SATHER GATE AT UNIVERSITY OF CALIFORNIA

SEPTEMBER • 1955

First place winner for booths at the Student Union Carnival at Kansas University were Gamma Phis of Sigma chapter. Left to right are Dorothy Sorrels, Jo McMillan, Mary Ann Tinkler and Diane Hawley.

Bromo Bowl is the annual football tilt between pledges of Gamma Phi Beta and ATO on the North Dakota State campus. Proceeds go to the March of Dimes and the pledges find it great sport, in spite of the minus 24 degree weather in which it was played. Shown here, well bundled against the cold winds, are: JoAnne Anderson, Sonya Scott, Margie Cobb, Pat Larson, Marilyn Abbey, Sandra Benedict, Jean Anderson, Sally Schroeder, Kay Chapin, Audrey Brekke and Judy Hammer. Kneeling in foreground is Charlotte Aamodt.

Bison Brevities of 1955, annual all Greek show at North Dakota State College, found the Gamma Phi's production act a winner again. Pictured here are Ruth Oelwein and Darrel Leetun, Alpha Gamma Rho, featured in the winning act.

Varsity cheerleaders at the University of Iowa include Elaine Patrou and Bonnie Kutter. Elaine is pledge mother to Bonnie.

Ten Gamma Phi Betas are included in the roster of Iowa University's famed Scottish Highlanders. Kneeling left to right are Jean Williams, Mary Evans, Carole Vally and Carole Bartels. Standing, Karen Okerlin, Janice Hagens, Virginia Hagens, Pat Hafner, Jo Jones and Marydell Merrill.

Another first for Gamma Phi Betas at North Dakota State was their winning homecoming float, "In A Stately Whirl." Pictured aboard are, left, Sandra Benedict and Sonya Scott.

Winners of the 1955 Song Fest at Indiana State Teachers College were these happy Gamma Phi Betas. They sang "All The Things You Are" under the direction of Mary Alice Hughes.

## SEE YOU AT WHITE SULPHUR, JULY 2 TO 7, 1956

Scene of the 1956 convention of Gamma Phi Beta will be the wonderful Greenbrier Hotel, White Sulphur Springs, West Virginia.

The year-round resort has almost everything and with the Gamma Phi Betas there, it *will* have absolutely all.

The opening of the new West Wing now provides every facility for a successful convention—auditorium, theatre, meeting rooms, sound and movie equipment. Then there are the regular attractions—traditional, historic, charming. We are running out of adjectives and know that you will add many others when you come to this fascinating place.

Every season of the year, this resort offers golf, tennis, riding and driving, skeet and trap shooting, swimming, fishing, archery, horseshoes, shuffleboard, badminton, croquet, cycling, walking trails and the famous baths.

Besides all these sports, there is the beautiful hotel, an outstanding example of the decorator's art, in color, appointments, comforts. The grounds are a series of public gardens which urge you on to exploration.

We'll see you in '56 at America's smartest and gayest resort.

# THE UNIVERSITY OF CALIFORNIA— AN OPEN DOOR TO LEARNING

**B**EHIND each doorway on the University of California's Berkeley campus there is something new. It may be new experiences, new friends and associations or mysterious unknowns patiently and tediously made a part of man's knowledge by the scholar in his study or laboratory. The campus doorways lead to a fabulous treasure of wisdom . . . of things both old and new . . . the wealth of Solomon in an abundance more than ample for all who enter.

Three separate movements resulted in the establishment of the University, one originating in private initiative, one in State action and one in Federal action. These three forces began working toward one end, the establishment of the University of California. The College of California contributed its buildings and lands in Oakland and Berkeley; the Federal government made a gift of public lands; and the State gave property accumulated for this purpose together with new appropriations. The Legislative Act creating the University of California was signed by Governor H. H. Haight on March 23, 1868 . . . a date celebrated each year as "Charter Day." The new institution opened its doors in September 1869 at the College of California site in downtown Oakland and moved to Berkeley in 1873.

Among the world's institutions of higher education, the University of California is unique, for this campus is but one of eight campuses which comprise the statewide institution. The Berkeley campus is the oldest established unit of the University of California and, in enrollment and physical facilities, the largest. From any of several points on this 900 acre campus there is a panoramic view of San Francisco Bay, the city of San Francisco and the Golden Gate.

This picturesque site was selected by the trustees of the College of California some ten years before the University was chartered and was dedicated to higher education in ceremonies held on Founders' Rock on April 16, 1860. The first buildings were completed and classes started in 1873. The doorway to learning was opened wide, offering an abundant treasure to all who chose to enter.

Here on this historic and picturesque campus is the home of Eta chapter of Gamma Phi Beta founded on April 24, 1894. Eta chapter stands upon a wealth of experiences; its history is made vivid by the many women who have opened her door and given their love and their strength . . . women who have given of themselves so that today Eta stands high in the esteem of all.

Eta's history is filled with warm memories but her strength lies in the present. With a constant view to the future the active members strive to uphold their heritage by filling the present to the greatest of their ability.

This past year has been especially busy for Eta chapter. With our chapter at the center, we have branches out in all directions . . . scholarship, school activities, school spirit and most important, stronger and closer relationships with the faculty and with fellow students.

As scholarship was high on our list of importance, we placed it first. As a result, we came out first . . . the Gamma Phi Betas placed first on the University scholarship list. This is a place we're proud of and we hope to maintain.

College life isn't composed entirely of study. No, it is a rich experience composed of a multitude of activities ranging from school spirit to personal relationships. Football season plays an important role in college memories . . . the rallies, the parades and the games themselves. Here at Berkeley enthusiasm

The Campanile, serene and majestic, towers above the Berkeley campus.

reaches its peak when California faces Stanford at the big game; and the parade and rally preceding the game are equally exciting. The fraternities and sororities at Cal usually pair off and enter floats in the parade. Last year the Gamma Phis joined the Phi Kappa Taus and won the sweepstake award. This year we joined the Delta Kappa Epsilons and won the award for the most beautiful float in the parade, an exciting and memorable honor.

It is impossible to gain strength from an institution such as the University of California without giving some of your efforts and time and thought to it in return. With this in mind, the members of Eta participate actively and enthusiastically in many diverse school activities. Gamma Phis have edited the *Blue and Gold*, college yearbook, for the past three years. The most recent edition was managed by Mary Kelly who is also a Mortar Board member. The YWCA was led by Dorothy Thelan Clemens, also a Mortar Board member. The Women's Rally Committee was led by Leslie Bergland, another Mortar Board member. And Janice Hungerford, our fourth Mortar Board member, led Eta chapter as president and held many positions on campus.

Next year we are looking forward to further campus leadership. Margery McKenzie is president of the Panhellenic association, an honor held by each sorority every 22 years. Pat McGaffigan, was tapped as president of Mortar Board for the coming year. Pat, along with Margery McKenzie and Joan Brady, will continue the strong role played by Gamma Phis in the University of California Mortar Board society.

As mentioned before, one of our main concerns this past year was toward a stronger and closer relationship with faculty, fellow students and within the sorority itself. Looking back, we feel secure that we accomplished much toward this end. Our doors were open after each football game . . . the house was full of laughter and fun, thus strengthening our many friendships. In the spring we held a faculty dinner, when each member invited a faculty member for dinner. The fathers' dinner is an event we look forward to each year, when the dads from this state and other states join their daughters for dinner and an evening of entertainment. Other events which filled out the year were the Christmas Tea, and the spring fashion show, two events in which we participate, but which are made possible by our Mothers' club.

Mrs. Charles C. Trump

## **RACHEL BULLEY TRUMP, RENOWNED ARTIST**

**A** PORTRAITIST, a mother, and a housewife. These words aptly describe Rachel Bulley Trump, an outstanding Gamma Phi Beta. Mrs. Trump, who lives on the Main Line, has found time in the past 30 years to raise three children, paint over one thousand portraits, teach art, and act as hostess for many of the Gamma Phi Beta alumnæ meetings.

An amazing woman with a delightful personality, Mrs. Trump is well known among art circles. Although she has done many portraits, she prefers to paint children. This is not surprising for with her enthusiasm and love of life, she would certainly have no trouble in capturing the spirit of her young sitters. Mrs. Trump is a realistic artist. Her portraits look like the person they portray. As her daughter, Rachel Trump Owings, says, "She achieves the clear vibrancy of her portraits by painting light and color into the shadows. The perfection of highlights on the faces of her subjects is the result of years of study."

Mrs. Trump has her own special technique of vibrant color and light which is clearly evident in the many paintings she

has exhibited. She has shown her work at the Museum of Fine Arts at Syracuse University (where she graduated), the Woman's Club of Ardmore, the Woodmere Gallery, Chestnut Hill, the Philadelphia Museum of Art, and the Plastic Club of Philadelphia. She is past president of the latter and has twice won gold medals in exhibits there.

Mrs. Trump's children are by no means average, either. Her daughter, Rachel Trump Owings, is an artist in her own right, along with raising two children of her own. Mrs. Owings, among other things, specializes in portraits of dogs, does designs for needlepoint studios, and has done covers and illustrations for the children's magazine, *Jack and Jill*.

Mrs. Trump's son, Peter, is leading baritone with the Bremerhaven Opera in Germany. Peter was an industrial engineer in Philadelphia when he studied voice with Clarence Reinert and decided upon an operatic career.

Charles Edward, the youngest of the Trump children, is unmarried and lives at home. An avid sports car fan, he is secretary-treasurer of the Sports Car Club of Philadelphia. He spends most of his spare time working with sports cars.

