Sherry Samuelson and Pete Peterson, Theta Chi were elected Frosh Day Queen and King at the University of Washington. Also named Miss Seattle-Rainier, Sherry received an all-expense tour to Monaco this summer where she met Prince Rainier and Princess Grace.

Chosen from ten finalists as Miss Oklahoma University, Annette Marsh will compete in September in Berkeley, California, for the title of Miss Football. She is an honorary Colonel of the ROTC.

At Penn State, Sue Smith, president of WSGA crowns her sorority sister, Karen Bixler, 1958 May Queen.

One of ten acts chosen for the AWS Review at Colorado University was that presented by the Gamma Phis. Their director was Linda Egglebrecht.

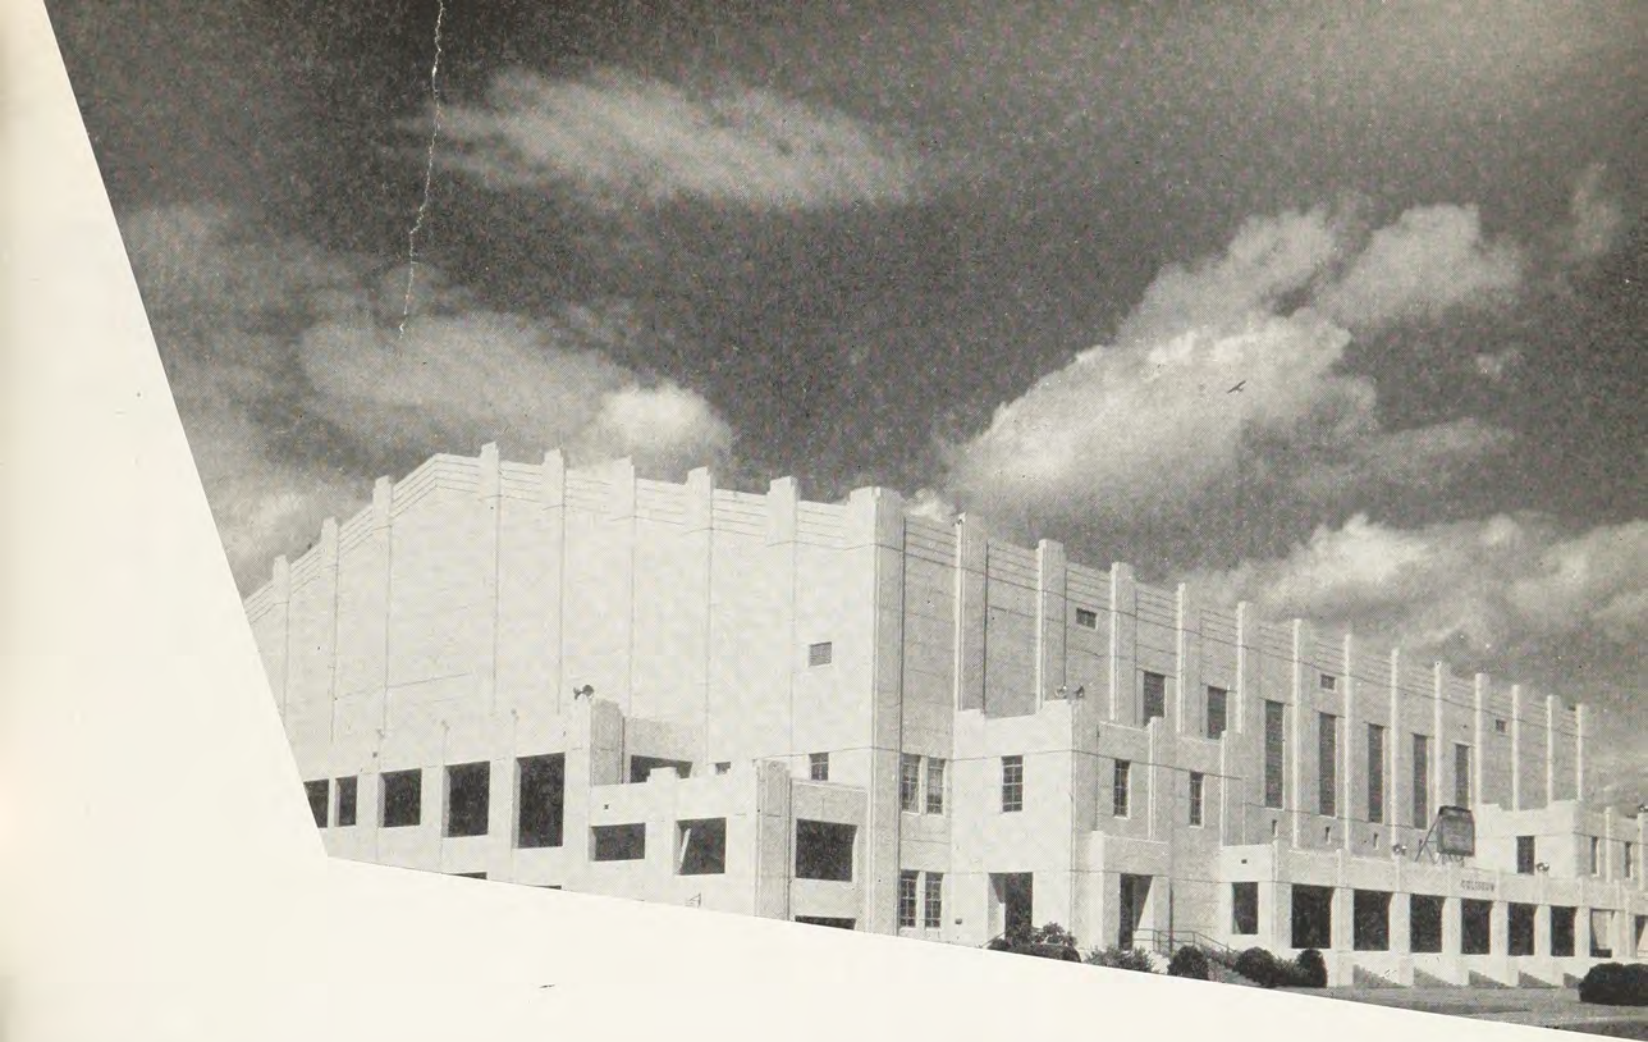

Also in good voice were these members of Beta Tau chapter at Texas Tech, who placed first in the Interfraternity Sing-Song. Sandra Hemmle, their director holds the trophies, one of several honors she has brought to the chapter. She was tapped this past spring for Mortar Board membership.

First place winners at Arizona State's IFC Sing were Gamma Phi Betas of Beta Kappa chapter.

Of 12 magna cum laude graduates from Oklahoma City University five were Gamma Phis. Pictured here are four of them, from left, Sandra Carrico, Virginia Massengale, Peggy O'Connor and Sacra Faull Vaughn.

Moments to Remember in Victoria!

Travel-weary, but happy to be in Victoria for the 48th convention, Gamma Phis from the special train are welcomed by Wilma Hansen, Official Hostess. From left they are Mimi Lang (Northwestern), Nancy Lightell and Jody Petzinger of Ohio Wesleyan and Mrs. Hansen.

Who makes the wheels go around? Among those responsible for a smoothly successful convention were, from left, Mrs. Gerald Arnold, Grand President, Mrs. Donald Dennis, Tour Chairman, Mrs. Sam Whittemore, Hospitality co-chairman, Mrs. Charles Andrews, International Convention chairman and Mrs. Lee R. Hansen, Hospitality co-chairman.

Honor initiate of the 48th convention was Barbara Berry, flanked here by Nancy Reynolds, at left, and Carolyn Sewall. They are all members of Nu chapter at the University of Oregon.

Tea in the lobby of the Empress each afternoon found many Gamma Phis enjoying this delightful English custom. Pictured from left are Joy Dunkley and Becky Cultra, both of the University of Colorado, Linda Farmer and Jean Elson of Kansas University.

