## Opinion

Two Grand Council members were honored at the Chicago Convention Pink Carnation Banquet. NPC Delegate Gloria Nelson and Director of Expansion Karen Kline have each given 10 years of loyal, devoted service on Grand Council. Karen will continue in her office, no longer a part of Grand Council, and Gloria will be an NPC Alternate Delegate.

Gamma Phi Beta's prestige in the Greek world continues to grow with their efforts. During the 1982-84 biennium, Karen brought Gamma Phi Beta to nine campuses. As Gamma Phi Beta's representative at five NPC sessions and many other Greek meetings, Gloria has been at the forefront and a favorite among the many who have had the privilege of knowing and working with her.

Hats off to Gloria and Karen, two of Gamma Phi Beta's very special sisters.

## Grand President's Message

**A**s Grand President it is my responsibility to present a progress report regarding the resolutions of the 1982 Convention and spotlight activities and accomplishments of the biennium. I will also attempt to offer guidance on how we can best prepare for continued success in the future.

First the 1982 resolutions . . .

. . . an ad hoc committee be formed to study aid to our "slightly older sisters"—Under the leadership of Lora Clayton Byerly (Arizona), this committee has functioned during the biennium and has proposed several programming ideas that can be implemented in the future to serve our senior members.

. . . support of the Gamma Phi Beta Magazine Agency—During the 1982-84 biennium, magazine sales have generated \$13,000 for leadership training. There is much potential for future growth for this service.

. . . implementation of the International Pledge Program—Each pledge is required to purchase a copy of the 1982 edition of the Pledge Manual. Pledge retention and initiation percentages have increased.

. . . all chapters pledging 100% of Panhellenic quota—The establishment of our International Rush Consultant Program, Convention focus on rush training and follow up on rush results by international officers are helping us meet this goal.

. . . the elimination of hazing—All local and international officers continue to insist upon a pledge period that revolves around education and inspiration, not humiliation and degradation.

. . . investigate and implement, if feasible, the hiring of a public relations firm to build and communicate an image that enhances pride in membership—After studying the research and advice of International Public Relations Chairman Barb Duke Sams (Indiana), Grand Council chose to use the talents of our own members combined with hiring professional skills when necessary, to create a coordinated and unified visual image. The new logo was designed by Kim Wolfe McNeley (Iowa St.). Leslie Dauble Collins (Indiana) is coordinating further public relations planning.

. . . research the procedure, timing and amount of alumnae taxes—The research committee recom-

*Grand President Ann Mullen Bronsing announces the winner of the Mary A. Bingham gavel.*

mended an increase in the alumnae tax to \$12. As yet, no workable alternative to the current alumnae tax mailer has been found.

These resolutions have served as guidelines for action during the biennium. Your Grand Council also set goals to assist in determining priorities, which prompted these actions and programs:

Fiscal responsibility has been a major factor in all Sorority decisions.

Expansion activities in both collegiate and alumnae spheres have met with great success. Six collegiate chapters and two colonies, and thirteen alumnae chapters and five crescent circles have been added during the biennium.

Personal and Chapter Enrichment—PACE—committee members have provided five outstanding programming packets to collegiate chapters.

"Sisterlink," career networking Gamma Phi Beta style, was developed and tested by Cam Cestone (Bowling Green). This new program will become fully operational during the 1984-85 academic year.

The Foundation Board of Directors was restructured, bringing enthusiasm, vitality and new directions for growth.

Every attempt was made to assist struggling chapters. In some cases these attempts met with success. In other instances, all the international resources and

local efforts were of no avail and the collegiate chapter members involved felt it necessary to relinquish their charters.

Gamma Phi Beta was the first sorority to authorize the publication of an International Alumnae Directory. More than 9,000 were purchased by alumnae.

Nothing in the future is ever certain, but there are a few things we should anticipate:

Fiscal concerns will continue to be a major priority.

Reliance upon our Central Office staff to assist in the increasing work load of our volunteers will necessitate expanding our international headquarters facility.

We can expect the current popularity of the Greek system to continue *only* if we take positive action now. Critics are already eager to point out our weaknesses, question our values, our rights and, indeed, our very existence. We do have it within our power to negate these criticisms. We must keep our *own* "act clean!" Hazing, alcohol abuse and any use of illegal drugs cannot be tolerated. Nor can *any* action that could bring unfavorable publicity to the Greek system.