Mrs. Trump's most recent painting is the wedding portrait of her new daughter-in-law, Marie Traficante. Upon examining this portrait carefully, one notices a butterfly painted in her bridal bouquet. This is just one of the personal touches added by the artist, Mrs. Trump, because Marie will sing in the opera, *Madame Butterfly*. Also, to commemorate her singing in this opera, her in-laws, Mr. and Mrs. Charles C. Trump, have just recently sent her a sterling silver butterfly pin—set with family heirloom opals.

Mrs. Trump's sister, Mrs. Bulley Woods is an unusual person, too. She lives in "Dome House" which is located in Cavecreek, Arizona. This house was designed by two Frank Lloyd Wright students so that it would always keep its face to the sun.

We are proud of Mrs. Trump for her painting, for her teaching, and for her being a Gamma Phi Beta. But most of all we are proud of Mrs. Trump for putting her family first!

JOYCE McLAUGHLIN BOYLE  
Philadelphia Alumnæ

An excellent example of Mrs. Trump's fine portrait work is this one of Professor Horace A. Eaton, retired, Head of the English Department, Syracuse University.

# CALIFORNIA ALUMNAE TO HONOR VIOLET KEITH FOR FIFTY YEARS OF SERVICE

**V**IOLET KEITH, a loyal and hardworking Gamma Phi Beta, will receive many honors from the Inter-City council of Province VII, North, on the golden anniversary of her initiation into Gamma Phi Beta 50 years ago this October.

As Violet Dungan, she was a member of Lambda chapter at the University of Washington, in Seattle. She held many offices during her undergraduate years.

A delightfully friendly and vivacious person, Violet is married to George R. Keith, and lives on a large estate high in the foothills of Los Altos, California. Next to her home and husband, Gamma Phi Beta has been her primary interest for many years. Those of us who graduated from Eta chapter at Berkeley 20 years ago still look back with pleasure to the many good times we had swimming and picknicking in Violet's lovely gardens. At that time Violet was Province Director.

Gamma Phis in the Bay area are mighty proud of Violet Keith. She was one of the organizers of the San Francisco alumnae chapter, a charter member, and also served as their first president.

The Palo Alto alumnae are also proud of Violet as she helped to organize that chapter in 1938, while she was Province Director. Los Altos is only a few miles from Palo Alto, and thus the alumnae chapter formed near Stanford University has been Violet's home club.

She has been active in A.A.U.W. in Los Altos, and from

1945 through 1947 was treasurer of Los Altos Girl Scouts.

During the last war Violet was production chairman of the Los Altos Red Cross.

As if that were not enough to keep her occupied, she became Chairman of Finance on Grand Council in 1936. She served in that capacity for four years, and endeared herself to Gamma Phis from other states as well as California.

In 1948 Violet was one of the primary organizers of the San Jose alumnae chapter, and a charter member of that group. It was with the help of the San Jose alumnae that she installed Beta Theta chapter on the campus at San Jose State. San Jose State College is the largest and highest ranking of all the State colleges in California, and Beta Theta chapter has been developing rapidly.

Violet became the Treasurer of the Corporation Board of Beta Theta and spent many hours working on the finances of the chapter. She was successful in purchasing two excellent pieces of property, and reducing the mortgage to the point where a new building can be erected. In April of this year she was forced to resign as Treasurer because of ill health.

Recently, the San Jose alumnae presented Violet with a fountain pen and stand engraved with the Crest of Gamma Phi Beta and inscribed, "In appreciation of your many services."

## ΓΦΒ ADDRESSES U.N. MEETING

When 15,000 men and women of seven widely different religions joined in common prayer for the future of the United Nations in San Francisco in June, only one woman was among the speakers who addressed the gathering. She was Mrs. William Lister Rogers, president of the San Francisco Council of Churches and a member of Gamma Phi Beta.

The unique mass demonstration of faith came on the eve of the opening of the United Nations meeting, commemorating ten years of struggle by the U.N. to establish a basis for international peace.

Some 260 ministers of the seven faiths (Christian, Jewish, Moslem, Buddhist, Hindu, Confucian and Bahai) and a 1,500 voice choir led the massed congregation in prayer and singing.

John Foster Dulles spoke of the difficulties the UN has faced in its ten years of existence, but he recounted, too, how the moral power of the UN has become manifest. "It is a most encouraging fact," he said, "that all governments, even including those who deny the existence of moral law, feel it necessary to try to defend their conduct, if it is challenged, in terms of moral principles."

But the future, Dulles added, is filled with hope "if men and women of faith throughout the world develop and mobilize moral strength so that moral standards will increasingly prevail in the United Nations."

## TRAIN WRECK INJURES THELMA CAMPBELL

Friends of Mrs. Clyde M. Campbell, International Chairman of Standards and Literary Exercises, will be happy to know that she is recovering nicely from severe injuries sustained in a train wreck this past summer. Following her stay in a Denver hospital, Thelma spent some time in Berkeley, California, and returned in August (in a cast for a spinal fracture) to East Lansing.

In spite of her serious injuries, she took time to write this tribute to the Colorado Gamma Phi Betas:

If we study the actions of others in order to apply the golden rule then I point out to you the gracious hospitality, the studied thoughtfulness and the deep kindness of the Denver Gamma Phi Betas. Words cannot convey my grateful appreciation for the truly sisterly attitude of both the alumnae and the Greek-letter girls toward me during my recent confinement in a Denver hospital. My hospital room was always supplied with beautiful pink carnations and my telephone rang daily and a sweet-voiced, Gamma Phi introduced herself for a friendly chat. Gamma Phis came to call on me during visiting hours and with endless patience shopped and carried out errands for me. The Colorado Gamma Phi Betas have a special place in my heart.

## DEBORAH TODD

By Holly Wilson

Helen Finnegan Wilson

A delightful story for the 10-12 year old age group is Holly Wilson's *Deborah Todd*. Debbie is a tomboy who can outswim and outskate anyone in her gang. She is always thinking up exciting things to do that sound like fun, but often lead to real danger, like jumping the ice-cakes and being marooned in the treacherous, freezing waters of Lake Superior.

Debbie's first visit to the Opera House to see the play "Sis Hopkins" sends her into ecstasy and out on the hill the next day to act out all the parts of "The Iliad." Her costume, a flowing blue chiffon which belongs to mother, was perfect for Helen of Troy until she caught it on the fence while hurrying home late for dinner. Grandma, who is Debbie's comforter, mends the dress and no one is the wiser.

And so through all the Halloween and Valentine and birthday festivities rushes Debbie. There are visits to Indian Pete Wabasso in his shack and listening to stories of his ancestors . . . going on a uranium hunt . . . roasting potatoes over an open fire. All the ups and downs that haunt a girl going on twelve are Debbie's, but life levels out in

the secure, loving atmosphere of her home, her understanding parents and her comforting, coddling grandmother.

Holly Wilson is a Gamma Phi Beta from the University of Michigan, where she received the highest award in the Avery and Julie Hopwood Awards contest for her novel, *The King Pin*. Her husband, Frederic W. Wilson, M.D. is a psychiatrist connected with the Menninger School of Psychiatry and Winter P.A. Hospital in Topeka, Kansas.

When the Wilson daughters, Mary and Anne, were small, Holly entertained them with stories about imaginary children like themselves. From these stories grew the book *Deborah Todd*, which was published last April by Julian Messner, Inc. Holly is an active member of the newly chartered Topeka alumnae chapter and their CRESCENT correspondent.

An interesting sidelight is that Marion Schmidt de Escallon (Michigan '33), a close friend of Holly's, is doing a Spanish language translation of *Deborah Todd* for future publication in South America, where she resided for several years. D D D

Dorothy Will Simon

## A MOUSE IN THE CORNER

By Dorothy Will Simon

A collection of poems of varying moods, length and subjects, Dotty Simon's book *A Mouse in the Corner* will be out in mid-September.

In the preface, the author says, "This small volume evolved because of the often heard comment, 'How I'd like to have been a mouse in the corner when that happened!' With that in mind, this has been written so that You, along with our little friend, are in a position to observe intimate moments in the home, or in buildings about the town, with the understanding, wisdom and sense of humor we know You possess.

"These verses seemed the best medium through which, under the present circumstances, our kindly, sympathetic little 'Mouse in the Corner' could share with You his experiences.

"We hope you will find some chuckles, a bit of beauty, and a key or three to Memory's door between the covers—as well as our best wishes for a happier, more charitable world for everyone."

"P.S. Perhaps I should add that any resemblance to persons living or dead is purely—a matter of Your own imagination."

The book is intended for the general public for it shows "the humor and dignity of human nature in its more intimate and personal moments." Many of the poems have been used by individuals interested in interpretative reading; the variety of length, theme and mood of the poems provides excellent material for both class room and public platform use.

Lew Sarett, who urged Dotty to continue her writing, had this to say: "Some poignant, terribly real and beautiful—others show down to earth, honest humor; all touch the lives of most of us. Genuine poetry. By all means go on writing."

Dotty was an active member of Gamma Phi Beta chapter at Northwestern her junior and senior years, having transferred from Grinnell College. Her work as a student in the School of Speech was outstanding, and following several years of high school teaching, she returned to Northwestern as an instructor. She is a member of the speech honorary Zeta Phi Eta, which will co-sponsor a literary tea with Gamma Phi Beta to honor Dotty in October at the Gamma Phi Beta house at Northwestern.

Dotty is married to Clarence T. Simon, Ph.D., professor at Northwestern and they have two sons, Lee Will, 15 and John Turkle, 12.