A charming program featuring a century of hat styles was presented by the Victoria alumnae chapter following the "Mad Hatters" formal banquet. Shown on stage are, from left, Ginny Freeman (San Jose State), Nancy Reynolds (U. of Oregon), Jeanne Henry (Bradley U.), Ellen Strand and Sheila Grief, both of Oregon State, Babs Schrader and Jackie Werther of San Diego State.

The Convention Story

A Report of Gamma Phi Beta's 48th International Convention, Victoria, B.C., June 22-28, 1958

ATOMIC POWER may give every man on this earth a decent living. But there is still the need for gracious living. We must have imagination, knowledge, and moral and spiritual power to control the age in which we live!"

Thus were Gamma Phi Betas in convention assembled, challenged by Dr. R. Franklin Thompson, President of the College of Puget Sound in Tacoma. Dr. Thompson, in his address at the Opening banquet of the 48th convention, called upon educated women to grow bigger in understanding as the world grows smaller in this jet age.

Convention business filled each day, starting with a Parliamentary Procedure class each morning at 8:15, general sessions at 9:00 A.M. and 2:00 P.M., with round tables, buzz sessions, and committee meetings squeezed into precious little spare time.

Cleverly planned luncheons and dinners gave delegates and guests an opportunity to visit a bit with old friends and find new ones. Unusual entertainment which was warmly received by stateside visitors to Victoria included bagpipe music and Highland dancers who performed at the Opening Banquet, sponsored by the Vancouver and Alpha Lambda chapters.

As convention week sped on, delegates were filling notebooks with reports of Gamma Phi Beta's progress as summarized by the officers who served during the past biennium. At the Honors luncheon on Friday a standing ovation was given Lambda and Beta Omicron chapters which had received Chancellor E. O. Haven awards at three consecutive conventions for excellence in scholarship. Sally Hawkes of Lambda (U. of Washington) and Carol Hayward of Beta Omicron (Oklahoma City U.) went forward to receive their beautiful silver loving cups and the congratulations of the International Chairman of Scholarship, Miss Mary T. McCurley. Theta chapter at Denver University and Alpha Upsilon at Penn State were recipients of the Chancellor Haven Scholarship citation for the past biennium.

For their creative achievements and devoted service, three Gamma Phi Betas received the sorority's highest honor as their names were placed on the Honor Roll:

Ruth Bartels Fox
Gertrude Comfort Morrow
Margaret Meany Younger

A chapter efficiency award, created by Grand Council, was announced and will be presented at the 1960 convention to that chapter judged to be the most efficient on the basis of reports to Central Office, reports to International Officers, Chapter Achievement and General Attitudes.

Climaxing convention business during the final session was the election of officers. Nominees presented by the Nominating Committee received the unanimous vote of convention delegates and a thunderous round of applause as they were presented in Convention Hall. Gamma Phi Beta's new Grand Council is composed of:

Mrs. Charles Andrews (center) Convention Chairman presents Grand President, Mrs. Gerald Arnold to Dr. R. Franklin Thompson. These three, along with other International Officers and honored guests formed the receiving line at a formal reception held prior to the opening banquet. Dr. Thompson's keynote address set the tone for an enthusiastic, vital and challenging convention.

President: Mrs. C. J. Olsen (Beta) Ann Arbor, Michigan

Alumnae Vice President: Mrs. H. E. Wittenberg (Mu) San Marino, California

Collegiate Vice President: Mrs. W. M. Ericson (Kappa) Milwaukee, Wisconsin

Director of Finance: Mrs. C. W. Kenney (Alpha) Syracuse, New York

Director of Expansion: Miss Mary T. McCurley (Sigma) Baltimore, Maryland

National Panhellenic Delegate: Mrs. Gerald Arnold (Tau) Philadelphia, Pennsylvania

Always a memory-maker, the traditional Pink Carnation banquet brought to a close this 48th convention of Gamma Phi Beta. Climaxing the program, Sharon Feetham (Lambda) stepped into the spotlight, a vision of beauty in a soft pink ball gown, carrying a spray of pink carnations. As she sang "In the Heart of a Pink Carnation" her listeners thrilled to the beauty of her young voice and she became a symbol of all the beautiful traditions of Gamma Phi Beta. With hands joined in friendship and goodwill, 300 voices sang "Fidelity" and 300 hearts knew again the joy and privilege of membership.

Day by Day in Victoria

Monday, June 23

IN SPITE of a strike on the Ferry boat lines, Gamma Phis from the special train arrived safely in Victoria, thanks to the Vancouver and Seattle alumnae who aided Central Office in arranging transportation to the Island. Registration over, the 48 special train travelers headed for the showers and then to the informal dinner sponsored by Chi, Salem and Corvallis chapters. Hardboard place mats at each place, stenciled with the Gamma Phi Beta coat of arms, were favors for the guests to take home, along with the menu printed on hardboard and a map of Oregon rolled as a scroll.

The Floral Fantasy Mixer, arranged by Nu and Eugene chapters followed dinner. Soft drinks were served in crested glasses which the guests could keep as souvenirs.

Tuesday, June 24

Called to order promptly at 9:00 A.M., the first general session featured the introduction of International officers, the message from the Grand President and a talk by Beatrice Locke Hogan on "N.P.C.—Its Contribution to the Fraternity World." An informal discussion of proposed revisions of the Constitution, Bylaws and Standing Rules followed. At the afternoon meeting a report from the committee to study relocation of Central Office was given by Eleanor Evenson Ericson.

A formal reception at 5:00 P.M. found the Grand Council and honored guests receiving delegates and visitors to the convention. The opening banquet, titled "Mang the Heather," was hostessed by Alpha Lambda and Vancouver. Plaid covered menus, miniature kilts and purple heather table decorations set the scene for the Scottish theme. Entertainment by a Scottish bagpipe player and the Highland Dancers was enthusiastically received. Toastmistress Mrs. W. J. Robertson introduced the speaker, Dr. R. Franklin Thompson whose talk was an inspiration and challenge to all who heard him.

Alumnae delegates met with the Grand President following dinner for an informal fireside talk.

Greek-letter and Alumnae delegates separated for round table discussions at 9:00 A.M. which covered such important subjects as Membership Selection, Scholarship Goals and Procedures for Attainment, Standards of Conduct, and Pledge Training for collegiate members. Alumnae discussed cooperation between alumnae and undergraduates, obligations to the sorority and the values received from the Province Alumnae Director's visit to the chapter.

Following luncheon which was hostessed by Tacoma and Everett alumnae, delegates again met in general session for the important Revisions of Constitution, Bylaws and Standing Rules.

"A Century of Hats" was the title of the fashion show presented following dinner. Gamma Phi husbands designed and built the stage setting and helped with the script. Hats dating from the 19th century to the most recent creations, all part of a collection owned by Mrs. Scurrah, were modeled. A rendition of the Charleston, directed by Nancy Newton, brought the house down, as the chemise-clad guests laughed as heartily as those who still feel a belt belongs at the waistline!

Turning to the more serious side of convention, delegates witnessed the beautiful initiation service later in the evening. Alpha Lambda chapter presented the service under the direction of Edith Herrin Watt, International Ritual Chairman. Chosen for the distinct honor of being initiated at convention and receiving the Gamma Phi Beta pin from the Grand President was Barbara Berry of Nu chapter, University of Oregon.

Thursday, June 26

A full morning at the Fourth General Session was devoted to reports from the Endowment-Crescent Board by Margaret Donovan Herland, president of the Board; a report on the Revolving Loan Fund by Virginia Stone Holland; a report of the Committee on Financial Structure by Eleanor Sieg, Chairman; and a report on the Implementation of Committee recommendations by Elizabeth Wheeler Olsen, Director of Finance.

A delicious box luncheon was served at the Butchart Gardens, where Gamma Phis delighted in the beauty of this world-renowned Fairyland of Flowers. The English Rose, quaint Japanese and formal Italian Gardens complement the fabulous Sunken Garden which was transformed out of a once-bleak, abandoned limestone quarry.

At five o'clock, delegates gathered at the Reformed Episcopal Church of Our Lord for the traditional Memorial Service for 129 deceased Gamma Phi Betas. The service was conducted by Lambda chapter under the Direction of Edith Herrin Watt. Participating in the service were Kay Kandall, Kay Prigg, Sally Hawkes, Patsy Herley, Julie Henke and Pat Forney.

