Creed of Gamma Phi Beta

Gamma Phi Beta from the past has given
A heritage that makes a fuller life.
Gamma Phi Beta in the present bids
Us strive for lasting values and ideals.
Gamma Phi Beta in the days to come
Will prove that fundamentals can endure.
Therefore we shall embody in our lives
The truths that make for finer womanhood.

Once more we pledge a *loyalty* that means
Adherence to all true and noble things;
A *learning* that enriches all our days
With magic gold that is forever ours;
A *labor* that each hour will glorify
The simple, common task, the common cause;
A *love* that will be strong and great enough
To compass and to pity all the world.

Love, Labor, Learning, Loyalty—Our Creed

I will try this day to live a simple, sincere and serene life, repelling promptly every thought of discontent, anxiety, discouragement, impurity, self-seeking; cultivating cheerfulness, magnanimity, charity and the habit of holy silence; exercising economy in expenditure, generosity in giving, carefulness in conversation, diligence in appointed service, fidelity to every trust and a childlike faith in God.

Meet The Presidents!

It's unusual when two sisters serve as presidents of Gamma Phi Beta chapters at the same time. It's in the "believe it or not" category when mother holds a presidency too! But it all happened to the Urschel family of Bowling Green, Ohio. Mrs. G. Kenneth Urschel is president of the Bowling Green alumnae chapter; San, at right, is president of Beta Gamma chapter at Bowling Green State University and Jane is president of Beta Delta chapter at Michigan State College.

Kent State University . . . Young And Growing Fast!

KENT STATE UNIVERSITY has undergone several important changes since it was established a quarter of a century ago as an institution for training teachers. The university is on a beautiful campus of more than 100 acres. Most of the buildings are arranged in a semicircle near the crest of a wooded hillside, from which one looks down upon the city of Kent and the surrounding country. While the university is within walking distance of the main business district of the city, it is sufficiently removed to provide the quiet necessary for study. Kent is near enough to great urban centers to permit students to take advantage of the cultural opportunities which they afford. Administrative divisions now include the Graduate School and three undergraduate colleges—Education, Liberal Arts, and Business Administration. The quarterly enrollment is over 5,000.

After the last world war, our far-sighted president, Mr. George Bowman, started on an extensive expansion program. Within the last few years the university has seen the erection of five new buildings. Stopher Hall, named for the late registrar of the university, Emmet C. Stopher, opened for the fall quarter, 1941. It has 135 rooms and began the year with 270 residents. One of the most modern institutions of its kind in the state, the Student Health center was opened in the spring of 1941. Here the students receive expert medical care administered by a professional staff. The new H.P.E. building is the pride and joy of the students at Kent. It has a vast gymnasium and also has a beautiful new pool. Here in the gym the 1951 Homecoming Dance was held. The pool was the scene of a delightful ballet sponsored by the Swimming Club. An unofficial ground-breaking ceremony on October 13, 1949, started work on the new Practical Arts building which will house the school of Art and the Industrial Arts department. Open for inspection in December and officially at the beginning of the winter quarter, 1950, the new student center replaced the old "temporary" Hub. Some of the attractions include a soda fountain, lounge, ballroom, check-room, oversized juke box, game room and a centrally controlled loud speaker system.

There are seven national fraternities and eight national sororities on Kent State's campus. All the Greeks are hoping for an addition of a fraternity row and a sorority circle to complete the unity of their groups.

Although a comparatively young school, K.S.U. has its share of traditions, and students cherish memories of Homecoming with its Queen and trophy for house decoration, the All Greek, Pork Barrel, Penny Carnival, which Beta Zeta has won for three years in a row, Campus Day and Rowboat Regatta. Gamma Phi Beta also contributes her bit to the tradition on campus by annually sponsoring the May Day Relays.

Football, basketball, baseball and track catch the interest of many students, especially when the football games have the added attraction of Kent's much acclaimed Twin Marching Bands.

Kent State has a club or honorary for students in almost any field. To mention a few—Alpha Psi Omega for those whose fancies are to be found on the stage, Psi Chi for the students who are interested in Psychology. H.P.E. club boasts most of Kent's athletes while the Home economics club prides itself in its future homemakers.

Beta Zeta's chapter activities include rush parties in October when we entertain prospective pledges with our pirate party, minstrel show, Heaven and Hell party and the final formal fete. Each year the Gamma Phi Betas have a pledge dance which honors the model pledge and also the scholarship pledge. In

McGilvrey Hall on the Kent State campus

the Spring we have another formal to do honor to the King and Queen of the chapter. In the Spring also, graduating seniors are honored at a Senior Farewell Banquet. This event usually ends in a general dip in Brady Lake.

Beta Zeta is proud of the fact that she was the first national chapter installed on the Kent State campus. Miss Laura E. Hill, alumna, is our advisor. D D D

DOROTHY RAHE
Beta Zeta

Sandi-Jo Kohls served as vice-president of the sophomore class at Kent State University. She is secretary of the Booster Club and serves as women's director at radio station WKSU on the campus.

Portraits For Phi Delta Theta

SEVERAL months prior to her wedding Nancy Wilterding (U. of Wisconsin '50) endeared herself to Phi Delta Theta General Headquarters by presenting to the fraternity portraits of two men who were outstanding in Phi Delt history—two men known as Phi Delt's "Second Founders."

Walter B. Palmer graduated from Vanderbilt in 1877. He was President of the General Council from 1896 to 1898; the author of the *History of Phi Delta Theta* and the *Manual of Phi Delta Theta*, first three editions; and Editor of the *Scroll* from 1883 to 1884. George Banta, the second of four generations of Phi Delt, was graduated from Indiana in 1876. He was the first President of the General Council in 1880; the editor of the fourth and fifth editions of the *Catalogue of Phi Delta Theta*; and the Founder and Editor of *Banta's*

Walter B. Palmer, above, president of Phi Delta Theta's General Council from 1896 to 1898.

George Banta, first president of Phi Delta Theta's General Council in 1880.

Nancy Wilterding Davis in a characteristic pose.

Greek Exchange, 1912-35.

Nancy is the daughter of Phi Delt John Howard Wilterding and Mrs. Wilterding of Menasha. She was introduced to Fox River Valley society at the 1943 North Shore Assembly ball. During her studies at Wisconsin Nancy majored in English with minors in Science, History, and Art. Art has been a hobby with Nancy and since her graduation she has done a good deal of painting. In her junior year she did art work for *The Badger*, Wisconsin's yearbook. All through the University Nancy handled much of the decoration for Gamma chapter's parties.

On June 14, Nancy temporarily traded her palette for point d'esprit and became the bride of Robert Chenault Davis, a graduate of Carleton College.

Gamma is proud of her artistic graduate and points with pride to the two portraits which she so graciously presented to Phi Delta Theta.))))

Skyway Stewardess

A GAMMA PHI BETA from the University of Wisconsin is helping celebrate the 21st anniversary of airline stewardess service this month by taking to the skyways with United Air Lines. She is Patricia Ewell, who graduated from Wisconsin in 1947.

The new sky girl has been assigned to United flights at Denver following completion of training at the airline's special school, Cheyenne, Wyoming. Miss Ewell received a B.A. degree from Wisconsin in 1947, an M.A. degree in 1948. She then taught for a year at the University of California and was with a secretarial service in Madison, Wisconsin, before taking to the air.

Gamma Phi Betas Aid Arizona Children's Colony

GAMMA PHI BETAS of the Tucson alumnae chapter presented a check this summer to the board of directors of the Arizona Children's Colony to aid in the building of a new state home for mentally deficient children.

The Colony home will be completed this fall, and is located between Tucson and Phoenix. It will have an opening capacity for 252 handicapped children, with increased facilities to be added in the future.