Pat Holston, Northwestern Gamma Phi Beta and daughter of Dorothy Holston, president of the Evanston-North Shore alumnae chapter, has done the illustrations for *Mouse in a Corner*. D D D

## PRESIDENT'S PAGE

**S**EPTEMBER calls us from summer haunts back to work. The challenge of a new beginning is exciting. There is the fresh desire to accomplish the worth while, to do better than we have done before. The Gamma Phi Beta in college will strive to improve her scholarship record, to choose wisely from among the myriad activities open to her, to contribute to the welfare of her chapter and to maintain the highest standards of personal conduct. The Gamma Phi Beta out of college returns to her fall program—career or family—with renewed zest. One finds her place among the many loyal alumnæ who give themselves to a college chapter with a devotion that knows no limit. Another consecrates herself to a Gamma Phi Beta philanthropy. Gamma Phi Beta is fortunate to have many loyal members who feel a personal responsibility for the attainment of our ideals.

This will be the year of the forward look as we cast our eyes toward The Greenbrier at White Sulphur Springs, West Virginia, the site of our 1956 convention. The place itself is beautiful enough to attract members from every state and Canadian province. The great drawing power, however, as we gather from our campuses and communities, will be the desire to have a part in our sorority affairs. We want to feel a sense of unity and fellowship with our sisters as we plan for the days that lie ahead.

Meantime, on November 11, Founders' Day 1956, Gamma Phi Beta will be 81 years old. As we gather to honor our four founders, let each one who wears the Crescent bring a gift in gratitude for the privilege of membership in our sisterhood.

The very next week, National Panhellenic Conference holds its biennial meeting at The Greenbrier, where Gamma Phi Beta has been assigned certain hostess responsibilities. Grand Council will represent you with pride as Beatrice Locke Hogan, Nu, accepts the gavel and Gamma Phi Beta ascends to the presidency.

Surely this is a year of challenge!

## TO ALL GAMMA PHI BETAS

Your next Gamma Phi Beta International Convention to be held at THE GREEN-BRIER, White Sulphur Springs, West Virginia, July 2-7, 1956, will be every Gamma Phi's Convention! Each chapter, Greek Letter and Alumnæ, will be contributing to the Convention Fund. The Executive Committee is privileged to appoint chairmen from any Province and to request assistance from all of you.

Please assume this responsibility with us and plan now to meet for a wonderful reunion at this lovely southern mountain resort steeped in tradition.     » » »

DELPHINE JOHNSTON ANDREWS  
*Convention Chairman*

## GRAND COUNCIL INAUGURATES NEW POLICY— CONVENTION MARSHAL

The members of Grand Council at spring council meeting last March decided that it is time for a change in our way of handling conventions. As Gamma Phi Beta has grown, so have the responsibilities for providing for the entertainment of our biennial conventions. Now that such an undertaking is big business it was decided that it should no longer be the sole responsibility of a province, but that it should become an all-sorority project.

Such a plan needs someone of marked ability to direct its inception. Therefore it is with pleasure and pride that Grand Council introduces Delphine Andrews, Beta, of Detroit, Michigan, as our first Convention Marshal. Delphine's ability, enhanced by her experience as chairman of the forty-sixth International Convention at Mackinac, qualify her superbly for this important post.

Delphine is one of those enviable people with whom others find it a pleasure to work. Her record of achievement as a leader in and out of Gamma Phi Beta is long and bright. She accepts the responsibility of working out the details of our new plan as a challenge.

Grand Council is confident that you, too, will accept your assignment as a challenge, as you follow Delphine's leadership.     » » »

## MAURINE HOADLEY WILSON— VICE CHAIRMAN, 1956 CONVENTION

The appointment of Maurine Hoadley Wilson as Vice Chairman of our 1956 Gamma Phi Beta International Convention comes as no surprise to anyone who observed the efficiency, tact, and competence with which she performed her duties as Chairman of Decorations at our last convention at Mackinac Island. Maurine has served as faithfully as Vice President of the Detroit alumnæ chapter and has recently been appointed Chairman of our Ways and Means committee.

Her active interest in Gamma Phi Beta began when she became a member of Sigma chapter at the University of Kansas, where she transferred from Ward Belmont.

In 1935 Maurine was married to Allen Rae Wilson, a graduate of Kansas State College. He has for many years been associated with the Purchasing Department of Parke, Davis and Company. Mr. Wilson is very active in the Junior Achievement Movement devoting one night each week to it. The Wilson's eighteen year old son graduated in June from the Grosse Pointe University School where he was a varsity man in all sports. He will enter Michigan State this fall as a Freshman.

Until recent years Maurine has been active in P.T.A. and Cub Scout work. To the great disappointment of her friends she has discontinued her millinery classes, but she still makes her original creations as a hobby.

The Detroit alumnæ chapter is proud to have such an able representative serving as Vice Chairman of our 1956 National Convention.     » » »

## FLORENCE HOFFA OLSON— TREASURER, 1956 CONVENTION

Florence Hoffa Olson, a member of Rho chapter, graduated from the University of Iowa in 1930. She served her chapter as Pledge Trainer and Treasurer. Following her graduation she joined the staff of the University Libraries as a Reference Assistant and was a member of the Iowa City alumnae chapter for two years while her husband, James A. Olson, finished his internship. The Olsons now live in Pleasant Ridge, Michigan, and Flo is a member of the Birmingham alumnae chapter.

She is active in the South Oakland Branch of A.A.U.W. serving on their Board of Directors, one term as Art Chairman, and for two years as chairman of their Ways and Means Project, the Used Book Sale. Another volunteer service which Flo performs is serving one day a week on the staff of the Volunteer Library at Beaumont Hospital in Berkley. The Olsons have two sons: Jim, 21, and Bob, 19, who is a student at Western Michigan College at Kalamazoo.

Dr. "Jim" Olson has always been a loyal Gamma Phi supporter, using his influence to persuade Flo to pledge while at the University, and helped us to persuade Flo to again accept the office of Treasurer of our Convention Committee after she had done such a wonderful job for us for the 46th Convention. While attending the Convention at Mackinac with Flo, he was elected Director of "Province IX" (the Stag Province).

We are very grateful to Flo for accepting this responsibility again as we have found her advice invaluable on our financial problems.      D D D

## SALLIE CARUS REMUS— SECRETARY, 1956 CONVENTION

The Detroit alumnae chapter is honored to have another of its members chosen to serve as Secretary of the 1956 Convention Committee.

Sallie Carus Remus came to Detroit from Nashville, Tennessee. She attended Ward Belmont Junior College for two years and then transferred to Vanderbilt University. While at Vanderbilt, Sallie pledged Alpha Theta Chapter.

During her college days she was a member of the Vanderbilt University Theater, the Student Christian Association and Chi Delta Phi (National Women's Literary Fraternity).

Upon arriving in Detroit, her Spanish Major helped her to obtain a position with Chrysler Corporation in the Export Division. While at Chrysler she met her husband, Stan who is a C.P.A. They were married in 1952 and have one son, Glenn who is two years old.

Previously Sallie has been Corresponding Secretary of the Junior alumnae group here in Detroit. This Spring she was elected Recording Secretary of the Senior group.

JEAN CARR McDONALD

Mrs. Remus

## SPECIAL MEMO TO COLLEGE RUSHING CHAIRMEN

Have YOU acknowledged all recommendations sent your way by Gamma Phi Beta alumnae? Sure, there's a huge pile of them . . . but remember that each one represents time and effort and sometimes considerable inconvenience on the part of a loyal alumna. She is interested in knowing what happened to "her" girl, and she'll be more apt to hunt up future recommendations if she knows her work is appreciated. Better get going right now on your acknowledgments.

Sympathy is extended to members of Phi Delta Theta fraternity in the loss of their personable and popular executive secretary, Paul C. Beam. Mr. Beam, who had served his fraternity as secretary for 18 years, died in Oxford, Ohio on July 6 of a heart attack. Deep condolence is extended to Mrs. Beam, the former Mary Margaret Werts, Gamma Phi Beta from Omicron chapter, U. of Illinois.

## BETTY WHEELER OLSEN — INTERNATIONAL CHAIRMAN OF PROVINCES

Grand Council announces the appointment of Betty Wheeler Olsen (Michigan) to succeed Mrs. S. Carmack Garvin as International Chairman of Provinces. Mrs. Garvin's resignation from Grand Council came as a result of her acceptance of a full time teaching position.

Those who have worked with Betty Olsen know that she will accept this new and highly responsible position with her usual calm efficiency. Her management of the Province II Conference proved once again her ability to get the job done smoothly, just as she edited the *Crescent Moon* at the 1954 convention under some mighty harrassing and primitive conditions.

Betty graduated from the College of Architecture at the University of Michigan in 1933. Due to the depression doldrums which hit the building business at that time, Betty turned to newspaper work with the Grand Rapids *Herald* as Fashion Editor. Later, while her husband served overseas, she was a general reporter for the *Herald* and edited a page of news about men in the armed forces.

After the war, the Olsens returned to Lansing, where Betty busied herself with the rapidly growing new chapter, Beta Delta, serving as president of the corporation board for three

Mrs. C. J. Olsen

years.

Gardening, hooking rugs, decorating furniture and painting are counted among her hobbies, though these may be neglected temporarily as Betty turns to her new job on Grand Council.

