CRESCENT
of **GAMMA PHI BETA**

OLD CAPITOL, STATE UNIVERSITY OF IOWA

SEPTEMBER • 1957

Nu chapter at the University of Oregon used Millrace Memories as their theme for this first place Homecoming float.

Military Ball Queen at the University of Wisconsin was Pamela Lynch of Gamma chapter, posing here with the King, Beta Jack Heffernan.

Elected "Dean for a day" at the University of Kansas was Marilyn Mundon. While Marilyn held forth in the Dean's office, the Dean attended Marilyn's classes in her place.

First place in the Snow Sculpture contest at North Dakota State went to Gamma Phi Beta for their model of Little Lulu.

Sylvia Yoeman of Oklahoma City University brought honor to the Gamma Phis when she starred in the Opera Workshop production of "The Merry Widow."

Gamma Phi Beta and Acacia fraternity worked together to create an elaborate float for C.U. days at the University of Colorado. It was titled, "Saga of the Sea Serpent" and was awarded first place in the Diamond Division.

At North Dakota State College, Gamma Phis seem to have a corner on honors. Here Sonja Scott receives trophy for reigning as "Little International Queen" at State's Livestock Exposition.

SIGMA SENIORS DINE WITH THE GOVERNOR

Governor and Mrs. George Docking of Kansas entertained at a buffet dinner for 50 guests in honor of the senior Gamma Phi Betas from the University of Kansas. Mrs. Docking is a member of Gamma Phi Beta and is pictured at the far end of the buffet table on Governor Docking's right.

THE STATE UNIVERSITY OF IOWA . . . "The Athens of the West"

BECAUSE of its strength in leadership and scholarship that has resulted in furthering the advancement of our nation as a whole, the State University of Iowa in Iowa City, has rightfully earned the nickname, "the Athens of the West." As a part of this great institution, Rho chapter of Gamma Phi Beta takes pride in her role in maintaining the high standards of her University.

We Gamma Phis at Iowa University feel a special significance in the founding of S.U.I., for it was one of our present member's great-great grandfather, Robert Lucas, who as the first Governor of Iowa, was present at the meeting of its establishment. This important meeting was held in 1847, just one year after the state of Iowa had been admitted to the Union. Instruction began in 1855 with a group of nine departments which later developed into the College of Liberal Arts. It was in 1855, also that the seat of Iowa's government was moved to Des Moines from Iowa City. This left Iowa's most pioneer building, Old Capitol, as the central building of the University. Through the years, this stately structure has been the heart of our University. It has watched the campus expand from the small plot of ground upon which it stands to more than 700 acres with over fifty buildings. It has welcomed the addition of nine colleges to its original College of Liberal Arts, and it has seen the enrollment increase to 9,926 students.

Thrust in the midst of the U.S. corn belt, and sprawled over both banks of the Iowa River, S.U.I. has become a symbol of culture for a whole region. Some of the finest doctors in the country are products of S.U.I.'s College of Medicine. The General Hospital, with its two affiliated hospitals, is the hub of the \$4,500,000 university medical center. At the center of the University's intellectual life, stands the new University Library which contains nearly one million volumes. This library is unique in that instead of keeping its books hidden in closed stacks, it has them arranged on open stacks so that the students may have the full advantage of this mass of reading.

Although the University's interest lies as a whole in its academic progress, it also has a beautiful new Union which is the locale of many University meetings and activities. The Iowa Memorial Union provides ballrooms, dining rooms, galleries for art exhibitions, and the modern "Gold Feather" room, a social center equipped with grill and fountain. The Union also contains a library, the Music Room where classical and semi-popular recordings are played on hi-fidelity equipment, a bowling alley containing sixteen lanes, and a billiards room containing twelve tables.

Sandy Lohner, elected Miss S.U.I., had the rare privilege of riding on the Big Ten float in the Tournament of Roses parade New Year's Day.

IOWA GOES TO THE ROSE BOWL

The Union, however, is not the only center of activity which receives much of the students' attention. The University's Athletic Department plays an even bigger part in student life. S.U.I. boasts a field house big enough for an entire indoor football field—not to mention its 1956 Rose Bowl football team. Several thousand students made the trip by chartered train and private auto to Pasadena, California, to watch the powerful Hawkeyes pound Oregon State in the Rose Bowl on New Year's Day.

Among those who spent last Christmas vacation in California, was our Sandy Lohner. Sandy was elected Miss S.U.I. in the 1956 campaign that is held each fall on campus among all the housing units. As a result, Sandy had the rare honor of riding on the Big Ten Float in the "Tournament of Roses Parade." The thrill of seeing her ride by on the huge float from the sidelines or even on TV, was almost as great for the rest of the Gamma Phis as it was for Sandy herself.

Besides Sandy, there were thirteen other Gamma Phis who made the trip as members of the famous Scottish Highlanders. These girls performed at halftime during the Rose Bowl game. In addition to its Highlander members, Rho chapter of Gamma Phi Beta boasts two girls, Bonnie Kutter and Terry Hack, who were members of the cheerleading squad which led the cheers that helped lead the Hawks to victory. Another Gamma Phi, Carol Farschmin, has been elected to the squad for this season.

CAMPUS HONORS FOR RHO CHAPTER

As one can easily see, this past year has been jammed full to the brim with innumerable exciting honors for Rho chapter of Gamma Phi Beta. Besides Sandy, ten other Gamma Phis brought home queen titles during the 1956-57 school year. One of the most outstanding honors achieved was earned by Ann Berner. Ann has been elected to represent the state of Iowa in the National College Queen Contest. This is an honor based on academic accomplishments as well as beauty. In the line of activities, Ann served as last year's Meboe Chairman (Most Eligible Bachelor on Campus), and Secretary of the Union Board. This year, Ann will be the editor of the 1958 *Hawkeye* Yearbook. Ann is also a member of Mortar Board.

Another Gamma Phi who was not only elected to Mortar Board last year, but was also elected its president, is Marsha Brubaker. Marsha was last year's Greek Week Chairman, Y.W.C.A. Finance Chairman, and AWS Publicity Chairman. This year, Marsha will serve as Vice-president of AWS, and our Rushing Chairman.

In spite of the tremendous amount of time devoted to activities, the Gamma Phis are still able to maintain high grade point averages. Last year, Barbara Work was elected to Phi Beta Kappa and Marsha Brubaker, Kathy Buren, Mary Christensen, Bonnie Kutter, Shirley Larsen, Maureen Leyes, Nancy Luthans, and JoNett Melchert were invited to attend the annual Smarty Party for earning grade point averages of three point or above.

In addition to participating in campus activities and earning good grades, Rho Chapter has a war orphan in Germany. This little orphan is a small girl to whom the Gamma Phis send clothes, food, and money besides various other gifts.

Other house projects are the Mother's and Father's Day Weekends in which the Gamma Phis invite their mothers, or fathers, whichever the case may be, to stay at the house over their respective weekends. The Father's Day Weekend is es-

BRAVOS RING OUT FOR NANCY SCHMIDT

A STANDING ovation from three sell-out performances of "The King and I" greeted Nancy Schmidt of Ohio Wesleyan who portrayed Anna.

Climaxing her college career, rich in dramatic and musical productions, Nancy gave a polished, yet tender and moving performance as Anna in the famous play which highlighted Monnett week-end on the Ohio Wesleyan campus.

Other college productions in which Nancy played major roles were "Show Boat," "Girl Crazy," "Oklahoma," "Amelia Goes to the Ball," and "Brigadoon." D D D

The Carol Sisters, Julie and Marilyn

SONG BIRDS WING ACROSS THE SEAS

Cousins Marilyn Carlson and Julie Hand, known professionally as the Carol Sisters, have put their gift of music to good use, both for themselves and others. The girls, initiated by Beta Lambda at San Diego State College, sing with the U.S.O. Camp Shows entertaining servicemen overseas when not actively pursuing their studies.

Marilyn and Julie began to form ideas for a duet at a family beach party six years ago when Mrs. Hand picked up a ukulele and the girls joined in harmony, sounding very good. Since both come from a musical family it was only natural that they received a lot of encouragement.

Their first trip for the U.S.O. Camp Shows was made in the summer of 1956 when they spent four months touring the Far East. The Christmas holidays last year saw the girls in Germany, Italy, and France for three weeks. This summer the team split to join small troupes visiting the out-of-the-way service posts. While Marilyn spent ten weeks in central Japan, Formosa, Korea, and Honolulu, Julie flew to Alaska.

Blonde Julie returned to San Bernardino Valley College where she is now studying dramatics. Beta Lambda was sorry to lose her to Valley, but we are proud of her success in the student productions there.

Marilyn returned to San Diego and to her studies in the field of Education. Cute and brunette, Marilyn was a finalist in the Miss San Diego contest last year.

Linda Pratt, Sigma Junior
University of Kansas

NAMED CARNEGIE RESEARCH ASSISTANT

Sigma chapter's Linda Farmer has been selected as one of 20 students at Kansas University to be among the first Carnegie Research assistants at the school.

The students were selected by a committee of professors as part of a broad plan for the identification and development of gifted students which is financed by a three year \$36,000 grant from the Carnegie Corporation of New York. It will enable the students to assist experienced faculty scholars in their research. The 20 students will receive Kansas University appointments as under-graduate research assistants, and will take an active part in the faculty members project. D D D

Nellie McNichol Sanders, Manitoba's first woman judge, poses with her two sons, Bobby, eight, seated left, and David, ten. Mrs. Sanders is a member of Gamma Phi Beta from Alpha Kappa chapter, University of Manitoba. (Photo and text, courtesy Winnipeg Free Press.)

MANITOBA APPOINTS FIRST WOMAN JUDGE

TWO LITTLE BOYS are "very much impressed" with their mother. She is Manitoba's first woman judge, Mrs. H. R. Sanders whose appointment as Judge of the Juvenile Court of Winnipeg was announced Saturday, April 20.

Mrs. Sanders is not at all certain that her sons, David, almost ten and Robert Howard, eight-and-a-half fully realize the unique honor bestowed upon their mother but she is sure that the women of the province will.