We all believe in and understand the valuable opportunities our Sorority offers our members and the service we provide our culture through philanthropic efforts, encouragement of the volunteer system and the experience of democracy in action. We recognize these values . . . the public must be made aware of them.

Thank you for the honor and pleasure of serving as your Grand President.

Chicago Convention, August 1, 1984

Robin Wilson (Cal. Poly-San Luis Obispo) accepted the E. Adeline Curtis Award and Laura Kofoed (Illinois) accepted the Chancellor E. O. Haven Award.

# A Memorial Tribute

**D**uring this past biennium Gamma Phi Beta has experienced the loss of two of her most loyal and dedicated former Grand Presidents. Beatrice Hill Wittenberg died in September, 1982 in California, and Elizabeth Fee Arnold died in October, 1983 in Iowa. These two ladies were not only Gamma Phi Beta sisters, but devoted personal friends, and it seems especially ironic that we have lost both of them in this short span of time.

Elizabeth Arnold was initiated at Tau Chapter at Colorado State, and graduated in 1926. She served as Grand President from 1954 to 1958. Previously she was International Membership Chairman, International Area Recommendations Chairman, Province Director, and a most admirable National Panhellenic Conference Delegate from 1958 to 1964. On the local level, she was treasurer of the San Francisco Alumnae Chapter, president of the San Diego Alumnae Chapter and the first alumna advisor at Beta Lambda Chapter at San Diego State. She was also a member of the Philadelphia Alumnae Chapter. She was named to the Sorority's Service and Honor Rolls. Her daughter and two granddaughters are Gamma Phi Betas, a matter of great pride to her.

I first met Elizabeth at the International Convention at Victoria, British Columbia in 1958. This was my first Convention, and I attended as delegate and president of the Kansas City Alumnae Chapter. Elizabeth was Grand President and to me she was "Mrs. Gamma Phi Beta." During her tenure in office she spearheaded some very extensive revisions of the Constitution and Bylaws and I was extremely impressed with her expertise and leadership ability.

Following the Convention, most of the members of Grand Council made the trip to Sechelt by bus to visit our beautiful Gamma Phi camp, and it was my privilege to be present for that unforgettable journey. I happened to sit next to Elizabeth on the bus and in addition to her numerous other qualities, I found her to be a warm, charming and fun loving person also. She questioned me at length about our alumnae chapter in Kansas City and I was amazed at how much she knew of our activities. I have many other warm and loving memories of Elizabeth after this first introduction. Always she was an inspiring role model and Gamma Phi Beta remained one of her dearest interests. She was a great source of strength for those of us

who followed after her.

Bea Wittenberg was initiated into Mu Chapter at Stanford in 1923. She was very proud of her chapter and she confided to me one time that it was a source of great sorrow to her that sororities were no longer on the campus of *her* University. She was corresponding secretary, treasurer and president of the Pasadena Alumnae Chapter and alumna advisor and house corporation board member for Beta Alpha Chapter. She was appointed Province Alumnae Director in 1957 and served as Alumnae Vice President from 1958 to 1960. Following her term as Grand President, which was from 1960 to 1964, she served as National Panhellenic Conference Delegate from 1964 to 1968. She was elected to both the Service Roll and Honor Roll.

Bea was elected Alumnae Vice President at that same Victoria Convention in 1958 and I first became acquainted with her at that time. I was impressed! I was appointed Province Alumnae Director in 1959 and had the honor to work under her supervision until she was elected Grand President. She was Grand President and later NPC Delegate during a time when the Greek system faced its greatest challenge to its very existence. She was "small but mighty" and represented us ably and well throughout this trying time.

One of my most cherished memories of Bea is following her reelection as Grand President at the Spring Lake, New Jersey Convention in 1962. The Convention was held in a quaint, but beautiful old Victorian hotel which we had all to ourselves. There was a round center hall on the first floor with a balcony going completely around. Dressed in a lovely red chiffon gown which complimented her beautiful white hair, Bea was called to the center of the hall following the Pink Carnation Banquet. The collegians stood all the way around that balcony above and serenaded her so lovingly with "Good Night Little Sister" while she saluted them with her pretty smile and a gracious wave of her hand. There was not a dry eye in the hotel for it was a very tender moment.