Lansing Gamma Phi Betas deeply regret the move that the Olsens will make soon to Ann Arbor, but will long remember the many contributions Betty has made to both Beta Delta and the alumnæ chapter.     D D D

## GRAND COUNCIL APPOINTMENTS

Mrs. Ralph E. Dippell, Jr.

## EVELYN GOODING DIPPELL — INTERNATIONAL HISTORIAN

Mrs. Ralph E. Dippell, Jr. (Evelyn Gooding, Illinois) needs no introduction to Gamma Phi Betas for she has served in some capacity at the International level almost constantly for the past fourteen years. If one were to draw up specifications for the ideal Historian, Evelyn would be the perfect choice. The job fits her as well as did Cinderella's glass slipper. From the Greek-letter chapters' standpoint, she served as an officer of Omicron chapter and as our first Traveling Secretary. From the Province standpoint, she served as Director of Provinces III and VIII and as Chairman of Provinces. From the business angle, she served as Executive Secretary during which time she wrote our first Ritual Handbook and the pamphlet "Letter to Parents of Pledges" both of which are still in general use. From the executive standpoint, her two terms as Grand President brought into focus all of the many facets of Gamma Phi Beta. She is currently serving as Counsellor to Grand Council. Her close personal friendship of many years standing with Miss Nina Gresham, the past Historian, and the fact that she majored in English complete the picture of the perfect Historian.

From the personal standpoint, Evelyn is an excellent house-keeper, cook and hostess, the mother of a darling four year old daughter, the wife of an up and coming consulting T.V. engineer. Since her retirement from the Council, she has joined the University Women's Club, assumed a committee post in

the club and found time to take up bridge. We can expect to hear that she is acquiring Master Points if she dedicates herself to the game as intensely as she has to Gamma Phi Beta.

## **DOROTHY GUETZLAFF — NOMINATING COMMITTEE CHAIRMAN 1956 CONVENTION**

Dorothy Guetzlaff was graduated from the University of Wisconsin in 1928, where she was president of Gamma chapter in her senior year. Originally from Chicago, she helped organize the Beverly Hills alumnae group (since renamed) and became a member of the Minneapolis chapter when she moved here in 1945. Mrs. Guetzlaff was elected president of the Minneapolis group in 1954, and went to the International Convention as the 1954 delegate. She was invited to fill a vacancy on the International Nominating Committee as Province IV delegate. It was announced at the Province IV Conference at Fargo in April that she was also asked to be Nominating Chairman for the 1956 convention.

Dorothy married Irwin A. Guetzlaff in 1929, whom she met at the University of Wisconsin. They have a son Robert, who is a junior at the University of Minnesota, and a daughter, Ann, who was graduated in June from Minnesota. Ann was an outstanding member of Kappa chapter during her college career.

Mrs. Guetzlaff is active in many ways in the community. She is a member of the Minneapolis Curative Workshop and has held office as President and Secretary. With Mrs. Albert P. Baston, she interested the Minneapolis alumnae chapter in adopting the Workshop as a philanthropic project. The result has been the appealing and successful Christmas Holly Sale,

which enables us to give a yearly donation to the Workshop.

A member of Plymouth Church, Mrs. Guetzlaff has been a Steward and a loyal member of her Guild. She is also a volunteer for the Republican Workshop, Community Chest and the American Red Cross.

## **EVELYN DAVIS JOY — DIRECTOR, PROVINCE V NORTH**

New Province Director of V North is Evelyn Davis Joy, a petite, attractive, able person, who does every job she tackles extremely well.

Evelyn graduated from High School at Detroit Lakes, Minnesota. Then she went on to North Dakota State at Fargo, for two years, there joining Alpha Omicron chapter of Gamma Phi Beta. Transferring to Iowa State at Ames, Omega chapter, Evelyn graduated in 1936. She taught Home Economics at Cedar Falls, Iowa, where she met her Mr. Jim. Jim is a graduate of Grinnell, Iowa.

Evelyn and Jim have a daughter, Susan, 15; and a boy, Richard, 12. They have a lovely home, and enjoy life and many activities together.

Upon making their home in Denver, Evelyn affiliated with Tau alumnae of Denver, being Secretary, then Treasurer, also Panhellenic Delegate, Treasurer of Camp Board, and on the Beta Rho House Board. A Civic minded person, Evelyn has worked with Community Chest, a Mothers Club, Girl Scouts, League of Woman Voters, and P.T.A. Her hobbies are sewing, gardening, swimming and fishing.

All in all, Evelyn is a well-rounded person, who should bring much to our Sorority. )))

## **LOIS EDBROOKE DAVIS — DIRECTOR, PROVINCE VII NORTH**

Berkeley alumnae are very proud of the appointment of Lois Edbrooke Davis (Eta '33) as the new province director for Province VII North. Lois is an extremely attractive and charming blue-eyed blonde, who, in a variety of challenging assignments has demonstrated her exceptional qualities of leadership and energy.

Lois' abilities were first recognized in college at the University of California when she was elected president of Mortar Board. After graduation and her marriage in 1934 to George Davis, Jr., a Zeta Psi at California, she served as section director for Mortar Board for eight years, beginning in 1935. This experience will be valuable in her new appointment, since it encompassed many of the same general problems which she will now face. In addition to this admirable record, she has been at various times treasurer, secretary, and magazine chairman for the alumnae chapter in Berkeley. Most recently she is finishing a two-year term as president of Hall Board (Eta Corporation Board), where she has done outstanding work.

Lois has also been active in such community affairs as the youth committee for the YMCA, Republican Party committee work during elections, teaching first aid for the Red Cross during the war, plus the numerous P.T.A., Cub Scout, and Brownie activities which come to a mother of three. She has two boys—Clarke and Brian, ages 15 and 13, and a 12-year old girl, Brooke.

Despite the number and diversity of her activities, Lois finds time and energy for sewing, and particularly enjoys pack trips into the high Sierras with her family during the summer. )))

## **ALEENE CARTER THIEME — DIRECTOR, PROVINCE VII SOUTH**

Aleene Carter Thieme (Kansas ex'28) enters the Gamma Phi Beta international scene via the Riverside area alumnae chapter of California, which she served as first president and chief organizer. Following her freshman year at Smith College, Aleene transferred to the University of Kansas. Moving to Los Angeles in 1928, she entered the business world, remaining in it until 1951 when she and her husband retired to Redlands.

She served as president of the Business and Professional group of the Los Angeles alumnae the first year of their organization, and then as treasurer of the Los Angeles alumnae chapter.

In Redlands she served Panhellenic as secretary and treasurer. She is currently recording secretary of the Arrowhead chapter of DAR and of the Redlands Horticultural and Improvement Society. She is a member of the Contemporary Club and is their representative on the coordinating Council which deals with Civic problems. She also serves as membership chairman of the Redlands Republican Women's Club.

Working well with people comes naturally to Aleene, and will stand her in good stead as she takes over as Director of Province VII South.      D D D

Mrs. R. B. Thieme

Mrs. Legler

## **FLORENCE NORDINE LEGLER — DIRECTOR, PROVINCE II EAST**

My young son remarked the other day, "Mother, when Mrs. Legler says, 'that would be nice' she says it differently—but, she really means it." That is a true word picture of Florence Nordine Legler (Mrs. Fred), new Director for Province II East. She really means everything she says. She is a person to whom the bonds of sisterhood in Gamma Phi Beta are very clear. She seems always to find some way to help when a special need arises with a Gamma Phi.

Florence attended Francis Shimer School at Mount Carroll, Illinois, Augustana College, Rock Island, Illinois and has degrees from University of Illinois, Western Reserve University, her masters degree from Columbia University and has done work in Political Science at the State University of Iowa and studied Secretarial work at Fenn College. She is by profession a Librarian and has filled several most interesting assignments. For a little over a year she was Assistant in Charge of cataloging the news releases, speeches, reporter interviews and references for U. S. News and World Report in Washington, D.C.

Initiated into Omicron chapter at University of Illinois, she has been a member of Gamma Phi alumnae chapters in Oak Park, Illinois, Washington, D.C. and Cleveland, Ohio. She was Membership chairman of the alumnae chapter in Washington during one of the years when an especially large group was pledged from

that city.

Florence has traveled extensively throughout North and Central America. She is a member of the American Library Association, the Special Library Association and was initiated into PEO in Washington, D.C. at the time her Mother was president of that chapter. Her hobbies are ice skating, swim-

ming, reading, sewing. She plays the piano and recently has proven a successful gardener, especially in growing good lawn.

Florence will enjoy her new position and the Greek Letter girls will find in her a loyal and happy friend and director.

ELARKA HAKANSON

## **ELLA MAY SPELKER MACARTHUR — PROVINCE II EAST ALUMNAE SECRETARY**

Initiated into Gamma Phi Beta at Wittenberg and graduated from the University of Michigan, Dolly MacArthur has worked long and loyally for her sorority in the intervening years. She has served in nearly every office, including the presidency of the Toledo alumnae chapter and is a former State Membership chairman.

Dolly took specialized work in Secretarial studies at New York University and taught for five and a half years at the Berkeley Secretarial School in East Orange, N.J. She is presently active in business as Executive Secretary and Secretary-Treasurer of the Conforming Matrix Corporation and a member of the Board of Directors of the Atlas Electrotpe Corporation.

On the domestic side, Dolly keeps house for husband Hamilton, daughter Janell (17) and son Jeffrey (14), two dogs and a parakeet.