The Inland empire dinner, hostessed by Beta Sigma, Spokane and Pullman chapters, pointed up the industries of this vast section. Table decorations were miniature elevators, made of aluminum to represent that industry, miniature sacks of wheat and Aplets from Cashmere, representing the wheat and apple growing sections.

Have you ever seen a "Smile Show?" Most of us hadn't, but after seeing this English-type performance, we would vote unanimously in favor of it! A small company, with only two professional performers, held forth for over an hour with lilting English songs, an excellent take-off on Gracie Fields' "What's the Good of a Birthday?", a parade through the audience of brightly-costumed London peddlers hawking papers, vegetables, and trinkets, and a London Street scene featuring dancers, tumblers and singers.

Friday, June 27

Morning sessions featured Greek-letter and Alumnæ Round Tables, and were followed by the exciting Honors Luncheon. Xi, Moscow and Lewistown were hostesses, with Judith Crites Hann, International Camp Chairman, as toastmistress.

Forty year members honored were: Mrs. Harold Hartman, Lambda; Mrs. William Dehn, Lambda; Mrs. Stuart K. Fox, Epsilon; Mrs. Harold Thompson, Lambda; Mrs. Huldeen Anderson, Lambda; Mrs. Joseph Weiner, Theta; Mrs. Cicero

Susan Butterworth accepted for Theta, Sally Hawkes for Lambda, Judith Ann Bowers for Alpha Upsilon and Carol Hayward for Beta Omicron. Climaxing these presentations was the announcement that two chapters, Lambda and Beta Omicron had been cited for excellence in scholarship at three consecutive conventions. These chapters were awarded beautiful silver loving cups and received a standing ovation for their accomplishments.

There were more honors to come at the afternoon session when the report of the Honor Roll was read by Emmy Schmitz Hartman. Gamma Phi Betas who find their names among the most distinguished members of the sorority on the Honor Roll are:

Reports from the Round Tables, Unfinished Business and New Business were on the agenda for the morning General Session.

The traditional Founders' Luncheon, with Portland alumnae as hostesses, was titled "Portland Rose" and found the tables decorated with beautiful roses flown in for the occasion. Erma Black Walsh served as toastmistress and introduced the speaker, Mary Margaret Dundore of Nu chapter who is Dean of Women at Portland University. The Dundore trio, composed of Mary Margaret, her mother, Genevieve Clancy Dundore and her sister Joan presented a medley of songs.

At the final General Session on Saturday afternoon, the Credentials Committee reported 122 official Greek-letter delegates and 58 official alumnae delegates, 174 full time visitors and 43 part-time visitors, for a total of 339 Gamma Phi Betas in attendance.

Election of officers for the coming biennium was a unanimous vote for the slate presented by the Nominating Committee. The newly elected members of Grand Council (listed on page 3) were introduced and received the enthusiastic applause of all delegates and visitors.

Reading of the Scriptures by Mrs. Gerald Arnold, Grand President, brought to a close the business sessions of the 48th convention.

At 7:15 Gamma Phis in their loveliest formal gowns entered the Crystal Ballroom for the famed Carnation Banquet. Dinner music, played softly by a six-piece orchestra, complemented the beautifully appointed tables, festooned with small pink carnation trees. Six large trees decorated the entrance and the stage. Garlands of carnations decorated the speakers' table, interspersed with carnation arrangements in white flower pots.

At each place was a beautifully wrapped gift to be prized for years to come . . . Coalport miniature floral pieces of English bone china.

Mrs. William Dehn served as toastmistress and introduced Mrs. Harold Hartman who gave the toast to our Founders; Miss Averill Iliffe, who toasted our Honor and Service Roll members; Miss Margaret McCullar, who toasted our Grand Council and Mrs. Gerald Arnold, who toasted our Greek-letter chapters.

Sharon Feetham's rendition of "In the Heart of a Pink Carnation" made this Carnation banquet one long to be remembered for its exquisite beauty in both decor and program. So it was farewell to another great convention, the 48th International convention of Gamma Phi Beta. D D D

The Call to the 1960 Convention

One of the happiest results of attendance at an International Convention of Gamma Phi Beta is the desire to attend another! It gives us pleasure then on behalf of Province VIII to extend to each sister present here at Victoria, to the chapter which she represents, and to our membership everywhere a warm invitation to attend the 49th International Convention of Gamma Phi Beta, to be held June 19-25, 1960, at the Edgewater Gulf Hotel, Edgewater Park, Mississippi.

For generations, the beautiful Gulf Coast has been the watering place of Southern aristocracy. The historic antebellum charm of the area will delight you. The traditional hospitality of the Deep South will await you. The continuing growth of our beloved sorority will inspire you. "Come, O Sisters, come!"

A Toast to Honor Roll and Service Roll Members

(Excerpts from a talk by Averill Iliffe, University of Manitoba at the Carnation banquet)

WHEN you look at the history of Gamma Phi Beta as outlined in our Handbook, you see a long list of facts which become more than facts for us, because we realize that each accomplishment has been achieved by the initiative and desire of a sister who has wanted to contribute to the growth of Gamma Phi Beta.

Imagine Gamma Phi Beta today if the first four members of our Honor Roll were the only members so honored. We have the strong foundation and all the qualities that Mrs. Hartman has mentioned in her Toast to the Founders, and that we feel in our hearts. But we would be a small sorority, for the program of expansion as initiated by Carrie Morgan would not have come into effect. We would be a loose, non-centralized organization, if Margaret Meany Younger had not recommended provincial divisions. We would virtually be isolated local chapters, if Katherine Taney Silverson had not set the precedent for our beloved Province Collegiate Directors when she was the first chapter visitor.

Can you imagine how the alumnae would function today if Margaret Marr Marvin had not established the Province

Alumnae Director system? Can you imagine the state our colonies would be in without Alice Wieber Fitzgerald's innovation, the Traveling Secretary?

Then too, the Gamma Phi Beta publications which play such an important part in the unity and efficiency of this vast organization would be non-existent. I cannot imagine how we could manage without our *Pledge Manual*, *Ritual Handbook*, *PCD and Housemothers' Manual*, *The Crescent News*, *The Housing Manual* and *Handbook*, Nina Gresham, Evelyn Gooding Dippell, Sarah Preston Finley, Ruth Bartels Fox and Penelope Murdoch Simonson respectively have been responsible for these publications and it is most fitting that we have recognized their contributions to Gamma Phi Beta by placing them on our Honor Roll. Under Lindsey-Barbee, *THE CRESCENT* was developed and our History was recorded to be cherished.

Under Rachel Vrooman Colby we have benefited from a reorganization of our administration. We would not have successful rush periods today if Ruth Genung Ord had not created

(Continued on next page)

the alumnae recommendations system. And Central Office is still as efficient as Charlotte Robertson White wished it to be when it was organized.

Financially, Gamma Phi Beta would be very weak today had not some sisters seen the need for early development. The Endowment Board, created by Blanche Shove Palmer, the International Treasurer as instituted by Alice Camerer, and the Finance Committee which had its foundation in the ideas of Florence Stott Sullivan provide us with sound financial administration.

Today we have the strength of a sorority which has grown by the service of devoted sisters. We have a very long Service Roll of outstanding Gamma Phis whom we think of fondly and thank in this small way for their devotion.

Today our sorority is strong. Today we can proudly speak of the Philanthropy project initiated by Kitty Lee Clarke, and we can proudly wear Gertrude Comfort Morrow's creation, the coat of arms. We have reached a position which is honored in Panhellenic world. It is fitting that Beatrice Locke Hogan, who instigated our Founders' Day celebrations, has also brought us recognition in the National Panhellenic Conference, which Lillian Thompson helped to organize in 1902.