Yes, we have lost two beautiful sisters, but those of us whose lives they touch will never, never forget them "until we meet in the land of dreams."

Audrey Weldon Shafer, Former Grand President  
Chicago Convention, July 31, 1984

## Careers: Where Are They?

**M**uch is being written about careers of the future, "in jobs" and planning for success. Books ranging from Nesbitt's *Megatrends* to Cetron's *Encounters With the Future* predict what our world, cultures and careers will entail. No matter what the viewpoint, most futurists are of one mind regarding what career areas will be vital, what employers will look for and how applicants can prepare academically and socially.

Previous articles in THE CRESCENT addressed the latter two issues; this article focuses on the former. What are the career areas that will offer the greatest opportunities in the 80s?

Overall we're told the economic prospect for the 80s is good. This means job openings will occur in most fields. Of particular strength in the future will be the need for electronic engineers, manufacturing engineers and, to a lesser degree, civil engineers. The boom in computer positions will continue with emphasis on computer systems analysts, software designers, computer programmers, technical writers and, to a lesser degree, computer security experts.

There is an overabundance of physicians and lawyers. Competition will be tight for the larger, more prestigious law firms and large hospitals, but openings and need will still be there. A rapidly growing need for medical specialists in the field of geriatrics is developing as our population continues to age. Any service field tied in with the changing needs of a changing culture (insurance, finance) will see additional challenges in the 80s.

According to the "Kiplinger Report," although teaching is on the rise as a career, the latest baby

boom won't be felt in high schools until the mid-90s when the need for qualified teachers will be strong. Look to businesses for additional opportunities to teach and train personnel.

The M.B.A. will continue to benefit the management bound. The need for side training or broad exposure to computers and production technology will be of utmost importance in a competitive market.

People considering returning to work in an office support position should forget about brushing up on shorthand. Courses in office automation and word processing will be more beneficial.

The focus throughout the 80s will be on technology, robotics and computers. While more jobs will be open, the competition will be no easier. In order to best prepare for the future as it becomes the present, consider encouraging your alumnae or collegiate group to invest in these resources:

*Occupational Outlook Handbook*, \$9, U.S. Govt. Printing Office, Washington, D.C. 20402 S/N 029-001-02651-0. (Available in most library reference rooms.)

*Matching Yourself With the World of Work*, \$4.50, Consumer Information Center, Dept. 126M, Pueblo, CO 81009

*Business Opportunities for Liberal Arts Graduates*, \$5, Assn. of American Colleges, 1818 R St. NW, Washington, D.C. 20009

*Ed. Note:* Karen Hedine is corporate personnel supervisor for data processing for Safeco Corp., Seattle, Wash., and Gamma Phi Beta International Ritual Chairman.

# ppportunity Fund

Opportunity Fund donors are "opportunity makers!"

Opportunities for collegiate and alumnae expansion, new programs and expanded services are the tangible results of Gamma Phi Beta's commitment to growth. Opportunities for leadership development, career networking and personal enrichment are the tangible programs to meet the needs of Gamma Phi Betas. Each one of these opportunities began with an idea, and ideas take planning, development, execution and management. They also take financial resources.

The Opportunity Fund is one way alumnae honor their lifetime commitment to Gamma Phi Beta and help turn ideas into realities. Pink carnations to our Opportunity Fund donors who demonstrate their pride in Gamma Phi Beta and their commitment to promoting the highest type of womanhood.

# Hold On To The Moment

Separately as we went  
through rush, but now  
together,  
Sharing our greatest new  
experiences,  
We carry common memories  
that build one strong  
sisterhood.  
Though we don't know  
exactly where we're going,  
We cherish where we have  
been together so far.

I want to cry.  
I want to shout . . .  
Want to let this feeling out.  
Gamma Phi Beta is the best!  
Hold on to the moments,

let your feelings show.  
Hold on to the memories,  
never let them go.

I can picture us together  
with everyone embracing  
new sisters and lifelong  
friends,  
Just let me hold on to the  
moment, before it ends.  
There was laughter, there  
were tears,  
There were hellos, there were  
goodbyes, but no matter  
where I may be  
Gamma Phi Beta is for me!

