## COMMENTARY

By Ann Mullen Bronsing,  
Foundation Chairman

As we move toward the 21st century, the Gamma Phi Beta Foundation will take an ever-increasing role in maintaining the excellence of our Sorority. On behalf of the Foundation Board of Trustees, it is my pleasure to share with you what that role has been during the past year.

*In the 1991-92 Foundation fiscal year, the following programs were financed through Foundation giving:*

### Sorority educational programming

Leadership education at Convention, training of officers and Collegiate Leadership Consultants, scholarship programs and PACE programming were funded with \$35,327 from the Foundation.

### Special camping for girls, our international philanthropy

Camp Sechelt provided a camping experience to 260 girls during the summer of 1992, and 35 camps located throughout the United States and Canada received \$12,550 through Foundation supplemental camperships.

### Financial aid

Applications for scholarships and fellowships increased by 13 percent in the past year. At the same time, investment earnings were down drastically. Still 37 members were awarded \$44,650 to help with educational expenses. Emergency Grants-in-Aid totaling \$6,350 were awarded to 11 sisters with critical, unforeseen needs and an alumna with special needs received financial assistance from a Doris B. Gorden Special Sister Grant.

### Foundation Income in 1991-92

#### Annual Appeal

Each year alumnae are asked to support the Foundation with unrestricted gifts—large or small. Last year, 4,022 sisters gave a total of \$141,560. This was a decrease from the previous year of 21 percent. See the donor list in this issue of THE CRESCENT for alumnae that donated from August 1, 1991 to July 31, 1992.

#### Endowments

Investment income from restricted endowments provides income to finance grants. Most financial aid grants are funded by permanent endowments. Members are encouraged to support existing endowments and/or create new ones. Last year, the Tucson Alumnae endowed the Louise Tillotson Scholarship which will annually fund a scholarship to an Alpha Epsilon Chapter member. The Leadership Development Endowment received gifts totally \$47,179. Interest from this endowment funds Sorority educational programming.

#### The 1874 Society

Members, chapters or friends giving at least \$1,874 of unrestricted gifts in one year are honored by membership in this Society. A first for this Society, the St. Louis Alumnae Chapter chose to join the 22 members responsible for \$49,252 in contributions.

#### In Memoriam gifts

Friends and families gave \$8,605 during 1991-92 in memory of lost loved ones.

#### In Celebration gifts

Giving in celebration of special events contributed \$1,070 to the Foundation in 1991-92.

#### Chapter gifts

Collegiate and alumnae chapters were responsible for donations totaling \$18,425, including funds raised by campus Balloon Buys.

Total income, including investment earnings, for the Foundation's 1991-92 year was \$507,856.

#### Why Is Foundation Giving Important?

Since 1874 Gamma Phis have always helped and supported each other because of our belief in developing the highest type of womanhood. We have given in love our time, talent and treasures.

## On the Cutting Edge with Chapter Programming

By Kris Brandt Riske,

he future is here today, experienced every moment of our lives and only as far away as the next blink of an eye, the next appointment, the next exam to study for or paper to write, the next deadline to meet at the office, the next community service commitment, the next time to chauffeur the children, or the next phone call to answer. Every moment rushing to the future at a pace never before experienced.

And certainly not dreamed of in 1874 when there were no cars, planes, telephones, dishwashers, fax machines, answering machines or air conditioners. Life then was simpler in the demands placed on people. Values and ethics were of paramount importance, education was seen as a window to the future, and people mattered more than machines.

Times change, lives change and progress is made. Remember the age old statement: the only constant is change.

Certainly times have changed since the inception of the Greek system in the 19th Century, as has society, technology, education and daily life. Is Gamma Phi Beta the same organization that was founded by four female Syracuse University students? Is Gamma Phi Beta keeping pace with today's world? Or are Gamma Phi Beta and the Greek system remnants of the past?

Today, college and university administrators are questioning the value of the Greek system. Charges of hazing, alcohol abuse, poor scholarship, and inappropriate behavior are the focus of

these statements. Critics say Greeks are archaic and irrelevant in today's fast-paced society.

What would Gamma Phi Beta's Four Founders say in response? No doubt they would be the first to praise succeeding generations that have aimed the Sorority toward increased opportunities for leadership development, philanthropic service, and education in its broadest sense as a training ground in preparation for life. They also would cite examples of sisterhood, and tell of their experiences as pioneers in the women's movement.

However, in their understanding of today's society and the evolution of the Greek system they would urge Gamma Phi Beta to return to its basic principles of sisterhood and a supportive, nurturing atmosphere; continuing education; development of the highest type of womanhood; and the ideals expressed in Gamma Phi Beta ritual.