For the first time in the history of Manitoba the soft voice of a woman will call a court to order on August 1 when Mrs. Sanders' appointment becomes effective. "It would seem that Man. has lived up to its name," said Mrs. Sanders lightly, adding, "I only hope they break me into courtroom work gently—I know I have a lot to learn." However she is not without courtroom experience in the welfare field having done legal and courtroom work for the Children's Aid society of Greater Winnipeg as its legal consultant since 1953. In addition she has served as secretary to the welfare supervision board of the provincial department of health and public welfare.

A widow for the past eight years, Mrs. Sanders has kept busy at legal work for most of her adult life.

On the question of a woman filling a judicial position for the first time in the province Mrs. Sanders expressed the wish "to make a contribution that a woman can." A strong believer in men and women working together to achieve the best possible results for society, the newly appointed judge said she thinks the sexes are complementary and achieve much more as a team.

Mrs. Sanders proudly claims three generations Canadian born on both sides of her family tree. Born on a farm near Dundas, Ontario, she moved with her parents to Macleod, Alberta at the age of five where she attended public school. She went to Moulton college in Toronto for her high school years and later, when the family moved to Winnipeg, attended the University of Manitoba where she graduated in arts and later in 1932 in law. Mrs. Sanders is a member of the Canadian Association of Social Workers and of the advisory board of the Y.W.C.A. In the past she has served on the board of the Children's Home and on the Welfare Council.

Mrs. Sanders was initiated into Gamma Phi Beta in March 1926 at Alpha Kappa chapter, University of Manitoba.

Margery Johnston (North Dakota State '54) has been awarded a National Science Foundation Grant for a full year of graduate study. She will work for her Master's degree at the University of Colorado. The grant includes \$3,000 for tuition, books and other expenses.

During her college days, Margery was a member of Sigma Alpha Iota, Senior Staff, Kappa Delta Pi and was named to *Who's Who*. This past year, Margery taught science at Fremont Junior High School in San Bernardino, California.

Another North Dakota State Gamma Phi, Jeanne Paris, has been appointed director of Swift and Company's Martha Logan staff.

It is of interest that Jeanne succeeds Beth Bailey McLean in the role of Martha Logan, for Beth is a Gamma Phi Beta and is retiring after many years of service with Swift.

Prior to joining Swift in 1955, Jeanne was an assistant professor at West Virginia University, and director of Home Economics for the Kroger Food Foundation in Cincinnati.

MISS SAN DIEGO, 1957

MISS KATHY DEKIRBY, an active member of Beta Lambda chapter at San Diego State, reigns as Miss San Diego 1957. She is also Queen of the Fiesta Del Pacifico, the annual civic celebration. Other titles to add to her laurels are Miss Convair, official hostess of the aircraft plant, and pledge queen of Kappa Alpha Fraternity.

Kathy will be a sophomore student at San Diego State next fall. She maintained a high B average during her first year. She was scholarship chairman of her pledge class.

During high school she was head majorette, president of the drama club and a California Scholarship Federation life member.

To win the Miss San Diego title, Kathy competed with over 20 contestants in four categories; appearance in a bathing suit, appearance in a formal, personality and talent. In the talent section of the contest she gave a dramatic reading of Swinburne's "Forsaken Garden."

Mrs. Vaughn DeKirby, Kathy's mother, is an active member of the San Diego alumnae. She was initiated into Gamma Phi Beta in 1949 when the local sorority, Kappa Theta, became Beta Lambda chapter.

Mrs. DeKirby, whose maiden name was Perry Louise Ranson, has served the alumnae chapter as ARC chairman, historian, treasurer of the corporation board, and financial advisor of Beta Lambda chapter.

Kathy and her mother returned recently from the Miss California contest in Santa Cruz. As Miss San Diego Kathy received a mink stole, a scholarship, dance and drama lessons and a trip to Mexico City.

Kathy and her mother, Mrs. Vaughn DeKirby are shown here en route to the Miss California contest. Mrs. DeKirby is also a Gamma Phi Beta and active in the San Diego alumnae chapter and the corporation board.

We are very proud of Kathy who is serving as official hostess for our city. She is the second Gamma Phi Beta to hold the title since 1951.

pecially fun, for it is at that time that we turn over the whole third floor of the house to our fathers. It is a wonderful opportunity for our fathers to take a good long glimpse into his daughter's happy life at the Gamma Phi Beta house.

Perhaps this last year has been even happier than most years for Rho chapter of Gamma Phi Beta, for it is true that we have earned many honors. However, it was not the bestowing

of these honors upon our members that has made us happy and proud—instead, it is the fact that our co-operation in many hours of hard work together has resulted in the achievement of our highest aims. This is the real reason we are happy living together. This is the real reason we are proud to say, "I am a Gamma Phi."

THE HOUSE THAT SCRABBLE BOUGHT . . .

and the people
who live in it!

Mr. and Mrs. Alfred Butts

ON A SIDE ROAD near Stanfordville in beautiful Dutchess County, New York, there stands an old house. In the year 1800 Daniel Butts bought 160 acres of land in the vicinity and about 1811 he built his home which appears today, with very little change, as it was nearly one hundred and fifty years ago. Daniel Butts, one of his six sons and a grandson occupied the farm for about eighty years, and then it passed out of the family. The succeeding tenants took less and less care of it until 1930, when the owner at that time made alterations and improvements that finally brought the place back to its early dignity and importance.

And now enter Scrabble. Alfred Butts, a great-great grandson of Daniel Butts, is the inventor of that popular game. In the

early spring of 1955 he and his wife who was Nina Ostrander (Syracuse U.) were spending a week-end in Poughkeepsie, which is not far from the old Butts homestead. Quite by accident they learned that the place was for sale. On visiting it, they fell in love with it, and decided almost at once to bring it back into the family. The success of Scrabble had given the means for acquiring the homestead, so before the week-end was over the decision to buy was made. For two years now the Buttses have spent long week-ends and vacations there, and on three Memorial Days have held family reunions at the old home place. The latch-string is always out for Gamma Phis, too.

CONGRATULATIONS, HAZEL WEST OF COLORADO SPRINGS!

Hazel Earl West (Northwestern) seated on bench, bids good-bye to Bertha Bates Kucera (Nebraska), standing, and Vera Dunton Jones, and thanks them for bringing her their magazine orders.

Magazine Chairman more than doubles subscriptions in Pike's Peak area!

Hazel took the **TIME** and through personal **CHARM** and untiring interest created a **VOGUE** that encouraged members of the Colorado Springs Alumnae Chapter to add new **LIFE** for **MAGAZINE SALES**. **GOOD HOUSEKEEPING** in her **HOUSE BEAUTIFUL** and a **HOLIDAY** now and then did not keep Hazel from contacting members and friends for magazine subscriptions throughout the past year. A new **LOOK** was given to a job so many members view so lightly. Much, much telephoning, small luncheons in her **HOUSE AND GARDEN**, excellent records and efficient service became a **POPULAR SCIENCE** that brought in larger dividends for our International Endowment Fund and local chapter's treasury. Alumnae members are pleased to have Hazel as our magazine chairman again this year, and express sincere appreciation for "a job well done." The **OUTLOOK** for 1955-56 when Hazel accepted the job was \$128.21 as total chapter sales. **FORTUNE** through Hazel's efforts totals \$338.94 for 1956-57; showing sales increased over two and a half times! She hopes to sell more in 1957-58 and we know she will.

If you are not affiliated with an Alumnae Chapter for Gamma Phi Beta magazine sales send your subscriptions directly to the International Magazine Chairman, Mrs. James Myles, 26 Godwin Lane, St. Louis 17, Missouri.

JUST BROWSING, THANK YOU

CAREERS: *Have you wondered why they chose, how they strove, what they won? From journals of the Greeks, we quote these answers.*

JUSTICE IS A WOMAN

The practice of law is not the most lucrative profession in the world. For the first several years, the relative income of the lawyer in private practice is much below that of other professions, business, and industry. The only consolation is that it continues to rise and stabilize at a later age, and remain constant longer than most. Short of senility, lawyers appear to improve with age, both financially and intellectually.

Not even the best lawyer can know all the law even part of the time. At best he can only know what page to find it on. Which brings me to advice number one for those who may be considering a study of law. If you do not like to study well enough to continue it for the rest of your life, you had better pick another field!

But most of all, these twenty-five years of practicing law have been stimulating and rewarding ones; filled with friendship and confidence of many people, and a few scoundrels. After having learned the worst that men can do to themselves and each other, the goodness and kindness of the vast majority to each other becomes more apparent, and more heartwarming.

I am glad that I studied law and practiced it. I shall be satisfied if the judgment rendered against me is that this woman also tried to uphold Justice among men. D D D

WHY BE A COLLEGE TEACHER?

From the time of the ancient Greek philosophers, and quite certainly on back of them to the dawn of civilization, philosophers have attempted to analyze the separate elements of what we today may call living. Just what do we hope to get out of life? Just what are our specific objectives?

To the average not-too-analytical man, success is rated by the income he gets; but this after all, is only his gross income. To enjoy what we call the "fringe benefits" that the average college teacher takes for granted—fresh air, sunshine, songs of birds, green grass, growing things, the contact with and stimulation of agile minds and thinking people, the fresh and optimistic attitude of youth—And to these might be added a leisurely life, the ability to do very largely as one pleases, with frequent vacations. To enjoy all these and profit by them would be a great tax upon the financial take of any man outside the teaching profession. Of course, if these items do not appeal to you, forget it. The life of a college teacher would not appeal to you.

RUBY GRAHAM, SKETCH OF A RISING CAREERIST Currently Concentrating on Hats

This chic, dynamic young fashion director of the comparatively new millinery Institute of America has thrown her boundless energy and ability into the crusade to woo women

back to the flattery of becoming hats.

Perhaps "top-flight" ability would be the more accurate term, for Miss Graham is one of the few women ever to reach a five-figure salary before reaching the age of twenty-five—a rarity except in show business. And it hasn't been quite seven years since she graduated from the University of Kentucky—a diploma in her hand, a fixed goal in mind, a head of ideas and the determination and initiative to apply herself vigorously to reaching that goal. One has the very definite impression that Ruby was never a clock watcher. The job to be done, the exhilaration and the fun of it, are probably what matters most to her.