## Opportunity!

Dear Sisters:

Enclosed is my check covering yearly dues and a gift to the Opportunity Fund. I'm a great believer in the latter and, of course it goes, perhaps without saying, in Gamma Phi Beta itself.

I simply glow when I read, as I did today in my winter issue of THE CRESCENT, of all the wonderfully worthwhile efforts we're making everywhere. Long live Gamma Phi Beta!

Most sincerely in IIKE,  
Virginia Smith Lumppp

# Dallas Networking

The key word in the vocabulary of women in the 1980s is "networking." In case you're not familiar with this concept, networking means establishing contacts with others of similar interests to the benefit of all. In every organization to which I currently belong, networking is becoming one of the primary benefits of membership. And membership in the Dallas Alumnae Chapter of Gamma Phi Beta is no exception.

Think about it! Where else can you meet women who are executives, educators, authors, professionals, volunteers and homemakers? Where else can you talk with women of similar backgrounds and experiences who come from all over the country? Where else can you find the support to change careers or to undertake that important new project? Where else can you share yourself with others who are genuinely interested in you and your happiness?

When I moved to Dallas, I was reluctant to contact other Gamma Phis. Since I hadn't gone to undergraduate school in Texas I wasn't sure if we'd have any interests in common. But I made that contact and unlocked the door to a whole new dimension in networking. Now I'm meeting other women who are active in the community and in their professions and who are very supportive of my goals. I'm making friends and building friendships. But best of all, I'm developing new interests for myself and expanding my network of contacts.

# Delta Omega is installed at Oakland University

**C**harter members were beaming on April 7, 1984, the date Delta Omega chapter was installed at Oakland University, Rochester, Mich. Initiation and installation were the culmination of a pledge period during which colony members became actively involved on campus.

The colony co-sponsored Super Toga and was involved in Greek Parents Day and the Renaissance Scholarship Fund. Philanthropic activities included walking in the March of Dimes Healthorama, participating in a Red Cross blood drive and sponsoring a bingo game every Friday night to benefit the American Diabetes Association. Formal and informal dances, a Secret Leprachaun Week with Alpha Delta Pi and a picnic with Theta Chi were colony social events.

November and February retreats gave colony members an opportunity to set goals while enjoying sisterhood and fun. Memorable PACE programs during the pledge period included speakers on job interviewing and etiquette, movie nights and an evening learning Gamma Phi Beta songs.

Traditional Inspiration week activities focused around the days of Love, Labor, Learning/Laughter and Loyalty. Secret sisters, a community service project, songs, skits and poems were all a part of the colony members' last week as pledges.

An afternoon initiation service conducted by Alpha Omega Chapter, University of Western Ontario, preceded the installation banquet held at Meadowbrook Estate on campus.

Province IV Alumnae Director Jolene Lessard Stiver (N. Dakota St.) served as mistress of ceremonies and

introduced international officers, chapter advisors and campus administrators. She also presented the Rochester, Mich. Alumnae Chapter charter to Sharon Fannelly Collins (Bowling Green), chapter president.

Delta Omega received gifts from the Sorority, Province IV, the Rochester Alumnae Chapter and Alpha Omega Chapter. Grand President Ann Mullen Bronsing presented the chapter's charter to Anna Taiariol, chapter president.

Other international officers who attended the Delta Omega installation were Director of Expansion Karen Wander Kline (Iowa St.), Province IV Collegiate Director Susan Smith (Indiana St.), Alumnae Initiate Chairman Karen Burton DeKoker (Michigan), Ritual Chairman Karen Hedine (Washington), Expansion Supervisor Julie Shafer (Oklahoma St.) and Collegiate Consultant Kristy Herrick (Moorhead St.).

Delta Omega chapter advisors are Sharon Collins, alumna advisor; Linda Smith Mittlestaedt (Michigan St.), rush advisor; and Kathie Crane Shellenbarger (Michigan St.), financial advisor.

