her the match.

Cedar Rapids Gamma Phi Betas were out en masse to cheer the finalists, and made up some of the crowd of 500 who watched Corky Nydle win her first Iowa State golf crown. D D D

Mrs. Eisenhower Receives Washington City Panhellenic And Guests

Four French girls attending American colleges were received at the White House by Mrs. Eisenhower on May 14. The girls came to Washington for a gay week-end as guests of the Washington City Panhellenic Association. Among other things they had luncheon in the Speakers' Dining Room at the Capitol, were interviewed on television, and saw the play "Arms and the Man." The French girls were Paulette Renoe Ducatez, who is attending Sweet Briar College; Anita Kirgo, University of Delaware; Monique Simone Klein, Hollins College; and Madeleine Viard, Bucknell University.

Shortly after their arrival on Thursday, May 14, the girls and 250 members of the 25 sororities represented in the Washington Panhellenic Association were received at the White House at 12:50 P.M. by Mrs. Dwight Eisenhower. Following this, they had luncheon at the Capitol with Speaker of the House Joseph Martin, Congressman Arthur Younger, California and Congressman Laurie Battle, Alabama. A visit to the Senate was arranged through the courtesy of Senator J. Allen Frear, Jr., of Delaware.

Friday morning was spent in sightseeing the famous places in Washington, followed by a luncheon. The afternoon was very busy with a television appearance on Nancy Cagood's program at the Wardman Park Hotel. At three P.M. they were met by Mme. Pierre Francfort, wife of the Counselor of the French Embassy, representing Mme. Bonnet, who escorted them through the embassy and drove them to Mount Vernon.

Friday evening the four girls were escorted by young men from George Washington University to see the production "Arms and the Man." On Saturday, May 16, the members of Panhellenic entertained them at luncheon at the Mayfair Restaurant, followed by another sightseeing tour of the embassies, Lincoln Memorial, Lee Mansion and Arlington Cemetery.

The girls left Washington on Sunday morning to return to their respective universities.

The entire expense of their trip to Washington was met by the Washington Panhellenic Association through funds received from a benefit tour of the French Embassy. The students will return to France this summer and the Washington Panhellenic felt that their American experiences will be enriched by a visit to our nation's Capitol. The committee on arrangements consisted of Mrs. Stuart A. Rice, *Theta Upsilon*, chairman; Mrs. Hirschic Johnson, *Zeta Tau Alpha*; Mrs. Alice E. Coon, *Alpha Sigma Tau*; Mrs. William P. Westmoreland, *Gamma Phi Beta*; and Mrs. C. D. McBride, *Alpha Omicron Pi*.

Other Gamma Phi Betas attending the White House reception were Mrs. Ralph E. Dippell, Jr., Mrs. Ronald C. Callender, Mrs. George E. Simpson, Jr., Mrs. Harry W. Seamans, Mrs. George W. Malloy, Mrs. Cicero F. Hogan, Mrs. Charles T. Akre, Mrs. John M. Curtis and Mrs. J. Donald Studley. D D D

Mu Of Gamma Phi Beta Scholarship

Afton Armour Sweigert Is First Recipient Of Award

AS ANNOUNCED in the May 1952 issue of *THE CRESCENT*, Stanford Corporation funds were placed in the Gamma Phi Beta Endowment Fund. The net income from this fund, known as Mu of Gamma Phi Beta Fund, was to be used for scholarship grants to one or more qualified Stanford students, men or women, preferably descendants of Mu chapter alumnae.

After careful study of applications, Mrs. Olivia Byler, Secretary of the Stanford Scholarship Committee, announced that the award had been made to Mrs. Afton Armour Sweigert.

With the permission of Mrs. Sweigert, her letter to the Endowment Board is quoted here:

"I can hardly begin to tell you how thrilled I was when Mr. Raymond D. Harriman and Mrs. Olivia Byler of the Scholarship Committee here at Stanford University notified me that I had been awarded the Mu of Gamma Phi Beta Scholarship for the Spring and Summer Quarters of 1953. It is a great honor to be the first recipient of this award and I wish you and the other members of your organization to know how deeply I appreciate it."