Dolly's new position as Province Alumnae Secretary has forced her regretfully to cut down on some of her local civic activities, but her great capacity for accomplishment will undoubtedly find her squeezing some time in for Red Cross and Community Chest.      D D D

## ELECTED TO ENDOWMENT-CRESCENT BOARD — VIRGINIA STONE HOLLAND

Elected to fill a vacancy on the Endowment-Crescent Board is Virginia Stone Holland (Northwestern) of the Oak Park-River Forest alumnae chapter. A loyal and enthusiastic Gamma Phi, Virginia is also a capable and careful administrator, with a clear grasp of business matters.

Virginia was a leader on the Northwestern campus during her college days, heading one of the most successful Waa-Mu shows ever presented there, along with serving her Gamma Phi Beta chapter. Since college she has been a busy housewife, mother of three charming daughters and a leader in Parent-Teacher work, church and Infant Welfare. Daughter Nancy will be a senior this year at Northwestern (naturally, she's a Gamma Phi) and Gay will enter Northwestern as a freshman. Sandy is six and enters second grade this fall.

Virginia organized the Civic Music series in the Oak Park-River Forest area 15 years ago, and at present the concerts earn for Infant Welfare about \$4000 a year. Through the years, Ginny has been the guiding light of this tremendous undertaking.

This past year she served as president of the alumni chapter as well as president of the Gamma Phi Beta mothers' club at Northwestern. She served as vice-president of the local Panhellenic group and is slated for the presidency this year. This large and active group raises about \$1500 a year for scholarships to needy students of Oak Park-River Forest High School. A member of DAR and the 19th Century Club, Virginia also served as official hostess of the 1954 National Clay Courts Tournament, of which her husband was general chairman.

Mrs. Holland

Oak Park-River Forest alumnae are proud of Ginny's past record and are assured that she will serve us well in her new capacity on the Endowment-Crescent Board.      » » »

## SO PROUDLY WE HAIL

*(Released by the NPC Citizenship Committee)*

Our Flag is a symbol. The Star Spangled Banner as it is known to Americans everywhere is the ensign of liberty and freedom. The Maryland Historical Society speaks of it as "The story of Key's anxious vigil during the night of September 13 and 14, 1814 but more than that it tells us how the poet felt when his country was in danger, when his friends were under fire and when the future was at stake. It is our country's solemn faith of trust and belief in the future."

Since that day countless peoples of other nations have come to America to enjoy the fruits of that freedom. Many of them have become citizens of our country. To do so they waited for time to pass. They studied and took examinations and finally after that period of waiting and working they took an oath to serve under our flag and to save our nation from all enemies. The privileges they have earned after five years have been ours since birth. Our citizenship is all too often taken for granted because we have neither waited through the "perilous night" of a bombardment for a sign of victory nor have we worked painfully and patiently to learn the rules of American citizenship.

At a recent induction of 150 men, women and children into American citizenship, Judge F. Dickinson Letts, Judge of the United States District Court for the District of Columbia said, "These are perilous times. Tension and confusion plague the people of the earth. Here in our land we are aware that we have enemies abroad and in our midst. They threaten our way of life. From without they strike at our structure of government and termite-like they bore from within. A conflict rages which pits our ideologies and belief in the existence of a Supreme Being and our pride in the dignity of man against a wicked horde that denies God. . . . Happenings, such as the

Norman Conquest, must have been combined with the intense yearning for freedom which impelled sturdy souls to embark for America. They came at the cost of great hardship and much sacrifice to escape from persecution. They became the founders of our free institutions. They wrote into our Constitution the human rights which Magna Charta and the Bill of Rights so well define. Through the years and by the experiences of mankind we have come to know and to prize life, liberty and the pursuit of happiness and to appreciate a government of the people, by the people, for the people."

He went on to say the spirit of freedom has come down to us through the ages. Freedom has never been given to any man. It must be won and can be preserved only by eternal vigilance. To preserve our freedom, our way of life, we must keep America strong.

How freedom has been won and preserved in these United States has best been summed up in an editorial written by Harold Martin, a columnist, who was present at the dedication of the Iwo Jima Monument in Washington, D.C., in the early part of this year. He wrote in part: ". . . The great bronze sculpture of the men raising the flag on the broken rocks of Iwo Jima is a battle cry . . . a trumpet song. It is a piece of sculpture which the genius of the sculptor has translated from a photograph into fluid bronze." In speaking of those who fought so gallantly in the battle of Mount Suribachi he wrote further: "they didn't know that they were giving America an unforgettable symbol for there, as on a thousand battlefields where Americans had fought, 'uncommon valor had become a common virtue,'" but in that one moment of proud achievement they told us what we are and what we must forever be if we would live as free men all our days.      » » »

# GAMMA PHI BETAS GATHER FOR 1955 PROVINCE CONFERENCES\*

## PROVINCE I

I am sure no Province Conference has ever been held in a more charming setting than Province I Conference in early March. No railroad comes into University Park, so all the Gamma Phi Betas arrived by car or bus from the closest railroad junction. We were taken to the beautiful Nittany Lion Inn, where we were most cordially greeted by the alumnae of State College. Within a short time we were whisked off to the Gamma Phi Beta Suite in Grange Hall for a wonderful informal get-together, and served coffee and home made cookies by the members of Alpha Upsilon.

Our meetings were held in a spacious, modern air-conditioned assembly room Saturday and Sunday in the Inn. The six Presidents of the Greek-letter chapters of Province I were the official delegates, plus seven alumnae chapters' official delegates. All the members of Alpha Upsilon attended the Conference, all the alumnae of State College, Miss Grace Merrill, Chairman of the Philanthropy Board, Mrs. Harry Seamans of the Washington, D.C. alumnae chapter, and Mrs. G. Russell Page, Chairman of Finance, who was our Grand Council representative.

A lovely Carnation Banquet was held in the Parrot Room of the Inn Saturday evening. It was an inspiring sight to see all our Gamma Phi Betas in their lovely formal gowns, the tables beautifully decorated with fresh pink carnations, and our Alpha Upsilon girls singing some of the loveliest Gamma Phi Beta songs. Following the banquet, we all proceeded to the assembly room where Alpha Upsilon entertained, first—with a humorous rushing skit, and then with a Plantation Party. This party simulated Alpha Upsilon's actual formal rush party, and featured a minstrel show, songs, entertain-

ment, and refreshments. Later that night, all of the active delegates were taken to another party at the Gamma Phi Beta Suite, while the rest of us talked away into the "wee small hours."

At luncheon Saturday noon, Dean Pearl O. Weston, of Penn State University greeted the Conference delegates on behalf of the University, and gave a brief review of the growth of the University and its place in the world of education. Mrs. Harry Seamans gave the main talk entitled "Attitudes of Mind"—a most thought-provoking address. Her Six "Attitudes" were the following:

1. The first attitude of mind should be the establishment of a goal for ourselves—toward which we strive—we struggle—we reach.
2. The second must be the willingness to make a comeback after failure—and try again and again.
3. The third must be the awareness of the effects our living has on our world around us—and our responsibilities both for ourselves and for those who follow us.
4. The fourth is the acceptance of the fact that we must take hold of the permanent things of life to help us along.
5. The fifth should be the enlarging of our ideas and ideals as time goes on.
6. The last attitude of mind is to try to create within ourselves a desire for service to others—for that is what life is all about.

What wonderful goals for us all to strive for.

At the Carnation Banquet, Mrs. Page was the guest speaker, and her topic was "How To Do It After College Days"—an inspiring message—for the active girls to look forward to, and for the alumnae women to strive for—complete loyalty and service to Gamma Phi Beta, and the rewarding benefits from such service.

Round Tables were held on Saturday afternoon with great success. The Greek-letter chapters discussed how to distribute time between studies, social life and activities, and it was agreed that with proper planning, a girl could participate in all phases of college life. Wonderful recommendations were made on rushing techniques, and many ideas were exchanged. Scholarship is to be improved in Province I by study tables, tutoring where needed, and an increased desire to have better grades. Several excellent mentor reports were read.

The alumnae chapters suggested that business could be expedited by well-planned executive meetings before the regular chapter meeting; also that there should be a definite program for the meetings. It was urged that each alumnae chapter prepare a directory for the year, and this should be eventually combined into a Province Directory. It is suggested that an article be published in *THE CRESCENT* showing the percentage breakdown of the alumnae dues to National in order to increase alumnae interest. We feel that there should be a more systematic way for a chapter to request and receive recommendations, and that the "Recommendation Questionnaire" be revised as it seems outmoded.

Mrs. Eugene Osborne, 47 Carthage Road, Scarsdale, New

Province I Conference, held at Penn State University, was attended by six Greek letter chapter delegates and seven alumnae delegates. Among the guests were, left to right, Mrs. Harry Seamans, Mrs. George Leffler, Mrs. G. Russell Page, International Chairman of Finance and Miss Jean Amberson.

\* EDITOR'S NOTE: That *CRESCENT* readers may keep abreast of Gamma Phi Beta affairs, these reports of Province Conferences have been prepared by the Province Directors. Increased responsibilities for Conference delegates in such matters as Philanthropic work, convention planning and election of the nominating committee for the 1956 convention have created greater interest and larger attendance at these meetings than ever before.

York was elected Province Representative on the International Nominating Committee.

Province I approved the proposed adoption of a second philanthropy but the majority favored the broader application of *Handicapped Children* rather than *Retarded Children*. Miss Grace Merrill, Chairman of the Philanthropy Board, conducted the discussion of our various philanthropies, and gave a most thorough summary of the work of the Board.

Without the wonderful cooperation of all of the alumnæ members of State College, and the entire Alpha Upsilon chapter, our Conference could never have been such a success. My loving thanks to them all.