"Every day of the week" she works with leading fashion designers, magazine and newspaper fashion editors, T.V. and radio commentators, advertising and retail executives. Her travel schedule requires the endurance of an athlete, but she thrives on it.

Actually she covers the fashion market both here and abroad, looking for news not only of hats, but all other phases of fashion industry, including hair, cosmetics, leather, fabrics and ready-to-wear.

For the benefit of budding careerists: Miss Graham believes that "department store experience is the best background for work in the fashion field." D D D

TED BURNETT HEADS PACIFIC MUTUAL

On a snowy day in February of 1928, a young University of Kansas graduate turned his back on the grateful warmth and comfort of the Fiji house at Lawrence and faced, with characteristic eagerness, the world in general and the business of finding a good job in particular. He was Theodore S. Burnett.

Personable and likeable, he was well equipped for the task ahead. To the academic qualification of an ably-earned degree in economics he added a quiet confidence in his own capabilities, a rapidly developing understanding of human nature, an ability to think fast and accurately and an ambitious willingness to work hard. They were qualities ultimately to bring him the presidency of one of the nation's important life insurance companies and the respect and friendship of innumerable people.

Ted's life has been genuinely successful. Characteristically, it is a success won, not over men, but with men. Running Pacific Mutual is to Ted Burnett, a team operation. He has outstanding leadership capacity, and from the members of his executive team, he evokes great loyalty and affection. His successes have never come from climbing over the shoulders of others. Scrupulously fair, he inspires confidence. His quiet sense of humor and easy friendliness prevent development of tensions. Always he knows what he is about. Plans are fully and carefully made, leaving nothing to be taken for granted. As a result Ted captains a winning team. D D D

WE GO TO NPC

THE National Panhellenic Conference meets this fall. For Gamma Phi Beta this is a special event, with an honor not to be enjoyed again for more than sixty years. During the past two years Gamma Phi Beta has been privileged to hold the Chairmanship; its Delegate will serve as presiding officer at the Biennial Conference to be held at French Lick Sheraton, French Lick, Indiana, November 4-8, 1957.

It seems such a short time since the 1955 Biennial, or indeed since the 1951 meeting, following which Gamma Phi Beta became a member of the NPC Executive Committee. When a full program of activities is carried out, when important work is done, time passes quickly. Cooperation such as is experienced within the NPC organization is an outstanding example of American principles in operation. We of the Fraternity System should be—and are—proud that we contribute to the life of the American University and American Community. National Panhellenic Conference continues to be a forum for discussion of questions of interest to the college and fraternity world.

The past two years have found trends formerly noted in the fraternity world developing definite patterns. NPC has endeavored to meet the needs of these times. You see this in the new booklet "Know Your NPC" prepared by the NPC Executive Committee. The program at French Lick will show how well we have met the challenge to be of service. It promises to be

an important conference.

Official hostesses will be the National Councils of the three NPC groups which, through customary rotation system, have held Executive Committee offices in the past Biennium—Alpha Chi Omega and Delta Delta Delta in addition to Gamma Phi Beta. These will be busy days for the NPC Chairman, for her Gamma Phi Beta alternate NPC delegates—Elizabeth Arnold and Elsa Croeneveld—and for all the Grand Council, indeed for all who attend.

The opportunity for service through the office of NPC Chairman has been an honor for Gamma Phi Beta—for the Gamma Phi Beta Delegate entrusted with the responsibility of representing the sorority and of administering the duties of the office, it has been a serious but treasured two years. Only with the full cooperation of the other members of the Executive Committee and the earnest effort of the NPC Delegates in their respective Committee Programs, and the full support of our Grand Council, could the work of the Biennium have been accomplished—that is the Spirit of the National Panhellenic Conference as it plans its 1957 meeting and looks forward to future service. » » »

**For your most memorable vacation,
come to the Empress, Victoria, B.C.**

IT'S GAMMA PHI BETA'S 1958 CONVENTION!

CONVENTION itself is an exciting, long-to-be-remembered experience. And when its setting is the wonderful Empress Hotel in Victoria, Gamma Phis everywhere will want to start planning now . . . packing later . . . for the time of their lives!

Clothed in a mantle of lush green ivy, set in its own ten acre gardens, mirrored in the placid waters of the Inner Harbour of Victoria, overlooking the Legislature and its flower-bordered greensward, the Empress is a pleasant paradox of modern metropolitan hotel and year-round resort.

Swimming in the glass-roofed Crystal Pool, golf at the finest clubs, beautiful bridle trails for riding, visits to the famous Butchart Gardens, shopping for English China, Glassware and Woolens . . . all this awaits you in Victoria.

Further convention plans include post-convention tours to Hawaii and Alaska, details to be brought to you in future issues of *THE CRESCENT*.

Can't wait for summer! We'll see you at The Empress!

A "must" on your list of places to see in Victoria is the Parliament Buildings, within walking distance of the Empress Hotel.

PRESIDENT'S PAGE

SUMMER is a lovely time, if for one reason only—change—in activity, locale, emphasis, opportunity. The summer between conventions is used by newly appointed province directors to become acquainted with their chapters by studying their files. Two schools were held for province directors, one in East Lansing, Michigan, at Beta Delta chapter house, and the other in San Jose, California, at the new Beta Theta chapter house. Each new province director attended the school nearest her, and received excellent training from Olive Picard, Alumnæ Vice-President, or Pauline Umland, our new Collegiate Vice-President, and other International officers.

Aleene Thieme, Chairman of Publications, spent the summer at her typewriter editing the newly revised sections of the *President's Book*. Pearl Van Horn, Chairman of Public Relations, was busy collecting material of interest for the *Crescent News*. The Beta Theta building committee put the finishing touches on the beautiful new chapter house. Summer was an opportunity for these and many others to achieve for Gamma Phi Beta. They have given us tools with which to work, and we are grateful.

With the opening of schools everywhere we plunge into the busiest time of the year for both collegiate and alumnæ chapters. Rushing, chapter organization, study, campus activities, all require application. Founders' Day—November 11, will find us all settled into the fall routine and grateful for the opportunity to pay honor to the ideals of our founders. We shall pledge devotion, contribute whatever our ability, and with determination we shall accomplish whatever lies before us.

GRAND COUNCIL ELECTS PAULINE SAWYER UMLAND COLLEGIATE VICE-PRESIDENT

AS THE California sunshine streams into the E. Eugene Umland breakfast room we find our little *mater familia*, Pauline, dispensing coffee and counsel to her family. Diana and Peter will presently hurry off to classes at College of San Mateo and father will closet himself in his study. A typical day in the life of Pauline Umland has begun.

After a brief but effective flurry at household tasks punctuated by a jingling telephone, our heroine emerges, crisp and fresh, for her ten o'clock Braille class. Back home, Pauline devotes the afternoon to correspondence relating to current Gamma Phi Beta affairs. Comes now a phone call from San Jose begging her to drive down the following night for a Beta Theta exchange dinner. Assuring her caller that she would love to, she places another check mark on her crowded calendar. With dinner for homecoming Umlands warming in the oven, our heroine departs, becomingly coiffed and clad, for the Peninsula alumnae potluck supper and meeting. She is carrying a casserole of her famous "Yaprak Sarma" (see *Favorite Recipes of Gamma Phi Betas*, page 42) which she has somehow managed to put together during this incredible day.

Pauline Sawyer Umland, Delta '25, graduated from Boston University in Business Administration and earned her Master's degree in that field in 1928. She served as Alumna Advisor to Delta Chapter in the early thirties.

The Umland family moved to California in 1939 and have lived in Burlingame since that time. Husband Eugene has his own advertising business in San Francisco. Peter, aged 21, following service in the Navy, is now an honor student at College of San Mateo. Nineteen-year-old Diana expects to enter San Jose State College this Fall. Gretchen, 23, recent bride of Paul Kingsbury, is teaching at Lowell High School in San Francisco. She was an outstanding member of Beta Theta Chapter at San Jose State College where she served as chapter president and devoted her summer vacations to counselling at Camp Sechelt, British Columbia.

But to get back to Pauline, Gamma Phi Beta has not been her only interest through the years. During eighteen years of devoted service she was awarded an honorary life membership in the PTA. She wears the Girl Scout pin denoting ten years of troop leadership; moreover, Cubs claimed her for a year as Den mother. Pauline was a faithful member of the Peninsula Gamma Phi group that sewed for the Red Cross every Thurs-

Mrs. E. Eugene Umland

day during World War II at the home of our late beloved Margaret Meany Younger.

Concurrent with her daughter's term as chapter president, Pauline was president of the Beta Theta Mothers' Club. Recent offices she has held in Peninsula Alumnae Chapter have been those of Public Relations chairman and Treasurer, the latter one relinquished to assume the important job of Collegiate Director of Province VII North.

Following a year's service as Province Collegiate Director, Pauline was elected by Grand Council to serve as International Collegiate Vice President. The vacancy in this office came about when Betty Olsen was elected to serve as Director of Finance, replacing Nadine Page, whose serious illness last spring necessitated her resignation from Council.

We who know Pauline Umland have the greatest confidence in her ability to do the job well. We wish her success in this newest phase of her long service to Gamma Phi Beta.

NADINE PAGE

Nadine Cullison Page (Rho) had served eight months of her second term as Director of Finance when without warning on April 22 she suffered a vascular spasm. She was in Central Office on her way home to Baltimore after four weeks spent in attending the Province V South conference, council meeting, and visiting chapters and corporations that had asked for financial advice.

After two weeks in the hospital, Nadine was able to fly to Baltimore, and is recuperating slowly. It was with deep regret that Grand Council accepted her resignation as Director of Finance.