The alumnae chapter raised funds by sponsoring a softball game between the A-1 Queens, nationally famous women's team, and Hall Insulators, a local men's team.

Mrs. W. C. Hatcher, general chairman of the project, remarked, "It is a good feeling to know that Gamma Phi Beta has had a part in helping such a vitally important service to humanity get started in our own state."

In addition to the Tucson alumnae aid to the Children's Colony Home, they have given financial aid to Gamma Phi Beta's own camps for underprivileged children and to the local Y.W.C.A. and Girl Scout camps.

Committee members of Tucson alumnae chapter discuss benefit softball game, proceeds of which helped build the Arizona Children's Colony. Left to right are Mrs. Gilbert Hesper, Mrs. Edward J. Russell, Mrs. Dean Tillotson, Mrs. Ruby Warren Newby and Mrs. W. C. Hatcher, general chairman of the benefit game.

Berkeley's Captain Harrington Recalled to Active Duty

THE MEMBERS of the Berkeley alumnae chapter are very proud of the accomplishments of Betty Harrington (U. of Cali-

Betty Harrington, University of California '41

fornia '41), now Captain Harrington, of the Wacs. Betty, who was recently recalled to active duty, has a wide variety of Army experience to her credit, much of it as a company officer.

She entered the Women's Army Corps in October, 1942, at Oakland, receiving her commission in December of that year. Her initial assignment was as a photographer at Fort Des Moines, and she later went to the second Wac training center at Daytona Beach, Florida, as a basic training officer. Next came company duty and eventual assignment as Public Relations Officer at Moore Field, Texas.

In 1944 Betty was flown to London as an Aerial Photographic Interpreter with the Eighth Air Force. She also served in Paris, Frankfurt, and Prague with Headquarters, European Division A T C, part of which service was a company Commander.

On March 19 of this year Captain Harrington took over as chief in command of the entire Wac Detachment at Camp Stoneman, California. Betty left by air on the nineteenth of July to attend a conference of Company Commanders at Camp Lee, Virginia returning ten days later to Camp Stoneman and her command.

Women in a Democracy

On The Education Of Women

By Dr. George D. Stoddard

President of the University of Illinois

I DO NOT wish to speak in general of women in a democracy, but about the education of women in the United States.

All our women's colleges have had an exciting career, especially in the early days of their founding. They were in part a protest against masculine domination in the world of the intellect and in the remunerative world of the vocation or profession. The early educational leaders demonstrated that women could succeed in practically any college course. They fought this battle and they won it.

Women as a group *can* do almost anything; the question is, What do they want to do? The answer is clear. Eighty percent of American women want to become homemakers on either a part-time or full-time basis. This is a phenomenon which has passed almost unnoticed by the women's colleges and has received inadequate attention from coeducational colleges. If a young woman wants to enter a special field, she will find a special curriculum. Generally it is well suited to the professional outcome. But if she has no special vocational interests, she is likely to be shuttled from one department to another, pursuing finally a fragmented course of study of slight interest to any serious person.

Accordingly I have proposed a plan for the education of women through which we get far beyond miscellaneous subjects augmented by a standard one-semester course in child psychology.

In outline form the new curricular choices which I have laid out look like this.

- I. *General education*
 - (1) Natural science
 - (2) Social science
 - (3) Humanities and arts
 - (4) Recreation
- II. *Home education*
 - (1) Health and hygiene
 - (2) Child development
 - (3) Special applications (I) to home and community life
- III. *Women's career majors* (added to (I) and (II) in a 4-, 5-, 6-, or 7-year program)
 - (1) Teaching (classroom, special, and clinical)
 - (2) Home economics, including applied arts
 - (3) Physical education
 - (4) Social welfare
 - (5) Nursing
 - (6) Occupational therapy
 - (7) Secretarial services
- IV. *Men-women career majors* (added to (I) and (II) in a 4-,

5-, 6-, or 7-year program—essentially all other majors)

V. *Preprofessional and professional curricula* (as for men, with the insertion of (II) in the first four years)

Now I know that much of this curriculum should be taken by men as well as women, but I think the start must be made by women. It is not *my* predisposition which says that women shall be concerned with child development, with community life, teaching, nursing or social welfare. As far as I am concerned

women may become the bright and shining mathematicians of the world.

(Enough women do this to indicate that it could happen on a larger scale if women's personal and social interests would permit it.) What we run into—and it needs further testing—is a rather solid choice on the part of women that cuts across national cultures, indicating that they do prefer the social, the personal and the creative to the more abstract forms of logic.

Of course it may be argued that women do not care for a balanced program, especially if it contains a heavy ingredient devoted to education for the home. This I do not take to be a fundamental objection. They may not like it because they have not experienced it. As I have said (*On the Education of Women*, pp. 59-60)

"When women say they do not care for college work in family life, they are saying they do not wish to get prepared for the vocation of homemaking which most of them will follow. Not to like such educa-

tion is not to like preparation for a life work. I do not question their dislike or the possible irrelevance of given courses to later responsibilities; I respect the soundness of the tradition which points them toward a liberal education. What we should do is analyze the dislike. Is it anything more than an undercurrent of fear that the homemaking sought will not be achieved, and hence it ought not to be openly prepared for? Is it an acceptance of the halo effect about liberal courses and a complementary derogation of what is fresh and almost too close to life? Does any one think that family life reduces curiosity or dampens interest in ideas? Rousseau may be disturbing, but is he less rewarding than Vergil? If, on the other hand, we wish to compare curricula at the lowest common denominator, let us compare classical *grammar* with 'food preparation' or 'textiles.' It is only when we move toward the intellect-arousing qualities of knowledge in any field that we arrive at new equations, and they will balance. To the alerted mind, the fleeting reflexes of the newborn infant will carry as much weight in understanding life and human relationships as philosophic questions brought to us through cultural channels."

Doubtless some women educators will continue to fight against this trend of the times in higher education. Perhaps it is the struggle that precedes conversion. Who knows? D D D

A Teacher Reports From Occupied Japan

Billeted with other teachers in the Yamamoto Hotel in Fukuoka, Japan, Gwen Shepherd (University of Texas) relates highlights of her sojourn in the Orient. Her personal observation of Japanese reaction to the occupation is that they are adaptable, alert and eager to learn the American way. As to re-arming Japan, she feels they should be prepared to defend themselves, and hopes they will fight with the United States.

LAST May I received my appointment as a secondary teacher in the dependent schools of the Japan Logistical Command and was granted a leave of absence from the San Antonio Independent Schools for the duration of the service.

Although there was some doubt after the war in Korea developed that my plans could proceed as scheduled, they did. I sailed from Seattle on the U.S.N.S. *Fred C. Ainsworth* August 17 and docked at Yokohama August 29. The school officials came aboard there and gave out the assignments. I learned that I was to be stationed in Fukuoka on the southern island of Kyushu and immediately boarded the train for Hakata Station.

As we came all the way across southern Honshu and through the sixteen mile tunnel to Kyushu, I admired the miniature hills, valleys, sea shores, shrines, villages, and cities which could be glimpsed from the train window. It was the green season for rice. They use land in the most artistic and skillful manner. Few fields are laid out in any sort of regular pattern; they follow the natural lay of the land and present a most pleasing aspect. The ravines are beautifully cultivated terraces. There are no weeds, no left-over ugly places. It is contour farming to the Nth degree of artistry. The homes, however, present a drab appearance to the newcomer as they are not painted. The villages are teeming with busy little people scurrying about on their "getas," and umbrellas are much in evidence on rainy or sunny days.