MRS. JOHN HEATON  
*Director, Province I*

## PROVINCE II

Beta Delta's spacious contemporary house at Michigan State University, East Lansing, Michigan, was the setting for Province II East and West Conference held April 23 and 24. More than 100 delegates from Greek Letter and alumnæ chapters in Ohio, Michigan, Indiana, Northern Illinois and Ontario mingled with Beta Delta's 70 members and a score of Lansing alumnæ in a happy, busy crowd.

Mrs. S. Carmack Garvin of Nashville, Tenn., Chairman of Provinces, was the Grand Council member attending. Other International officers who were present for part or all of the Conference were Mrs. James J. Marek, Editor of *THE CRESCENT*; Miss Grace Merrill, President of the Philanthropy Board; Miss Rosemary Sundberg, Chairman of Rituals; Mrs. Clyde M. Campbell, Standards Chairman and Miss Audrey Jones, Chairman of Student Scholarships.

Added to this list was Mrs. Charles C. Andrews, Detroit, whose appointment by Grand Council as International Convention Marshal, was one of the first announcements made at the opening session. Province Officers,

to whom Conference weekend was the culmination of weeks of planning and correspondence, were: Mrs. Robert Holland, Springfield, Ohio, Director of II East; Mrs. Hamilton E. MacArthur, Alumnæ Secretary, II East; Mrs. C. J. Olsen, Director, II West, and Mrs. William W. Heusner, Alumnæ Secretary, II West.

The business sessions, held at the MSU Union Building, opened with election of Anna Armstrong, London, Ont., as presiding chairman. Miss Mafalda Fenoglio, Terre Haute, acted as Secretary. Miss Mary Bromm, Port Huron, Mich., former traveling secretary, conducted a model ARC meeting, with Greek Letter and Alumnæ delegates acting as ARC committee members. The need for more informative recommendations, as well as prompt acknowledgement of them, was brought out in discussion.

The interrelation of intelligence and goodness was the theme of the Saturday luncheon address by Dean Thomas H. Hamilton of MSU's Basic College. "The man who does not think can do good only by chance," he pointed out. "It is clear that those men who are good are also intelligent."

Open discussion at the afternoon session produced a unani-

mous vote in favor of the National Plan for sponsoring Conventions, as well as full approval for regular chapter assessments to finance them. Although Province II had so recently "put on" the Mackinac Convention . . . or perhaps because the Province had found the experience very rewarding . . . the delegates were eager and willing to work together on projects for the next Convention.

Mrs. Ralph von Lehmden, Chicago, conducted a joint Greek Letter and Alumnæ Round-Table on Philanthropies with Mrs. Robert Spika, East Lansing; Miss Jean Oakes, Ann Arbor; Arlene Kuzak, Beta Zeta, and Charlene Herndon, Beta Delta, contributing facts and opinions. Mr. Lee Trumbull, member of the State Board for Retarded Children, told of his own problems as father of a retarded child, and of the need for acquainting parents and social organizations with the potentialities of the program. Delegates voted in favor of adopting the Retarded Children program in addition to Camps with the recommendation that, if possible, the two be integrated.

While alumnæ continued with round-table discussion of How to Have Interesting Meetings, Greek Letter delegates held a Model Chapter Meeting at the Beta Delta house with Mary Alice Hughes, Beta Pi, acting as President. Rosemary Sundberg advised the girls on fine points of ritual. Ardis Marek made suggestions for improving their *CRESCENT* copy, model reports were given by officers from various chapters.

The Saturday banquet was a festive affair with corsages, introduction of visiting dignitaries, songs and gay conversation. Mrs. Garvin's speech on How to Make Your Best Contribution was both inspiring and heart-warming.

Later that evening Beta Delta entertained Greek Letter guests with their favorite rush party, while alumnæ delegates met with their respective Alumnæ Secretaries for informal discussion of Province aims.

Nearly 200 delegates and guests from other sororities attended the Panhellenic Buffet Breakfast held at the chapter house Sunday morning. Miss Mabel Peterson, Assistant to the Dean of Students, MSU, addressed the gathering informally, speaking of the need to go back to our rituals for guidance in solving today's problems.

News of plans to establish a Gamma Phi Beta chapter at Indiana University in the Spring of 1957, which was announced during Conference, brought a vote from Province II West delegates at the final business session to establish a fund of \$500 to aid in development of the chapter. Mrs. Cherie Wallace of Ann Arbor was elected to represent Province II on the 1957 Nominating Committee, with Mrs. Hugh Atkins of Indianapolis as alternate.

Most of the delegates, reluctant to depart, returned to the chapter house after the close of the business session, for buffet dinner and to bid farewell to new friends and old. Members of the hostess committee were: Mrs. E. W. Pinckney, chairman; Mrs. Don O. Buell, reservations; Mrs. Clyde Campbell, Publicity; Mrs. Norman Reynolds, treasurer; Mrs. Robert Spika, transportation; Mrs. L. M. Decker, decorations; Mrs. M. S. Sharp, Alumnæ hospitality, and Miss Diane Seyler, Greek Letter hospitality. Grand Rapids alumnæ were joint hostesses.

## PROVINCE III

The fifteenth biennial conference of Province III was held at Lawrence, Kansas, April 29 through May 1. Hostess chapters were Sigma and Lawrence alumnæ. Conducting the Conference were Mrs. Charles W. Payne, Province Director, and Mrs. P. H. Hawes, Province Alumnæ Secretary. Special visitors were Mrs. Edwin A. Deupree, Chairman of Expansion and representative of Grand Council to the Conference, and Mrs. James Myles, International Magazine Chairman.

Busy Betty Olsen, Province II West Director, kept the ball rolling with the help of Mrs. Robert Holland, Director of Province II East.

The Sigma House, with its new wing and remodeled structure, provided spacious and charming facilities for the Conference. Largely responsible for the success of the Conference were Joane Manney, chairman of arrangements, and Mrs. Wayne Atwood, president of the Lawrence Alumnæ Chapter. Suzanne Schwantes, who is president of Sigma Chapter, served as Conference chairman.

Registration began at the House at 4 o'clock Friday, when each guest was presented an original Conference program made by Mrs. James N. Thomasson of the Nashville Alumnæ, featuring the theme of HOW TO DO IT? on the cover of Carnation pink and brown combination. Following registration a beautiful al fresco supper was served, planned by the very capable housemother, Mrs. Ralph Park. Garlands of spring flowers were used to decorate the serving table and lawn enclosure. Especially enjoyable was the harmonious singing by the Sigma girls which made everyone feel relaxed and friendly.

The first business session of the Conference was opened Friday evening, when the hostess chapters extended greetings to the visitors, committees were appointed and Mrs. Deupree was officially introduced. A eulogy to Nina Gresham was read by Mrs. Roy Swindell and the Conference stood in silence in tribute to her memory.

At the Saturday session reports were heard from the Province Director, the Province Alumnæ Secretary, Mrs. Deupree of Grand Council, and Mrs. Myles, the International Magazine Chairman. It was especially interesting to hear from Mrs. Deupree first-hand the policies followed by our sorority in founding new chapters. Needless to say, all were jubilant over the news that we will enter Texas Tech and Indiana University in the near future. Joan Knight of the Alpha Delta Chapter will be going to Texas Tech next year to assist the new chapter. Mrs. Myles reported that Phi Chapter, which had sold \$770 worth of magazines, and St. Louis alumnæ chapter, which had sold \$1,850 worth, were first nationally. We are especially proud that both of these chapters are members of our province.

Elected as the Province representative to the International nominating committee is Mrs. James Gamble of St. Louis, and the alternate is Miss Allis Haren of Kansas City.

Our international philanthropy was discussed from the viewpoint of adopting a philanthropy in addition to the Camps, and the consideration of retarded children. It was felt generally that another philanthropy is needed and most delegates were in favor of retarded children's work. The general opinion was that we should not discontinue the Camps or neglect them, but that another philanthropy is needed to give

each chapter something to tie it together and to give additional local and national recognition. It was suggested that the field of retarded children be narrowed according to the IQ and not take children in the lowest 0-20 group. Another suggestion was that the exceptional or brilliant child might be helped instead of the retarded child.

The by-laws of our province were amended so that the duties of the province director and province alumnæ secretary are now in agreement with policies made by Grand Council. Also, the scale of dues was changed as recommended by the Chairman of Finance.

At noon the Kansan Room of the Memorial Union Building was the scene of a Panhellenic luncheon, "Carnation Capers." Guests included representatives of each sorority on the Kansas campus and the Lawrence City Panhellenic. Mrs. Paul Schofer, toastmistress, gave special recognition to Mrs. Wm. C. Hogin, Chi Omega Area Adviser and Dean of Women of Kansas City University, Mrs. J. H. Rustemeyer, Kappa Kappa Gamma Province vice-president, Mrs. Arthur Wolf, Kappa Alpha Theta Province president, Mrs. Frances Heller, Sigma Kappa Province president, Miss Martha Peterson, Dean of Women at the University of Kansas, spoke on "Using your Sorority Membership Wisely" and urged that college chapters, alumnæ, and the administration work together and promote congeniality. Mr. George Docking, a banker in Lawrence and the past Democratic candidate for Governor in Kansas, spoke on "Thirty Years as a Gamma Phi Beta Husband," revealing many humorous happenings in the life of a husband of an active sorority woman.