Nadine's interest in Gamma Phi Beta has never flagged since the day of her pledging at Rho Chapter. She served three

years as Collegiate Director of Province VIII before her election to the Grand Council in 1954. Those of us who worked with Nadine most closely know of her devotion to her tasks and of her determination to give of her best. We are grateful for her contributions and regret that her term of office was cut short. News of Nadine's progress is encouraging. She has the freedom of the house, but does not travel far alone. We salute her for her courage in fighting to regain her health, and hope that the road back will not be long.

The Director of Finance fills such an important post in our sorority organization that we cannot do without her services

GRAND COUNCIL APPOINTMENTS BRING

JANE VANDIVER HUFF—

PROVINCE III COLLEGIATE DIRECTOR

Jane Huff's appointment as Province III Collegiate Director has left the Columbia Alumnae and Alpha Delta with mixed emotions. On one hand, pleasure and pride that Jane's loyal and constant service to Gamma Phi has been recognized and rewarded, . . . on the other, dismay at the thought of trying to get along without her!

Jane attended Christian College in Columbia before entering the University of Missouri where she was initiated into Alpha Delta chapter of Gamma Phi Beta in March, 1943.

Jane married Harry J. Huff, II in 1944. In 1946 she spent

a year in Nuremberg, Germany, where Harry was stationed with the Army of Occupation. They are the parents of a five year old son, Harry J. Huff, III.

As a member of the Columbia alumnae chapter Jane has served as President, and has been Scholarship Chairman, Rush Advisor and Alumnae Advisor to Alpha Delta. She was State Membership Chairman in 1951 and President of City Panhellenic in 1952.

Jane is also a member of the Jaycee Wives, Kings' Daughters, and P.E.O.

Jane's Gamma Phi friends wish her much success in her new position and know that she will do an excellent job as Collegiate Director of Province III.

PHYLLIS SANGSTER

ELEANOR EVENSON ERICSON—

PROVINCE IV COLLEGIATE DIRECTOR

Two alumnae groups of Gamma Phi Beta can claim Eleanor Evenson Ericson with equal pride. After graduating from the University of Minnesota in the class of 1932, Eleanor affiliated with the alumnae, finding time to serve two terms as president while holding the position of registrar at the Minnesota School of Art. A move to Milwaukee to have a similar job with the Layton School of Art brought Eleanor into our Milwaukee group and we elected her president for two terms as well.

Whether it be our benefit bridge or a charity ball, Eleanor backs our sorority's local projects with enthusiasm. This past year, she was chairman of the committee for the relocation of Central Office. Active in church work, she is program chairman for the guilds this fall and the year ahead. Not all of her time is devoted to serious things though; she loves fun and people and Tripoli Country Club had original and wonderful parties when she planned the programs there. The active chapters Eleanor will visit in Province IV will find her well-informed on college-age doings as her daughter, Martha Boorman, attends the University of Indiana. The girls will enjoy her warm, outgoing personality and her complete charm.

It was my privilege as hospitality chairman when Eleanor affiliated in Milwaukee to introduce her to our alumnae. This time it is my pleasure to do so to all of Province IV which she will serve with loyal devotion.

ELISE BOSSORT BELL

DOROTHY BATEMAN GUETZLAFF—

PROVINCE IV ALUMNAE DIRECTOR

Dorothy Guetzlaff of Minneapolis needs little introduction, at least to those Gamma Phi Betas who attended the 1956 convention. They will remember her as chairman of the Nominating committee.

Dorothy is a graduate of the University of Wisconsin and was a charter member of the Beverly Hills (Chicago) alumnae chapter. She joined the Minneapolis chapter in 1945 and served as its president and convention delegate in 1954.

She was asked to serve on the Nominating committee at the Mackinac convention, and later was appointed chairman for the 1956 convention.

As a member of the Minneapolis Curative Workshop and formerly both president and secretary, Dorothy was instrumental in having the Minneapolis alumnae chapter adopt the workshop as a philanthropic project. Plymouth Church and her Guild find Dorothy to be a willing worker, as does the Red Cross, Community Chest and the Republican Workshop.

With both her youngsters graduated from the University of Minnesota, Dorothy has found time for even more activities, including the Province IV Alumnae Directorship, and the Minneapolis chapter is happy to present her to CRESCENT readers in this new role.

NEW FACES TO THE INTERNATIONAL SCENE

ELEANOR GARM HEMMINGER— PROVINCE III ALUMNAE DIRECTOR

Eleanor Garm Hemminger (Epsilon) was a newcomer to St. Louis in 1953 when Phi chapter and the St. Louis alumnae were hostesses for Province III Conference. She was given a job and she did it well. St. Louis alumnae soon learned that Eleanor was efficient in whatever capacity she served. She has been Assistant Alumnae Advisor, Chairman of Ways and Means, and President. The sale of Christmas cards, inaugurated by Eleanor, has been the chapter's best money-making project.

Wherever Eleanor has lived she has found a place for herself in the alumnae chapter. Her enthusiasm and eagerness to work is contagious.

She served as secretary of the Woman's Auxiliary of her church and, as a member of the St. Louis Artists' Guild, has been on many committees. Before coming to St. Louis she held positions in the newspaper editorial field and has worked in

In every Alumnae Chapter there is always a group of members who, it seems, are the "backbone" of the organization. It is this group which always finds time for Gamma Phi Beta in a day already full of activities. In just such a group will you find Bunny Wilson.

Bunny (Mrs. Allen) Wilson was initiated into Pi chapter at Nebraska University in March, 1927. After college her interest in her sorority continued as she took an active part in the Lincoln alumnae chapter. Bunny has served as our President, Vice-President, and at the present time is serving as Alumnae Rushing Chairman for Pi for the second year. She has shown unusual interest in the active chapter serving as their Alumnae Advisor for a number of years, and has served on Nebraska's Panhellenic Council. For the past six years Bunny has been Treasurer of Gamma Phi Beta Corporation Board.

She has a fine record in other fields of activities as well. She has just completed her second year as Vice-President of Chapter DN P.E.O., is very active in First Presbyterian church, a member of the Welfare division of Civil Defense, and a member of Camp Fire Council.

Ten years ago Bunny lost her husband who was an attorney.

Bunny has a daughter, Sally, who is a ninth grader at Irving Junior High School, and a son Bill who is a Sophomore at the University of Nebraska and a member of Beta Theta Pi.

KAY CLARK CUMLEY— PROVINCE V S ALUMNAE DIRECTOR

Province V South is proud to announce the appointment of Mrs. James (Kay) Cumley as Alumnae Province Director. Prior to moving to her present home in Houston, Texas (three years ago), she was active in the Dallas alumnae chapter. Since Kay has been in Houston she has served for a year as alumnae chapter recording secretary and for two years has been on the "executive committees" for the annual Houston alumnae benefit bridge party.

Kay is the former Miss Cathrine Clark and was initiated into Gamma Phi Beta at the University of Texas (Alpha Zeta), finishing there in 1930. Mr. Cumley is a manufacturers' representative. The Cumleys have one son, married, and a 3½ year old granddaughter who is, as Kay says, "Their pride and joy!" At the time her son was going to Texas A & M College, Kay found

public relations and with the Illinois State Welfare Department.

With her husband, Arthur, a vice-president of the First National Bank, she lives in Webster Groves in a home that reflects their interest in art.

As Province Alumnae Director Eleanor will gladly give of her time and energy because being a Gamma Phi Beta means so much to her. St. Louis alumnae are proud that she has received this recognition. D D D

time to be active in the Texas A & M Mothers Club and was Chairman of Expansion, organizing several new clubs in the Northeast Texas area. With a smile in her voice, Kay says that she and Mr. Cumley have recently become members of The Houston Golf Club, and feels sure that before too long this hobby will overtake fishing and swimming on her list of favorites.

Province V South is indeed glad that the responsibilities of the Alumnae Province Director are in the capable hands of Mrs. James Cumley.

a member of the board of directors of the Province Hospital Auxiliary, where she serves regularly in the Auxiliary coffee shop and helps man the service cart. She is a member of the American Association of University Women and has a Camp Fire group meeting at her house once a week.

ESTELLE PICKRELL WHITEMORE— PROVINCE VI ALUMNAE DIRECTOR

Once again the Spokane alumnae are proud to have another member of our group fill the position of Alumnae Director. Estelle was pledged and initiated at the University of Idaho where she received her Bachelor of Arts Degree. After graduation she was employed at Ferris & Hardgrove, and then at St. John's Cathedral as secretary to Bishop Cross.

She married Samuel S. Whittemore who is Vice-President of The Pacific Northwest Company. She has two sons who were graduated from Whitman College, and as their father, are affiliated with Phi Delta Theta.

She served two terms as president of the Spokane alumnae chapter. Although her sorority activities are many they are only one facet in her busy life. Being a member of St. John's Cathedral she served as president of the Church Service League. She is a member of the Little Theater, and was secretary and the first vice-president of the A.A.U.W.

During World War II, Estelle was a staff aid of the Red Cross, and volunteered her services at the Veterans Hospital.

MRS. T. M. JOURNEY

BEATRICE HILL WITTENBERG— PROVINCE VII S ALUMNAE DIRECTOR

Gamma Phi Beta's most recently appointed Province Alumnae Director once again comes from the Pasadena alumnae, Beatrice Hill Wittenberg, succeeding Mrs. Henry R. Herold. Bea, as she is affectionately known by all the members, has been a most loyal and hard-working member of the group for some years, and a better qualified person for the job would be hard to find. She has "come up through the ranks" holding office as Corresponding

Secretary, Treasurer, President, Alumnae Advisor to nearby Beta Alpha chapter, and committee member on Corporation Board of Beta Alpha. In addition to these various duties and responsibilities, Bea has taken over graciously and goodnaturally when a vacancy suddenly appeared on the Board and "just one more year" was asked of her to serve in any capacity, doing

an admirable job of any task, small or large. She also served as Panhellenic Delegate, and only this spring was the General Chairman of the 1957 Province VII Conference held in Los Angeles. Everyone who attended agreed it was one of the best.

Bea attended Stanford University where she was a member of Mu chapter, and married Howard Wittenberg, President of William Penn Finance Company with offices in nearby Whittier. They have one son, Howard, Jr., who is presently serving with the Armed Forces in Germany where his fiancée joined him and they were married in May.