Gamma Phi Beta's Four Founders also would share their pride in the knowledge that Gamma Phi Beta is on the cutting edge—a progressive, dynamic organization with a vision for the future, an eye to the past and a reaffirmation of the values and principles they cherished and wanted to share with others.

This fall Gamma Phi Beta shares its pride as it launches a "back to basics" approach in collegiate chapter programming with emphasis on sisterhood, lifetime commitment, leadership development, ongoing education for all collegiate members and a renewed enthusiasm for academic excellence.

*On the  
Cutting  
Edge*

*Gamma Phi Beta continues to take the lead in adapting its collegiate programming to today's world. Gamma Phis learned about the new chapter programming during a major presentation at Convention.*

## Pledge Program

A study of the former pledge program concluded that the educational focus of chapter programming was concentrated in the pledge period, and much time and effort was spent on pledge class fundraisers and projects in addition to participation in chapter activities. Gone was the concept of a pledge program as an introduction to Gamma Phi Beta, a foundation upon which to build. Instead it had evolved during the past 80 years into a proving ground which focused on creating "good" pledges, not "good" members.

Sisterhood had become a by-product and occurred primarily within pledge classes and between big and little sisters, rather than the chapter as a whole. Hazing, when it occurred, was fostered by the segmented membership structure

(pledge versus initiate) and promoted by groups of members from the same pledge class. Knowledge of Gamma Phi Beta as an organization was gained during the pledge period and then forgotten, resulting in too few members with a lifetime commitment to the Sorority.

Thus the conclusion was reached to enhance Sorority education by shortening the pledge program to six weeks and incorporating education throughout the undergraduate years. The new pledge program emphasizes the privileges and responsibilities of membership, standards, expectations and Gamma Phi Beta history.

It begins with an all-chapter retreat primarily devoted to team building, sisterhood and fun. The first four weeks of the program focus on the Gamma Phi Beta Creed—Love, Labor, Learning, Loyalty, with the fifth being Laughter Week (frequently

used as the last day of Inspiration Week prior to initiation). Appropriately, the pledge program concludes with Lifetime Commitment Week and initiation.

Because they are uninitiated members, pledges attend all chapter meetings. They are admitted after the opening ritual and are excused before the closing ritual, but do not attend membership selection meetings. Because Gamma Phi Beta expects pledges to support chapter projects and activities, and to assume the responsibilities of membership, they have a vote in all other matters of chapter business except officer elections.

## Education

During the early years of sororities, literary readings and discussions were a part of every chapter meeting. Greek organizations were praised for their

ability to augment classroom education, calling membership a "professorship in itself."

Gamma Phi Beta will again adopt that role as chapter members participate in PACE (Per-

## Programming Pride

Committee members who developed the new collegiate programming shared their pride with Gamma Phi Betas attending Convention in July. All attendees learned more about chapter programming during a major presentation, and workshops dedicated to specific areas also gave collegians an opportunity to ask questions and learn how to effectively implement the programming at their chapters. That knowledge complemented the information distributed last spring.

The excitement was evident as committee members shared their vision and reminded Convention attendees that the new programming will be closely monitored. An extensive evaluation process will indicate where improvements and refinements are needed, because the programming will continue to evolve as Gamma Phi Beta responds to the needs of its members and adapts to changing times.

Gamma Phi Beta is proud to be a leader, along with several other sororities, in adapting its collegiate programming to today's world. As a progressive, dynamic organization for today's women, Gamma Phi Beta is on the cutting edge of change and progress for a bright future.

sonal and Chapter Enrichment) programming at every chapter meeting and once a month on PACE Night. PACE programming developed by the Sorority includes Gamma Phi Beta history and information about the international organization, life skills, leadership skills and scholarship. Short programs are presented by chapter members during chapter meetings and PACE Night programs feature outside speakers with more in-depth coverage of life skills and women's issues.

### Academic Excellence

Gamma Phi Beta's new scholarship program assists every member in reaching her potential through emphasis on individual study skills and creating an atmosphere of academic excellence. In addition, other aspects of the new programming decrease the time commitment for Sorority activities in order to increase the time available for studying, employment and campus activities.

All women pledged to Gamma Phi Beta are required to have an established minimum grade point average and to be in good academic standing as determined by the college or university. The latter is stipulated in the Gamma Phi Beta International Bylaws as a requirement for initiation, as is six weeks of pledge education.