"I am one of the married students here at Stanford. My husband is

an Ensign in the United States Navy, now serving overseas. It might be of particular interest to you to know that my mother-in-law, with whom I now reside, is a member of your sorority, having been initiated at the University of California, at Berkeley. She is Mrs. Eleanor Atkinson Sweigert.

"I began my studies here at Stanford with the Winter Quarter of 1953. During this time, I have worked in one of the University Offices as many hours per week as there has been time, and have done baby sitting in the evenings as often as the opportunity has arisen. Through these various endeavors, I have managed to earn the major portion of my University expenses.

"Because of your generous scholarship, I am now able to decrease the number of hours I shall work and devote more time to my studies. I trust this will result in a scholarship average worthy of the honor you have accorded me."

Mrs. Sweigert is not sure about her plans for next year. Should she not return, the scholarship will be open to applicants who are not descendants of Mu members. Mrs. Afton Sweigert has a very good record during the quarter she has completed at Stanford. She is the daughter of Alice Whiffen Armour.

DR. HELEN L. Her most notable accomplishment is producing a glucose-free dried whole egg which is 10 times as stable as plain dried egg. Her contribution is most important in military procurement and commercial production of prepared cake and other mixes.

Helen is a member of the U.S. Department of Agriculture in their western regional research laboratory. She received her master's and doctor's degree in foods at Iowa State College. During her undergraduate days at U.C.L.A., she brought many scholastic honors to Alpha Iota chapter. D D D

Laura Jean Williams (Missouri '41) Handles Publicity for Braniff

KANSAS CITY, MISSOURI alumnae are justly proud of Laura Jean Williams, Missouri University '41, who has a most varied and interesting position. In August, 1952, when Braniff International Airways merged with Mid-Continent Airlines, Laura Jean became Publicity Assistant in the Regional Public Relations Office in Kansas City.

She came to this position well qualified, as she has done public relations work since her graduation. During World War II she was civilian stenographer for the Navy Department, assigned to the Kansas City Branch of Public Relations. That is where she got her first and very lasting taste for publicity and public relations work.

When the war ended, she became Secretary to the Director of Public Relations with Mid-Continent Airlines. In 1947 she was promoted to News Bureau Assistant, and was Editor of the company magazine published for employers and stockholders.

As Publicity Assistant for Braniff, her work has now become much more varied. She handles all types of publicity and news assignments, in addition to public relation promotions. Her work takes her, sometimes in less than twelve hours' notice, to any one of 42 of the 64 cities served by Braniff which are covered by her regional office. She generally flies 2000 to 3000 miles a month on such assignments. Her work includes such interesting assignments as arrivals and departures of newsworthy passengers, top government officials, foreign travelers, movie stars, etc.

Of course all vacations for the past eight years have been by

She says the flight across the Andes in the northern tip of the continent between Panama and Lima, Peru was a thrill she'll never forget.

Laura Jean's other activities include membership in Women's Chamber of Commerce, and Society of Associated Industrial Editors.

Laura Jean was treasurer of the Kansas City alumnae chapter from 1951-1953 and is now vice-president. She will also serve as Missouri State Membership Chairman for the sorority the next two years. D D D

Lambda Chapter Celebrates 50th Anniversary

THE WEEK END of May 15-17 marked an important milestone in the history of Lambda chapter, when alumnae from Mexico, California, Idaho, Oregon, Canada and many parts of Washington gathered to celebrate the fiftieth anniversary of the installation of the chapter at the University of Washington.

A formal banquet at the Sunset Club was the opening event where the honor guests were ten of the charter members. Those present were, Alma Delaney Teal, Blanche Winsor Rice, Ruby Brown Rucker, Helen Wetzel Giboney, Louise Wetzel Clarke, Katharine Edwards MacDonald, Alice Taggart Livingstone, Jessie Ludden Horsfall, Jeanette Perry and Lillian Eisenbeis Welch. They were escorted to their places by ten Gamma Phi Beta daughters now in the college chapter. The program consisted of a television broadcast, "Lambda's Show of Shows." Hilarity knew no bounds as Katharine MacDonald gave "Yesterday's Newsreel"; Airdrie Pinkerton, "Candid Camera"; Virginia Douglass, "The Comedy Hour"; Audrey Jensen, "Break the Bank," and Margaret Holm, "Strike it Rich," each attired in a costume of her own decade. On the steps behind the performers was a chorus from the college chapter, which sang popular and Gamma Phi Beta songs of each era.