Besides her Gamma Phi Beta responsibilities, Bea is an active member of Chapter GE of P.E.O., having held many offices through the years including that of President. Her life is full with "service" as her key word through the many years of P.T.A., Cub Scout Den Mother and active participation in many civic organizations. All of Pasadena alumnae are indeed proud of our Bea Wittenberg, and are confident that her new responsibility to Gamma Phi Beta will be duly undertaken with serious intent to carry on with dignity, dedication, and complete selflessness.

BETTE GRIMM MURRAY

ALBERTA NERGH UTT— PROVINCE VII N COLLEGIATE DIRECTOR

Alberta Nergh Utt is from Xi chapter, University of Idaho where she was a drama major and took part in many campus productions. In her senior year she married Ralph Utt, a Beta Theta Pi mining and metallurgical engineer. The Utts' first few years after school were spent in mining camps and later in Denver where Alberta was active in Civic Theatre and AAUW.

In 1941 the Utts moved to San Francisco. Alberta's activities followed the interests of her husband and two children . . . Mining and Metallurgical Auxiliary, Church, Boy Scouts, Girl Scouts and Assemblies. The Utt home has been a gathering place for young people from kindergarten to college.

Son Nicholas, a Beta Theta Pi at the University of Oregon, is presently serving in the Army. Alberta's recently married daughter, Alberta Van, is a Gamma Phi Beta from Nu chapter, University of Oregon.

Alberta is active in the San Francisco alumnae chapter, serving presently as vice-president, Panhellenic representative and chairman of the Master File. She is also treasurer of the North California Mining Auxiliary. San Francisco alumnae wish her great success in her new position as Province VII N Collegiate Director.))))

Other Grand Council appointments include Mrs. Charles T. Akre, Province VIII Collegiate Director and Mrs. Edward O. Krueger, Province I Alumnae Director. Summer vacations made it impossible to obtain photographs in time for this deadline, and since we wanted you to see them as well as know their backgrounds, we will introduce them in the December CRESCENT.))))

PEARL GRIFFIN KLINE— ASSOCIATE EDITOR, THE CRESCENT

It is a great pleasure to welcome Pearl Kline, former Province IV Alumnae Director, to THE CRESCENT staff. As Associate editor, she will handle special assignments and we are proud to present the first of her efforts in this issue. You will enjoy her page, "Just Browsing, Thank You," which brings us news from other fraternity magazines, and her articles about our alumnae advisors.

GRAND COUNCIL GOES CALLING AT SAN JOSE

Everybody's happy about the new house at San Jose State College, including Grand Council members who were conducted on their tour by Mr. Kurt Gross. From left to right are Mr. Gross, Mrs. Joseph Picard, Mrs. Cicero F. Hogan, Mrs. Gerald Arnold, Mrs. C. J. Olsen, Mrs. G. Russell Page, Mrs. C. J. Perrizo and Mrs. George C. Davis, Jr.

Although San Jose Gamma Phi Betas weren't quite ready to serve tea in their new home, a tour of inspection was a must for members of Grand Council. And, indeed they were pleased with the progress of the new Beta Theta chapter house.

San Francisco and the Mark Hopkins Hotel marked the scene of the spring Council meeting. Social functions which were arranged by area Gamma Phi Betas included a tea at the home of Mrs. Richard Wells and a luncheon at the Woman's Athletic Club in San Francisco, sponsored by the Inter-City Council of Gamma Phi Beta.

GAMMA PHI BETA IS GROWING!

FROM the office of the International Chairman of Expansion comes the good news that three new chapters of Gamma Phi Beta are being established. All this, in addition to the new chapter at Indiana University which will be installed the week-end of November 15, 16 and 17.

At Oklahoma State University (formerly known as Oklahoma A. and M.), Stillwater, a new chapter will be colonized October 20 and installed February 8. Jewel Morrison will serve as supervisor and Claudia Keys of the University of Nebraska will act as student counselor. It is important that you send recommendations now for girls who will be freshmen at Oklahoma State, as well as for upperclassmen who are unaffiliated. Mail recommendations to Mrs. B. B. Chapman, 918 West Connell, Stillwater, Oklahoma.

At the University of Wichita, Kansas, Gamma Phi Beta has pledged the members of Pi Kappa Psi, a local sorority, and

will install February 1. Four other locals have joined with Delta Gamma, Alpha Phi, Delta Delta Delta and Alpha Chi Omega. Mrs. William A. Kahrs has been appointed supervisor of the new chapter and you are urged to send recommendations to her at 302 South Terrace, Wichita, Kansas.

At Arizona State College at Flagstaff, Gamma Phi Beta will be the first national sorority to establish a chapter on this campus. A petition has been accepted from the local sorority, Gamma Chi Beta, and pledging will be in the early fall, with installation ceremonies scheduled for Spring, 1958. Mrs. Ralph Bilby will act as supervisor for the colony while Marilyn Rodgers of Baltimore and Beta Beta chapter will serve as student counselor. Recommendations for students who will be attending college in Flagstaff and who would be good candidates for membership should be sent to Mrs. Ralph Bilby, 318 North Agassiz Street, Flagstaff, Arizona.

1957 PROVINCE CONFERENCE REPORTS

PROVINCE I

To Beta Nu in Burlington, Vermont, 100 miles south of Montreal, came delegates from Greek letter chapters and alumnae chapters of Province I. Registration and refreshments awaited arriving Gamma Phis at the gracious 80-year-old chapter house on Friday night, April 26.

Mrs. Thomas Fitzgerald (Peggy Piché '54), permanent chairman, called the business session to order at 9 o'clock Saturday morning and ably presided while her sister-in-law, Mrs. Robert Fitzgerald (Carol King '56) acted as Secretary for the meetings which followed.

Mrs. C. W. Kenny, of Syracuse, New York, was elected to serve as Nominating Committee Member with Mrs. Rolf N. B. Haugen, of Burlington, Vermont, as alternate.

Dean of Women of the University of Vermont, Anna Rankin Harris, was the guest speaker at the buffet luncheon held on the roof of the Hotel Vermont. Miss Harris used our theme of "Attitudes that Build," for raising the question: Building What? "Building LIFE in the direction of MATURITY, aided by education, including the EDUCATED HEART, using FIRST RATE tools and materials. In short, building the life of a good woman." The heart determines our purpose and tells us what is good and what is inferior in life. To the end that it be educated to be a wise judge, we should constantly expose ourselves to the best in life, be it art, music, or human conduct, Miss Harris advised.

At the Carnation Banquet, Mrs. C. J. Olsen, Grand Council Representative, stated that "attitudes that build are affirmative attitudes, attitudes that say yes to responsibility." Such attitudes, she said, can be developed in sorority life where mutual concern for one another builds security. "In an atmosphere such as this, girls learn to guide and be guided. . . . They are learning the basic rules of democracy."

From the Banquet the 90 Gamma Phis present proceeded to the chapter house where the Beta Nu actives staged a mock rushing party.

The following morning breakfast at the house preceded the final business meeting. From the fruitful evaluations and discussions between actives and alumnae the preceding day came the following recommendations offered by the Findings Committee:

1. That delegates of Greek letter chapters should bring to future Conferences displays of officers' notebooks, scrapbooks,

rushing ideas, etc.

2. A general competitive award within the Province was not recommended as it was felt it might spoil the spirit of co-operation which now exists.

3. It was agreed that the Province Director shall send a letter to each new pledge and another to her parents as soon as possible following pledging.

4. It is recommended that alumnae be made more aware of the necessity for their cooperating to obtain recommendations and it was suggested that an article in THE CRESCENT might explain current problems in this area.

All present endorsed the Resolutions Committee in their commendation of Mrs. John Heaton, Province Collegiate Director for her "fine planning and wise guidance throughout the Conference" Mrs. Kenneth Erskine, Province Alumnae Director, for her "friendliness and warmth," and Mrs. C. J. Olsen, who was such an inspiration to all. D D D

PROVINCE II

The Province II Conference was held May 18 and 19, in Columbus, Ohio with Beta Xi chapter and Columbus alumnae as hostesses. Mrs. Keith L. McClatchie was permanent chairman of the conference; Miss Mary Louise Simpson, Secretary-Treasurer; Mrs. E. K. Amundson, Social Chairman; Mrs. Charles Farrington, Reservations; Springfield alumnae chapter, Decorations; Dayton alumnae chapter, Bazaar; Miss Barbara Baker, Greek-letter hospitality; Columbus alumnae chapter, alumnae hospitality, and Mrs. Lester Bernhard, Parliamentarian.

Mrs. Keith L. McClatchie of Worthington, Ohio, was elected as Nominating Committee member and Mrs. Stuart Fox, Evanston, Illinois, was elected as alternate nominating committee member for the Province. Saturday evening the Dayton alumnae chapter sponsored a Junior Fair at the Beta Xi house, where each alumnae chapter in Province II sold articles which they use as money making projects. Toledo alumnae chapter sold hand-made articles, Columbus sold trivets, Bowling Green sold hand-made aprons and other groups sold gift articles. Each alumnae chapter donated a door prize and everyone that bought a gift received a chance to win a door prize.

On Sunday the Beta Xi chapter and Columbus alumnae invited all Gamma Phi Betas and their friends to a tea honoring Mrs. Cicero Hogan, who was the speaker for Province II Conference. Miss Joan Gardner of Columbus and Miss Linda

Typical of the Spring conferences held in each province is this scene from the Province I Carnation banquet held at the Hotel Vermont in Burlington. Guests at the speakers' table included Miss Eleanor Luse, Mrs. C. J. Olsen, Mrs. John Heaton, and Mrs. Kenneth Erskine.

McGranahan of Beta Xi were co-chairmen. Receiving guests as they entered the Beta Xi house were Mrs. Kathleen Dietz, housemother for Beta Xi; Mrs. Cicero Hogan, guest of honor; Miss Mary Louise Simpson, President of Columbus alumnae chapter; Mrs. James Lewis, City Panhellenic representative, and Miss Nancy Jonas, Beta Xi delegate to Panhellenic. » » »

MARY LOUISE SIMPSON (Miss)

PROVINCE III

"The chapters in Province III are far superior to any of the other provinces in their efficiency records," said Mrs. Charles W. Payne, Province Collegiate Director, as she read a Special Delivery letter from Mrs. C. J. Perrizo, acting secretary-treasurer of the International Grand Council.