Fukuoka, the largest city on the island, with a population of around four hundred thousand, is fairly typical. Large sections destroyed by bombs are being rebuilt slowly. The Fukuoka American High School, a three-story brick structure which was originally the Education Building of this prefecture, is located in the center of town. It was used as a barracks for the 46th Battalion of Engineers until they left for Korea in July. There are around seventy students enrolled. Some live in Japanese

housing areas here in town; others come from Camp Hakata and from the Itazuke Air Base nearby.

We are swamped with Japanese visitors. We admit as many as we can; hundreds more would like to come. They ask question after question about American democracy and education. Last week we had three groups of twenty-five. The week before a group of high school students from Kurume, a nearby town, visited the same class. How I wished to be an example of a model American teacher in action! However, I was proud of the students; they presented an excellent panel discussion of the fundamental principles of democracy.

As for the Japanese attitude toward the occupation, my impression is that it is practical and very realistic, which is characteristic. They are not brooding and resentful; they are alert and grasping the opportunity to gain all they can from the experience. They are curious to know what America has to offer and they want to assimilate it. They are clever people and can make any adaptations they find feasible to fit their need. They are making an effort to overcome the language barrier. Children greet Americans on the street with a shy "halloa." They are learning English in elementary schools. They want pen pals; they are pleased to find that American boys and girls have the same interests as they. Many college students would like to attend school in the United States.

Are we making any effort to learn the Japanese language? Only the missionaries.

I hope we are not so busy improving Japan and gloating over our material blessings at home that we are neglecting the opportunity of learning what we can from them. There is no doubt that they have a great deal to contribute to the world. D D D

Gamma Phi Beta Memorial Fund

IS THERE a Gamma Phi Beta today who hasn't heard of Lindsey Barbee and Lillian Thompson? They are like beacons along the road of Gamma Phi Beta history—each shining with her own distinctive brilliance—each pointing the way to a finer future in Gamma Phi Beta for those who follow.

Lindsey, with her sparkling wit, her gracious leadership and her great literary abilities, was a personality not soon forgotten. Even at her last international convention at Glenwood Springs, Colorado, in 1950, she radiated enthusiasm and interest in Gamma Phi Beta. The Lindsey Barbee Fellowship Fund was particularly dear to her and she had a long chat with Pat Moses Smith of the Endowment Board about the award announced at the convention.

Lillian Thompson—tiny, dynamic, gay and friendly—this other past Grand President of Gamma Phi Beta sparkled with personality to the very last. Westchester (New York) alumnae will remember her stirring report of the St. Louis convention, and her enthusiasm for expansion as she attended one of her last alumnae meetings in Larchmont. Gamma Phi Betas everywhere will remember her many years of service to the sorority and her deep interest in National Panhellenic.

It is particularly fitting that these two great Gamma Phi Betas be the first to be honored in the establishment of the Gamma Phi Beta Memorial Fund. For many years it has been suggested that such a fund be established so that members of the sorority and their families could express their sympathy and affection at the time of death, in a tribute more lasting and significant than flowers. Grand Council of Gamma Phi Beta has now established such a fund to further the growth of the sorority and to carry on the work which these women shared with such devotion.

Contributions to the Memorial Fund will be handled by the Endowment Board, and announced and acknowledged by the Board. Grand Council has voted to contribute a total of \$150.00 to the Fund: \$75 each in memory of Lindsey Barbee and Lillian Thompson. Many other contributions already have been received, including gifts from Alpha Phi chapter, Tau alumnae of Denver, and Denver City Panhellenic Council. All Gamma Phi Betas wishing to give an enduring remembrance in memory of Miss Barbee or Miss Thompson (or other Gamma Phi Beta) may fill out the following form, attach their contribution, and mail to The Memorial Fund, Gamma Phi Beta Central Office, 53 West Jackson Blvd., Chicago, Ill. » » »

Student Body President Is Gamma Phi Beta

Dorothy Wagoner presides over student government meeting, at Idaho State College, where policies on student affairs are decided and recommendations made to college officials.

WHEN Dorothy Wagoner (Beta Iota) was elected president of the Idaho State College Student Body, she became the first woman to hold such an office in a coeducational school in the United States.

Dorothy was well prepared for her position, as she had served as secretary of the Student Body in her sophomore year and

was Women's Representative in her junior year.

A charter member of Beta Iota chapter, Dorothy was secretary of her freshman class, a member of Spurs, Octagon, junior women's honorary, AWS council, and the Chemistry Association. Last spring she was awarded the Business and Professional Women's Scholarship of \$100 at tapping ceremonies. D D D

Vanderbilt's "Sister Casey"

Alpha Theta at Vanderbilt is proud of its vice-president, Evalina Casey. Sister Casey, as she is affectionately called by Alpha Theta members, is one of Vanderbilt's most outstanding activity girls. She has been elected to the Women's Student

Government Association, the Student Christian Association General Cabinet for two years, and as an alternate cheerleader on the Vandy squad for two years. Moreover, she holds offices in two major campus organizations—Junior Athletic Association of Vanderbilt University of which she serves as treasurer, and the Advisory Council in which she wields the gavel. She also served on the very select Honors' Day Committee.

Sister Casey works on the *Commodore* and *Hustler* staffs—two campus publications, the annual and weekly newspaper. Her picture appeared in the beauty section of the *Commodore* and she also graced the United Nations float and Alpha Theta's Homecoming float. She was a member of the Junior Prom Court and was one of four finalists for Sweetheart of Sigma Chi. D D D

Set Scholastic Record At University Of Iowa

OUT WHERE the tall corn grows, Gamma Phi Betas have set quite a record . . . they made the highest grade point average last semester of any sorority in Iowa University's history.

The record is even more impressive when one reads this quote from the *Des Moines Register*. "There is a fierce scholastic battle among the sororities, apparently occasioned by the spectacular leap of the Gamma Phi Betas from twelfth scholarship ranking to first place within a year."

Determined to come out of the basement, Rho chapter members put on a real drive for better scholarship, with strict regulation of quiet hours and tutorial assistance for those who needed it. They credit their success to the fact that each member was made to feel a personal responsibility for improving her own scholarship.

Announcement by Miss Helen Reich, Panhellenic advisor at Iowa, that Gamma Phi Beta was in first place was made at the Province conference. As the *Register* put it, "The Gamma Phis are more excited than if one of their number were chosen Miss America."

Iowa Gamma Phi Betas brush up for exams as they battle to uphold their first-place ranking. Left to right, they are, Mary Lou Martensen, Jane Ann Jackson, Marianne Boling, Janet Bridges, Barbara James and Jane Milow. (Photo—Courtesy Des Moines Register.)

Canadian Members Combine Education And Vacation

EDUCATION took a different form this summer for Alpha Lambda (U. of British Columbia) members, Willa MacKinnon (left) and Susan MacKenzie, who joined a student tour to view historic points of Great Britain and the continent. Miss MacKinnon has been taking post-graduate work in social work at University of B.C. and Miss MacKenzie will enter her third year this fall.

Miss MacKenzie is the daughter of Dr. N. A. M. MacKenzie, president of the University, who received an honorary degree this summer at the fifth centenary celebration of Glasgow University in Scotland. D D D

The American Association of University Women

announces

The Gamma Phi Beta Lindsey Barbee Fellowship in Social Work

The Gamma Phi Beta Sorority has made the Committee on Fellowship Awards of the American Association of University Women the committee of award of the Lindsey Barbee Fellowship in Social Work, of the value of \$1,000. Applications for the fellowship, to be awarded for the academic year 1952-53, are due on December 15, 1951.