Climaxing the Conference was the banquet held in the Jayhawk room of the Memorial Union Building on the campus. Jayne Calahan, Sigma pledge, was toastmistress. Mrs. Deupree spoke on "How to Brag." She said that Gamma Phi Beta has reason to be proud of its organization—its chapters, housing, financial standing, and membership—and urged each one to take personal pride in our sorority, to be loyal to the ideals, and to make an individual contribution to its welfare. Sigma received the award as the most efficient chapter in the province, and Beta Eta, which has ranked first among the sororities at Bradley for the past five semesters, received the scholarship award.

Recommendations adopted were: To make a contribution from Province III funds to the Endowment Fund in memory of Nina Gresham, to establish a traveling trophy among pledge classes of Province III to be awarded annually on the basis of the year's scholastic attainment, and that the Province scholarship award be made to the chapter holding the highest

On the social side, Province IV entertained at a beautiful Norwegian Smorgasbord dinner at the Memorial Student Union Building on the North Dakota State College campus. Mrs. David Scott provided many of the brass serving dishes and table decorations from her local gift shop. Standing left to right are Mrs. F. M. Bolin, sculptress who gave the main address at the banquet, Mrs. Myron Nelson, Director of Province IV, Mrs. Atwood Cranston, Province Alumnæ Secretary, Mrs. Gerald Arnold, Grand President and Mrs. Russell Sand, conference chairman.

rank on their respective campus based upon the two preceding years.

Awards were presented to Beta Eta and Champaign-Urbana for their scrapbooks and to Phi for the best exhibit of a rush skit.

## PROVINCE IV

Even if a chapter does not have a spacious chapter house—Province Conference can be held there, and graciously so. Alpha Omicron chapter at North Dakota State College located in Fargo, North Dakota proved this to Province IV on the week-end of April 29 and 30.

The Fargo-Moorhead alumnae chapter and the Alpha Omicron girls planned and worked together on making their Lodge and Union the workground for the Conference, and the social aspects of a conference.

The week-end started with a Social Evening at the Lodge, across from the campus. The newly decorated Lodge looked lovely and was overflowing with Gamma Phi Betas during registration, tea, and entertainment. The Alpha Omicron girls and Fargo-Moorhead alumnae had graciously offered to house for the two nights, in their homes, the visiting Greek-letter girls and alumnae.

The business meetings, round-tables, luncheon and banquet were held at the Union, which was a block distant from the Lodge. It had been originally planned to have the banquet at a hotel, but by having all the day's proceedings in one place, with time out to change for the banquet, certainly helped solve the old problem of "how will we get everything done," for we found we had ample time.

The outstanding event of our whole Conference, was having Elizabeth Arnold, our Grand President, come from Philadelphia to be our representative from Council. Mrs. Arnold explained to us how International Convention could be run on the "All sorority" basis, as has been suggested for the next Convention, and our Province voted in favor of such.

Dean of Women at NDSC, Miss Pearl Dinan, gave an inspiring speech at luncheon, pointing out that sorority women owe service to their communities, and the turning out of truly gracious women, in exchange for the privilege of our existence.

Gwen Riggs, of the Des Moines alumnae chapter, who had just resigned as Province IV Alumnae Secretary, was chosen by the delegates to be Province IV Representative on the Nominating Committee at our 1955 Convention.

The group was definitely in favor of broadening our philanthropy scope by including our aid and services to the Retarded Child Program.

The informal banquet held in the ballroom of the Union proved to be a delightful and colorful surprise, typical of the region—a Scandinavian Smorgasbord. The table glowed with gorgeous brass and copper containers abundant with delicacies. The candlelight and beautiful flowers on the Speakers' Table and about the room spelled excitement; plus gifts of exotic orchid corsages to those fortunate few who came up with the lucky number in a "drawing."

Our banquet speaker proved to be unusual and fascinating—she was Mrs. Ann Bolin, sculptress, of the Fargo-Moorhead alumnae chapter. We enjoyed her talk immensely, and the many examples of her work which she had brought along.

The banquet was completed and the Greek-letter girls were entertained at a dance in the Union arranged by the Alpha Omicron girls, while the alumnae went to the charming home of Kate Powers for an evening of relaxation and chatting.

Helen Sand, a past Province Director and Chairman of Provinces, used her vast knowledge of Gamma Phi Beta to make

a highly efficient Conference Chairman—my gratitude to her, the Alpha Omicron girls, the Fargo-Moorhead Alumnae, and Pauline Cranston, Province IV Alumnae Secretary.

## PROVINCE V NORTH

On Friday night, April 15, 1955, Gamma Phi Betas of Province V North began arriving at the Alpha Phi lodge in Colorado Springs to register for conference. After registration, renewing old friendships and making new ones was the order of business. Members of Alpha Phi chapter presented entertainment during the evening.

Saturday activities began at seven-thirty in the morning with breakfast at the Acacia Hotel planned by Colorado Springs Alumnae. General session was called to order at nine-thirty at Shove Memorial Chapel on the Colorado College campus.

We were very pleased to have Mrs. Joseph Picard, International Vice-President and Alumnae Secretary, as Grand Council's representative to our conference and were most interested in the resume of expansion and colonization given by Mrs. Picard. We were unanimously in accord with the new convention plan which she explained.

The by-laws changes regarding province dues were adopted. Mrs. William Hinch of Denver was elected as alternate member of the International Nominating Committee. After the Philanthropy Round Table discussion, the conference went on record as favoring the adoption of a second philanthropy. However, most of our chapters felt we should not exclude at any time our present camps for underprivileged girls.

Over one hundred Gamma Phi Betas attended the Spring-time Luncheon at the Acacia Hotel. Presidents of the other sororities on campus and the Dean of Women of Colorado College were guests at this luncheon. The guest speaker was Reverend C. Mason Harvey, Youth Minister of Mountview Boulevard Presbyterian church of Denver.

Saturday afternoon was spent in Greek-letter and alumnae Round Table meetings. The topic of the Greek-letter round table "How to do it" included "How to Plan for Rush Week," "How to Train Our Pledges," "How to Improve Our Scholarship," "How to Plan an Officers' Retreat," "How to Prepare an Effective Standards Program." The alumnae round table topic "How an Alumnae Chapter Can Best Serve the Sorority" included a talk on the organization and program of Denver City Panhellenic, a discussion by the State Membership Chairman on recommendation procedures, and a talk on the duties of an alumna advisor.

The beautiful Pink Carnation Banquet, planned by Alpha Phi chapter and Colorado Springs alumnae, was held Saturday at the El Paso Club. We thoroughly enjoyed the inspiring talk of our guest speaker, Mrs. Picard. Entertainment and song exchange by our college chapters at the Alpha Phi lodge brought our conference to a close.

## PROVINCE V SOUTH

The Fourteenth Conference of Province V South was held at the Alpha Zeta chapter house in Austin, Texas on March 4, 5, and 6. All Greek-letter groups in the Province were represented and seven of the twelve alumnae groups.

The 1955 Province Conference theme of "How To Do It" was presented in the invitations calling Gamma Phis to a KNOW HOW POW-WOW, and was closely followed throughout the conference.

On Friday, March 4, there was an Informal Welcome Party from 7-9 P.M., as well as registration and a general get-together in the afternoon.

The opening meeting was called to order at 9 A.M. Saturday morning by Kathleen Wright, Province Director. Leta Ann Pate, Alpha Zeta president, took the chair following her election as Conference Chairman, and Cathryne Melton, San Antonio alumna, was appointed Secretary of the Conference.

Jewel Morrison, Province Alumnae Secretary, gave an excellent report on our alumnae chapters, and spoke of one soon to be chartered at Amarillo, Texas. Those of us who have any ideas about where or how new groups might be formed should contact our PAS immediately. Jewel asked us to remember that the success of an organization depends not so much upon its activities, but upon the worthiness of its members.

Fay Deupree gave the Province Director's report on Psi, Alpha Zeta, Alpha Xi, and Beta Omicron. As the Chairman of Expansion, Fay also gave the message from Grand Council and discussed "How to Put in a Colony," with emphasis on the colonization at Texas Tech at Lubbock for October 1955. She stressed the need for transfer students in colonizing.

A delegate to represent the Province on the Nominating Committee was made, and she is Bess Sprague (Mrs. Carl T. Sprague of Bryan, Texas). Province V North is to have the alternate delegate.

There was a joint round-table discussion of Philanthropies before lunch, which was a delicious meal served buffet at the chapter house. Round-tables were continued in the afternoon with the Province Alumnae Secretary conducting the alumnae group and the Province Director the Greek-letter.

At 7:30 P.M. there was a beautiful formal Pink Carnation Banquet held in the Crystal Ballroom of the Driskill Hotel with 112 in attendance.

Speaker for the evening was our own Lora Lee Pederson (Beta Omicron) who is Director of the Graduate School of Social Work of The University of Texas, and who is much sought after for speaking engagements. The evening was thoroughly enjoyed because of her wonderful humor and brilliant wit, while still slipping into a serious vein for her talk on "How To Do It."

The session of the Conference on March 6 began with a brunch followed by a short closing business meeting and church attendance.

The Province V South Conference wishes to submit the following suggestions:

1. That local philanthropic projects for mentally retarded children, or related groups, such as speech and hearing clinics, children's shelters, work with groups of emotionally disturbed children, be adopted to supplement the present camping program.
2. That students leaving Greek-letter chapters be informed of alumnae activities before they leave school so that they will quickly become a part of an alumnae group.
3. That an effort be made to include the husbands of alumnae in the social activities of the alumnae group at some time during the year.
4. That an article appear in THE CRESCENT discussing the proper method of filling out recommendation blanks and give definite suggestions as to how the desired information may be secured.
5. That the Greek-letter chapters consider having a Gamma Phi Beta retreat before rush week.
6. That each college chapter analyze its membership. (For Chapter balance: by classes; for scholarship, leadership, art abilities, musical abilities; speech; Journalism; town and out-of-state girls; distribution over state; representation in each good high school in larger cities) before rush week to de-

termine specific chapter needs.