A pleased audience heard this commendation at the Carnation banquet at Hatham House in Columbia, Missouri, on the second evening of our three-day Province Conference on April 5, 6, and 7. All delegates and visitors to the Gamma Phi Beta Province Conference were well aware that this recognition could never have been attained without the guidance of our two leaders, Mrs. Payne and Mrs. P. H. Hawes, Province Alumnae Director.

The stage was set for this year's event by the Alpha Delta and Columbia chapters, who served as hostess chapters to thirteen Greek-letter and alumnae groups. Miss Rita Thornton and Mrs. L. W. Kabler, co-chairmen of arrangements, carried out the theme, "Attitudes that Build," even to the work kit distributed to each guest and delegate as she registered in the foyer of the Alpha Delta sorority house. The folder, containing the programs, badges, and meal tickets, was made of wall paper simulating brick. The kits and souvenirs were designed by Mrs. Kabler and executed by the Alpha Delta girls.

Second high-light of the three-day meeting and workshop period was the Panhellenic luncheon on Saturday noon at the Union Building of the University. One of our own Gamma Phi Betas, Mrs. Helen D. Williams, presented an 80-member verse-speaking choir that was so inspirational and dramatic it was impossible to believe that the concert was presented by youths of high school age. This group has appeared on television in St. Louis and other cities under Mrs. Williams' direction.

Miss Gladys E. Koepke, Dean of Women of the University of Missouri, explained so convincingly the need of Greek-letter groups on a campus to make a well-rounded university that an immediate demand was made to have copies of her speech distributed to the Greek-letter and alumnae groups.

Greek-letter and alumnae workshops developed the themes, "Attitudes that build a friendly chapter; that build strong executive councils; that build strong Greek-letter alumnae relations; that build strong camps; that build good campus publicity; that build good efficiency among the Greek-letter chapters, and that develop a sorority girl."

Mrs. B. W. Foster of Nashville, Tennessee, and Mrs. L. W. Kabler of Columbia, Missouri, were elected member and delegate respectively of the international nominating committee.

It was announced that Mrs. Payne had been selected by Grand Council to serve as Assistant to the Collegiate Vice-President, Mrs. C. J. Olsen, and that Mrs. Hawes was retiring as Province Alumnae Director. Mrs. C. Arthur Hemminger of St. Louis was named by the Grand Council to the position.

Mrs. James Myles, International Magazine Chairman, reported that Province III is first in the amount of magazine sales. She also announced that the Champaign-Urbana alumnae chapter and Sigma Greek-letter chapter were leading in per capita sales to date.

Columbus, Ohio, was the setting for the Province II conference. Those most responsible for its success were, seated from left, Mrs. Charles Farrington, reservations chairman, Mrs. Keith McClatchie, permanent chairman, Miss Mary Louise Simpson, secretary-treasurer. Standing is Mrs. E. K. Amundson, social chairman. (Photo, courtesy of Columbus Dispatch.)

Awards made during the weekend to the Greek-letter chapters were as follows:

Efficiency—Alpha Delta.

Scholarship—Sigma.

Skits—Alpha Delta, Phi, Beta Eta.

Songs—Alpha Delta, Omicron, Phi.

Homecoming Plans—Phi.

Scrapbook—Phi, Beta Upsilon, Sigma.

Miss Helen Talbott, president of the Alpha Delta chapter served as permanent chairman of the Conference. Mrs. Arthur C. Daugherty of the St. Louis Alumnae chapter was parliamentarian. Miss Carola Utsch of Phi chapter recorded the minutes for the Greek-letter workshop while Mrs. Charles Schafer of Kansas City alumnae served in the same capacity for the alumnae workshop. » » »

PROVINCE IV

On April 4, the Hostess chapters of Province IV were convinced that nobody from out of town would arrive because of a real oldtime blizzard. But nothing daunted, seventy representatives from Greek-letter and alumnae chapters began streaming into the chapter house April 5 to be welcomed by Kappa and Minneapolis-St. Paul members. True, some were very late, and eleven simply could not get through, but what fun we had—those who made it. The St. Paul committee furnished the smorgasbord and the Greek-letter girls the entertainment on Friday night.

The Calhoun Beach Hotel was the scene of the Saturday meetings, luncheon, banquet, and Greek-letter dance. After opening the General Session Peg Nelson, Province Collegiate Director, introduced the representative from Grand Council. It was our privilege to have Ardis Marek, Editor of *THE CRESCENT*, bring greetings from Council. She announced the following appointments: Eleanor Ericson of Milwaukee, Province Collegiate Director; Dorothy Guetzlaff, Minneapolis, Province Alumnae Director; Pearl Kline, Williston, North Dakota, Associate Editor of *THE CRESCENT*; Patty Bartlett, Xi chapter, Traveling Secretary.

The delegates elected Amber Stowe, Ames, member of the 1958 Nominating Committee, Jean Erdall, Minneapolis, alternate. Georgia Burt, Fargo, reported for the Findings Committee: it was recommended that the Gamma Phi Beta Panhellenic

delegate propose at the next Panhellenic meeting that legacies be counted one-half point in the quota count in Greek-letter rushing; that the Province Collegiate Director interview the Alumnae Advisor before visiting a Greek-letter chapter; that Province monies be used to defray the expenses of the Province Alumnae Director at her yearly visits, or help to defray the expense of a local delegate to conventions; that a "State Day" be held every other year at which time the Province Alumnae Director would make her yearly visit.

Paul Bunyan and Babe the Blue Ox set the theme of the luncheon, and Mary Jane Reed very cleverly introduced the officers and guests with that in mind. Dr. Mabel Powers, Chairman of the Senior College Counseling Department, S.L.A. College, University of Minnesota, was the speaker. She held the interest of all ages with her ideas on woman's place in life after graduation.

After the afternoon Round Tables the delegates changed into their prettiest dresses. One hundred thirty-seven gathered around the festive punch bowls in the Ball Room where an enticing array of foods smothered the smorgasbord table at eight o'clock. "In Fair or Cloudy weather" goes our beloved song. This idea was carried out in the beautiful decorations. There were pink carnations everywhere—even carnation trees—and lovely decorated parasols centered each table. Marilyn Schlamp was toastmistress.

Alpha Beta was the recipient of the Province scholarship award, and other chapter records were noted with great pride.

The entertainment of the evening was delightful. The Senior Group of the Minneapolis-St. Paul Group had their choir on hand to sing familiar tunes and lead in group singing. The Junior Group presented their Toyland skit, originally started during rushing days in Kappa chapter and more perfected each time we see it. The Kappa pledges put a lot into their Sailor skit. Alumnae were invited to Gail Edward's fascinating new home after the banquet, while Greek letter girls were provided dates for a dance in the Hotel Ballroom.

Alpha Kappa has extended an invitation to Province IV chapters to attend the 1959 Conference in Winnipeg and we are looking forward to visting our Canadian sisters then.

Province III Gamma Phi Betas, meeting in Columbia, Missouri, witnessed the presentation of many awards at their final banquet. Mrs. Charles W. Payne is shown here presenting the award for homecoming plans to Miss Jan Meyer of Phi chapter at Washington University. Looking on are, left, Miss Donna Harris, University of Missouri and Miss Carol Ann Vlcek, Traveling Secretary.

PROVINCE V SOUTH

The fifteenth province conference of Province V South was held March 29, 30, 31 on the Oklahoma City University campus with Beta Omicron and the Oklahoma City alumnae as hostesses. Registration began at 5:00 P.M. on March 29, and was followed with a lovely buffet dinner served in the chapter apartment by the Beta Omicron Mother's Club. After a period of fellowship, the active chapters of Province V S, Psi, Alpha Zeta, Alpha Xi, Beta Omicron and Beta Tau, presented their favorite rush skits and sang their favorite songs for an interchange of rushing ideas.

At 9:00 A.M. on Saturday, the opening business session was called to order by Mrs. Robert L. Wright, of Bay City, Texas, Province Collegiate Director. Miss Kathryn Harper of Sapulpa, Oklahoma, was elected permanent chairman, and Miss Maurine Gaskins, a former Alumna Advisor of Beta Omicron, was appointed Conference Secretary. Welcome was extended to the delegates and visitors by Mrs. Cecil Curnutt, president of the Oklahoma City Alumnae. The Findings and Resolutions Committee members were appointed, as well as the Censor, Mrs. Robert Henry of Bartlesville, Oklahoma; Parliamentarian, Miss Joyce Kirchner of Oklahoma City, and Sargeant-at-Arms, Miss Pat Denton, also of Oklahoma City. Miss Lucille Crimmins of Dallas was elected the alternate nominating committee member. The Province Financial Report was given by Mrs. Ram Morrison of Oklahoma City. Mrs. Morrison then made her Province Alumnae Director's Report. This was followed by the Collegiate Director's Report from Mrs. Robert L. Wright. A most inspirational address was given the conference by Mrs. G. Russell Page, International Chairman of Finance.

The Oklahoma City Alumnae entertained the conference at lunch in Dean Bell Panhellenic Hall, where Beta Omicron's new apartment is located. The apartment has been decorated in Early American, under the supervision of Mrs. Paul Johnson, Corporation Board President. In the afternoon there were active and alumnae round table discussions, as well as a joint panel discussion after a refreshment period at 4:00 P.M.

The Pink Carnation Banquet was held at 7:00 P.M. at the Branding Iron, a private club with excellent cuisine, on the outskirts of Oklahoma City. The Toastmistress was Mrs. L. J. Speed. Mrs. G. Russell Page gave the Welcome and Mrs. L. D. Melton spoke on "Attitudes that Build."

Mrs. Robert L. Wright, PCD, made the presentation of three awards at the banquet. These awards were an innovation of this Fifteenth Province Conference. A personal award of a lovely electric silver trivet was made to the most efficient alumna adviser of the province—Mrs. Harriet Blackstock of Austin, Texas, adviser of Alpha Zeta, 1956-57 and serving for another term in 1957-58.