Penelope Simonson represented Grand Council and Eta chapter which had had the responsibility of installing Lambda Chapter fifty years before. She brought first-hand accounts from some of those Eta girls as well as some pictures taken at that time. It was also especially fitting to have Airdrie Pinkerton on the program, since it was her sister, Zoe Kincaid Penlington, who chose the original twelve as founders of the Alpha Sorority in 1899.

Following the banquet, smaller gatherings of those who had been in college together were entertained in private homes where the reminiscences could continue on into the night.

For the fourth time, the Margaret Meany Younger award was made to the one in the chapter, who has exemplified to the highest degree the qualities of friendship, inspiration and loyalty in Gamma Phi Beta and the University of Washington. The award went to Elizabeth Lovsted. She has a tremendous list

of accomplishments and certainly merits this honor. It is particularly interesting to note that she was Secretary of the Associated Students which was an office held fifty years before by one of our charter members, Ruby Brown Rucker.

It was a great thrill to be able to announce that over \$1,000 had been contributed by members of Lambda, as a gift to the University on this fiftieth anniversary. It is planned to use this fund to build a beautiful drinking fountain in the wall of the University Library Building. It is to be dedicated to four outstanding former faculty men whose letters of recommendation were instrumental in securing the charter. They are Dr. Thomas F. Kane, President of the University in 1903; Arthur S. Haggett, Dean of Liberal Arts and husband of Winifred Sunderlin Haggett of Beta chapter, who persuaded the Alpha Sorority to petition Gamma Phi Beta; Professor Edmond S. Meany, father of Margaret Meany Younger, and Dr. Frederick M. Padelford, Dean of the Graduate School.

Saturday morning was given over to a tour of the campus for those from out of town who wanted to see the extensive building which has been going on the past few years. From a student body of 600 in 1903, the University now has some 14,000 enrolled. Three of the buildings have been named in honor of Gamma Phi fathers and one for a Gamma Phi husband. They are J. Allen Smith, father of Elfreda Smith; Dr. David Hall, father of Annabell Brown; Edmond S. Meany, father of Margaret Younger, and Clarence Edmundson, husband of Zona Edmundson.

Sunday afternoon the doors of Lambda chapter house opened wide to welcome alumnae and their families for a buffet. The chapter members proved wonderful hostesses and the alumnae enjoyed seeing the house and the historical display in the Margaret Meany Younger library. There is no more beautiful place than Seattle in the month of May with the azaleas, rhododendron, hawthorne and dogwood in bloom and the boulevard leading to the campus lined with chestnut trees in flower. To all of us who had the opportunity of sharing in this semi-centennial celebration, these beauties of nature and the joys of friendships will mingle in fond memories.

It was laughs unlimited when these four presented "Lambda's Show of Shows." Reading clockwise from left rear are pictured Airdrie Pinkerton as a middy girl of 1915; Virginia Gray Douglas, flapper of 1928; Audrey Bullis Jensen of 1939's sloppy Joe sweater era, and Margaret Brewster Holm, representing 1946.

In Memoriam

Mary Endicott Shepherd—March 6, 1953

International Grand President of Gamma Phi Beta, 1911-12

The news of the passing of Mary Endicott Shepherd (Boston University) on March 6, 1953, came with such suddenness that it left all her friends in a state of unbelief, for only a few hours before we had seen her, well and happy as usual, planning with her committee for the fiftieth reunion in June of her class at the University.

She was born in Lynn, Massachusetts, where she lived all her life, the daughter of Col. William Shepherd, who had been mayor of the city for many years.

Mary was graduated from Boston University with the class of 1903 and for 53 years was a faithful and loyal member of Gamma Phi Beta. During these years her sympathy and enthusiasm were a very vital support in all the projects and undertakings of her chapter, and her attendance and concern were constant. In 1911 and 1912 she served her sorority as its International Grand President.