Gamma Phi Beta is strong today because the sisters on the Honor Roll and Service Roll have served her with Love, Labor, Learning, and Loyalty. The manifestations of their work for Gamma Phi Beta may seem mechanical, impersonal. Yet for one who has observed the activities of this past week, for one who has felt the love, devotion, strength, and happiness of this organization, the names on the Honor Roll and Service Roll ring with a romance unequalled. The Honor and Service Roll members have implemented their wishes for the growth of the sorority. We must fulfill the wishes they have made for us to continue the growth of Gamma Phi Beta.

Let us now rise to toast the members of the Honor Roll and the Service Roll. D D D

An Open Letter

DEAR GAMMA PHIS:

What a thrill it was for our new little Victoria Alumnae Chapter to have the 1958 convention in our city.

We are a very recently-formed chapter and hostessing the Wednesday evening banquet was our first real project, involving, of course, dozens of work parties and evenings of planning. In this way, the convention served a dual purpose for us, because, aside from the pleasure of trying to do a good job, it helped to weld our members together into a most harmonious group.

Mary Mulvin Dennis (Alpha Lambda '43) was our first president and started the ball rolling for our convention plans last year. She has been our organizer and troubleshooter, and the backbone of the chapter.

Betty Wilson McGann (Alpha Lambda '52) took over the presidency this spring and followed beautifully in Mary's footsteps as a coordinator.

Nancy Wells Newton (Alpha Lambda '50) developed our theme for the "Mad Hatter's Banquet." She arranged for the "dancing girls," and modelling, and countless other details that go into providing entertainment, even to "cracking the whip" if we lagged.

We also had the able help of several husbands. Don Dennis, designed the stage backdrop, and built it with the help of Hugh McGann. Jack Cowan helped his wife, Pegge Thompson Cowan (Alpha Lambda '50) and Nancy Newton with the script. We are very grateful to these men for their assistance.

And, of course, every other member of our small group cooperated fully in helping with work parties, gathering and arranging flowers, and making our little hat boxes. All in all, we are pleased with our part and very glad to have been able to participate in the 1958 convention.

In Memoriam

Kathleen Dean Krueger, Omicron July 14, 1958

The death of Kathleen Dean Krueger on July 14, 1958, was a shock to all those Gamma Phi Betas who knew Kay. With her customary enthusiasm she had prepared to go to convention as Province I Alumnae Director, but was prevented from doing so by an aneurysm which developed the day before she was due to leave Philadelphia. A successful operation enabled her to leave the hospital after three weeks with a promise of being allowed to return to normal activity by

September. Within a week a completely unexpected development of a second aneurysm resulted in her death.

Kay served Omicron as House President, and had the distinction of serving as president for both the Chicago and Philadelphia alumnae chapters. After a number of years de-

Judy Koonce Drowns In Rescue Attempt

Friends and sisters of Judy Koonce (Kent State '57) were shocked to learn of her untimely death July 17, as she made a gallant but unsuccessful attempt to save the life of an 11-year-old 4H camper.

Judy had been serving as a conservation instructor in Camp Clifton, Ohio operated by the 4H. The camper, Kyrleen Ruhl, lost her footing as the group hiked along the edge of the Clifton gorge of the Little Miami River. Judy ordered the other children in the group to go to the nearby main road, then ran to a lower point on the gorge and jumped 45 feet into the swift current to rescue the child. Two campers reported they heard splashing and shouts, and briefly saw two figures in the water.

A native of Cleveland, Judy had been an instructor in 4H camps for the past four years. She taught art and science in Eastmoor Junior High School at Columbus during the past year. She was to return to Kent State this fall to work for her master of arts degree.

Judy is survived by her parents, Mr. and Mrs. James Koonce, and a brother, James Jr. to whom sincere sympathy is offered by her sisters in Gamma Phi Beta.

On Campus at Oregon State College

By Glen Keeler (Chi '61)

OREGON State College is located in the heart of the Willamette Valley at Corvallis. The campus proper and adjoining farm lands total 4,000 acres. In addition, 24,000 acres of agricultural lands and 13,300 acres of forest lands in the State are used for research purposes.

In 1856, Corvallis established a community academy which, two years later, was incorporated as Corvallis college. During the first ten years after its incorporation, the college was maintained by the Methodist Church South. On October 27, 1868, Oregon began its support of public higher education when it designated Corvallis college "the agricultural college of the State of Oregon." On that date Oregon began making appropriations to its first state institution. In taking this action, the Oregon legislature accepted the provisions of the First Morrill Act which provided grants of land to be used by the states for the sole purpose of establishing publicly controlled colleges.

Even before the First Morrill Act, Oregon had made an attempt to establish a state university. In 1851 before statehood, the legislature of Oregon Territory designated Corvallis (then called Marysville) as the site of a new territorial university. Arrangements were made and building materials were assembled at the selected site. Before the construction began however, the legislature of 1855 changed the location of the university to Jacksonville and ordered the building materials sold.

From 1868 to 1885 the Methodist Church South continued to support Corvallis college, receiving some appropriations for its maintenance from the state. In 1885, Oregon assumed complete control of the institution.

The curriculum of Corvallis college was typical of the liberal arts colleges of the day. It provided a classical course leading to the bachelor of arts degree and a scientific course leading to the bachelor of science degree. Under the impetus of the land-grant act, the college curriculum began to expand. In

1869 agriculture was added. It was conducted largely in the department of chemistry. Four professorships were established during the 1880's: commerce, household economy, agriculture, and engineering. These grew into departments and in 1908 were established as OSC's first four professional schools.

Today Oregon State consists of the Graduate School, the Lower Division (Liberal Arts and Sciences), the School of Science, the Division of Physical Education, the departments of Defense Education, and the professional schools of Agriculture, Business and Technology, Education, Engineering, Forestry, Home Economics, and Pharmacy.

Oregon State enrolls students from all states in the Union and from 35 foreign countries. Its 70,000 alumni are located in all parts of the country and of the world.

About Chi Chapter . . .

Gamma Phi Beta was the fifth sorority on the Oregon State College campus when Chi chapter was established on April 26, 1918. Earlier, in 1915, Beta Tau Beta with eleven charter members was organized in the women's dormitory for the purpose of petitioning Gamma Phi Beta. In 1917, the Student Affairs Committee granted permission to Beta Tau Beta to be called a local sorority and also gave permission for the group to move into their own home.

Then in 1918, after a visit from a national officer, a petition was sent to Gamma Phi Beta; finally in April of the same year, the charter was granted and Chi chapter was installed by Nu chapter in the Phi Delta Theta house.

Twenty-five girls made up the charter group and nine alumnae of Beta Tau Beta were also initiated.

In 1920 Chi chapter purchased an old home for a chapter house. The present chapter house, completed in 1938, is built on the same ground.

Vivian Fox, first member of Chi chapter; May duBois, the head of home economics education at Oregon State; Judy Patterson, past president of Chi corporation; and Dorothy Schaefer Turner, a contributor to Oregon State College include some distinguished alumnae of Chi chapter.

Corvallis Alumna Receives Honorary Doctorate

The Corvallis alumnae chapter was very pleased and proud when one of its members received an honorary Doctorate. Mrs. Beth Bailey McLean (Iowa State '21) was awarded the honorary Doctor of Science degree at the Founders' Day Convocation at Iowa State College, Ames, Iowa. Dr. James Hilton, president of Iowa State College, presented the award to Mrs. McLean and 10 other outstanding members of their respective fields. This ceremony marked the 100th anniversary of the founding of Iowa State College.

Mrs. McLean, now teaching home economics courses at Oregon State College, is former Director of Home Economics for Swift and Company. As head "Martha Logan" for Swift, Mrs. McLean played an important role in relaying the needs of the consumer to her company for over 20 years.

Mrs. McLean is also well known as the author of several books, including "Meal Planning and Table Service," "Modern Homemaker's Cook Book," "Martha Logan's Meat Cook Book," "The Complete Meat Cook Book," and "The Young Woman in Business."

The Prometheus of Jan Zach

IN COMMEMORATION of the fiftieth anniversary of its founding at the University of Oregon, Nu chapter of Gamma Phi Beta sorority has presented to the university campus a contemporary sculpture of Prometheus, the Greek hero who stole fire from Zeus to give it to man.