Beta Omicron received a large silver hors d'oeuvres platter as the revolving *Chapter Efficiency Award*. Alpha Zeta, upholding the sorority's ideals of high scholarship, received the revolving *Chapter Scholarship Improvement Award*. This was a beautifully designed round, footed tray, and was earned by Alpha Zeta's climb from sixteenth to eighth place on the University of Texas campus of over 18,000 students.

In the closing session, held on Sunday in Panhellenic Hall, the delegates adopted the RULES FOR PROVINCE CONFERENCES, voted changes in the Province By-Laws, received the fine reports of the Findings and Resolutions Committees, and gave a Province gift of \$250 to the colony to be established in Province V-S at Oklahoma A. & M. in Stillwater, Oklahoma on October 20, 1957.

Sandra Broome of Beta Tau, at Lubbock, Texas extended an invitation to hold the Sixteenth Conference at Texas Tech in 1959.

After closing exercises Beta Omicron honored all delegates and visitors with a delicious brunch. Miss Linda Andress of Ponca City, Oklahoma, was chairman of conference arrangements. D D D

PROVINCE V NORTH

Province V North Conference was held April 26 and 27 at Denver, Colorado, with Theta and Denver alumnæ chapters acting as hostesses.

The conference activities began Friday evening with registration and a general get-together for renewing old friendships at the Theta lodge. The members of Theta chapter presented the entertainment, a rushing skit, during the evening.

Saturday morning, the Denver alumnæ served breakfast to all delegates at the lodge. The delegates were housed in homes of the alumnæ and in the dormitory with the actives. After breakfast, we all went to the Pioneer Room in the Student Union, a few blocks from the lodge, for the general business meeting.

The meeting was called to order by the Province Collegiate Director. Opening exercises were conducted by Alice Taylor, President of Theta, and the meeting was then turned over to the chairman, Margaret Ann Christopher, President of Denver alumnæ. Jean Service was elected conference secretary.

At this time, qualifications of the candidates for the Province V North member of the International Nominating Committee were read and Irene Pigaga of Omaha was elected delegate. Province V South is to have the alternate.

Reports of the province officers, Vera Dunton Jones, and Evelyn Joy, were given at this time. Helen Maxson, a member of the Indian Hills Camp Board gave the camp report. Pictures of the camp and campers were shown at the Carnation Banquet, at which time, Calvina Vaupel gave us additional data on the camp.

At the morning session, Lois Davis, International Chairman of Expansion brought us a message from Grand Council. We were all very happy to have Lois with us during our conference.

At the conclusion of the business session the meeting was recessed for luncheon at Cherry Hills Country Club. About 160 actives, alumnæ and Panhellenic quests were in attendance. Mr. Lawrence Long, National President of Alpha Tau Omega,

was our guest speaker. He gave a very timely and inspiring talk on the fraternal system.

After the luncheon, we returned to the lodge for the round table discussions conducted by the province officers.

A very lovely Carnation Banquet at the lodge concluded the weekend's activities. Alice Taylor was toastmistress and Lois Davis the speaker. Alpha Phi was presented with the Province Chapter Efficiency cup. Theta won the magazine sales award.

A previously planned trip to the camp at Indian Hills on Sunday morning had to be cancelled because of inclement weather.

The conference co-chairmen, Jo Hinch and Louise Wyatt, Theta and Denver alumnæ are to be congratulated for planning this successful and enjoyable conference.

The conference was extended an invitation by Anne Olson to meet in Lincoln with Pi chapter in 1959. D D D

PROVINCE VI

The Fifteenth Biennial Conference of Province VI was held at Seattle, Washington on the weekend of March 1, 2, 3 with Lambda and Seattle alumnæ chapters as hostesses. The permanent chairman was Mrs. Frank Hiscock and the Conference Secretary was Miss Ann Easter of Lambda chapter. Mrs. Frank Hiscock was elected as Nominating Committee member from Province VI and Mrs. G. A. Read from Vancouver, British Columbia was elected as alternate delegate. Our International Philanthropy, Camping for Underprivileged Children, was discussed at length. Ways and means of enlisting the support of all Gamma Phi Betas everywhere in their gift contributions, in the supply of counselors, in enthusiasm for our philanthropy was discussed.

Our newest chapter, Beta Sigma, told of plans for their new chapter house which will be completed by the fall of 1958. Continuing financial support for this newest chapter in Province VI was felt needed until they become of age and able to go ahead on their own.

The Conference began Friday evening with a Fireside at Lambda chapter house. Saturday evening a beautiful banquet was held at the Sunset Club with 135 members present. Sunday morning the Conference was concluded with a Panhellenic brunch. National officers of other Panhellenic groups were in-

In spite of a Minneapolis blizzard in April, Province IV members gathered at the Kappa chapter house for their conference. Among those present were, from left, Rae Langford, Kappa president, Mrs. Myron Nelson, Mrs. Irwin Guetzlaff, Mrs. James J. Marek, Mrs. R. P. Kline, Jo Warner, president of Minneapolis-St. Paul alumnæ.

Scene of the Province V South conference was Oklahoma City. Looking over the conference program were, from left, Virginia Massengale, president of Beta Omicron chapter, Mrs. G. Russell Page, Mrs. Ram Morrison and Linda Andress, chairman of arrangements. (Photo courtesy Daily Oklahoman and Times)

vited and the Dean of Women, Dr. Lurline Lee, gave a most inspirational talk. All in all, we in Province VI feel that it was a most successful and delightful Conference.

PROVINCE VII

Over 200 Gamma Phi Betas, representing eight Greek letter chapters and 25 alumnae chapters, attended the Province VII (North and South) Conference the weekend of March 29-31 at the Beta Alpha chapter house on the USC campus in Los Angeles. The Beta Alpha members and the Pasadena alumnae chapter members were hostesses to the group. Registration on Friday afternoon was followed by a delightful buffet supper at the chapter house, and after the opening business session the Beta Alpha girls and June Meador, pledge advisor, presented "Taking a Rushee Thru," an informative skit covering all the aspects of rushing.

Saturday's opening session was called to order at 9:00 by Jeanne Hespen, Province Collegiate Director of VII S, who turned the gavel over to Angela Lombardi, Conference chairman. Genevieve Roberson acted as Conference secretary. Following province reports and the appointments of committees, Mrs. Joseph L. Picard, International Vice-President, gave the group a message from Grand Council. The general business session was concluded after the election of Jessie Weiner as the Nominating Committee member and Genevieve Roberson as alternate. Following a noon buffet luncheon, Greek letter and alumnae roundtable discussion groups were presided over by Mary Hazel Davis and Dorothy Herold, alumnae directors of Province VII North and South, and Jeanne Hespen and Pauline Umland, collegiate directors of Province VII North and South.

The Embassy Room of the Ambassador Hotel was the scene of the formal Carnation Banquet at 7:30 Saturday evening, with Beta Alpha's president, Stephanie Clark, in the role of toastmistress. Olive Picard, in presenting her challenging speech based on the 1957 Conference theme, "Attitudes that Build," gave each one present—whether pledge, active, or alumnae—real Gamma Phi Beta inspiration and caused some possible soul-searching in regard to attitudes. The closing business session, a song-fest and the presentation of awards rounded out the evening. Beta Theta, at San Jose College, received the coveted Scholarship cup; Beta Kappa, at Arizona State, the Efficiency

Plaque; the award for the highest magazine sales was won by Beta Alpha and San Fernando Valley alumnae chapter. The awards for the best Officer's Notebooks for Greek-letter chapters were won by Alpha Epsilon, for their President's, Corresponding Secretary's and Standards; Alpha Iota, for Vice-President and Social Chairman; Alpha Gamma and Beta Alpha tied for Vice-President and Pledge Trainers and Eta, for their Treasurer's. Minnie Mae Baldwin of Tucson Alumnae Chapter received the Community Service Award.

An 11:00 o'clock Sunday Brunch held at the Huntington-Sheraton Hotel in Pasadena was enjoyed by the Conference delegates, Gamma Phi Beta members, and their special guests, the representatives of all USC Panhellenic sororities. Marguerite Hornung acted as toastmistress and introduced Florence Martin as the principal speaker. Florence's knowledge of and enthusiasm for her subject, "Participation at All Levels" stimulated the entire intersorority group.

We of Province VII North and South feel that much was accomplished at the 1957 Conference and feel especially fortunate in having Olive Picard present, along with four International Committee Chairmen: Aleene Thieme, Publications, Marguerite Hornung, Recommendations, Harriette DeWolf Alden, Special Gifts, and Edith Watt, Ritual. Province VII wishes to thank the Beta Alpha chapter and the Pasadena alumnae chapter for their efforts in making the Conference a success, especially Beatrice Wittenberg who organized and coordinated all Conference events, along with Dorothy Herold, Helen Wilfong, and Pearl Brown. A special word should be said for the work of the housing chairman, Margaret Shaw, and the transportation chairman, Eunice Easley, and the members of the InterCity Council who co-operated with them in housing and transporting the delegates. PROVINCE VIII

Province VIII Conference of Gamma Phi Beta was held at *The Reservation* at the Lake site of the Florida State University on March 15-17, 1957 with the Beta Mu chapter and the Tallahassee alumnae chapter as Hostesses.

Presiding at the Business Conference was Mrs. Elaine Simpson, Permanent Chairman, Washington alumnae chapter. Miss

Frances E. Brooks of the Tallahassee alumnae chapter acted as Conference Secretary.

Janet Hale Callander of the Washington alumnae chapter was elected as Nominating Committee member and Jean B. Norton of the North Virginia alumnae chapter was elected as Alternate.