For several years she taught at the Lynn English High School, then became its dean of girls, librarian and guidance director

where, as counselor and adviser, she did outstanding work until her retirement a year ago.

An active member of Saint Stephen's Church, she early became interested in establishing an Episcopal Boys' Camp in Maine, and every summer gave all her time, gratuitously, to this work which has proven such a success.

With her passing, something has gone from our meetings. We miss her air of deep sincerity, her ready smile and her enchanting sense of humor which was one of her most delightful qualities. Mary was seriously interested in the arts and was, herself, a talented pianist.

She was the last of her immediate family, her brother having preceded her by a few years. With customary thoughtfulness, a generous bequest was left to her beloved Boston chapter, and we shall always, in appreciation, remember her as a living expression of that Love, Labor, Learning, Loyalty, for which we are so ceaselessly reaching.

International Grand President, Grand Council

RECENTLY it was the privilege of your president to attend the annual meeting of the All-American Conference to Combat Communism. Since I found the meeting inspirational and informative and since through National Panhellenic Conference Gamma Phi Beta is indirectly a member, it seems appropriate to tell you something about this organization.

The Conference came into being officially in May of 1950 in Chicago, although preliminary meetings had been held earlier that year in New York City and Indianapolis. The Conference is composed of 60 member groups of which the General Federation of Women's Clubs, the National Federation of Business and Professional Women, the American Legion and other veterans groups and their auxiliaries, the NEA and NPC and NIC are a few.

The purpose of the Conference is "to promote Americanism; to preserve our freedoms; to expose and combat primarily communism but also all other subversive movements." Its functions are "informational, educational and advisory." "Protection of our freedoms through aiding Americans to become more alert to the personalities, purposes, programs and front organizations of the communists in this country" is a further function as recorded in the Statement of Policy of the Conference.

It further recognizes "the obligation to create and inform public opinion and assist in the prevention of secret infiltration of our institutions and organizations by communist agents."

At this year's meeting held for the first time in Washington, D.C., Dr. Daniel Poling, prominent Philadelphia clergyman and editor of *The Christian Herald*, retired as chairman of the Conference after having served for three years. Dr. Ernest E. Irons, former national president of the AMA, accepted the chairmanship for the coming year. During the two day conference we were privileged to hear such speakers as Attorney General Herbert Brownell, Senator Karl Mundt, Dr. Robert L. Johnson, Administrator of U. S. International Information Administration, Governor George Craig of Indiana, one of the founders of the AAC, Brigadier-General Howley and Mrs. Robert Vogeler.

In this limited space it would be impossible to do more than to give you one or two of the thoughts which struck me as being particularly pertinent.

Mrs. Dippell

Attorney General Brownell told us that the registered membership in the United States of the Communist Party today is less than 25,000, but the Communists claim that for every Party member there are 10 sympathizers. Mr. Brownell then quoted from Wm. Z. Foster's *History of the Communist Party of the U.S.* to give us a good idea of exactly what the Party has dedicated itself to accomplish. "After a generation of hard struggle, the Communist Party has laid a foundation for what will eventually be a powerful mass Party in the United States. It has created a solid, indestructible core of trained Marxists-Leninists. This is its most vital achievement of all. The Party, it is true, is relatively small; but like all Communist Parties, it has the capacity for swift growth when the political situation demands it."

Mr. Brownell urged us to rid ourselves of pessimism and apathy. He further stated that "every effort to educate the people as to the dangers of Communism is a worthy contribution to the fight against the treacherous foe."

Senator Mundt said that "Communism creeps into a society like old age moving in on an individual human being." He further said "Communism can never destroy America from within by any single spectacular putsch."

In attendance at the meetings were members of the NPC citizenship committee, Mrs. Joseph Grigsby of Delta Delta Delta, Mrs. Beverley Robinson of Alpha Xi Delta and Mrs. Cicero F. Hogan of Gamma Phi Beta.

I wish that more of you might have attended these meetings. I am certain that you would have come away with a greater respect for the enemy within and a greater confidence in our ability to conquer. D D D

Gamma Phi Beta To Be Colonized At Boulder

A new chapter of Gamma Phi Beta will be colonized at the University of Colorado at Boulder this fall, 1953!