Women applying for the fellowship must be graduates of colleges of recognized rank, and should have done advanced work in preparation for the profession of social work. Preference will be given to the candidate who is completing work for the master's degree. However, the Committee will make the award to the most promising candidate regardless of the status of her graduate work.

It is understood that the Fellow will devote herself entirely to preparation for the profession of social work in a graduate school of recognized standing.

A personal conference between the candidate and a member of the committee, or one of the members of the American Association of University Women appointed to interview candidates, will be arranged wherever it is possible.

Requests for the application forms and directions for applying for the fellowship should be addressed to:

Secretary, Committee on Fellowship Awards

Gamma Phi Beta's 1952 Convention

Hotel Del Coronado, San Diego

ARE YOU a convention veteran? Or a novice, thinking hesitantly of making Gamma Phi Beta's 1952 gathering your first venture?

There's a special spirit to Gamma Phi Beta conventions that leaves you more aware of the past and the future. That gives you extra stimulus for doing your present share. You participate in ceremonies honoring those who have lived in the past, you rejoice in our present. And you plan for our continued and increasing strength. Few places could be better suited for this than Hotel del Coronado.

The minute you step off the ferry (which carries you from San Diego to Coronado) you feel yourself in a spot apart from everyday. And when you glimpse the hotel your feeling is enhanced. From its turn-of-the-century towers and its dignified, high ceilinged old dining room to its modern swimming pool and tennis courts, it reminds you that for over 60 years it has catered to the comfort and delight of visitors seeking to get away from humdrum living and develop a new perspective. The past and the present meet here as you want them to meet at your convention.

If it is escape you want, you might slip down to the boathouse and set out for a small sail in one of the rainbow fleet. If it is glamour and romance you seek, you'll find them in moonlight strolls on the terrace where memories of generations of laughing families, gay courting couples or whispering honeymooners linger. Or you might go to your room and look out across the Pacific, or down into a semi-tropical patio filled with palms and

vivid flowers.

While you are here you will also want to wander through San Diego's older sections, where early California history speaks to you in buildings, monuments and missions. Or take a look at the serene beauty of Balboa Park, the wonders of the zoo which draws as many adults as children.

Despite your preoccupation with convention and history, you won't be able to forget the present completely, for the fabulous, land-locked San Diego harbor is almost sure to be filled with the latest and most imposing models of war ships, vessels just home from or about to set out for the far ports of the world.

Just a few minutes' drive to the south is gaudy, noisy Tijuana, a typical Mexican border town where you can watch a jai alai game, admire frowzy but appealing burros, stumble over playing Mexican children. In the shops you will find everything from wonderful leather bags and lush woollens and hand hammered silver to the flimsiest of souvenirs whipped up for the sake of those with an idle dollar to spend.

Plan now to visit Coronado next June. The climate is bound to be a joy, for San Diego boasts the most even one in the country. Join hands with sisters from every chapter. Make quantities of new friends, renew old friendships in the peaceful yet stimulating atmosphere of a spot in which old California and today's bustling new California meet.

Make June, 1952 the month in which you fare forth on a brand new voyage of adventure, with Hotel del Coronado your goal, just over the horizon. D D D

Mrs. John M. Curtis, International Chairman of Expansion, presents the charter for Beta Xi chapter of Gamma Phi Beta to Connie Wall, chapter president. Seated are, left, Mrs. John Hoffhine (Northwestern '38) who served as toastmistress at the banquet and Mrs. Stuart K. Fox, International Chairman of Provinces.

DURING the last weekend of April, the Gamma Phi Beta chain was lengthened to include charter members of Beta Xi chapter on the campus of Ohio State University. The forging of these additional links was begun in the spring of 1950 when Mrs. W. A. Owen consulted University officials and set up the house board. In the fall seven on-campus members of Gamma Phi Beta, assisted by Mrs. Stuart K. Fox, Mrs. James Baldwin, Barbara Blair, our graduate student counselor, Ruth Wood, Mary Jane Hipp, Barbara Baldwin and the Columbus alumnae chapter, began the active work of colonization. Help in rushing was given by Bowling Green, Ohio Wesleyan, Wittenberg, Michigan, Kent State, and Northwestern chapters, and interested alumnae came from as far away as Chicago and Cleveland for rush parties late in October. Rushing results? Eighteen new pledges then and eight more during the year.

Columbus alumnae members loyally supported the active chapter: Mrs. Charles Martin, Jr., as president of the house board; Mrs. Keith McClatchie, Mrs. Harry Phillian, Mrs. Robert Wade, Mrs. W. B. Sisson, Mrs. F. G. Campbell, all house board members; Mrs. Homer Smart, as alumnae advisor and chairman of the recommendations committee; Miss Sue Ramsey, as alumnae president; and Mrs. John Gardiner, as chairman of the installation reception.

Because OSU is made up of ten colleges and a graduate school, its campus is a vast, busy, and beautiful one. Beta Xi chapter became the twenty-third group to affiliate with the very active campus Panhellenic which is ably directed by Miss Aileen Brown, the Panhellenic Advisor to the Dean of Women. In many ways she has been of great help to the new group but particularly through her work in the Fraternity Managers Association, an organization which enables fraternities to fill most of their house supply and service needs at wholesale prices. Barbara Blair and Barbara Baldwin were the Gamma Phi Beta representatives on the Panhellenic Council.

While there is no official fraternity row at OSU, the houses are located on the avenues radiating from the campus. The Gamma Phi Beta house, which accommodates twenty girls, was ready for occupancy at the beginning of the spring quarter. Its deep green walls and woodwork, white draperies, modern blonde-wood furniture, and some indescribable charm, give it

Beta Xi Chapter Installed

the atmosphere of a happily-lived-in place. Thanks go to the Columbus alumnae chapter for decorating and furnishing the house, especially to Mrs. Phillian and Mrs. Wade (and their husbands!). The chapter is presently remodeling a part of the basement for a chapter room.

With the exception of the banquet, all installation events were held in the house. These began with the pre-initiation service at midnight of April 27. Alpha Nu of Wittenberg was in charge of the initiation rites, conducted by Carol Unger, AN president, with Mrs. John M. Curtis, Chairman of Expansion, pinning each of the initiates. A model chapter meeting followed initiation.

For the evening event, the scene changed to the candlelit and carnation-decorated Patio Room of the Fort Hayes Hotel. Here seventy Gamma Phi Betas, representing twenty-six chapters, gathered for a formal banquet. Here Mrs. John Hoffhine with a military salute greeted the top brass. She then proceeded to describe and present the various parts of a Gamma Phi Beta car (which miraculously was void of nuts and bolts): the steering wheel (Mrs. Baldwin, Director of Province II East, who read telegrams from alumnae chapters from Florida to Hawaii); the wheels (Greek letter chapters); the brakes and gears (Mary Jane Hipp, Travelling Secretary, who read greek-letter chapter messages from Alpha to Beta Nu of Vermont and from eastern Canada to California); the fenders for guarding and protecting (Barbara Blair, chapter student counselor, who introduced the new initiates, the loveliest fuel one can imagine for our car, and presented each with a pink carnation corsage); the engine, for spark and power, and the inner workings (Mrs. Fox, who read personal greetings from Council officers and in an inspiring manner reminded us all that our motor would function most efficiently if its parts were love, labor, learning and loyalty); and finally the lights (Mrs. Curtis, who presented to Connie Wall, chapter president, the charter for Beta Xi chapter). Barbara Baldwin, supervisor of installation affairs, acknowledged the gifts which had been sent by individuals and chapters. From Grand Council came a beautiful engraved silver tray.

Gamma Phi Beta was welcomed to Ohio State University by Dean Christine Conaway, left. With her are Mr. L. G. Balfour and Miss Aileen Brown, assistant Dean of Women.