Highlights of the weekend included the "Sands in Your

Shoes" luncheon with the Dean of Women at F.S.U., Miss Katherine Warren, as guest speaker, and the Carnation Banquet at the Suwannee Room, F.S.U. Mrs. Picard was guest Banquet speaker. The beautiful decorations included hand decorated shell pin holders for each Gamma Phi as mementos of the occasion and the Florida Visit. D D D

MISS FRANCES E. BROOKS

In Seattle, much of Province VI discussion centered around the Gamma Phi Beta camping program. Mrs. I. L. Standley, right, presented 30 flannel gowns from the Moscow alumnae chapter to Mrs. Walter J. Roberston, Vancouver Camp Board maintenance chairman. Looking on are Mrs. Gerald Arnold, Grand President and Mrs. Frank Hann, International camp Chairman.

LINDSEY BARBEE FELLOWSHIP WINNER GAINS MASTER'S DEGREE WITH HONORS

A report from Mrs. Lois S. Weaver, who was awarded the Gamma Phi Beta Lindsey Barbee Fellowship for 1956-57, includes these comments: "It is with gratitude that I submit this final report . . . gratitude for the very practical encouragement and assistance offered me through the Fellowship."

Mrs. Weaver received her Master of Science degree in Social Administration from Western Reserve University and has joined the professional staff of the Youth Bureau of Cleveland. She says, "Having found casework with adolescents and their families to be challenging, gratifying and sorely needed, particularly when adolescents are both facing and posing multiple complex problems, I was pleased to join the Youth Bureau Staff." Mrs. Weaver's scholastic report includes 32 hours of straight A. Her attitude toward learning could well be adapted by all students. "I regard both professional and general educational growth to be continuing responsibilities, and pleasures, which do not end, nor should they wane, with the conferring of a degree." D D D

NOTE TO CRESCENT CORRESPONDENTS

Just a reminder that deadline for the December CRESCENT is October 1. Alumnae correspondents should send chapter letter, with vital statistics on a separate sheet, to Mrs. T. R. Nagelstad. Feature items and photographs from alumnae and Greek letter correspondents should be sent to Mrs. James J. Marek.

GRAND COUNCIL APPOINTMENTS

(Continued from page 11)

long. Nadine's sudden disablement presented a serious problem, for there was no time to train a replacement. After consultation with the Chairman of the Nominating Committee, Grand Council elected one of its members, Elizabeth Wheeler Olsen (Beta) as Director of Finance.

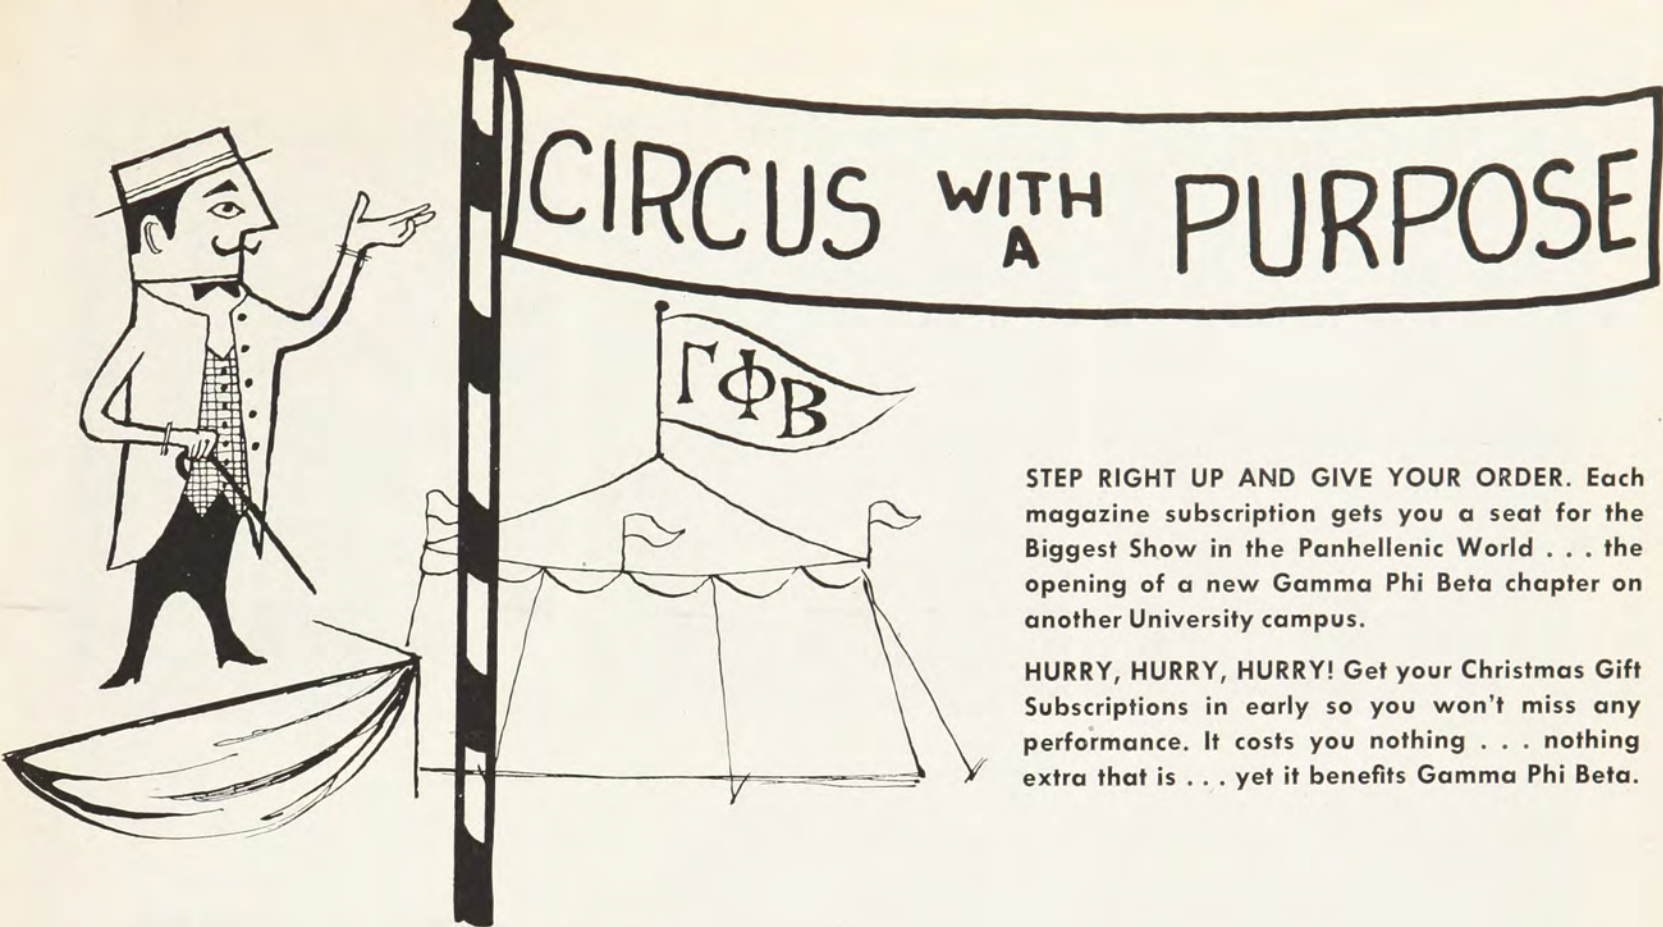

Betty had served with distinction as Collegiate Vice-President, filling out LaVinia Garvin's unexpired term, and being elected to the office in 1956. With alacrity she met this new challenge, and has stepped into the office with surprising ease. Her training in architecture, her experience as president of the corporation board, during the building of the Beta Delta chapter house, and her experience as a member of the Grand Council budget committee have provided an excellent background. We are grateful to Betty for being willing to give up an office she loved for one in which she was needed. Guess what happened! She loves this new work as much as the other. What a gal!

PAULINE UMLAND

The big problem then was to find a replacement for Betty as Collegiate Vice-President. It was less difficult than was anticipated, for Pauline Sawyer Umland (Delta), Collegiate Director of VII North, was the perfect answer. As you grow to know Pauline, you will agree.

To Nadine, Betty and Pauline, we say thank you for a job well done, for continuing service and for meeting a challenge.

CANADA POINTS WITH PRIDE TO CAROLYN CURRIE

Reigning as Queen of the University of Western Ontario at the University College Ball was Carolyn Currie, a member of Alpha Omega chapter. But her sorority sisters hasten to add that beauty is only one of Carolyn's attributes.

An A average for three years proves her scholastic ability. Her participation in campus activities included membership in the Psychology club, World University Service of Canada and the Gilbert and Sullivan Society. She served as secretary of Panhellenic and president of the Gamma Phi Beta chapter.

Climaxing four years of distinctive service to her University and her chapter, Carolyn was awarded the Governor General's medal for general proficiency. » » »

PRIDE AND JOY OF ILLINOIS IS ALICE POTTS

In a University of 20,000 students, competition for honors and top campus jobs is keen. But it takes a Gamma Phi Beta like Alice Potts to come out a winner.

As Editor of the *Daily Illini*, Alice held a position which is almost always awarded to a male student. For her efforts and diligence in journalistic endeavors, she was elected to Bronze Tablet, Theta Sigma Phi and Sigma Delta Chi, open only to the top five percent of the Journalism School graduates.

Her activities included membership in Mortar Board, Torch, Shi-Ai, Phi Kappa Phi, Kappa Tau Alpha and Alpha Lambda Delta. She was also awarded the University of Illinois Scholarship Key. » » »

* A NOTE OF INTEREST . . .

A recent letter from Harriet Ross Willcutt, former Chairman of Standards, brought this interesting information about the Putnam sisters: "Augusta was one of four sisters who were all Gamma Phis, two of whom were Grand Presidents. Elizabeth, the youngest and the only one surviving, was President around 1904. Augusta lived in the old homestead which was full of treasures, most of which are going to the Peabody Museum in Salem."

TORNADO IN FARGO

Construction on additions to the Alpha Omicron chapter house began June 20 . . . the same day that Fargo's devastating tornado wiped out 100 square blocks of the city. Though the house was damaged considerably, it could be and was repaired. But, several Gamma Phi Beta alumnæ were wiped out completely and the college suffered \$2,000,000 damage.