Colonization will be started in mid-October, following the formal rush period, and pledging will take place after one week of informal rushing, and continue throughout the year. If you know of any girls who are already attending the University and are not pledged, or any who will enter this Fall, please send recommendations to Mrs. Lloyd Pflug, 245 28th Street, Boulder, Colorado.

Grand Council Appointments

LaVenía Tinnon Garvin— Director, Province III

Mrs. Garvin

“**E**XQUISITELY groomed, competent, delightful personality, and *such* fun.” We of the Nashville alumnæ chapter just can’t think of enough adjectives on the asset side to describe fully LaVenía Tinnon Garvin (Mrs. S. Carmack), new Director for Province III.

After majoring in dramatic art at Ward Belmont College, she graduated with a special certificate in that subject and went on to Vanderbilt University where she majored in sociology and English. Following this, she did graduate work at the Ned Weyburn Institute in New York City and then for two years she directed home talent plays for a producing company which operated out of Atlanta all over the southeast, an occupation which, according to LaVenía, “was the most fun I ever had.”

Then for seven years she was Regional Supervisor for the Recreational Project under the Works Progress Administration, a big-sounding title for what really was a big job, for all this was brand-new and LaVenía was the first person to hold the position. In this capacity, she had to select and train personnel for state parks, and was responsible for setting up, supervising and planning the program for recreational centers all over middle Tennessee.

LaVenía’s husband is a dentist and they have two children, Nancy LaVenía, age nine, and Mack, Jr., age eight.

In the alumnæ group, LaVenía has held the office of president for two different terms, has been chairman of the ARC Committee for two terms and is currently serving as alumnæ advisor to the Vanderbilt chapter.

In addition to myriad sorority activities, she is program director for her church circle in the Women’s Society of Christian Service, teaches Sunday School, acts as superintendent of the Junior Department for the Vacation Bible School, does Girl Scout work, serves as chairman for the devotional program of her PTA group, and has recently been named president-elect of the Dental Auxiliary.

In our opinion she’s tops and we are delighted to introduce her as the new Director for Province III. D D D

ANN MITCHELL PRICE
(Mrs. Andrew E.)

Marjorie Giese Koppe— Director, Province VI

DURING the last twenty years, Marjorie Giese Koppe (Mrs. Carl H.), a member of Chi chapter in the class of ’32, has been a devoted and capable member of the Eugene alumnæ chapter, which she has served in many capacities including that of president. She has also been president of Nu chapter House Corporation and has filled the offices of Rushing Advisor and Alumnæ advisor to the active Chapter. Last year, she conducted the affairs of the Eugene City Panhellenic organization very ably as its president. She represented the Eugene alumnæ at convention at Coronado in 1952, at which time she served on the nominating committee.

By her wise judgment, her energy and her alertness to the responsibilities of her various offices, Marjorie has earned the respect and liking of all with whom she has worked.

In addition to her sorority activities, Marjorie maintains a charming home for her husband Carl and son Bruce. The latter was graduated from the University of Oregon this June and is now going into the Air Force as a 2nd. Lieutenant.

Crowning her many years of service to Gamma Phi Beta there now comes to Marjorie her appointment as Director of Province VI. Those who have watched her service to the sorority in the past are sure that Marjorie will make a splendid contribution to it in her new field. D D D

"Our Gamma Phi Beta Heritages"

Is Province Conference Theme

By Mrs. George Hinkle, International Chairman of Provinces

IN THE SPRING of 1953, nine Province Conferences were held throughout the United States and Canada. The Theme of all Conferences was "Our Gamma Phi Beta Heritages." Generally, topics discussed at the Greek-letter Round-tables were: Rushing Technique; Qualifications for Membership; Scholarship; Gamma Phi Beta Week; Pledge Training; Election of Officers. Alpha Tau and Montreal chapters acted as hostesses. Mary Bromm, Traveling Secretary, represented Grand Council. Mrs. C. F. Loyd, Province Director and Mrs. Wesley Heilman, Province Alumnae Secretary supervised the Round-table discussions. Mrs. A. E. Hosburgh, a Gamma Phi Beta alumna of Montreal, gave a most inspiring talk at the Carnation Banquet, which was held at the Ritz Carlton Hotel.