Charter members are Lisa Renee Beyer, Evamarie Bishop, Laura Jean Borowski, Susan Lynn D'Hulster, Sheri Ann Dickinson, Patricia Jean Dodson, Vessa Gastaris, Nancy Louise Gietzen, Annette Sandra Graziani, Kimberly Ann Greene, Ann Marie Grytzeli, Patricia Ann Hawkins, Annette Marie Klebba, Diane Elizabeth Lohman, Karen Marie Lombardi, Linda Joyce Maiuri, Lisa Marie Oberhofer, Carolyn Jean Parsons, Cheryl Pfaffmann, Susan Ann Posk, Denise Ann Shene, Anna Marie Taiariol, Carole Marie Totzkay, Ruth Frances Turner and Hope Diana Williams.

## Gamma Phi Beta

Tonight I sat alone quietly and I thought of all that I have in my life.

The people, the places, the things and of Gamma Phi Beta. And I realized how trivial everything is compared to my sisters. They are everything to me.

They are all important, and nothing is as strong as the love we have for each other.

## A Wish To Live By

Let us come together as proud as we can be for we are joined in the sisterhood of this Sorority.

Let us not be saddened when troubles come our way; it is the strength of all of us that gets us through the day.

Let us not be weary when burdens seem too much; each will help each other out with a hand, a smile, a touch.

Let us never falter of the goals that we have set for we all have the ability to see that they are met.

And when you're sure you can go no more, just hold your head up high . . .

Let us then remember the motto of Gamma Phi.

Let us disclose nothing but the truth, for we all shall honor each other,

Let our conscience be the proof. There are so many things of you that I would like to ask,

But most of all I wish for you sisterhood love that will last.

*This  
is the strength  
we find in you,  
True friendships we'll  
cherish until we die  
As we depart we feel the pain,  
Of goodbyes to sisters who  
remain.  
Yet, we know that within these walls,  
Swell friendships strong that shall not  
fall.  
Remaining for future sisters "dear",  
We leave success and joy for years.  
And although we may never know their  
faces,  
Our hearts do dwell within their places.  
And to each special chosen one,  
We wish the strength to embrace the sun  
Search hard for what life has in store,  
And know we could not love you more.  
Upon those who remain rests the  
overwhelming task,  
Preserving tradition with pride  
that will last.  
Now, upon the rock where our  
founders stood...  
Advance the highest type  
of womanhood!!

## Open Rush Bid

I went to my scheduled parties  
And met my appointed girls  
And they all assured me that  
Their group was the best in the  
world

I was smiling on the outside  
But inside I was scared and  
confused

When I went down to pref  
someone

I knew I couldn't choose  
I wanted to be in the right group  
With girls that wanted me, too  
But I didn't know who that was  
So I gave up and withdrew  
Later that night I was sorry  
And the next day I was feeling  
down

Because I thought I'd lost my  
chance

To be with the friends I had found  
But you gave me a second  
chance

To reach up for the sky  
And I'd just like to thank you  
For showing me Gamma Phi

# MAPCA President

Panhellenic is more than a Greek organization to Kim Wright. Her three year involvement in Kansas State University Panhellenic led to her election to two Panhellenic presidencies in one semester.

Kim was elected president of the Mid American Panhellenic Conference Association (MAPCA) at its annual conference in March. And, after returning to the university, was elected president of Kansas State University Panhellenic.

As president of MAPCA, Kim said, "My main duty is to create good lines of communication. MAPCA covers a 16 state region. Each state is represented by a co-ordinator, who is monitored by one of four area vice presidents, who in turn correspond with me." More than 800 students, faculty and national officers attend the annual conference hosted by MAPCA and the Mid American Interfraternity Conference Association.

Kim has served Panhellenic as public relations officer, faculty reception co-chairman, all Greek function co-chairman, rush counselor and Junior Panhellenic representative. Equally involved in Gamma Phi Beta, she has been Beta Upsilon Chapter vice president, social chairman, Greek Week representative and Homecoming event chairman.

marketing, Kim plans to pursue a career as a major department store manager or buyer. She was named goal contest winner and area top sales specialist while employed at the Paul Harris Store in her hometown, Overland Park, Kan.

Kim has been active on campus as a Student Senate aide, member of the forensics team and Telefund director. She is a member of Order of Omega and Phi Upsilon Omicron Honor Societies.

# Miss Kansas, U.S.A.

Buffy Johnson (Kansas) thinks she must have the luck of the Irish. And well she might as her modeling career has seemed charmed from the start.