At Ohio State University

On Sunday morning the new chapter members and some of the Greek-letter members from visiting chapters attended Indianola Presbyterian Church for the student session.

On Sunday afternoon the chapter house was open to guests. In the receiving line were Miss Wall, Mrs. Fox, Mrs. Curtis, Miss Brown, Dean Christine Conaway, Mrs. Margaret Stein (house mother), Miss Ramsey, Mrs. Paul Schofer (Secretary of Province II), and Mrs. Baldwin. Again friends came from miles around to give best wishes to Beta Xi members and to be received most graciously by them.

Not only can Beta Xi chapter boast of charming hostesses, it has leaders in campus affairs: Joyce Chase in YWCA and WSGA; Joan Gardner in Swan Club (swimming), WSGA, Freshman Council, YWCA, Mid-Mirrors (Freshman women's activity organization), and she was editor of the Baker Hall newspaper; Cathy Duvall in Strollers (dramatics), YWCA, and on the *Makio* (yearbook) staff; Connie Wall in Swan Club, Mid-Mirrors, WSGA, and Alpha Lambda Delta; Connie Webster in Strollers and Links (Sophomore honorary); Susan Scott in YWCA, Home Ec. Club, Mid-Mirrors and WSGA; and Janet Hutchinson in Mid-Mirrors, WSGA and the Pen and Brush Club.

As the sixth chapter in Ohio, Beta Xi can know it will grow among friends. And to all those older links in the chain, our newest and youngest chapter can be an inspiration. D D D

Welcoming guests at the Sunday afternoon reception were, left to right, Mrs. Paul Schofer, Secretary of Province II East, Mrs. John Curtis and Miss Aileen Brown, assistant Dean of Women at Ohio State University.

Receives Scholarship Award

Betsy Jean Smith (Syracuse '50, Indianapolis alumna) has been chosen to receive a scholarship to the University of Oslo, Norway, one of ten college graduates in the United States to be so honored. This three months' course for American students was initiated to promote interest in and better understanding of Norway.

On June 12, over one hundred American students left New York on the Norwegian ship *Stavangerfjord* to participate in the course. They were chaperoned by Mr. Norman Nordstrand, Dean of Students at St. Olaf College, Minnesota.

After graduating from Syracuse University, Betsy began her career in social service work as a group worker at the Mayer Chapel Neighborhood House in Indianapolis.

HELEN PATTERSON BRANDT

Gamma Phi Beta alumnae of Columbus played an important part in the creation of Beta Xi chapter. Left to right, seated, are Mrs. John Gardiner, chairman of the reception, Miss Suzanne Ramsey, alumnae chapter president, Miss Barbara Baldwin, general chairman of the installation and Mrs. Robert E. Wade, a member of the house board. Standing, left, Mrs. Dean Myers and Mrs. Harry Phillian.

Donna Klingbiel, transfer from the University of Iowa to the University of Illinois, received the \$1,000 Harker award at Illinois for having the highest scholastic standing of any junior in the School of Law.

Helen Jean Anderson (Beta Epsilon at Miami University) transferred to Cornell University where she ranked first in the senior class in the College of Home Economics. She served as president of her dormitory at Cornell and as art editor of the Women's Vocational Information Committee. She was a member of the Mademoiselle College Board during her junior year and is a member of Omicron Nu and Phi Kappa Phi.

International Grand President, Grand Council

FOR MOST of us interested in educational institutions, September and the autumn months mark a beginning rather than the traditional ending associated with fall. In most instances it is the beginning of the academic year and the fall rushing season is getting under way—that time when new friends and new associations are made.

To the freshman the first days at college are at once bewildering and thrilling. For even if his college is a small one, he is in a larger world—he is meeting people from other than his home, he is on his own—not financially, perhaps, but socially and intellectually. The pattern is changed—the old is discarded, the new is still in the trial stage. Many of the associations made now are long lasting and their importance is therefore magnified. Friends made early in one's college life may affect not only the career but the future home as well.

Before entering college most newcomers have decided whether fraternity life is desirable for them, and for these people the decision in most cases is that of choosing a compatible group. There are others who prefer to remain aloof. Many things may serve as guides in influencing a rushee in his choice of a fraternal group—tradition, family and friendly connections, and compatibility. Compatibility seems to be of the greatest importance, but the other guideposts cannot and should not be overlooked.

Just as the rushee may be deciding on his specific fraternity affiliation, so the fraternity is choosing its future members. The same guides serve the fraternity equally well in the selection of pledges and again compatibility seems to be of the greatest importance.

Both the rushee and the fraternity must look to the future. Today and tomorrow must be considered, for a fraternity affilia-

Mrs. Dippell

tion is a lifetime proposition. For both sides of the coin—for the prospective pledge and for the group—the choice must not be made flippantly or on the spur of the moment. Present situations are not always of prime consideration—nor is the college campus and university life of sole importance. Here and now give way to the whole world and long years following graduation. What may at first glance seem most desirable in a local campus community may, on a second look, be less rewarding in a more cosmopolitan and mature existence.

Just as the farmer planting his seeds in the spring looks forward to the harvest in the fall—so the fraternity in choosing a new pledge class looks forward to its harvest of alumnae. Alumnae chapters all over the country in a few short weeks will be reaping the harvest of the work of the Greek-letter chapters. If the seeds were good, if they were well cultivated, the harvest should be a good one. The alumnae chapters must make certain that new alumnae are welcomed and their talents used. Older alumnae must fulfill the expectations of the pledges of a few short years back—and pledges must live up to their promise of everlasting loyalty. And so the future becomes the present—the distant horizon is close upon us. D D D

Conference Comments

The keynote for the province conferences of Gamma Phi Beta for spring, 1951, was LOYALTIES. And each conference, by well-planned programs, showed how firm is our foundation when every segment is built upon loyalty.

The prerequisite of loyalty, however, is understanding. The resolution, even in smallest measure, of the problems in a complex world where new war is superimposed upon the old—before the old is officially done—demands awareness and understanding as well as courage.

In the gathering together of Gamma Phi Betas to talk freely of mutual purposes and plans, each member and each chapter gives; and each member and each chapter receives. And in this even exchange our determination is strengthened to do loyally and well whatever small part of the whole attainment lies within our own personal ability.

OLIVE RUEHE,
Champaign-Urbana Alumnae

The dates of the 1951 conferences varied between March 9 and May 25 according to academic demands and the convenience of delegates and speakers. Attendance numbers were influenced by the size of the province and travel distance involved.

But between the months of March and May, every Greek letter chapter and approximately two-thirds of the alumnae chapters of Gamma Phi Beta from California to Canada met to hear personal greetings from their Grand Council, international officers and chairmen; thoughtful observations of wisely selected speakers; reports of their province director, alumnae secretary and other officers; and to participate in informative workshops and some "just for fun" sessions.

Wherever possible, in addition to province directors and alumnae secretaries, Grand Council was represented personally at each conference; and for the delegates assembled, these representatives set the province within the framework of the larger organization. Each emphasized that the strength of Gamma Phi Beta international is but the summation of the loyalty of each member, chapter and province.

The reports of the directors—gathered from personal visits in their respective provinces—gave delegates an account of how each chapter had fared throughout the years between conferences in matters of membership, scholarship, housing, and campus honors.

At some conferences there were also reports from the pioneering province alumnae secretaries, appointed by Grand Council as a part of the alumnae secretary plan introduced at the 1950 convention.

In a time of almost universal budget straining, the treasurers' reports were of more than usual interest. Mrs. Howard Newman, chairman of finance, spoke at Province V conference stressing the strong fiscal foundation of Gamma Phi Beta.