Province II, East and Province II, West joined together for a Conference at Springfield, Ohio on May 12th and 13th. Alpha Nu and Springfield chapters were hostesses. Mrs. R. E. Due to an untimely snow storm, attendance was less than had been anticipated, approximately fifty in all. Mrs. Stuart K. The Standards of Gamma Phi Beta

A highlight of the Province II Conference at Springfield, Ohio, was this talk by the International Chairman of Standards, Mrs. Clyde M. Campbell.

TO TALK about standards is to talk about all the values that human beings hold, both good and bad. A standard conceived in isolation is like a tent that covers everything and touches nothing. If standards are to be meaningful to us we must break them down into some form of action program. One standard that surely should stand uppermost in the minds of Gamma Phi Betas is the standard of developing the right ATTITUDES, VALUES AND BELIEFS. It should be our primary task to develop attitudes that will carry on throughout life. In other words, our standards should be enduring not ephemeral standards.

The way we develop standards is through our daily behavior. The more I think about the subject the more I am convinced that companions, neighbors and friends make people what they are. Our attitudes, ideas and beliefs are being molded through all working hours of the day. What goes on in the sorority house is going to have much more to do with the development of personality than what we talk about or what we point up as being good.

I feel that this is more than a cursory observation. It can be attested throughout history. Most of our great civilizations became great through cooperative efforts. Great cultural centers have been developed on desert waste lands where people were forced to cooperate. Centers of population became great because great minds in small communities were interacting with one another. We had a higher proportion of great minds in Colonial America than in any other period of American History. These people were faced with momentous problems and had no choice but to cooperate.

All of YOU KNOW OUR STANDARDS as they have been written, agreed upon and published. They are going to be just pencil and paper standards unless you try to live up to them, achieve them, make them a part of your daily lives.

We should recognize that our degree of acceptance of standards depends on the way we are influenced by others. In our sorority work we must help each other live up to our ideals. I shall help you and you shall help me. We work to improve each other.

More and more every day we appreciate the fact that people are motivated to strive for certain goals in life. We are a part of that with which we associate. Not only do our sisters, companions and friends determine our ideals but they determine what we shall think, what we shall feel, what we shall hear, and what we shall see. In other words we reach certain standards through cooperative development of individuals. Each individual counts in furthering the goals of sorority life.

More and more we should concentrate on upgrading individuals. In the words of Walt Whitman,

It is not the earth, it is not America who is so great,
It is I who am great or to be great, it is You up there, or any one,
It is to walk rapidly through civilizations, governments, theories,
Through poems, pageants, shows, to form individuals.
Underneath, all individuals,
I swear nothing is good to me now that ignores individuals."

Add New Wing To Omicron Chapter House At Illinois

IF THE Omicron "actives" decide to hold their next formal in the kitchen, none of the Champaign-Urbana alumnae will bat an eye, for every Gamma Phi Beta in the area considers it a privilege to show off the new section of the chapter house.

A three-story wing has been added to the northeast part of the house. It includes many welcome improvements: a large addition to the sophomore dormitory; an addition to the kitchen and a rearrangement of the old one to tie in with the new; an inside fire escape; two new study rooms; a new lounge more adequate in size and more conveniently located for the girls; a storage closet for formals; a closet for storing records; an enlarged guest bath; two closets and cabinet drawers for town girls; a lounge and bath for the cooks. A terrace-porch adjoining the new wing has also been added.

Built to comply with university regulations concerning minimum space requirements in the dormitories and to provide adequate kitchen area, the new wing is the result of extensive planning by the house corporation board which acted as the building committee. Mrs. J. Henry Cox (Eleanor Schlecht) served as chairman of this committee consisting of Mrs. Van C. Norman (Lois Fleming), Mrs. Homer Bash (Mary Spenser), Miss Lillian Johnston, Miss Jane Barry, Miss Marilyn Schueler, and Miss Leta Ann Ornellos.