Each chapter, with guidance from its Province Collegiate Director or New Chapter Director and chapter advisor, determines its minimum acceptable grade point average for members and officers. This, coupled with a program for improvement, enables chapters to assist members with poor scholarship in developing their academic skills, and provides an avenue for disciplinary action if no improvement is shown.

### Officer Structure

The existing collegiate chapter officer structure also was studied and found to be cumbersome, with much of the work of the chapter falling to the officers. Team effort and a commitment to chapter projects and activities were missing.

Thus a new structure was created to distribute the work of the chapter more equitably among the membership. With the exception of the president, the executive council officers (administrative vice president, membership vice president, public relations vice president, member education vice president, financial vice president and Panhellenic delegate) serve as chairmen of their respective departments. Other chapter officers are members of the departments, and they in turn have committees which they chair. Every chapter member serves on a committee and is a part of the team effort.

While enhancing sisterhood through team effort, the structure also gives all members the opportunity to develop leadership skills through practical experience. All committees meet on the one meeting night devoted to committee projects. An all-chapter sisterhood function is held after committee meetings.

### Sisterhood

Sisterhood, a basic principle on which Gamma Phi Beta was founded, also is enhanced through the loyalty circle program. Every initiated member and pledge is assigned to a loyalty circle each term. Each of these small groups plans a weekly informal get-together of its own choosing, which might be eating lunch, studying or attending a sporting event.

Through loyalty circles, mem-

bers have an opportunity to develop chapter-wide friendships and to enjoy an additional support system within the chapter.

Loyalty circles also function as big sisters to pledges within the circle. In addition to mentoring as a group, initiated members are assigned specific pledges from the circle for whom they serve as temporary big sisters. The permanent big sister, who is announced during Lifetime Commitment Week, usually is from the loyalty circle.

#### Lifetime Membership Manual

Designed in a working notebook format, each member has a copy to be used throughout her lifetime. In it is a wealth of information about international Gamma Phi Beta, and life, leadership and scholarship skills; chapter information is added locally. Handouts prepared by the Sorority are distributed during PACE programs and added to the manual throughout the collegiate years. The result is an outstanding collection of practical knowledge that members can use throughout their lives.

Campus administrators have praised Gamma Phi Beta for its step back to the future, saying:

- "Go Gamma Phi Beta! What progressive leadership you are giving to the NPC world!"

- "Awesome plans. I think it will be well received on our campus!"

- "Streamlining pledge education and aggressively programming for continuing initiate education is the logical and prudent developmental course for any Greek organization. I'm so glad you're doing this."

- "Excellent! This brings Gamma Phi Beta to the forefront."

- "Fraternities and sororities that do not continually examine

and support the values upon which they were founded are at risk, and we are pleased to see that Gamma Phi Beta is meeting this challenge."

- "I wholeheartedly applaud the leadership that your sorority is offering to the Greek world in refocusing chapters toward personal responsibility, academic achievement and friendship. The changes proposed will promote individual self-worth and a well-balanced chapter membership. Congratulations for taking the risk to institute changes in your organization."

- "I find the changes you will be implementing to be quite positive. Change can be frightening, but if our organizations are to grow and develop, change is a vital element."

- "Bravo! The changes you have planned will place Gamma Phi Beta among those women's fraternities on the cutting edge and will support the university's efforts. Thank you!"

As the comments of administrators indicate, Gamma Phi Beta continues to share the pride of the Four Founders, building on their vision of 1874 with a vision for 1992 and beyond. The future will continue to bring the pride of sisterhood, education, academic excellence and lifetime commitment, as Gamma Phi Beta demonstrates its devotion to its members and the ideals and principles founded upon a rock.

## Epsilon Phi Chapter Installed at Bentley College

*Members of Epsilon Phi Chapter at Bentley College celebrate their initiation and installation at a brunch on December 8, 1991.*

**B**eautiful and emotional describe the mood when the Gamma Phi Beta charter was presented to the Epsilon Phi Chapter at Bentley College December 8, 1991.

Just three months after accepting a 34-member local sorority's invitation to colonize, Gamma Phi Beta initiated 50 collegians and one alumna.

Delta Chapter, Boston University, did a fabulous job performing the initiation ceremony the day before the Installation Brunch.

More than 70 guests, friends, family and campus administrators joined the Gamma Phi initiates celebrating their Installation at the Boston-Waltham Vista Hotel. Camille A. Cestone (Bowling Green), Alumnae Vice President, presented the charter and Janet Parker Whitcomb (Calif. St.—Long Beach), Assistant to the Director of Extension-Installations, was the Master of Ceremonies at the Installation Brunch. Audrey Weldon Shafer (Missouri), International Ritual Chairman, and Laura Hatch and Margo Wimer, Collegiate Leadership Consultants, were also on hand to represent international Gamma Phi Beta.