At 16, Buffy was spotted in a crowd that had swelled into the streets for the Kansas City St. Patrick's Day parade. That day led to photo sessions for catalogs and brochures, runway modeling and television commercials. And her popularity as a model may have encouraged an anonymous person to nominate her for the Miss Kansas Pageant.

Buffy received the invitation only days before she was expected to compete in Kansas City. "Mom said to just go and have fun," Buffy said. She was surprised how much fun it actually was and even though the women were there to compete, an effort was made to downplay that aspect of the pageant and instead to encourage a close, friendly atmosphere.

"I really was very lucky. On any other day, it could have been any other girl," Buffy said of the pageant.

then on to a reception before she was given an opportunity to see family and friends who had been in the audience. "I thought we'd probably just go get a pizza afterward. I was hoping and I'd been dieting so much before the pageant."

Because the Miss U.S.A. Pageant was scheduled for early spring in Florida, Buffy had to leave school the third week in April. Juggling both an escalating career and schoolwork is something that has required a little finesse. "Most of my professors were cooperative, but I felt really weird telling them about it," she said. "I didn't want them to think I was asking for special treatment." Buffy is interested in radio and television broadcasting.

Although fashion consultants have told Buffy her best color is blue, she has definite ideas about a favorite color. It's lavender and that's surprising. After all the Irish have done for her, one would think it would be green.

After the pageant, she was whisked off to sign contracts and

Gamma Phi Beta Sorority is urging its members to make memorial gifts to the Gamma Phi Beta Foundation in memory of a lost "sister" or other loved one. Contributions, which are U.S.A. tax deductible, will be used to support the Sorority's philanthropies—camping for special children and financial aid to women students. The latter takes the form of scholarships, fellowships and grants-in-aid.

Members of the remembered one's family will be notified of your gift with a special card mailed from Central Office. Contributions should be made payable to the Gamma Phi Beta Foundation, 7503 Marin Drive, Suite 178D, Englewood, CO 80111, and designated as a memorial to (John Doe) on the face of the check.

Help deserving young women while remembering someone you loved.

# LETTERS

Dear Sisters,

My pledge period is coming to an end soon and in the near future I will be initiated into Gamma Phi Beta. Of course I anxiously await initiation but I am also sure that I will miss being a pledge for at least a little while. To me, being a pledge was a real special thing. Here at the University of Wisconsin-Milwaukee it is not easy to make long lasting friendships since the school is so large and most students are commuters. Pledge period was special to me because it signified moving out of this big, impersonal campus and into a smaller, warm, caring circle.

As a pledge, I felt warmth and care from my sisters. Although I

wasn't always pampered and fussed over, my sisters did convey the message to me (and to my fellow pledges) that I was as special to them as they were to me.

Just like any other class, we have had our share of the frustrating times as well as the fantastic times. The greatest thing about pledge class though is the friendships that grow out of it. Not all of the pledges know each other as well as they probably would like to but the future holds much time for all sisters to become the very best of friends.

Gamma Phi Beta has opened a new and exciting door for me, one that will last my whole lifetime. I am told that the possibilities for leadership, scholarship and friendship that

Gamma Phi Beta offers are endless and from what I've seen I believe this to be very true. And soon, very soon, I will get the chance to see for myself.

Emily Delacenserie  
(Wisc.-Milwaukee)

Dear Sisters,

Sororities have an up and coming presence on campus today. We've survived the 60s, pulled ourselves back up through the 70s and told people about ourselves. Let it be known that we are a society unlike others, that we are a group of women with real goals and objectives. Now in the 80s we hope to encourage an even stronger following for those women who want to become part of an organization of women who seek to better themselves and society about them.

While it is true that we are a society that requires membership and commitment, we are also a society that reaches out to find and achieve the ideal knowledge of who we are and how we can help others. We work to bring ourselves together in a better understanding of what womanhood means in today's world. We strive to help others, to contribute whatever knowledge we have so that they may better their own lives. Our society is one where love, labor, learning and loyalty truly represent the bases from which we work.