Contracts were signed and work was begun in March 1952. The kitchen was usable soon after the opening of college in the fall of 1952 and the study rooms were first used in October. Landscaping of the back yard was done in the spring following,

and the fathers have built a barbecue pit which will be frequently used by the girls and their guests.

Omicron alumnae have aided the modernization by supporting a \$5200 fund to help furnish the kitchen with modern equipment. The response has been gratifying as Omicrons from all over the nation have sent contributions and congratulations.

The chapter house dates back to 1927 and with the recent addition can accommodate fifty girls. The new wing is complete except for minor installations, and the chapter is proudly using the new facilities of its modernized and enlarged home.

You, Too, Can Be A Successful Salesman!

SELLING what? Magazines for Gamma Phi Beta, of course! And you don't have to go out ringing doorbells. If every Gamma Phi Beta remembered to order magazines for herself and her family from our own magazine agency, the Endowment Fund would swell to magnificent proportions. So do remember to order your magazines either through your local chapter or directly from Mrs. James Myles, 26 Godwin Lane, St. Louis 17, Missouri.

And when a magazine salesman comes ringing your doorbell, don't buy a magazine . . . sell him one!

The new chapter officers installed were Mrs. Robert B. Thieme of Redlands, president; Mrs. Arthur Powell of Arlington, vice-president; Mrs. Chester E. Quick of Redlands, treasurer; and Mrs. Matt Daniel of Riverside recording and corresponding secretary.

ON THE evening of June 10, 1953, the San Fernando Valley alumnae chapter received its charter at ceremonies conducted by Mrs. Hoyt W. Martin, International Vice-president and Alumnae Secretary. Thirty-five Gamma Phi Betas were present for the installation, held in the Encino home of Mrs. Arthur C. Patch (Charlotte Anne Doughty, Iowa State).

The group is especially proud of the fact that twenty-three Gamma Phi Betas signed the petition for the charter. They were originally organized in February 1947 as a part of the Los Angeles alumnae chapter, and have grown from the original four or five members until today the average attendance at meetings is twenty.

New officers of the group are: Mrs. Vernon Joyce (Parna LaZelle, Michigan State), president; Mrs. Richard L. Bean (Margaret Ann Saverien, UCLA), first vice-president; Mrs. Joe Robinson (Marta Lombardi, Boston), second vice-president; Mrs. L. Peniston Garner (Barbara Lee, U.S.C.), treasurer; Mrs. James F. LeSage (Ruth Gold, Vanderbilt), recording secretary; Mrs. Harold Barich (Betty Jane Neis, Northwestern), corresponding secretary; Mrs. Robert E. Appoint Philanthropy Board Chairman

GRAND COUNCIL is pleased to announce the appointment of Miss Grace Merrill of New York as chairman of the Gamma Phi Beta Philanthropy Board.

This board, which was approved by the 1952 convention, will serve to coordinate philanthropy work throughout the sorority, so Gamma Phi Beta may better serve humanity.

Miss Merrill brings to her new office a wealth of experience in business as well as a keen interest in Gamma Phi Beta affairs. She has been a moving force in the New York alumnae chapter. Under her guidance, this chapter has achieved phe-

nomenal success with their cook book project, which is now in its second printing. New York has also embarked upon a heart-warming philanthropic project this past year with patients at the Sea View Hospital on Staten Island. The December issue of THE CRESCENT tells the story of their work with "forgotten" tuberculosis patients. Again Miss Merrill has given generously of her time and talents.

Thus it is with confidence that Grace Merrill can and will do a real job in her new office, that she is welcomed warmly into the official family of Gamma Phi Beta.

Let's Talk About The Survey!

WAS IT a success?

After scanning, studying, classifying and discussing over a thousand answers from 26 states, the Editorial Board agreed that the survey was a success. From it we were able to learn what you like about THE CRESCENT . . . what you don't like . . . what improvements you would make. And gradually we will make those changes which seemed to the board to be practical and worthwhile.

Many of you asked for a complete write-up on various parties, money-making plans and rushing ideas from other chapters. We are sorry that CRESCENT space does not permit such detailed articles, but whenever you see a brief write-up in a chapter letter or article about which you would like more detail, write directly to that chapter for information.