MEMBERSHIP

Ann Reeves Wiles, International membership chairman, restated our ARC policy and gave us some statistics for the new rushing season.

Perhaps the most thought-provoking prelude to the round tables on membership was given by Frances Wherry, Chairman ARC, Los Angeles, at Province VII conference at Reno. The subject was "ARC in large cities"; and while she spoke specifically of conditions in the Los Angeles area, she pointed out that "small colleges are fed from the populations of large cities."

A high point of alumnae membership was stressed, also in Province VII, by Pamela Reeve Smith, chairman of the Berkeley junior alumnae. Her suggestion that a junior alumnae branch is "a stepping stone from co-ed to valuable alumna" has excellent possibilities which other alumnae chapters might use for increasing membership. This

group does not have a charter of its own but functions as an active auxiliary to the senior alumnae group.

SCHOLARSHIP

Scholarship as a cornerstone of Gamma Phi Beta was prominently featured at all conferences. Mrs. George D. Stoddard, International Scholarship Chairman, attended conferences of Provinces III and IV and spoke enthusiastically and with great sincerity of the importance and responsibility of scholarship among sorority women. She left with those who heard her a firm determination to hold high the scholarship tradition of Gamma Phi Beta.

Our Lindsey Barbee fellowship award for graduate study in social service, implemented thru the American Association of University Women, was underscored as many conferences gave sober moments to remembering Lindsey Barbee in simple memorial ceremonies calculated to reflect our gratitude for her loyalty in every phase of Gamma Phi Beta, especially her long and faithful tenure as editor of THE CRESCENT.

Sigma, oldest chapter in Province V south, presented on Founders Day, 1950, a one thousand dollar scholarship to the University of Kansas honoring Helen Rhoda Hoopes, one of their charter members.

Out of a field of scholarship statistics crowded with "improvement" and "firsts," congratulations and the national award of engraved silver trays went to Eta, University of California, and Alpha Omicron, North Dakota State College, Fargo, for having achieved first place in competition with all other women's groups on their respective campuses.

Omicron, University of Illinois received national honorable mention for continued and outstanding excellence in scholarship.

SERVICE PROJECTS

As a prelude to the discussions of our service projects, camp films were shown at many conferences. Harriett Alden, international camp chairman spoke at Province VII and Margaret Decker, past chairman, at the Province IV conference. Scope of camps, management, personnel, equipment and present needs were stressed. Girls who had been counselors at the camps in Colorado and Vancouver gave first-hand reports at some conferences, the consensus being that the work of camp counselor is a rewarding experience in human values to both counselor and counseled.

Our own camps are of course our prime service project. But reports from province conferences are interwoven with many and varied philanthropic ventures undertaken by Gamma Phi Betas in their own communities. Charity camps, underprivileged girls, Red Cross work, occupational instruction for convalescents are included. But children in orphanages, in hospitals, in war-torn countries—in fact children everywhere in need of material help or—and more important—in need of a demonstration of that intangible bond between us—came first in all philanthropic work. This list of projects by Gamma Phi Beta is very long; but whatever the project, like the quality of mercy, it is always twice blessed!

HISTORY

The statement of Miss Elaine Mobley, Dean of Women, University of Nevada, at Province VII conference: "We are now in the third generation of membership in sororities," brought into sharp focus the conference message of Miss Nina Gresham, International Historian. The written history of our progress, she said, becomes increasingly important; and that no smallest vestige of that heritage be lost, Miss Gresham urged that a careful and complete record of every Greek letter and alumnae chapter be kept and forwarded to her at the end of each year.

EXPANSION AND PANHELLENIC LOYALTY

Since the province conferences of 1949, the expansion program has proceeded satisfactorily.

In Province VIII it was "Hail and farewell" as Zeta, one of the oldest chapters in the province was lost to Gamma Phi Beta when,

by authority of the Board of Trustees at Goucher College, all sororities were disbanded. The province in its entirety regrets this; but the loss was tempered somewhat by the chartering of Beta Mu at Florida State University at Tallahassee.

In addition, Greek letter chapters have been installed at San Jose State College (Beta Theta), Idaho State College (Beta Iota), Arizona State College (Beta Kappa), San Diego State College (Beta Lambda), University of Vermont (Beta Nu) and Ohio State University (Beta Xi). Alumnae chapters now number 110 with new ones at Long Island, New York, and Stark county, Ohio.

Colonizing and the responsibility of finding suitable housing for new chapters were thoroughly discussed at many conferences. But the spirit of cooperation between sororities reported on some campuses where new chapters were being established (especially in the south) gave practical demonstrations of "loyalty to Panhellenic"—one of our conference theme loyalties.

In Province VIII, for example, other sororities on the campus of Florida State University opened their houses to Gamma Phi Beta for a rushing week end. Similar gestures of cooperation are Alpha Mu's informal get-togethers once each week to which independents and members of other sororities are invited: Alpha Rho's pledge class presentation of little corsages of their sorority flowers to the pledges of other sororities; the sponsoring of an open forum for girls going away to school by the San Antonio city Panhellenic.

Vast possibilities of loyalty through the general endowment fund, were suggested by Mrs. James Myles, international chairman of magazines. Mrs. Myles noted that if every member of Gamma Phi Beta subscribed annually thru Gamma Phi Beta channels to a magazine costing \$3.00 a year, the endowment fund would be swelled by \$27,000!

ROUND TABLES

The round table discussions followed a similar pattern at each conference; and although the emphasis varied somewhat according to local interests, delegates found them a focal point for the exchange of informative and helpful ideas.

Greek letter workshops for the most part served as a sounding board for rushing techniques. But allied subjects such as ARC, group responsibility, scholarship, pledge trainer duties, alumnae help in rushing, were also discussed.

Methods of stimulating membership and achieving a closer tie with Greek letter chapters were shared at alumnae round tables. Planning interesting programs, worthwhile community projects and news letters were offered most frequently in the first category. And the alumna member in Province V who said: "Remember what you thought of the alumnae when you were an active and try to be the type of alumnae you would have *liked* as an active" no doubt had the best answer to the second.

THEME SONG

Province IV went exotic and imported anthurium and vanda orchids from Hawaii; Lois Fredericks skillfully combined charm with purpose in designing programs and menus for Province V; Province III set its guests in a garden of loveliness . . . but space does not permit details of how each province used its talents to make the Carnation Banquets, the Loyalty Luncheons and the Panhellenic breakfasts of the conferences memorable occasions.

In every case, however, when guests were in a consenting mood, wise and discerning women were present (in one case a man—Dr. A. D. Misener, Head of the Department of Physics, University of Western Ontario) to point up our LOYALTIES theme as they saw it.

The list of speakers is imposing including deans of women, professors, Grand Council members and other Gamma Phi Betas; and Solomon himself could not be wise enough to choose the most stimulating speaker, or the one who most faithfully demonstrated the values of loyalty.

Dr. Olive B. White, dean of women, Bradley University, spoke of the power and the responsibility of women in time of crises to be the conservators of ideals—as important, she said, as fixed stars in naviga-

Twenty-three Gamma Phi Betas from Denver boarded this chartered bus for the trip to Lincoln, Nebraska, for the Province V North conference. Front row, left to right, are Marilyn Preston, Jane Boatright and Carol Lehrer. Standing, left to right, Joyce Patterson, Annabell Walek, Connie Horner, Jerry Patterson, Mary Lou Service, Claire Chamberlin, Mary Duncan, Judy Carlstrom, Thora Hodges, and Barbara Cobb. In doorway, Cathie Marinoff and Susan Schlessman. At windows, left, Sally Campbell and Betty Hoyt.

tion. "We are privileged women," said Dean White, "not in the economic sense, but because countless people who have never seen us and never know us as individuals had faith in humanity's need and faith in humanity's ability. We cannot repay those who have gone before us. But we have tomorrow. Live generously and with personal integrity, and these loyalties to country, to sorority, to heritage will come into their proper place."