One of the highlights of the celebration was Girl Scout Council Representative Joan Denton accepting a \$1,000 check from the Gamma Phi Beta Foundation on behalf of Cedar Hill Girl Scout Camp in Waltham.

Charter initiates are Melissa Armata, Katie Augustine, Bonnie Baker, Krista Boeckmann, Tanya Cavallaro, Regina Chu, Jen Clarke, Normarie Coello, Kelly Conlon, Susan Anne Cosgrove, Kristina Cote, Alison DeVylder, Dawne Doyker, Christine Ejdys, Michelle Grass, Jen Haley, Laurie Handler, Heidi Hanson, Amy Heinen, Sally Hernandez, Jen Hill, Tammy Jipson, Lissa Mackie, Melissa Martin, Carolyn McGrath, Amy McLaughlin, Sheila Moran, Maria Neves, Wendy Olson, Shawn O'Sullivan, Renee Pennisi, Jackie Philbrick, Tricia Phillips, Nikki Poly, Stephanie Reichardt, Sandra Roberts, Erica Rocheteau, Lara Roes, Jenny Russell, Amy Simmons, Alicia Spera, Jen Sterling, Amy Stevens, Maura Thompson, Susanna Valdes, Jen White, Colleen Wittrup, Debra Woyasz, Colleen Wright and Kristina Yonika. ## PROFILES

Virginia Anderson Wells (*Northwestern*) and her husband, Richard G. Wells.

bers of the Benchwarmers Club and they served as co-chairmen of their class' 50th reunion.

Virginia, who is a retired teacher, is now an advisor to the NU Club of Milwaukee. She has served as president of the Milwaukee alumnae chapter and has received the Merit Roll and Golden Crescent Awards.

"Miami is the hottest assignment around," said **Cathy Edwards Booth** (*Oklahoma*), *TIME* magazine's Miami Bureau Chief. Among other assignments in her two years in Miami, Cathy covered the sensational rape proceeding against William Kennedy Smith and the drug case concerning Manuel Noriega.

Before being assigned to Miami, Cathy was *TIME*'s Bureau Chief in Rome where she covered the papacy and the World Cup soccer matches and rushed to the Iraqi border to interview refugees when the Gulf War broke out.

**Virginia Anderson Wells** (*Northwestern*) and her husband, Richard, received 1992 Alumni Service Awards from the Northwestern Alumni Association. Their outstanding service to their alma mater includes founding the NU Club of Milwaukee in 1947; they served as co-presidents and on its board of directors. They are also mem-

**Anne Emily Ninchak** (*California-Irvine*) was one of two first-place recipients of a \$4,000 Balfour Fellowship from the National Interfraternity Foundation.

Selected on the basis of fraternal and interfraternal service; campus and community service, enhancement of fraternity ideals and scholastic achievement, Anne said, "Being President has taught me how to organize and inspire a group of 100 women, each with different values and attitudes. Arriving in the United States as a Czechoslovakian immigrant 10 years ago gave me many challenges to overcome. Acquiring a new language and a new culture, I have developed a strong feeling of empathy toward minority groups who are often left out of the social, educational and medical systems."

Anne will use the Balfour Fellowship to attend medical school at the University of California, San Francisco School of Medicine. She said, "I would like as a physician to create an active outreach program to bring all groups into better health care."

**Nancy Jenkins Kitt** (*Colorado*) is the proud mother of speed skier A.J. Kitt who placed 8th in the 1992 Winter Olympics and 3rd overall in the 1991-92 World Cup. A.J. began his skiing career in a baby carrier on his father's back. When he was given the option at three years of age to either ski or stay home with a baby sitter, A.J. chose skiing. Nancy recalls that he always loved speed and that by the time he was seven years old, he was competing in regional racing. Of the Olympics, she said, "We were so proud to be there as parents of an American Olympian."

Nancy also takes pride in her involvement with Epsilon Tau chapter at the University of Rochester. She notes that the new chapter has helped revital-

ize the alumnae chapter and that "everyone wants to be involved because it's so much fun." She also praises the chapter for pledging more girls than any other chapter on that campus and for keeping the alumnae informed of their activities. Nancy serves as public relations advisor and enjoys meeting with the committee once a week.

Kathleen McGuire Propp (*Colorado* and *Colorado St.*)

After 16 years on the Oshkosh Common Council, **Kathleen McGuire Propp** (*Colorado* and *Colorado St.*) retired from office following her appointment as assistant to the director of the University Scholars Program at the University of Wisconsin-Oshkosh.

Kathleen said that being a councilor was challenging politically, emotionally, intellectually and personally. She was most proud of her involvement in renovating the local opera house.

While on the council she was elected Oshkosh's first, and to date, only female mayor. During her term, the CBS Evening News interviewed Kathleen on her thoughts about President Reagan's tax reform package that he promoted in Oshkosh.

To lay down one's life for that of a friend would seem the ultimate sacrifice. That is what **Cinda Keating Lucas** (USC) offered to do for her Gamma Phi Beta sister, **Betty Brittingham Tegart** (USC).

In a Christmas card, Betty told Cinda that she was suffering from kidney disease and needed a transplant. Betty's husband and two daughters had been rejected as donors and her doctor said it could take a year to 18 months to find a healthy organ and a tissue match.

Cinda called Betty and said, "Why don't you let me help you?"

Doctors estimated the odds of Cinda being a near perfect kidney donor match for Betty at one in 450,000. They also warned Cinda that the transplant procedure was as painful as surgery gets. A lower rib would have to be broken and there would be six weeks of painful recovery. An 8-inch scar would be forever etched in her back.

"No matter," said Cinda. "I wanted to do it from the start. I've never had a moment's doubt."

Testing for tissue compatibility, they lay in beds opposite each other. Cinda told Betty that she had a strong feeling their organs would match. "Don't ask how. I just knew everything would work out," Cinda said.

"Miraculous" was how the doctors described the turn of events. The operation was successfully performed and the two sisters spent their recovery days together at Betty's home in Pacific Palisades.

Cinda heads her company, Creative Strategies, which does marketing, consulting and motivational speaking. She is a devoted member of the LaJolla alumnae chapter and has been especially active with Epsilon Gamma chapter at the University of San Diego.

Love, Labor, Learning, Loyalty . . . Cinda has lived the creed of Gamma Phi Beta.

Betty Brittingham Tegart and Cinda Keating Lucas (both USC) recovering together from kidney transplant surgery.

## ALUMNAE NEWS

*Founding members celebrate Fullerton's 20th anniversary.*

*South Bay alumnae enjoy a Panhellenic scholarship luncheon.*

**Chicago Northwest Suburban** members and their guests attended "Mardi Gras '92," a fundraiser for Alumnae Panhellenic.

Albuquerque alumnae announced a new night group for working members. The chapter also collected items for their local philanthropy, a day care center. Social highlights included a salad luncheon and a couples' party.

A time capsule presented by the Greater Orange County alumnae at Cal. State Fullerton's 20th Birthday Party revealed that hip huggers and Granny glasses and dresses were the fashion rage in 1971, as was the Temptations hit song, "Just My Imagination." More than 200 alumnae from pledge classes spanning 20 years attended the reunion. Organizers of the event were delighted by donations made to the Foundation and to local philanthropies in honor of the celebration.

Gamma Phi Betas in southeast Missouri, southern Illinois and western Kentucky are invited to join the new Southeast Missouri Crescent Circle by contacting Chairman Karen Harris Story, 318 E. Cypress St., Charleston, MO 63834. In addition to Karen, other founding members include Patricia Hull Bill (Vanderbilt), Sherlyn (Sam) Roach Fischer (Texas), Jane Morgan Grimm, Alice Vanhorne Huff, Elizabeth Baldwin Ridgon and Elizabeth Powell Marshall (Missouri), Ann Bernadette Reeves (Indiana), Cathy Roeder

(Wittenbury), Joan Manual Weeks (Kansas) and Ruth Jane Gibson (Oklahoma).

Ritual Chairman and former Grand President Audrey Weldon Shafer (Missouri) delighted the Greater Kansas City alumnae with a presentation on Sorority rituals and little-known information about our founders. Shawnee Mission Park District Players entertained the alumnae with selections from the upcoming theater season.

## COLLEGIATE NEWS

St. Louis University collegians sold T-shirts and books as part of their Earth Awareness Week.

San Diego alumnae welcome San Diego State seniors.

San Diego alumnae honored San Diego State seniors at a patio potluck dinner at the home of Virginia Flynn White (Denver). They welcomed the seniors into "alumnaehood" with a can-

dleight ceremony and pink carnations. Each girl received the chapter's traditional girl graduate Christmas ornament with her name and graduation year printed on it.

Denver alumnae and collegians enjoy the International Headquarters dedication.

St. Louis sisters report that they are a "group of girls who provide leadership, comfort and a helping hand" to their sisters and their community. The chapter participated in an MS Walk-a-Thon, gave Christmas gifts to underprivileged children, cleaned nearby highways and provided heat for a needy family during the winter.

Reno sister, Salli Ortiz, found herself behind bars—but for a good cause, the Cancer Society's Jail-a-Thon. Chapter sisters help raise her bail and release her from "jail." Alpha Gamma's participation helped fund campus professors' cancer research.

San Diego State members hosted a Sunday brunch in honor of their parents, pledges and alumnae. The chapter decorated the house and lawn, and planned a special catered meal. The event was part of Parents Weekend and included introducing the pledges and attending a professional baseball game.

Platteville sisters helped young and old and the environment. They played bingo with nursing home residents, held an Easter egg hunt at a day care center and cleaned area highways.

A trash sculpture, speakers and a trash collection contest were all part of Earth Awareness Week co-sponsored by Gamma Tau Chapter at St. Louis University.

"Gratefully Dedicated to the Earth" week focused on increasing the community's awareness of the importance of saving and preserving the earth, with a special emphasis on the things individuals can do.

The week was a huge success with more than 600 people attending the Earth Awareness Fair where environmental organizations and corporate, private and public groups set up displays and distributed literature.

Western Ontario collegians donned holiday colors for a "Happy Holiday" photo card that they sent to campus friends. Proceeds from their annual father/daughter Heritage Ball went toward maintaining their chapter house, which is on heritage property. Their Senior Celebration included a barbecue, an art gallery luncheon and surprise gifts.

Leapfrog from Handi-Kids, co-sponsored by Bridgewater State members raised more than \$600. Their Rock-a-Thon benefited the Children's Developmental Clinic and the Girl Scouts.

North Dakota pledges build for success.

# THANKS

The work of the Gamma Phi Beta Foundation depends on the generous donations of all its members. We thank all of the alumnae and collegians who contribute to the Foundation's Annual Appeal in amounts from \$1 to hundreds of dollars. These sisters are following through on their lifetime commitment to the Sorority. We urge every Gamma Phi Beta to make a tax-deductible gift to the Foundation to help support the Sorority's international philanthropy, special camping for girls; financial aid and educational programs.

This list recognizes sisters and friends who have donated to the Foundation from August 1, 1991 to July 31, 1992. Regrettably, contributions sent directly to individual chapters are not included in this recognition, although we do encourage and appreciate all forms of support.

## Foundation Grants Supplemental Campership Funds

# D

uring the past year, 35 alumnae chapters and one collegiate chapter applied to the Foundation for supplemental funds to add to their support of 44 special camps. Local funds, combined with \$12,550 granted by the Foundation, enabled 260 campers to experience 1,756 days of camping.

Has your chapter taken advantage of this opportunity? If not, you're missing a chance to bring Gamma Phi Beta's international philanthropy to your community.

Applications for supplemental campership funds may be submitted at any time, with a deadline of April 15 for the 1993 summer season. Funds must be used for special camping for girls, such as those with specific illnesses or those who are physically disabled, emotionally disturbed or mentally retarded. For more information, contact International Headquarters.

## **Balloon Buy**

The sisters of Beta Lambda chapter at San Diego State contributed more than \$1,000 to the Gamma Phi Beta Foundation from their Balloon Buy in December. They sold more than 400 bouquets of red and green holiday balloons or blue and white "good luck on finals" bouquets. Each member was responsible for at least five balloon bouquets.

The eight chapters that supported the Balloon Buy program provided \$3,208 to the Foundation, as well as generating good public relations for Gamma Phi on their campuses.

## Planning for Charitable Giving

Each year thousands of individuals exercise their privilege to determine the final distribution of their estates by designating a portion of their assets for the benefit of charitable organizations.

Planned gifts, through wills, are an integral part of the American philanthropic tradition. They provide a means for people to make significant contributions to an organization that might otherwise have been impossible during their lifetime.

Bequests can take various forms, all accomplishing the same valuable result; providing for the future of a nonprofit organization. Members, family and friends of Gamma Phi Beta can provide for the future and growth of the Sorority by including the Gamma Phi Beta Foundation in their wills.

The following examples should be considered when determining how to prepare your will:

**General Bequest:** This is one of the most popular ways to make a charitable gift by will. You simply leave a specified dollar amount to the designated charity.

**Specific Bequest:** With this bequest you designate that a charita-

ble organization receive a specific piece of property.

**Residuary Bequest:** This type of bequest provides a charity with all or part of the estate property after all debts, taxes, expenses and other bequests have been paid.

**Contingent Bequest:** This bequest names a charitable organization as the alternate or contingent beneficiary of the will if the primary beneficiary dies or disclaims the property.

**Percentage Bequest:** This bequest is expressed as a percentage of the total estate or the residuary estate. If fortune changes the size of the estate over the years, the bequest changes in the same proportion.

Whatever the way in which you choose to provide for Gamma Phi Beta through your will, seek the advice of professional council to make sure your wishes are best met.

For further information about naming Gamma Phi Beta in your will, contact the Foundation office at International Headquarters at (303) 799-1874 or write to Gamma Phi Beta Sorority, 12737 E. Euclid Drive, Englewood, CO 80111-6445.

# 1874 Society

The 1874 Society is composed of Gamma Phis who have provided unrestricted gifts of at least \$1,874 to help the Foundation continue its important work for the Sorority. We are deeply indebted to these women who are giving so generously in a time when the needs are increasing faster than the resources to fill them. In 1990-91, 28 Gamma Phi Betas answered the call to become charter members of the 1874 Society of the Gamma Phi Beta Foundation. In this second year, 1991-92, we are recognizing the wonderful leadership support that we have received from the following 23 donors:

# INTERNATIONAL COLLEGIATE BOARD

The International Collegiate Board is a forum for collegians to express their needs and concerns, and to foster positive communication between collegians and International Council. This also provides an avenue for International Council to more fully explain the reasoning behind policies and decisions pertinent to collegians.

Eight collegians, each representing a geographical area, are selected in the spring for a one-year term (applications are available from International Headquarters). The board meets annually either at Leadership Training School or International Convention, and communicates during the school year through letters, questionnaires and phone calls. Advisors to the board are the Collegiate Vice President and the International President.

The 1992-93 International Collegiate Board from left to right, front row: Barbara Goodrich, Deana Duin, Stacy Pflughaupt; back row: LaTisha MacRae, Shelly Carey, Shannon McIntee and Susan Gerrish.

# Founded Upon A Rock: Gamma Phi Beta's New Home

By Randall Stevens  
(Calif. St.-Long Beach),  
Former International  
President

**A**s the shining sun replaced the crescent moon on April 26, 1992, it revealed a sparkling blue ribbon stretched across the impressive threshold of the new Gamma Phi Beta International Headquarters. More than 200 Gamma Phi Betas and friends gathered in Englewood, Colorado, last spring for the dedication of Gamma Phi Beta's new home.

"Dreams really do come true," said Karen Wandler Kline (Iowa St.).

Karen, who served as the Executive Chairman of the Capital Endowment Campaign that raised the money to fund the building, said she had been dreaming of a Sorority-owned International Headquarters since she first served on International Council more than 15 years ago.

But Karen was not the only one dreaming. Hundreds of Gamma Phis and friends gave generously of their time, talent and treasures to make this dream a reality, which now stands encircled by green grass in a corporate park just south of Denver.

The custom-designed, 10,000-square-foot International Headquarters building houses the business operations of the Sorority and provides meeting and sleeping accommodations for up to 12 Sorority officers while on Gamma Phi Beta business.

The long-awaited dedication day formally opened with a ribbon-cutting ceremony led by Jolene Lessard Stiver (N. Dakota St.), International President; and three immediate past presidents: Randall Stevens (Calif. St.-Long Beach), Immediate Past President; Ann Mullen Bronsing (Indiana St.), Foundation Chairman; and Karen Wandler Kline (Iowa St.), Executive Chairman of the Capital Endowment Campaign. Ardis McBroom Marek (Northwestern), General Chairman of the Capital Endowment Campaign, and Marjorie Mills Shupert (Colorado St.), Executive Director, also joined in the ribbon cutting.

After the ribbon was cut, Joey Stiver unveiled a massive, granite monument outside the atrium entrance commemorating the founding of the Sorority and acknowledging the loyalty of the hundreds of Gamma Phis and friends responsible for making the day possible.

Then it was time to see the inside.

"What impressed me the most was that it was so big—much bigger than I thought it would be," said Doris Bird Gorden (Bowling Green), Province II Alumnae Director.

"It is the nicest building of understated elegance that I've ever seen," said L'Cena Brunskill Rice (USC). "The biggest thrill for me was walking through the front door and seeing the gorgeous crest."

Just past the impressive coat of arms is the history-filled gallery where initiated Gamma Phis gathered in front of the inviting, pastel fireplace for a dedication ceremony written by Audrey Weldon Shafer (Missouri), International Ritual Chairman and former Grand President.

"The ritual dedication was lovely—so rich and so meaningful," L'Cena exclaimed.

Following the dedication, a brief program included remarks from people involved in the conception, fund raising and building of the Headquarters. Special recognition went to Glenn Decker and Richard Buss, who were responsible for the design and construction of the project, and to Tim Icard of Icard Interiors who generously donated his interior design expertise.

During the reception that followed the program, a special announcement was made: Memorabilia from Founder Frances Haven Moss will be permanently displayed in the Headquarters' gallery thanks to the efforts of Frances Rea Griffin (Texas), Financial Vice President.

Also displayed are brass nameplates spread throughout the building recognizing individuals,

*Official ribbon cutters were Karen Wander Kline (Iowa St.), Ardis McBroom Marek (Northwestern), Ann Mullen Bronsing (Indiana St.), Jolene Lessard Stiver (N. Dakota St.), Randall Stevens (Calif. St.-Long Beach) and Marjory Mills Shupert (Colorado St.).*

alumnae and collegiate chapters and friends of the Sorority that donated rooms and furnishings.

Hors d'oeuvres were offered and harp music accompanied collegians, alumnae and friends as they toured the richly-designed building. With collegians from Theta chapter and International Headquarters' staff members acting as hostesses, guests also had the opportunity to view historical displays as well as a video of the building project from start to finish.

As is befitting a building housing a 118-year-old women's organization, International Headquarters is a blend of traditional design and contemporary use of space decorated in clear, feminine colors and accented with oriental carpets and cream-colored woodwork. It also boasts hardwood flooring, masses of natural light and greenery with beautiful artwork and framed Sorority memorabilia and mementos.

But words alone cannot accurately convey the ambiance of Gamma Phi Beta's new International Headquarters, so the next time you're in Denver, see for yourself. Stop by and visit your new home.

*Jolene Lessard Stiver (N. Dakota St.), International President, and Marion Kaeser Piper (Illinois) look through historical photos from Frances E. Haven's family.*

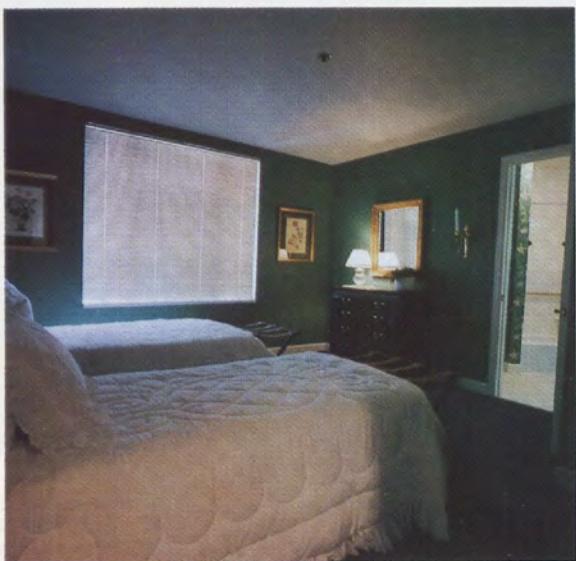

The Headquarters' reception area boasts natural wood floors and oriental rugs.

Members of Gamma Phi Beta's International Council, Foundation Board of Trustees and Endowment-Loan Board gathered in the gallery at the International Headquarters dedication.

The executive office reception area is spacious, beautiful and functional.

Sleeping quarters are provided for Gamma Phis on Sorority business in Denver.

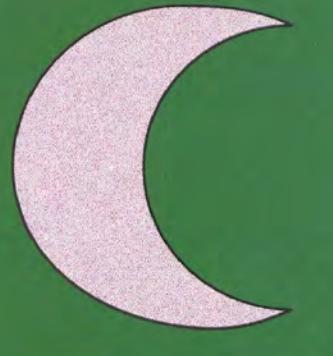

L'Cena Brunskill Rice (USC) proudly points out the beautiful Coat of Arms that can be seen when entering International Headquarters.

International Headquarters' staff, left to right: front row: Jnell Ruetz, Barbara Ann Lafferty, Liz Martin, Kris Harlan, Sherry Porter; back row: Marjory Shupert, Cathy Lindauer, Rachel Hinton, Edna Hinton, Sherry Ochoa, Billie Molina, Dee Ann Westfall, Cheryl Broyles, Kendra Bocher, Kenny Buehler.