Some of you want to see more queens . . . fewer Phi Beta Kappas.

Others say, "Less cheesecake and more scholars."

We say, "Let's try to keep a balance. A well-rounded chapter has some of each. A well-rounded magazine must show both."

At your request each issue of THE CRESCENT will carry a list of alumnae chapters, listed alphabetically by states and cities. The schedule of officers' duties will be re-set to make it easier to follow. We will list in the May issue each year names of girls who have pledged Gamma Phi Beta during the previous year.

This article cannot begin to cover in detail all the suggestions made, or the manner in which the board handled them. But we want you to know we carefully studied every return and will be putting to work those which were approved, during the coming year. Though we weren't looking for orchids, we received many, and say a grateful thanks to you who sent them. There were a few barbs thrown at us, but perhaps we deserved them.

The most oft repeated criticism was that we weren't printing all the marriages and births, even though the information was sent in. After considerable discussion, the root of the problem seemed to be that there was no central place where this information could be sent with any assurance that it would ultimately reach the editor. We hope we have solved the problem.

Please note now that all marriage and birth announcements will be sent on the new blank printed below to Mrs. Edward Zahour, member of the Editorial Board. Mrs. Zahour has volunteered to receive these announcements, and make duplicate lists for Central Office and the Editor. Death notices and changes of address will still be sent to Central Office. Bouquets to the Board!

Working in the background and giving generously of their time and talents are the members of THE CRESCENT Editorial Board.

Elise Bossert Bell of Milwaukee received and tabulated results from the survey . . . a tremendous job, which she handled most efficiently. In her "spare" time she manages a lovely new home and three lively boys. Participating actively in scouting, P.T.A., and church work, Elise is one of the mainstays of the Milwaukee alumnae chapter.

Olive Ruehe of Champaign is a writer and edits a state bulletin for A.A.U.W. She is also her husband's good right hand, helping with clerical and research work for his doctor's degree. On sabbatical leave, Mr. Ruehe made a tour of the west, doing further research, and naturally, Olive went along to take notes. Consequently, she was unable to attend the spring board meeting. However, she sent her comments and suggestions for discussion.

Noreen Linduska Zahour is also a writer, whose book, "My Polio Past" many of you will remember. Her home life centers around two youngsters, a boy and a girl, and her attorney husband, Ed. In his work with juvenile delinquents, Ed often invites half a dozen boys out to their country home for Sunday dinner . . . good for the boys, but sometimes a bit hard on Noreen.

Though these brief sketches cannot do justice to three such fine, loyal Gamma Phi Betas, your editor is forever indebted to them and to our ex-officio member, Mary Jane Hipp, Business Manager of THE CRESCENT.

Wearers Of The Key

*Ursula Owen, Syracuse University
Phi Beta Kappa*

FOUR years at Syracuse University packed to the brim with activities and excellent scholastic records were climaxed this spring when Ursula Owen was awarded the key of Phi Beta Kappa. She served as president of Theta Sigma Phi, Journalism honorary, and at Matrix Table received the Mary Zoretskie Casety Memorial Key which is presented annually to the outstanding senior woman in the School of Journalism. She was also a member of Alpha Kappa Delta, Sociology honorary, and served Alpha chapter as president.

Going Someplace?

You bet! Gamma Phi Betas everywhere are starting to make plans to attend the 1954 convention at Mackinac Island, Michigan.

Convention Chairman Delphine Andrews is in a whirlwind of activity with her committee . . . Province II alumnae and collegiate members are working overtime. . . . Grand Council is forging ahead with business to be presented on the convention floor.

There'll be fun galore meeting old friends and making new ones. And you'll love the magnificent Grand Hotel at Mackinac with its lake-view rooms, its spacious terraces and superb meals.

You'll take a tour of the island in horse drawn carriages, for no autos are allowed on the island. Or you may ride horseback to the old fort. You'll enjoy tennis, golf, swimming or just relaxing by the beautiful pool.

Mackinac is just the place for a wonderful family vacation, so why not combine business with pleasure by bringing the family along?

Remember the dates—July 1 to 7, 1954. See you at Mackinac!