7. That the Gamma Phi Beta Panhellenic Delegate ask the Campus Panhellenic to consider setting a minimum grade average requirement of C as the scholastic eligibility requirement for prospective rushees.

8. That the Gamma Phi Beta Panhellenic Delegate recommend to Panhellenic that a scholastic award, or recognition, be given the individual freshman, sophomore, junior, and senior class having the highest scholarship on campus.

9. That the Greek-letter chapters consider the adoption of a scholarship orientation program for members and pledges.

Pat O'Brien extended to the Conference an invitation to meet with Beta Omicron in 1957.

Respectfully submitted,

KATHLEEN WRIGHT

Director, Province V South

## PROVINCE VI

Province VI Conference was held April 1, 2, 3, at Corvallis Oregon with Chi and Corvallis chapter acting as hostesses. Preceding the opening sessions Friday evening, Chi entertained at a buffet supper. This was followed by a model rushing party and meeting. Mrs. Harry Henke, Jr., the International Membership Chairman, spoke on the clarification of the A.R.C.

Saturday morning Mrs. Carl Koppe, the Province Director, called the conference to order. Miss Mary Holthouse of Corvallis was elected chairman of the conference. Mrs. Milton G. Brown of Seattle was elected Province VI representative to the International Nominating Committee with Mrs. Ray Jenkins as the alternate. Mrs. Joseph L. Picard, the International Vice-President and Alumnae Secretary brought a message from Grand Council and also gave a resume of the All Membership Convention to be held in White Sulphur Springs, West Virginia, in 1956.

The conference theme of "How To Do It" was carried out in the topics of the Greek Letter and Alumnae round-tables. The Greek Letter topics included those on rushing, A.R.C., chapter and executive council meetings, standards program, activities, scholarship, and pledge training. The Alumnae round-table discussions presented subjects which were timely and constructive. There was excellent participation in these informal sections of the conference so that all delegates had new and helpful ideas to take back to their chapters as well as solutions to some of their local problems.

The following recommendations, concerning our philanthropies, were made:

1. "That we select a second International Philanthropy in addition to camp as long as we have the assurance of continual financial support for camp."
2. "That Gamma Phi Beta adopt Child Welfare as the additional philanthropy project."

A formal banquet at the Hotel Benton followed by a short business meeting concluded the day. Mrs. Ray Jenkins was toastmistress and Mrs. Picard the speaker. Marvel Gage, the past president of Chi proposed a toast to our newest chapter, Beta Sigma of Washington State College. The scholarship cup was presented to Alpha Lambda of the University of British Columbia and the Alumnae Magazine Award to the Portland chapter.

The conference concluded Sunday morning with a Panhellenic Brunch at the Corvallis Country Club. Mrs. A. L. Strand, wife of the O.S.C. President, Mrs. O. H. Muth, President of City Panhellenic and Mrs. G. R. Flood, secretary of the College Panhellenic and representatives of all Greek Letter groups were the special guests. Mrs. Flood spoke on the theme of our conference as applied to N.P.C.

The conference was well organized and showed the results

of all round good planning, for the benefit of both the alumnae and Greek-letter chapters, as evidenced in the attentive interest of all present. The general attitude of all attending the conference was one of being eager to discuss mutual problems, to exchange ideas and to help each other in Gamma Phi Beta.

Province VI wishes to thank Chi and Corvallis chapters and the following who were responsible for the organization of the conference—Marvel Gage, Lorena MacCafferty, Paula Cook, Kay Kiesow, Patricia Morton, Mary Ann Healy, Mrs. J. A. Joiner, Mrs. Wm. Harris, Mrs. Tuler, Mrs. C. R. Hoyt, Mrs. C. L. Clark, and Mrs. Sidney B. Lewis, Jr., the Corvallis Alumnae President.

MARGARET HODGSON  
*Province VI Alumnae Secretary*

## PROVINCE VIII

The tenth biennial Conference of Province VIII of Gamma Phi Beta was held at Beta Beta chapter, University of Maryland, the weekend of March 18-20, 1955.

The conference got underway at 6:30 P.M. on the 18th with a delightful buffet supper at the Beta Beta House followed by a mock rush party—the Gamma Phi Beta Wedding—by the Beta Beta girls. This was very well done and thoroughly enjoyed by representatives from five Greek-letter chapters and five alumnae chapters.

Following the first business session at 9:00 A.M. on Saturday

morning the two groups adjourned for the Greek-letter and alumnae round tables. The Greek letter girls led by Beta Beta and Beta Mu discussed Officer's Retreats, Social Standards, Scholarship, Activities, Panhellenic and Magazine Sales. The findings from these discussions were: 1. All the chapter delegates decided that a retreat of old and new officers would be very profitable, 2. Raising the average of executive council and "big sister" tutoring within the house, 3. Formation of a Panhellenic Presidents' Council; also exchange dinners between sororities; have an outside speaker on grooming, speaker on marriage, know your Gamma Phi Betas, book and music reviews; 4. Cutting out "try-outs," etc. for activities from school newspaper and putting them on bulletin board; mothers take daughters to meetings; 5. Send out ahead of time for renewals. Letters to relatives were suggested to promote magazine sales. The alumnae discussion was centered around the question of how alumnae chapters could best serve the Greek-letter chapters and was led by Mrs. James Gosey of Baltimore. The topics discussed were financial, public relations, personal and education.

At 12:30 the round tables adjourned and the entire group assembled at 1:00 P.M. for the Panhellenic luncheon at the Chesapeake Room in College Park. There were two representatives from each Panhellenic group on campus and our guest speaker was Miss Virginia R. Kirkbride, Director of Activities for Women, George Washington University. Miss Kirkbride gave us a very delightful talk on Panhellenic Relationships on the Campus.

Round tables resumed again at 2:30 with the Greek-letter group discussing rushing led by Alpha Chi and Beta Beta. The findings from these were: 1. The importance of a more formal, orderly hash session was emphasized and, 2. The system of "odd-even" rotation; correlation of favors, refreshments, etc.; printing up booklets of the chapter to give to the rushees. The alumnae group led by Miss Eleanor Seig of Washington discussed the question of how to have more interesting alumnae meetings which included such topics as social aspect, how to promote membership and topics for meetings.

The individual round tables adjourned at 4:30 for a joint meeting to discuss the Philanthropy question. After Miss Grace Merrill, Chairman of International Philanthropy Board presented her report it was moved, seconded and passed that Province VIII recommend that Gamma Phi Beta select an additional International Philanthropy. Richmond moved that Province VIII recommend that Gamma Phi Beta adopt work with Retarded Children as an additional International Philanthropy. The motion was seconded, but failed to pass. Then Washington moved that Province VIII recommend that Gamma Phi Beta adopt work with Handicapped Children as an additional International Philanthropy. This motion was seconded and passed.

Mrs. Cicero F. Hogam, N.P.C. Delegate and Grand Council Delegate to Province VIII Conference, was the speaker at the Carnation Banquet at 7:00 P.M. on Saturday at the Chesapeake Room.

The closing session of the conference was called to order at 9:00 A.M. on Sunday. After two ballots the vote remained at tie for Mrs. Ruth Studley of Washington and Mrs. Gertrude Schellenberg of Richmond as our representative to the Nominating Committee for the 1956 Convention. At this writing Province VIII still has no official results to announce. The scholarship pitcher and efficiency tray, appropriately engraved, were both presented to Alpha Chi chapter for maintaining the highest scholastic average for the past two years and for their excellence in reports to Central Office and the Province Director, and for their promptness and efficiency.

# THE NINA GRESHAM SCHOLARSHIP FUND

At the time of Nina Gresham's death, the Champaign-Urbana alumnæ chapter conceived the idea of a memorial fund to honor and remember Nina for her devoted service to Gamma Phi Beta. A committee was set up to recommend a suitable disposition of the money contributed, with Dorothy Potter Swindell as chairman. This committee recommended that all gifts to the Nina Gresham Scholarship Fund be given in Nina's name to the Endowment-Crescent Board for inclu-

sion in the Revolving Loan Fund from which loans may be made to girls to assist in completing their educations. A permanent record of the donors is on file at Central Office and with the Endowment-Crescent Board. Omicron chapter has purchased a gift for the chapter house in memory of Nina in lieu of a donation to the fund.

Total contributions to the fund on July 8, 1955 were \$777.50.

## NOTES FROM THE EDITOR . . .

CRESCENT correspondents are reminded that deadline to the editor for the December issue is October 1. Alumnæ chapter letters including vital statistics on a separate sheet should be sent directly to Mrs. T. R. Naglestad, Rock Rapids, Iowa. Features and glossies from both alumnæ and Greek letter chapters should be sent to Mrs. James Marek, Clifton, Illinois.

\* \* \*

In order to feature collegiate members who have distinguished themselves on campus, the September issue is bulging at the seams. Much fine material about alumnæ members has necessarily been held for the December issue. The editor is grateful for your interest and your contributions and asks your indulgence, as our limited space is divided as fairly as possible.

Even if you have written a note, included with the picture, or have noted on the back a return address, you MUST write following publication.