Mrs. Leila Stafford, a charter member of Nu chapter presented the sculpture to President O. Meredith Wilson at a dedication ceremony that was held at the site on the northeast corner of the Museum of Art during Commencement Week, June 1958.

The gift was made possible by the generous donations from alumnae and active members of Nu chapter as well as the hard work and planning of the Eugene alumnae chapter.

The eight and a half foot sculpture, made of cast iron, brass and compound stone was created by Jan Zach, resident sculptor at the university. "My definition of Prometheus is an affirmation . . . he is the symbol of energy . . . a symbol of life

. . . because fire for man is the most important element in his life," Zach has said. In the sculpture, he portrays fire as a vital source leaping heavenward.

Zach, a native of Czechoslovakia, was trained at the Prague Academy of Fine Arts. In 1943 he held his first large exhibition in Brazil at the Museum of Fine Arts in Rio de Janeiro. He designed settings for the Ballet Valse Triste in São Paulo, and founded the Museum of Modern Art in Resende. In 1951 he went to Canada where he taught painting at Banff and began his own school in Victoria. In January 1958 he became the resident sculptor at the University of Oregon.

"Zach could not have done otherwise than he has with this theme" said Wallace S. Baldinger, director of the university's Museum of Art. "He sees fire as transfiguring mankind in a colossal struggle to control it. He sees it promising a richer and nobler existence if only that struggle succeeds, but bringing total destruction if that struggle fails." D D D

New Books by Gamma Phi Beta Authors

ONCE upon a time there were two little girls who tired of reading about the fabulous adventures of fictional children. To their mother they complained "Why doesn't anyone write stories about children like us; children who never do anything but have whooping cough shots and play at the Country Club?" Thus a new facet was added to an already sparkling personality. The little girls were Jean and Caroline Leinhauser and their mother was Ruth Daggett Leinhauser (U. of Iowa '25), newspaper woman, story teller and collector of dolls and antiques.

Since that day Ruth Daggett Leinhauser has written and sold 14 stories to *Child Life* and *Jack and Jill*, and has had published three books for children. Mrs. Leinhauser's primary interest in the field of writing is newspaper work; her first children's stories were written for the amusement of herself and her daughters with no thought of publication. Then a New York friend borrowed one of the manuscripts to read to her husband and gave it to a literary agent. Mrs. Leinhauser knew nothing of the plot until the agent wrote that the story had been sold. Her first book, "Patricia's Secret" (published by John C. Winston Co. in September, 1956), is the story of the daughter of an Air Force officer; it was chosen by the Union of English Speaking People to be sent abroad. Her second book, "A Holiday with Eric" (published by Ives Washburn, Inc. in April, 1957), is about two American sisters, Pam and Diane, and their young English cousin, Eric, who spend a summer with their grandmother in a small midwestern town. The book is dedicated to Mrs. Leinhauser's husband, Peter, and to her mother, Mrs. Wallace R. Daggett, who died in December of 1957. The third book, "Aunt Sharon's Wedding Day" will be published by Ives Washburn, Inc., this fall.

Mrs. Leinhauser was born in Ottumwa, Iowa, and has lived all but the first year of her life in the same house. That house, an impressive 11 rooms filled with antiques and a doll collection which dates back several generations, has provided background for more than one of her stories.

Mrs. Leinhauser was a member of Rho chapter of Gamma Phi Beta at the University of Iowa, and of Theta Sigma Phi, journalism sorority. She is a member of the Iowa Press Women's Association and is Ottumwa Correspondent for the *Des Moines Register & Tribune*. Her two daughters, Jean and Caroline, are grown and are themselves interested in writing: Jean is a journalism graduate of the University of Iowa and has done newspaper and magazine work, and Caroline has had some of her poetry published.

Of her stories Mrs. Leinhauser says, "Children love to laugh,

Ruth Daggett Leinhauser with dolls from her collection which dates back several generations.

and they love to read about children like themselves with tempers and temperaments; so I try to make my book children just as much like real children as I possibly can, complete with faults as well as virtues. I don't try to educate children by means of the things I write, but I never write down to them—by which I mean that I use a pretty adult vocabulary in the knowledge that children like words and like to add new ones to their own vocabularies.

"It's impossible for me to think of myself as a writer, and I don't take writing very seriously—just keep it as something with which to have fun. For the rest, it's hunting antiques and gardening; and the days and years are never long enough to permit me to do all the things I want to do." » » »

Ghost Trails to Ghost Towns

By Wanetta White Draper and Inez Hunt

Wanetta White Draper (Colorado College '40) and Inez Hunt of Colorado Springs made their debut to our ever expanding literary field through publication of their book, "Ghost Trails to Ghost Towns" last March. Both authors have had as a hobby exploring the ghost towns of their home state for many years and have given many reviews about them. They were concerned about the way the towns were disappearing and the lack of knowledge or interest of many local people in this section of the country. They felt something should be done to maintain this bit of history and this booklet is their contribution.

The booklet of Colorado Ghost Towns contains a brief history, description of each town, how to get there, a poem which describes it and a photograph of the town; nineteen Colorado towns are included. The frontispiece map is by Kathleen O'Donnell Caldwell (Colorado College '40).

Wanetta is a well known photographer, Inez Hunt is a very successful poet and the two arts blended skillfully in the book to give an impression of each area. As they say, "the best way

Holly Wilson's Sixth Book To be Published this Month

The Hundred Steps by Holly Wilson is scheduled for publication by Julian Messner, Inc., New York, in September, 1958. It is the story of Marcy McKay, whose family have their roots in the Great Lakes region. Her father, a Lake Captain, comes from a long line of lake people, and they live on the shore of Lake Superior close to the water. Marcy is always comparing her way of life with the way of life of her high school friends who live in the Upper Town. The story revolves around Marcy's conflict against her own environment and her efforts to achieve a place for herself that is right for her.

The author, Holly Wilson, Beta, University of Michigan, was born in Duluth, Minnesota, and grew up in Northern Michigan on the shores of Lake Superior, where she played as a child and watched the great, red iron-ore boats sail in and out of Marquette harbor. She has lived in Minnesota, Illinois, Pennsylvania and Kansas, and now resides in Clifton Springs, New York, not far from Lake Ontario. Her husband, Frederic W. Wilson, M.D., is a Psychiatrist associated with the Clifton Springs Sanitarium and Clinic. The Wilsons have two teen-age daughters, Mary and Anne.

Holly Wilson spent last summer in Northern Michigan gathering material for her newest book *The Hundred Steps*, and roaming with her family along the enchanting lake shore where the action of this story takes place. They located the remains of the real Hundred Steps (now falling down) that

Holly Wilson, story teller par excellence to teen-agers, publishes sixth book.

used to lead from the top of the bluff down to the harbor in Marquette, Michigan.

Mrs. Wilson says, about *The Hundred Steps*: During a mighty autumn storm, when I was a little girl in Michigan, I once saw an ore-boat go aground on the rocks not far from Marquette. Out of that memory grew the story of the wreck of the *North Star*, and the story of Marcy McKay, who lived on the lake shore at the foot of the Hundred Steps.

Alice Erie Young discloses fascinating facts about cookery south of the border.

Discovering Mexican Cooking

By Stephenson and Young

Arizona Al, writing cowboy letters to children . . . *Church Mouse*, telling the happenings of Trinity Presbyterian Women's Association of Tucson . . . Gamma Phi BETTE, Editor of the Tucson Alumnae Association newsletter . . . any of them find Alice Erie Young in the title role!

Alice also enjoyed doing *Discovering Tucson*, a lithographed book showing the wonders of Tucson, with Patricia Peters Stephenson, Delta Delta Delta alumna of the University of Arizona, that was accepted for the approved supplementary reading list by the Arizona State Board of Education. But best of all, they are proud of their new cook book, *Discovering Mexican Cooking*, just released by The Naylor Company, San Antonio, Texas, \$1.95. It is a usable cook book, cleverly illustrated, and fun to read.

After graduating from the University of North Dakota in 1925 where she was a member of Alpha Beta chapter, Alice taught commercial subjects in the high school in Austin, Minnesota, until her marriage to Leslie (Ted) Young. They moved to Tucson in 1944 for their daughter's health and live at 2109 E. Spring St. Their daughter, Mary Ann, is now the mother of Beth Ann Peterson, and being grandparents is a happy topic of conversation for the Youngs! Their son, Richard, was graduated from Catalina High School this spring.

And now a new venture . . . Other Areas Chairman for Gamma Phi Beta. After four years as state membership chairman for Arizona, Alice is now setting up contacts beyond the recognized areas of the United States, Canada, and Hawaii, so that if recommendations are ever needed for prospective Gamma Phi Betas from "the rest of the world" she will be able to channel them.

We in Tucson are proud to have Alice one of us.

*Retiring International Grand President,
Grand Council*

President's Page

THE 1958 convention culminated my two terms as Grand President, and gave the opportunity for review of accomplishment during that period. It has been the chief aim of Grand Council to strengthen Gamma Phi Beta in four areas:

- (1) Correlation of manuals. A general revision of the Constitution, Bylaws and Standing Rules was followed by a general revision of the President's Book. Three manuals were revised: Alumnæ Advisory Committee Manual, Alumnæ Recommendations Committee Manual, Province Director's Manual. Two new manuals have been written: Traveling Secretary's Manual and Province Alumnæ Director's Manual. The Supervisor's Manual is being rewritten and enlarged in scope to become an Expansion Manual. Work has begun on a revision of the Pledge Manual. Because the writing and revising of manuals could no longer be handled by the Secretary-Treasurer, a Publications Chairman was appointed, whose duties include coordination and supervision of all publications of the sorority except THE CRESCENT, keeping them up-to-date with changes in Constitution and Grand Council policies.
- (2) Supervision of chapters. Schools for Province Collegiate Directors have been strengthened, and similar schools for Province Alumnæ Directors have been instigated, thus providing for more effective supervision of chapters.
- (3) Expansion. The addition of eight Greek-letter chapters in four years brings our total to 66. Invitations to colonize this fall at West Virginia University and Gettysburg College have been accepted.
- (4) Central Office. The needs for personnel and salary increases presented at convention led to quick passage of the proposed increase in dues. This additional income will enable the Grand Council to take positive steps to increase the efficiency of the office.

Upon this basis of accomplishment the newly elected Grand Council will build. That the new Grand President is our beloved Betty Olsen, who has served three years on Grand Council, promises stability. Betty's record of devotion to the sorority leaves no doubt that she will set a standard for service that should lead the sorority to new heights of accomplishment.

It has been a joy for me to serve Gamma Phi Beta as Grand President. Now, as delegate to National Panhellenic Conference, my pleasure in supporting Betty Olsen as our new Grand President will be second only to the joy of continuing service to the sorority.

GRAND COUNCIL APPOINTMENTS

HELEN DOUGLAS BRAZIL— PROVINCE VII N COLLEGIATE DIRECTOR

Helen Douglas Brazil, who has been appointed Collegiate Director of Province VII North, is well qualified to fill her new position. For the past two years, she has done an excellent job as membership chairman of the San Jose alumnae, handling recommendations for the Beta Theta chapter at San Jose State College.

Helen, who is a graduate of the University of California at Los Angeles (U.C.L.A.) and a member of Alpha Iota chapter, moved to San Jose with her husband, Dr. Burton Brazil, and four children in 1953, when Dr. Brazil was appointed to the college faculty. Helen's husband is Associate Professor of Political Science, and she is a member of the board of directors of the faculty wives.

Although Helen's responsibilities are numerous, with four young children, Wayne 13, John, 12, Lynn 6 and Ann 5, she finds time for many community activities, also. Since her husband is city major, she is called upon for many outside duties. She sings in the church choir, works with Cub Scouts, Community Chest, Red Cross, and others.

All of the San Jose alumnae are indeed proud of Helen Brazil and are confident that her new responsibilities will be undertaken with seriousness of purpose.

BARBARA PARTAIN— TRAVELING SECRETARY

Soft spoken, but fast moving Barbara Partain will serve Gamma Phi Beta as Traveling Secretary. Pride of her chapter at Southern Methodist University, Barbara was outstanding scholastically as well as in campus activities and honors. She was a member of Alpha Lambda Delta, Panhellenic Council, AWS Council, Kirkos, Who's Who and Mortar Board.

Active in the Student Center, she served as chairman of the Talent committee, a member of the Directorate, and was a delegate to the Region Nine Student Center Conference. She was a Discussion Leader at the 1958 Leadership Conference and was chairman of Religious Emphasis Week in 1958.

At commencement she was given the "M" award, one of 12 graduates so honored.

Her freshman and sophomore years found her holding a University scholarship and in 1956-57 and 1957-58 she was the recipient of the Walter B. and Margaret M. Williams Scholarship.

Barbara's home is in Nashville, Tenn., and she names her special interests as Classical music and modern art.

A Charter, the Crescent and the Golden Triangle

IN A SMALL apartment in Pittsburgh one evening in 1936 a young bride and her husband sat at their kitchen table. Each had a cup of coffee, a pen, and a stack of postcards, and stretching between them was a fairly long list of names—the names and addresses of Gamma Phi Betas in the Pittsburgh area. The young woman was Peggy Jones Powers (Northwestern '33), and the cards she and husband were writing were invitations to the first meeting of Pittsburgh Gamma Phi Beta alumnae.

This same alumnae group was re-activated on April 26, 1958 after a long period of dormancy. The original charter (slightly used-looking and with a few smudges) was presented to the group on this occasion of their second official chartering, and some of the original members (not smudged at all) were on hand to accept it.

When Peggy Powers called the first meeting, ten women responded and met together in her apartment. Peggy was elected president, and the group continued to function and become more active. On January 20, 1940, a charter from the national Gamma Phi Beta alumnae organization was presented to the group.

Violet McElphatrick Frame (Wisconsin '33) and Frances Haller McConihay (Ohio Wesleyan '38) were both active members during this period.

World War II saw a virtual disbanding of the active group. Members moved from the city as their husbands were transferred or joined the armed forces. Finally Frances McConihay was the only one left. Then she and her husband were transferred from Pittsburgh to Columbus, Ohio. Packed in the drawer of a lovely old desk was the Pittsburgh charter—and off it went to Columbus too. Pittsburgh Gamma Phis went off the map!

Frances finds Gamma Phis wherever she may be, and it didn't take her long to become a vital part of Columbus Gamma Phi activities. Shortly after the new chapter house at Ohio State was completed in January, 1956, Carol Ann Vlcheck—Gamma Phi travelling secretary—stopped in Columbus on a visit. She and Frances struck up a conversation, and talk soon turned to Pittsburgh.

"You know, the strangest thing has happened," Carol remarked. "No one can find the Pittsburgh Alumnae charter."

"Well, they just haven't been looking in the right place," Frances countered. "I have it home in my desk drawer."

And with this, the well-travelled charter was transferred again—this time to the Central Office in Chicago.

Meanwhile, back in Pittsburgh the Gamma Phi spirit was beginning to take hold again. Some of the charter members had moved back to the industrial capital; new sisters had become Pittsburgh area residents. In the spring of 1955—thanks to the postcard writing of Betty Jean King Carbeau (Arizona

Pittsburgh alumnae received their old charter back again in a reactivation ceremony on April 26. Shown receiving the charter from Mrs. Edward O. Krueger, Province I Alumnae Director is Lillian Larson Schultz (Ohio Wesleyan and Michigan '47), president of the Pittsburgh alumnae chapter. New Haven Alumnae Chartered

Betty Barich's (Northwestern '42) charming home in Orange, Connecticut, spread open its doors for ten proud alumnae of the greater New Haven area, gathered, with several guests from the West Hartford group, on the afternoon of May 21, to renew our loyalty and pledge again our devotion to our great and growing sorority. Perhaps it was Kay Krueger's coming again all the way from Wynnewood, Pennsylvania, to install us, that drove away the gloom of Spring's many rainy days.