Miss Elaine Mobeley, dean of women of the University of Nevada, spoke of our heritage and asked, "Is the present generation taking its sororities for granted? Are we bearing in mind their educational purpose which is to facilitate learning, to develop and guide our attitudes, our values and our beliefs?"

Margaret Stoddard spoke on attitudes of mind and the "techniques of openmindedness."

"Do I really want to know the truth," she asked, "or only corroboration of my present beliefs?" And she emphasized: "To surrender to truth is to be unafraid. Such a man or woman is free; free from superstition, from dogmatism—free to trust his own intelligence."

But perhaps the most cogent and certainly the most significant remarks were made by Dean Helen Reich of Iowa State University.

"Occasionally," she said, "I am asked whether or not I think the university would ever abolish fraternal groups. From my experience in the institution, I feel safe in saying, 'No'; but I know it is not inevitable that groups could destroy themselves. If our members do not have the necessary allegiance to the ideals and principles of our fraternities and if we are unwilling individually to serve and to share in the responsibility for the group or to accept the sacrifice the individual must make for the good of the group, we cannot last.

"The increasing difficulty chapters face in finding capable girls who are willing to assume the responsibilities, restrictions and duties of major offices is a dangerous condition. . . . The distinction and privilege which we receive was won by others. If this heritage is to continue, we must contribute so that there will be something to pass on to those who follow us."

Thus to Gamma Phi Betas in conference assembled throughout the country was pictured the pattern of loyalty by which to weave a texture strong enough to withstand adversity, lovely enough to be demonstrated with pride.

Grand Council Appointments

Elizabeth Ann Fee Arnold— Director, Province VII South

MEMBERS of San Diego alumnae chapter of Gamma Phi Beta feel that the appointment of Elizabeth Ann Fee Arnold (Mrs. Gerald Eugene), Tau, '26, to the directorship of Province VII South, was an inspired one. Elizabeth is a quiet, but strong executive whose loyalty to Gamma Phi Beta is no greater than her understanding of the ideals of Panhellenic, her conception of what the entire fraternity system means. Her clear grasp of the whole fraternity picture has promoted friendliness and unity on the San Diego State College campus since it was she, as chairman of the alumnae advisory committee to the new State College chapter, who initiated the idea of a Panhellenic advisors' council in 1950.

Soft-spoken Elizabeth Arnold brings to her position a natural charm and social poise, responsible leadership and a rich background in Gamma Phi Beta which has indoctrinated her with the sorority's high purpose. She was recording secretary of Tau chapter for two years; treasurer of the San Francisco alumnae chapter for two years; president of the San Diego alumnae chapter, chairman of the Alumnae Recommendations Committee, alumna adviser to Beta Lambda chapter for its first two years. Elizabeth widened her scope by attending and giving serious attention to three province conferences, '47, '49 and '51 and the inspiring 1950 convention.

Her community interests are not limited to Gamma Phi Beta. She has been active in church work (served as chairman of the San Diego district of the Los Angeles Presbyterian Society), in P.E.O., and P.T.A. Her P.T.A. activity was occasioned by her children, Katherine Ann, 17, who will be ready to wear the Crescent pin in 1952, and a son, Edward David, 13.

Nadine Cullison Page— Director, Province VIII

NADINE PAGE (Mrs. G. Russell) is the kind of person who should be a province director and Province VIII is most fortunate in having her accept the office. She is an excellent organizer (Zeta and Baltimore Alumnae have had ample proof of this), she has had wide experience as an executive, she likes young people and works well with them, and she is keenly interested in Gamma Phi Beta.

Nadine attended Grinnell College for a year, transferred to the State University of Iowa where she was initiated into Rho Chapter, and graduated in 1926. She taught school, then moved to Baltimore with her husband in 1930. Mr. Page, Delta Tau Delta, graduated from the University of Kentucky and is Engineer in Charge of Quality Control, Western Electric Company, Baltimore. They have two children, Marcia 16, and David 12.

Nadine's interests are widespread. To her, membership in an organization means active participation, and she has been president of PEO, president of her garden club, and treasurer of the Women's Civic League. She has held offices and carried responsibilities in the PTA, Girl Scouts and the W.S.C.S. of the Methodist Church.

In her service for Gamma Phi Beta Nadine has been president of Baltimore alumnae chapter, alumna advisor to Zeta and chairman of the Alumnae Recommendations Committee. In the spring of 1950 when Zeta went off-campus at Goucher she was the efficient, capable, hard-working chairman for the farewell banquet.

Mrs. Arnold

She was graduated from Colorado A. and M. in 1926 and later held a teaching fellowship at Kansas State from which in 1931 she received her M.S. in Clothing and Textiles. For the next two years she served as assistant professor in the Home Economics department at San Jose State College, leaving to marry Gerald Eugene Arnold (Phi Delta Theta, Colorado A. and M., 1926).

EILEEN DWYER JACKSON
U. of Arizona and San Diego Alumnae

Mrs. Page

As Director of Province VIII Nadine Page has accepted a challenge to further the progress of Gamma Phi Beta in the southeast, and we know that she will carry on most successfully—a very worthy successor to Edith McChesney. D D D

MARY T. MCCURLEY, *Zeta and Baltimore Alumnae*

Mrs. Riggs

Myrtle Boulden Riggs— Alumnæ Secretary, Province IV

ATTRACTIVE, intelligent, gracious Mrs. L. W. Riggs (Myrtle Gwen Boulden, University of Nebraska) is the new alumnæ secretary of Province IV.

Gwen attended the University of Nebraska where she majored in physical education and became a Gamma Phi Beta. She took an active interest in many college organizations, belonging to W.S.G.A., University Chorus, Chapel Choir, Mystic Fish, and engaged in all sports.

She married her high school sweetheart, and has lived successively in Aurora, Illinois; Providence, Rhode Island; Boston, Massachusetts; and Washington, D.C.

Following the sudden death of her husband, Gwen returned to Des Moines to raise her young son. With her usual calm and determination to make a good home and educate her son, she secured a position with the Insurance Department of Iowa where she is at present Assistant Superintendent of Deposits. She can be justly proud of the fact that largely through her efforts her son, Rod, was graduated in June from the University of Nebraska. Almost at the same time she acquired a daughter when Rod was married to a University of Nebraska graduate.

Although Gwen considered her family duties to be of first importance, she did not allow them to submerge her own individuality. She found time for many additional activities. She has been secretary, president, magazine chairman, and membership chairman for the Des Moines alumnæ chapter of Gamma Phi. She has attended many province conferences and three national conventions at Bretton Woods, St. Louis, and Glenwood Springs.

She has been active in the Nebraska Alumni Club, serving as secretary and president.

As if that and a full-time job were not enough, she has helped regularly at Kendall Community Playhouse where a number of budding dramatic stars have had their start. She likes all sports and sews and knits for a hobby.

Lucky is Province IV to have such a capable, poised, enthusiastic Gamma Phi Beta as alumnæ secretary. D D D

Book Review

"More Fish To Fry"

Written by Beatrice Cook (Illinois '23)

Gamma Phi Beta author Beatrice Cook gives her readers a thoroughly delightful sequel to her earlier book, *Till Fish Us Do Part* as she continues the family saga in *More Fish To Fry*.

The fishing sequences are vividly realistic, ranging from the tense excitement of trolling for salmon to the more prosaic business of jigging for cod. You will share the whole family's anxiety over the shore dinner to celebrate the new house . . . because the guests accepted and the fish refused!