There are moments of uncertainty when we question our own motives and directions. But the Sorority is there, representing strength. It is the order and we are the keepers of the vows. Each member learned of our secret traditions and works to keep them alive for the next generation of women. Ours is a family that exists through time and distance, neatly pulling together and integrating the character of each new member so that ours will be a society strong and enduring. We live and strive in the name of Gamma Phi Beta so that others may help to continue the tradition far into the future.

Stephanie Clarke  
(McGill)

How do I thank thee? Let me count the ways.  
I thank thee for plants and for the flowers,  
I thank thee for books that helped pass the hours,  
Casseroles, cookies, soups, fruit and pies,  
Have all promoted my appetite's rise,  
A special thanks to those who sent wine,  
I can't drink it yet - but Gay says it's fine,  
I want you to know I've savored each card,  
Whether written by Disney or the great English bard,  
I'll treasure them all as a miser his wealth,  
To remind me of friends who wished me good health,  
Thanks for your visits, I loved all your calls,  
I feel so good now I could climb walls,  
It's good to have friends and to know people care,  
I can't wait to get out and start doing my share!

Gigi

Gigi Heilman Griffin (Northwestern) sent this special thank you note to Laguna Hills, Cal. Gamma Phi Betas.

# ALUMNAE

Edited by MARGY WILTAMUTH

**Long Beach, Cal.** Alumnae had an exciting year with an Olympic theme. They started with a "marathon of eating" as each member was requested to bring a favorite international h'ors d'oeuvre. Red, white and blue was the requested garb for the evening. They circulated a questionnaire with their newsletter in an effort to increase participation of members. New initiates from California State-Long Beach joined alumnae for a makeup demonstration in February. At their Christmas meeting they brought old and new sheets and towels which they wrapped to present to a home for battered women.

**Omaha** continues its focus on spina bifida which it supports through the annual garden party, a popular local event. The chapter had a style show, a discussion of stress and depression, and are urged to BYOB—Bring Your Old Buddies!

In **Albuquerque**, alumnae were treated to a gourmet luncheon by their main philanthropy, the Albuquerque Hearing and Speech Center. The Center staff, headed by Gamma Phi Maryan Weber Holpp (Denver), hosted the chapter in appreciation for its many contributions for two decades. In addition to raising funds, Gamma Phis each year sponsor parties and outings for the children, provide scholarships, and donate holiday food baskets for needy families of students. After the luncheon the Center staff invited the Gamma Phis to tour the recently acquired mobile testing unit which the chapter helped purchase. The mobile unit contains state-of-the-art equipment for auditory testing and travels to industrial sites where working conditions may endanger employees' hearing. Virginia Fellows Higgins (Lake Forest) is a Center board member and JoAnne Anderson Abbott (N. Dakota St.) was a board member until last year.

Christmas nut sales hit a record high profit of \$3,000 for the **South Orange County Alumnae Chapter**.

**Pittsburgh** alumnae simultaneously celebrated Founders Day and the 25th anniversary of the

rechartering of the alumnae chapter. Members from all over western Pennsylvania were in attendance at the event, held at the historic William Penn hotel.

**Stillwater, Okla.** alumnae invited friends who are members of other sororities to be their guests for a tour of the Oklahoma State chapter house. It was a huge success. An idea for other alumnae chapters?

"We are so pleased to have the young alumnae members involved as officers, chairmen of important committees and directly involved with the activities of the collegiate chapter," wrote Stillwater CRES-CENT correspondent Gladys Hughes Heath (Oklahoma St.). The secret of other successful alumnae chapters?

**Washington, D.C.** alumnae had a grand time learning all about cuts of meat and happily went home toting the results of the meat cutting. Some Gamma Phi dogs even got the leftover bones. At other meetings they heard about life in Sweden from an exchange student and had a night out at a local seafood restaurant.

One of **Kansas City's** contributions to rush week at the University of Kansas was Sydney Stearns Stoeppelwerth (Kansas), who many will remember as Carnation Ban-

quet speaker at the Phoenix Convention. She moved from her quiet home to the pandemonium of the Sigma Chapter house for one week in January as a live-in rush advisor. "The Gamma Phis showed everybody! The ladies of the chapter were magnificent. By the end of rush they were too tired to move but they kept on coming like the waves of an ocean," according to a report by Sydney in Kansas City's newsletter.