Can there be any experience quite so moving as that one, when, after the years have taken and overtaken us, some earlier, some more recently, out into new and challenging lives, we suddenly find ourselves voluntarily gathering to renew our vows?

To Janet Barlow Webster (Syracuse U. '47) of Woodmont, our existence is in large measure due, for it is she who, since 1956, has laboured to bring into order and organization, a scattered number of alumnae. She has done this with the loyal aid of Betty Barich, who served also as State Chairman, in the interim from March to November, 1957, and who is responsible for bringing our first Connecticut alumnae chapter into being, in Fairfield County.

Fulbright Scholar

Shirley Holcomb (Nebraska '57) is the recipient of a Fulbright scholarship for study at the University of Grenoble in Paris. She will study French language and literature, beginning her course September 30.

A member of Phi Beta Kappa and Phi Sigma Iota (Romance language honorary), Shirley earned a Regents' scholarship for each of her four years at the University of Nebraska. She graduated as a superior student with a major in French and was awarded the Duhamel medal, given annually to the outstanding French major.

Shirley is one of approximately 900 students selected each year by the State Department for Fulbright awards which cover transportation in both the United States and internationally, tuition, books and maintenance. The scholarships were established by the Fulbright Act in the 79th Congress to "increase good will and understanding between the people of the United States and the people of other countries through the exchange of students, teachers, university lecturers and research scholars."

Shirley had served one year as teacher of French and English in the York, Nebraska, high school. Her mother is the former Evelyn Harriss, a member of Alpha Beta chapter at the University of North Dakota

Jacksonville, Florida, Installed

Jacksonville alumnae chapter held its installation of officers on May 12, following a lovely buffet supper at the home of Mrs. Frank Barker. Our guest of the evening, Mrs. M. F. Nimkoff, Province VIII Alumnae Director conducted the ceremony and pinned a pink carnation corsage on the following officers: President, Mrs. Frank Barker (Daryl Stamm, Rollins); Vice-President, Mrs. G. E. Cushing (Diane Plamondon, Rollins); Recording-Corresponding Secretary, Mrs. Robert L. Meeker (Marian Miller, Kansas University); Treasurer, Mrs. William Van Noren (Agnes Gordon, William and Mary). Welcome guests were Alita Tomlinson, Betty Sue Lynn, Betsy Green and Dorothy Bancher, four Beta Mu girls who are doing their teacher internship here in Jacksonville.

Something New Has Been Added

Alpha Phi chapter members and pledges were delighted when their House Corporation Board members presented a large framed sorority crest to them for their recreation room. The lovely crest done in our sorority colors including the pink carnations adds much to the room and harmonizes beautifully in the setting. Printing in the two lower corners tells the date and place where Gamma Phi Beta was founded and when Alpha Phi chapter was installed.

Charlotte Hatchette (Colorado College '55) shared her artistic talent in painting the crest. Her contribution to her chapter was gratefully received by all chapter members.

Charlotte entered Colorado College the fall of '54 and remained for her freshman year. She then transferred to Iowa University where she affiliated with Rho chapter until graduation with a degree in Art in August of 1957. She taught Art in Lake Charles, Louisiana, elementary schools this past year.

Joan, Charlotte's older sister, a member of Alpha Phi chapter graduated from Colorado College, June '57. Her beautiful dancing, interest in art and many college activities brought prestige to Gamma Phi Beta. We salute "the artistic" sisters and thank them sincerely for their contributions given so willingly to Alpha Phi chapter and Gamma Phi Beta. D D D

Proud of the new plaque are housemother, Mrs. Martha Rees (left) and Beverly Smith of Alpha Phi chapter, Colorado College.

(Continued from page 19)

During the summer Grand President Elizabeth Fee Arnold stopped in Pittsburgh and spoke to the group, and by fall there were enough interested members to celebrate Founders' Day with a dessert meeting.

Thus the second charter alumnae group was formed. Because of the crazy-quilt geography of the Pittsburgh area, two groups meet separately—one in the South Hills, one in the North. But they are joined together in one strong-again alumnae organization.

The smudged charter holds a great deal of meaning for Pittsburgh Gamma Phis ("We tried to clean it up with art gum," Mrs. E. L. Hildebrand, national secretary-treasurer and former Pittsburgher wrote when she mailed the charter). A new certificate just would not have symbolized the comeback quality of Gamma Phi alumnae.

The renaissance of Pittsburgh has become an example for the nation—a new city of aluminum, glass, and steel is rising from the near-slums of a smoke-blackened metropolis. In this setting Pittsburgh Gamma Phis hope to set an example for other areas where alumnae have been inactive—a bright crescent is shining again over a new Pittsburgh.

EDITH WELLS SIMONDS (Illinois '49)

History repeats as Ola Bonham Einhouse breaks ground for the new Xi chapter house at the University of Idaho; she played the same role in 1916 for Xi's first house. Pictured are Carolyn Edwards, Xi chapter president in foreground with Mrs. Einhouse. Back row, from left, are William Trogden, architect, Building Supervisor Wedin and Contractor R. H. Sutherland.

It's Building Time in the West!

Ready for occupancy as you read this are two new Gamma Phi Beta houses, one at Moscow, Idaho, for Xi chapter members . . . the other at Pullman, Washington, for members of Beta Sigma chapter.

Moscow alumnae feel it is some sort of record to find that Ola Bonham Einhouse has twice broken ground for a new Gamma Phi Beta chapter house. The first sorority on the University of Idaho campus to build its own home back in 1916, Gamma Phis asked their corporation board president to lift the first shovel of earth . . . that person was Mrs. Einhouse. Again, in March 1958, Mrs. Einhouse, as secretary of the board, broke ground for their new split level house.

If not the first, then surely the most important social event

to be staged in the new house will be Xi chapter's celebration of their 50th anniversary. And you can be sure that Ola Einhouse will be there to give the chapter encouragement and inspiration as they start off on their second 50 years!

April 1 was a happy day for Gamma Phi Betas at Washington State College. Thirty shovel-wielding members of Beta Sigma chapter broke ground that day for their new chapter house. The honor of digging the first shovelful was shared by Mrs. R. D. Tousley, president of the house corporation and Amy Lombard, collegiate chapter president.

Scheduled for completion this fall, the Beta Sigma house will accommodate 50 girls. D D D

Digging in for Beta Sigma's new house at Washington State are Amy Lombard, chapter president at left, and Mrs. R. D. Tousley, corporation board president. Gamma Phis in the background each turned a shovelful before the bull-dozer took over.

Progress Report on Housing

A recent, informal report from Ruth Patterson, International Chairman of Housing says that the chapter houses at San Diego State and Kansas State are both completed. These will be featured in the December CRESCENT.

Due to be finished this month are the houses at the Uni-

versity of Idaho, the University of Texas and at Washington State.

Upcoming in the housing picture are the new homes for Gamma Phi Betas at Indiana University and Colorado State University. D D D

We Salute You!

Cooperation is essential if we are to work together as communities or nations toward better human relations. To find the solution to the problems affecting the welfare of human beings we need keen, alert minds—trained to reason and analyse—and the college or university is equipped to provide this training.

Those chapters in which scholastic achievement is recognized and in which intellectual interest is stimulated, are bringing prestige to our sorority and are an honor to Gamma Phi Beta. Their members, at present effective and responsible students, will continue to grow intellectually and will be among the citizens who contribute to the well-being of their communities and their country.

Outstanding on the campus of the University of North Dakota are these three members of Alpha Beta chapter. Alethe Olson, left, was awarded the chapter's fully-jeweled platinum pin and guard for the second year in a row for the highest scholastic average in the chapter. She was tapped for Mortar Board.

Karen Sethre (center) second highest ranking student in the chapter, was also tapped for Mortar Board.

In addition to being chosen as the third chapter member for Mortar Board honors, DoRae Cougill, at right, was crowned Queen of Armed Forces Day.

Gamma Phi Betas Gain Honors as University of North Dakota Celebrates 75th Anniversary

Alpha Beta chapter added to its list of honors as the 75th anniversary year of the University of North Dakota continued. At the school's annual "Smorgie Banquet" Gamma Phi Beta was announced as ranking second in campus scholarship, and Senior Rebecca Olson was presented with a "Smorgie" trophy for outstanding student activities work.

At our own scholarship dinner freshman Carol Lovegren was awarded a pin-guard for obtaining the highest pledge average.

Alethe Olson, Karen Sethre and chapter president DoRae Cougill were tapped as members of Mortar Board in May.

Queen-wise Alpha Beta is wearing many new crowns. Gayle Goshen was selected by the men of Theta Chi fraternity as their new Dream Girl, and Marlys Waldon was named the new Sweetheart of Sigma Alpha Epsilon. DoRae Cougill was crowned Armed Forces Day queen and Gail Waldon was an attendant to the Military queen, and to the King Kold Karnival queen, as well as being a finalist for several fraternity sweethearts.

Karen Sethre was picked from a wide field of candidates to be the University representative in the Experiment in International Living program. Karen will spend the summer in France living with a French family and traveling for four weeks throughout the country. Karen and Nell Henley were named to the University's governing body, the Board of Governors.

NANCY COOVER, University of Nebraska

Nancy Coover, a member of Pi chapter, has completed her University career in three years, following a high school career of two years. Nancy is a member of Phi Beta Kappa and Alpha Lambda Delta, scholastic honoraries, and Phi Alpha Theta, a history honorary. This year she received a twenty-two hundred dollar scholarship plus tuition from the Woodrow Wilson Foundation. Nancy plans to study at Radcliffe College for a master's degree in English. She is an English and history major. In May, nineteen-year-old Nancy was awarded the C. W. Boucher Memorial Senior Award for the top scholarship at the University of Nebraska. She has an 8.409 average. A nine is perfect.

Lynn Higgins

Nancy Coover

LYNN HIGGINS, University of Toronto

From a campus of 12,000 students, four were selected as representatives to the Brussels Fair. Lynn Higgins, one of the four will spend seven months at the Fair with 27 other Canadian college students. Some of the requirements were high scholarship, ability to speak French fluently and a knowledge of the background of all products displayed at the Fair. Canadian delegates receive \$100 per month plus all expenses.

Lynn held a scholarship throughout her college career, maintaining an A average. She had to write her exams early, even before some of the courses were finished, in order to make the trip abroad.

Her mother, Isabelle Higgins and sister, Ann H. Patterson, were both members of Alpha Alpha chapter.

AVERILL ILIFFE, University of Manitoba

The presentation of the Minerva trophy to Averill Iliffe symbolizes her presidency of the Women's Association of the University of Manitoba. As such, she will organize all women's activities on campus and serve as one of a seven member Executive Board of the Students' Union.

Averill Iliffe (right) accepts "Minerva" trophy from outgoing president, Roberta LeBourveau, a member of Pi Beta Phi.

JEANNE KAY JOHNSTON, University of Illinois

A June graduate, Jeanne Johnston compiled a scholastic average of 4.76 out of a possible 5.0, was elected to Phi Beta Kappa, Phi Kappa Phi, Sigma Delta Pi (Spanish honorary) and has been a member of Alpha Lambda Delta, Shi-Ai, Torch, Mortar Board. She received the Scholarship Key from the University and won the University Spanish Poetry prize.

Far from being a book worm, Jeanne has been active in University Theatre, Mask and Bauble, Panhellenic Council and Campus Chest. She likes to swim and bowl and is especially efficient in handicrafts. She spent the summer at College Camp, Williams Bay, Wisconsin, as arts and crafts assistant. In September she begins graduate work at Illinois and has an appointment as a teaching assistant in the Spanish department.

JACQUELYN CURTI, University of Nevada

Delegate to the National 4H Club Congress in Chicago, Jacquelyn Curti was one of 19 members sent from the state of Nevada. She was selected for having the best foods project.

SUZANNE RAY, Southern Methodist

Suzanne Ray, who is a senior member of Gamma Phi at SMU, was elected by popular vote of the students enrolled in this year's summer school terms "Miss Summer Campus of SMU." Suzanne won over five other girls. The contest was based on beauty alone. Suzanne is an art major and is extremely interested in fashion. She is the chairman of the Student Center fashion committee. Suzanne spent her freshman and sophomore years at Stephens junior college.

Suzanne is Standards chairman of Alpha Xi, and was one of the ten Rotunda beauties last spring. She is a professional model, and models for Neiman Marcus Stores in Dallas.

Kathleen Dean Krueger *(Continued from page 10)*

voted to leadership in other women's organizations, she accepted appointment as Province I Alumnae Director, July 1, 1957.

Kay's vitality and high enthusiasm for anything to which she devoted her efforts, beautifully qualified her for this work. She attacked any project with vigor, her talents for organization and her tact in working with people always leading to success. She will be missed greatly in Province I and by all Gamma Phi Betas who called her sister.

Ghost Trails to Ghost Towns

(Continued from page 14)

to see a Ghost Town is to look for the Ghosts who haunt it—to rub shoulders with the past."

The book has met with great success throughout Colorado; a second printing was required within two weeks after its publication. So far "the pair" have given 28 reviews of the book and both insist that they aren't quite talked out yet!

Wanetta's home activities are demanding of her time but her friends know that her family does things together. Wanetta's husband, Dr. Paul Draper, neuropsychiatrist has a private practice in Colorado Springs and is director of the Cerebral Palsy Center. Dr. Draper is a graduate of Indiana University School of Medicine, class of 1925. They have three children; Paul age 17, Sandra age 15 and Brad age 12.

Inez Hunt is the wife of Nelson Hunt, inventor (and fisherman). She is known for her professional book reviews as well as her poetry. Inez recently won a state-wide contest, sweepstakes award, as well as several honorable mentions. She is a graduate of William Woods School.

New Haven Alumnae Chartered

(Continued from page 19)

Today we feel proud that it took but two previous meetings—the first held with this writer as hostess, on Whitney Avenue, in New Haven; the second with Hazel Campion (Wisconsin '47) of Hamden, to bring Kay Krueger back with our impressive charter, which Dorothy Nowotny Boehm (Oregon State) proudly carried home.

Deep meaning—perhaps in some ways even deeper—comes after the college days, into every mystic circle that links memories, love, and hope for future years, for ourselves, and for Gamma Phi Beta. It can be only a wonder to us, ten, why so many clubs remain to be formed or chartered—why so many of our Gamma Phis have not yet found one another. We, in the greater New Haven area will gladly welcome any new members. Mrs. Roland Webster and Mrs. Joseph Boehm of Cheshire will gladly arrange for their affiliation. Mrs. Webster may be reached at 26 New Haven Avenue, Woodmont, Connecticut, and Mrs. Boehm in Cheshire.

I have mentioned only four. But we have, also, Anne Hershey Ockert (Northwestern '47) of Hamden; Evelyn Burcharth Spencer of Middlebury, Connecticut; Nadine Wyth Lush (Syracuse); Marian Finkelde Goetsch, Woodbridge, Connecticut, and Elizabeth Butler Vancisin (Iowa State), Branford.

Creed of Gamma Phi Beta

Gamma Phi Beta from the past has given
A heritage that makes a fuller life.
Gamma Phi Beta in the present bids
Us strive for lasting values and ideals.
Gamma Phi Beta in the days to come
Will prove that fundamentals can endure.
Therefore we shall embody in our lives
The truths that make for finer womanhood.

Once more we pledge a *loyalty* that means
Adherence to all true and noble things;
A *learning* that enriches all our days
With magic gold that is forever ours;
A *labor* that each hour will glorify
The simple, common task, the common cause;
A *love* that will be strong and great enough
To compass and to pity all the world.

Love, Labor, Learning, Loyalty—Our Creed

I will try this day to live a simple, sincere and serene life, repelling promptly every thought of discontent, anxiety, discouragement, impurity, self-seeking; cultivating cheerfulness, magnanimity, charity and the habit of holy silence; exercising economy in expenditure, generosity in giving, carefulness in conversation, diligence in appointed service, fidelity to every trust and a child-like faith in God.