Cookie and Bob, sons of this fishing family, are growing up and you'll share with Bea Cook the trials of the process when you read about their first overnight camping trip.

"I asked Bob to wash and change his shirt before he left. Open-mouthed and wide-eyed, he gaped at me dumbfounded as though I had asked him to slip into a white tie and tails. I had my 'you do it now' voice when I added, 'You don't have to be uncouth even on a camping trip.' He tore into the bathroom and out too soon. The dirt on his face was just more evenly distributed and he had turned his sweat shirt inside out. 'Now, do I look more couth?' he asked disgustedly. I smiled and said he did."

You will enjoy with Bea Cook and her family the pleasures, excitements and trials of a full outdoor life in the beautiful San Juan Islands of the Pacific Northwest when you read, *More Fish To Fry*.

Mrs. Cook

When Beatrice Cook wiped the fish scales off her hands and finished her first book, H. A. Johnson wrote this in the *Pennsylvania Angler*: "When a woman writes a book about fishing, it's news. And when a woman writes a good one that men enjoy reading, that's front page stuff. I don't know of a better book for a fisherman to give his wife . . . or vice versa."

When you read *More Fish To Fry* you will understand why this same warm praise is true of Bea Cook's latest book.

Gamma Phi Betas Win Achievement Awards

Dawn Pershall of Alpha Gamma chapter was selected as an outstanding art student by the Art Department of the University of Nevada and received a certificate from *Artists* magazine acknowledging her work. Her artistic interests include almost every division in the field, but she is especially fond of textile painting and designs for children's toys. She is an honor roll student, and enters her senior year this month in Business Administration and Art.

Sammie Williams (center, above) is a member of Alpha Xi chapter at S.M.U. She received a scholastic award for having the highest grades of any sorority woman at the Honors Day program.

Shirley Adair of Alpha Iota chapter, U.C.L.A., was the recipient of the A.W.S. award for scholarship and leadership on campus. D D D

Pat Hawkins,

also of Beta Zeta, was first attendant to the Booster club queen on the Kent State campus. She acts as secretary of the Blue and Gold political party.

Joey Walters

of Pi chapter, University of Nebraska was first attendant to the Junior-Senior Prom queen and finalist for the 1951 Interfraternity Sweetheart. A music major and member of Sigma Alpha Iota, she was named Easter Queen in her freshman year.

Bonnie Griffith, left and Dori James are ready for the curtain to rise on Southern California designers' fashion show. Bonnie presided as mistress of ceremonies at the show which was sponsored by Gamma Alpha Chi.

Behind The Scenes

Presiding over the fashion show of Southern California designers was Bonnie Griffith, a member of Beta Alpha chapter at U.S.C. Bonnie was chosen as the outstanding senior woman in retailing at the University and has served as president of Gamma Alpha Chi, national professional advertising and retailing sorority. She was sent to the national convention of Gamma Alpha Chi as delegate from U.S.C. Other Gamma Phi Betas who are members of the sorority are Pat Allen, Dori James and Rae Olson. D D D

“Helen Of Troy”

Her name is really Shirley Barkley, a member of Beta Alpha chapter at the University of Southern California. However, the title of “Helen of Troy” was bestowed on her as one of nine outstanding seniors on the campus.

She has served as president of Panhellenic and is a member of the SC '51 club, which is composed of 51 graduating seniors who encourage alumni interest in the University. She was also chosen as one of twelve senior women by the junior members of the AWS cabinet to be honored for her outstanding achievements in university activities.

Both the University and Beta Alpha chapter have benefited by Shirley's zest for hard work and her ability to get jobs done well. D D D

Sweetheart at M. I. T.

Tau Alumnae of Gamma Phi Beta proudly present Jean Wibel, who was chosen this year as the first "Sweetheart" of the Annual at the Massachusetts Institute of Technology, Cambridge, Mass.

The title of "Sweetheart" was bestowed on Jean by a "special admirer" when they were enrolled in the second grade. As the years rolled by this title became a mutual one and reached its climax when he entered Jean's picture as a candidate for the "Sweetheart" in the 1951 M.I.T. Annual. Ray Bolger, star of stage and screen, made the final selection.

While attending Colorado A. & M. Jean participated in numerous campus activities. During her sophomore year she served as Scholarship chairman for the chapter. As an alumna she held the office of Rush Chairman and spent many long hours working with the various committees to help organize our very successful rush seasons.

Incidentally, on June 23 Jean became Mrs. Frank Mayer and we wish her much happiness.

KATHRYN J. BROWN, *Tau of Denver*

Jo Berry—"Girl Of The Year"

Jo Berry is one of two University of Nebraska girl cheerleaders. A sophomore in Pi chapter, Jo was chosen from a field of 76 girls who tried out for the position. Until this year, Nebraska's cheerleading squad has been all male. As a freshman, Jo was 1951 "Girl of the Year," being elected at an all-campus dance from a group of 12 Calendar Girls. The 12 had been previously chosen to represent the months of the year on the basis of looks, personality, and activities. D D D

Women In The Race

Reminiscent of the war years, women are again holding major student body offices once predominately held by men. Robyn Forsyth, Gamma Phi Beta sophomore from Oakland, California, has started a trend at the University of Nevada with her election as Sophomore Class Manager to finish out the vacancy created by the draft this Spring.

Even though men still outnumber women two to one on the Nevada campus, Robyn defeated her two male opponents in a close race.

Besides her duties as Class Manager, Robyn carries on her activities in Y.W.C.A. and is a member of Sagens, women's honorary service organization. She is also recipient of the Rose Siegler Mathews \$100.00 scholarship. D D D

First Place Winners In

Arizona . . .

Sweeping the campus with first place in both house decorations and float for homecoming were Gamma Phi Betas of Alpha Epsilon chapter.

Complete with fat sultan, blackamoors and beautiful girls was the float (at right) titled, "Harem Scar'em."

A charming little skunk (paper, of course) decorated the lawn of the Alpha Epsilon house. Its winsome smile melted the judges' hearts and brought another first place to the chapter. D D D

Vermont . . .

Beta Nu chapter at the University of Vermont was mighty proud of its "first first" since its founding just a year ago. It was Junior Week Peerade and the floats were to advertise the Junior Play, "Hay Fever." Little Lulu and her giant Kleenex box won the award for Gamma Phi Beta. D D D

Campus Celebrations

North Dakota . . .

Alpha Beta girls whipped up a man-size Argyle sock (below) for their float at Homecoming and brought home first place in the women's division.

Nebraska . . .

Pi chapter's College Days float took first place in competition with 57 other floats. In the form of a huge carousel, the float featured the theme, "In the College Whirl, there's a Gamma Phi girl." Strains of circus music completed the effect.))))))

Toledo's Tumblers

Yes, your purchase of these beautiful crested tumblers helps Toledo alumnae in their contribution to the Endowment Fund. And how you'll enjoy using these at rushing parties . . . even for everyday meals at the house. They'd make a fine Christmas gift for a Gamma Phi friend.

The 11 ounce glass is priced at \$3.50 per dozen. In gross and half gross lots for chapter house use the price is \$3.00 per dozen. There are a few dozen 8 ounce glasses available at \$3.00 per dozen. Shipping charges within a 500 mile radius of Toledo are 50 cents; New England States, 65 cents; Colorado, 75 cents; West Coast \$1.00. Freight charge on gross lots is considerably cheaper.

Fill out the order blank now for immediate delivery . . . do your part to help the Endowment Fund grow!

Mrs. F. G. Haas, 2137 Robinwood Ave., Toledo, Ohio.
Please send me the following Gamma Phi Beta Tumblers:
