The Foundation welcomed Paula Janis Dean (ΓΑ - Memphis) as the Development Committee Chair for a three year term beginning August 1, 2003. Phyllis Choat has served – with distinction – two full terms as a Foundation Trustee and has retired from that position. We thank Phyllis for her many years of service to the Foundation as a Trustee and we look forward to her continued involvement on the Development Committee and as co-chair of the Foundation's 2004 Convention team.

Message from L'Cena Rice

Chair – Gamma Phi Beta Foundation

The *raison d'être* for the Gamma Phi Beta Foundation is to give funds to the Sorority for outstanding collegiate and alumnae leadership and educational programs, to support the Sorority's philanthropy and give scholarships and fellowships as well as financial assistance to members in need. How many clubs, associations, or special interest groups that claim your attention exist for the sole purpose of giving? If you're like me, it would be a short list.

Gamma Phi Beta sisters belong to an elite giving organization – the Gamma Phi Beta Foundation – our badge is our membership card. Whether you contribute \$1 to a college chapter fundraising event, have the means to establish a \$100,000 endowment or remember the Foundation with a \$1,000,000 bequest, you are a member of this special organization and we thank you for all you have given in the past, in this fiscal year and in the years to come.

Despite the difficult economic climate, Gamma Phi Beta Foundation donors have steadfastly continued to support our efforts. Many charitable organizations have suffered in the past three years, but because of your loyalty and support and wise decisions of the Finance/Investment Committee and advisers, the assets of the Foundation continue to grow as do the funds we distribute.

In 2002-2003, the Gamma Phi Beta Foundation contributed:

- \$59,896 to the Gamma Phi Beta Sorority to support leadership development initiatives for college chapters through Personal and Chapter Enrichment (PACE) programs, leadership training offerings at Regional Leadership Conferences and personal visits from specially trained collegiate leadership consultants. Additionally, the Foundation supported leadership development training for our alumnae leaders at the biennial Leadership Development Institute in June 2003. More than 10,000 college women and 400 alumnae leaders gained valuable knowledge and skills from Sorority programs supported by the Foundation.
- \$48,673 to support our national philanthropy -- camping for girls. For nearly 75 years Gamma Phi Beta members have dedicated thousands of volunteer hours and hundreds of thousands of dollars to enrich the lives of young girls at camps that Gamma Phi Beta supports. In 2002-2003, the Foundation made a special contribution of \$10,000 to Camp Fire USA, the national philanthropy adopted by the Sorority at the 2002 convention. The

Gamma Phi Beta /Camp Fire USA collaboration strengthens the goals of both organizations -- to build caring, confident youth and future leaders.

- \$100,400 to 70 outstanding Gamma Phi scholars in undergraduate scholarships and graduate fellowships. From Syracuse in 1874 to the present day, Gamma Phi Beta has strongly supported and promoted the educational aspirations of women. We are proud of our commitment to academic excellence and look forward to awarding even more scholarships and fellowships in the future.
- \$4,000 to several undergraduate and alumnae sisters through grants-in-aid. The recent economic downturn in the US and Canada has created situations that make it extremely difficult for some collegians to pay tuition, focus on study, work at part-time jobs and contribute to their college chapters. Those same conditions, compounded by the complexities of 21st century life, can result in extreme financial hardship for sisters of all ages through job loss, illness or disability, death or serious illness of a family member. Your contributions to the Foundation allow us to express our love for our sisters with tangible gifts to help them through hard times.

Your membership in our unique "giving society"— the Gamma Phi Beta Foundation – ensures that the legacy established by our founders lives on.

On behalf of all our Trustees, please accept our deep gratitude for your gifts in 2002-2003 demonstrating your commitment to love, labor, learning and loyalty.

Financial Report

2002-2003

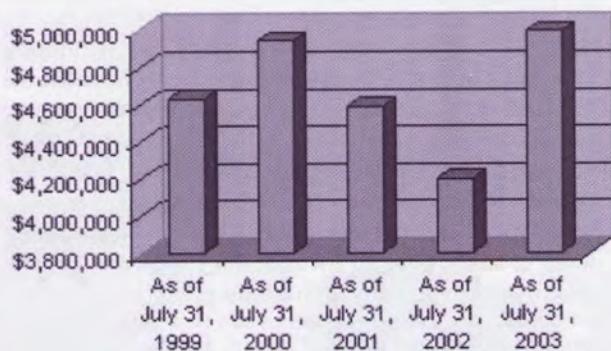

Together we are making a difference

In just the past five years, the Gamma Phi Beta Foundation has provided more than \$1,200,000 to:

- support the Sorority's leadership development programs
- send young girls to camp
- assist more than 200 young women with their educational aspirations and help Gamma Phi Beta sisters in financial need.

As our Foundation assets grow in value through increased contributions and wise investment decisions, our ability to enrich the lives of young girls, college members, and alumnae will grow exponentially.

Gamma Phi Beta Supports the National Panhellenic Conference

Betty Ahlemeyer Quick
1874 Member
NPC Treasurer

In 1902, Gamma Phi Beta Sorority and six other women's college-based Greek letter organizations banded together and formed the first interfraternity association and the first intergroup organization on college campuses. Known today as the National Panhellenic Conference (NPC), this group of 26 women's organizations promotes values, education, leadership, friendship, cooperation and citizenship among its members.

In 2002, the Gamma Phi Beta Foundation contributed \$2,500 to the NPC Foundation for the Centennial Endowment to provide an ongoing resource to fund NPC educational and leadership programs and an additional \$2,500 for a special drug abuse prevention program.

Betty Ahlemeyer Quick, BΦ – Indiana, serves as the Treasurer of the National Panhellenic Conference, she will serve as Secretary in 2004 and will become Chairwoman in 2005.

Financial Report

2002-2003

To all donors to the Gamma Phi Beta Foundation:

The Foundation is happy to share financial data for the 2002-2003 fiscal year in this year's annual report. Because our audited results are not available until well after the publication deadline for The Crescent, this data is unaudited. From experience, we don't anticipate that the audit will

result in any material changes. We believe that all members of Gamma Phi Beta and all donors to the Foundation should have as much information as possible about our financial health. If you would like a copy of the audit, call the Foundation office.

It's also important that our donors understand some of the current and past issues that affect Foundation assets.

Background

During the 1990's, individuals and organizations saw the values of their investment portfolios expand beyond reasonable expectations. This "irrational exuberance" ended with the technology stock meltdown starting in March 2000 and the decline of large capitalization stocks in 2001 - 2002. From their once lofty peaks to the end of 2002, the S&P 500 Index declined 40 percent and the NASDAQ Composite Index plunged 70 percent. Individuals and organizations saw the value of their portfolios drop dramatically. Clearly, many individuals and organizations had invested aggressively in the stock market without proper diversification or sensible risk management.

How did these issues impact the assets of the Gamma Phi Beta Foundation? How does the Foundation invest its assets?

Our written policy states: "Asset allocation between stocks and bonds must provide sufficient resources to sustain spending while at the same time incorporating recognition of the element of risk." Accordingly, our assets are allocated on a ratio of 60 to 65 percent equities (stocks) and 35 to 40 percent fixed income (cash and bonds). This policy provides the potential for long term appreciation from stocks and regular income and reduced portfolio volatility from cash and bonds.

The bar graph entitled "Total Assets 1999-2003" shows that Foundation assets have remained stable and were not subject to the serious declines that have made news headlines. This is not an accident; it is the result of good policy and the continued support of our donors.

How does the Gamma Phi Beta Foundation spend its assets?

Our spending policy allows us to spend – on an annual basis – 4 percent of the principal of each endowment plus 4 percent of the rolling average of the accumulated net earnings of that endowment. The rolling average is the average of the value at the close of the fiscal year for each of the five preceding years. The Board of Trustees can authorize additional spending from unrestricted funds. Additional spending from non-endowment monies can be authorized by the Board of Trustees. These policies enable the Foundation to award scholarships and fellowships, educational and leadership grants and camping funds on an annual basis, even in years when the total market value of our investments declines.

In the years 1999-2003, the Foundation provided a total of \$1,211,383 in direct support for financial aid, leadership programs and camping for girls.

What does this mean for donors and those who might benefit from Foundation contributions?

Our investment approach is based on diversification and, above all, patience. Our spending policy is based on consistency, in good times and bad.

During the past five years, many not-for-profit organizations have experienced a decline in total assets. Gamma Phi Beta Foundation assets have increased because each of us—Trustees, donors, and staff members -- has remained focused on the goal of building a solid base to address future challenges while contributing to today's needs.

Thanks to everyone who has been a part of our success.

Giving stocks and bonds

A gift of securities can be particularly beneficial to the donor because with a gift of appreciated stock the donor can avoid capital gains taxes and receive an income tax deduction for the full fair market value of the gift. Contact the Foundation at 303-799-1874 for more information.

Leadership Development

In a world searching for values and leadership, few institutions provide the vision and ability to offer both. Gamma Phi Beta is one of them.

From November 11, 1874 to today, Gamma Phi Beta members have dedicated time, energy, and money to equip women to be leaders in their schools, professions, families and communities.

Each year, thousands of college members and alumnae benefit from "cutting edge" leadership development and training programs. Each Foundation-supported program is designed to improve leadership skills. The Gamma Phi Beta Foundation is proud to provide support for these Sorority initiatives.

- **Personal and Chapter Enrichment (PACE)**

This Sorority program uses the resources of the chapter, campus, community to enrich the lives of collegiate and alumnae members through a variety of programs, including speakers, workshops and seminars.

- **Regional Leadership Conferences (RLC)**

In odd-numbered years, alumnae and collegiate leaders convene in regional meetings for training opportunities to address specific educational needs.

- **Leadership Development Institute (LDI)**

These biennial meetings train international officers in their duties and responsibilities.

- **Convention**

In even-numbered years, Gamma Phi Beta members, from across the US and Canada, meet to manage Sorority business and learn new skills. The Foundation supports leadership development and philanthropy-related activities at Convention.

- **Advisor training**

Hundreds of Gamma Phi Beta alumnae across the country volunteer their time to serve as advisors to our 113 collegiate chapters. The Foundation provides funding for customized training programs developed by the Sorority to help these women encourage and guide collegians. As times change, we have found that advisors need up-to-the minute leadership and management skills. Thanks to the Foundation, the Sorority can meet those needs.

Collegiate Leadership Consultants

The Collegiate Leadership Consultant (CLC) program is one of the most important endeavors undertaken by the Sorority. The Gamma Phi Beta Foundation contributes to the cost of providing leadership consultants to collegiate chapters. Each year a small group of outstanding graduates from $\Gamma\Phi\beta$ chapters undergoes intensive professional leadership training so that they can assist collegiate chapters with budgeting, scholarship improvement, recruitment and Sorority programs during campus visits. Likewise, CLCs play a vital role in the Sorority's extension efforts.

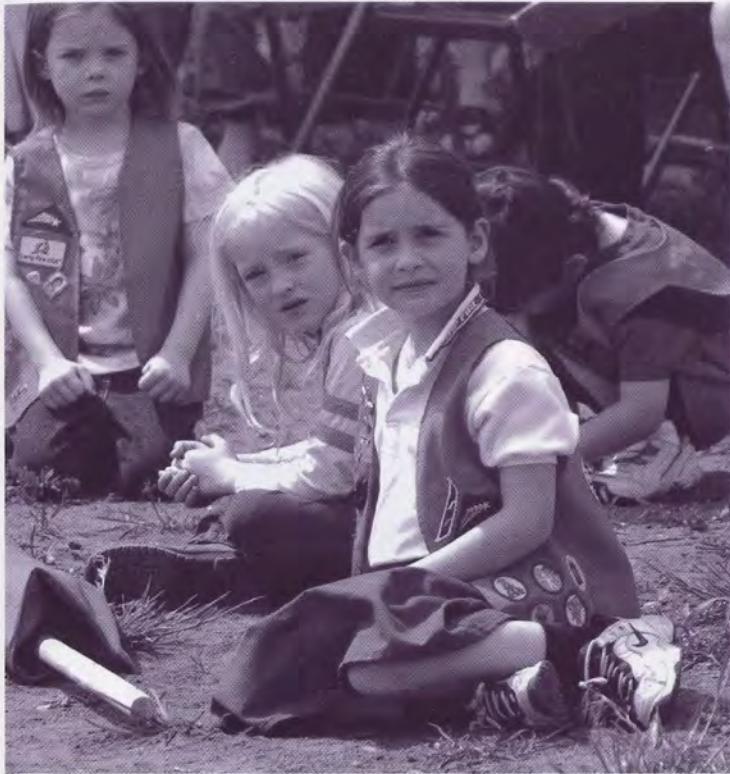

Since 1943, 237 recently graduated members have served the Sorority as Collegiate Leadership Consultants.

Camping

Gamma Phi Beta adopted camping as its international philanthropy at the 1929 Convention. Over the years it has evolved into a multi-faceted program that provides memorable outdoor camping experiences for girls.

During the 2002-2003 fiscal year, Camp Sechelt in British Columbia, the last of the Sorority camps, was sold because of declining attendance and management issues. The proceeds were distributed according to the agreement with the Vancouver Camp Board (comprised of Canadian alumnae) and the Gamma Phi Beta Foundation. These dollars can only be used to support our philanthropy and provide us with a wonderful resource to enrich the lives of young girls. As we closed this chapter in the history of our Sorority's philanthropy, we began a new chapter through our collaboration with Camp Fire USA.

At Convention 2002, the Sorority voted to enter into a collaborative agreement with Camp Fire USA. The mission of Camp Fire USA matches that of Gamma Phi Beta — to provide experiences and resources that build spiritual, mental and social resiliency in girls. To mark the first year of this collaboration, the Foundation contributed more than \$27,000 to Camp Fire USA in 2002-2003. Foundation support included a \$10,000 contribution to the national organization and \$17,000 in supplemental funds that augmented chapter contributions to send campers to Camp Fire USA camps.

In 2002-2003, the Foundation provided a total of more than \$36,000 in supplemental grants adding to the money that collegiate and alumnae chapters raised to send girls to Camp Fire USA and local camps.

Scholarships and Fellowships

Our heartfelt thanks to the many individuals, alumnae and collegiate chapters, house corporation boards and families who have established or contributed to endowments for scholarships and fellowships. (Current contributors to endowments are listed under Donors to Restricted Funds.) Likewise, we thank all who gave unrestricted gifts, as a portion of those dollars provides additional support for scholarships and fellowships.

In total the Foundation provided \$100,400 to these outstanding young women. Because of our donors, these scholars will pursue their educational goals and carry on the tradition of academic excellence established by our founders. We congratulate the 2002-2003 scholarship and fellowship winners.

New Educational Endowments

Four generous Gamma Phi Beta donors established new endowments in 2002-2003. Gifts of \$20,000 or more from these women will be held forever by the Foundation. The investment and interest earnings from the endowments will provide scholarships and fellowships for future qualified Gamma Phi scholars.

Lynne Abdnor Barnett (BP - Colorado/Boulder) establishes the Lynne Abdnor Barnett Beta Rho Chapter Scholarship/Fellowship Endowment to benefit undergraduates from the Beta Rho Chapter.*

Tucky Wheeler Hobbs (P - Iowa) establishes the Tucky Wheeler Hobbs and Dennis Hobbs Scholarship/ Fellowship Endowment for members of Rho Chapter.*

Susan West (AF - Missouri/Columbia) establishes the Susan A. West Scholarship/Fellowship Endowment for members of Alpha Delta Chapter.*

Suzanne Sames (AF - Missouri/Columbia) through her estate established the Suzanne Sames Alpha Delta Scholarship/Fellowship Endowment for members of that chapter studying political science or a related field.

Through these farsighted gifts, hundreds of Gamma Phi Beta scholars will be able to further their educational goals in years to come.

Endowments

An endowment is a gift that gives forever. To establish a Gamma Phi Beta Foundation endowment, a donor or a group of donors generally contributes \$20,000 or more in one gift or in installments over a five-year period. Endowments can also be created through bequests. Regardless, the original amount of the endowment remains intact forever. The Foundation distributes a portion of the investment and interest earnings from endowments to the people or programs that the donor specifies.

As the endowment increases in value, the money available for the Foundation to distribute also grows—the benefits of compounding interest and long-term capital appreciation.

The original donor or other contributors can designate gifts to endowments. Endowments are critical to the success of the Foundation. We encourage major donors to consider this important giving venue.

We extend our sincere thanks to all who have established or contributed to Gamma Phi Beta Foundation endowments, particularly to our 2002-2003 donors.

The 1874 Society

In 1990, a group of enthusiastic and generous alumnae established The 1874 Society to recognize those donors who give an unrestricted contribution of \$1,874 or more in a given fiscal year. Since 1991, members of The 1874 Society have contributed nearly \$1 million dollars to the Gamma Phi Beta Foundation.

Their generous gifts allow the Foundation to be responsive to areas of greatest need.

We express heartfelt appreciation to the women who supported The 1874 Society this year and those who have given in past years.

Why an Unrestricted Gift?

The Gamma Phi Beta Foundation encourages donors to make unrestricted gifts to the Foundation to provide flexibility for responding to rapidly changing needs in the Sorority's leadership and education programming, changes in the investment arena, and the evolving requirements of fundraising.

If you are interested in joining The 1874 Society, please contact us at 303-799-1874 or write to us at The Gamma Phi Beta Foundation, 12737 E. Euclid Drive, Centennial, CO 80111. We will be happy to work with you to make your gift in installments or, if you wish, to make a gift of securities to The 1874 Society. There are many ways to contribute at this level.

ΤΕΠ Society

Wouldn't you like to write the story of your life...share with others the lessons you've learned and the love you've felt...maybe even immortalize your affection for those you love?

We can write that story — our wills are the final chapter in the stories of our lives — the pages that speak about good stewardship of assets, our love for families and friends, and for organizations such as Gamma Phi Beta that touched our lives.

In 1990, 37 progressive thinking members, realizing that they could encourage others to include Gamma Phi Beta in estate plans, established The ΤΕΠ Society. Since that time, more than 150 have notified the Gamma Phi Beta Foundation of an estate gift. Members as of July 31, 2003, are:

Foundation Staff

Foundation Welcomes New Staff

The Gamma Phi Beta Foundation staff is well poised to provide superior professional support to the Board of Trustees, all donors and all members of the Sorority. We welcome two new members of the team:

Marijo Rymer, with 25+ years of professional public relations and fundraising experience, joined the staff as Director of Development in June 2003. Most recently, she was VP of Corporate Communications for American Medical Response; she has served as Finance Director for US Senator Pete Domenici and as a lobbyist and public relations director for three school districts. Marijo is a member of Kappa Alpha Theta; she served as a Trustee for the KAΘ Foundation, as Collegiate District President, College Chapter Advisor and Alumnae Chapter President. Marijo is responsible for the overall development program for the Foundation and works closely with **Bonnie Payne**, Executive Director.

Ryan Severts, Foundation Assistant, joined the team shortly after his graduation from Brigham Young University in July 2003. Ryan holds a BA in Psychology and Business Management. He is responsible for all gift entry, acknowledgement, reporting and data analyses.

Returning:

Darla Dakin (BK, Arizona State), Manager of Executive-Trustee Relations (part time) has 15 years of active alumnae service at the local and national level. Darla is currently serving as Region 5 Membership Director and Recruitment Advisor to Beta Rho, University of Colorado/Boulder. She has been Director of Alumnae Communications, Province Alumnae Director and Alumnae Chapter President. She also served as a member of the Programming Team and as Feature Editor for The Crescent. She provides first-line support for Trustees and is responsible for managing major foundation projects.

Sherry Ochoa Rounkles (Θ, Denver) begins her 12th year of professional service to Gamma Phi Beta as the Development Coordinator/Controller for the Foundation. She served for 11 years in various capacities for the Sorority including Bookkeeper, Office Management Assistant, and Senior Financial Analyst. Debbie Thomas, CPA serves as financial consultant for Sherry.

Darla Dakin, Manager of Executive-Trustee Relations, Marijo Rymer, Director of Development, Ryan Severts, Foundation Assistant, Bonnie Payne, Executive Director, Sherry Ochoa Rounkles, Development Coordinator/Controller

This team supports and enhances the work of **Bonnie Payne** (Θ, Denver) Executive Director. Bonnie has more than 25 years of experience as an executive and development professional responsible for total programs for organizations ranging from Presidio College in San Francisco to the University of Tennessee. Her boundless energy and professional knowledge provided impetus for notable growth in Foundation assets. She is the driving force for significant increases in major gifts and endowments. In just three years, Bonnie provided leadership to bring more than \$2.6 million in new dollars to the Foundation. In addition, in that same period operating expenses came in at approximately 10% under budget.

The Gamma Phi Beta Foundation maintains offices at the Sorority International Headquarters, 12737 E. Euclid Drive, Centennial, CO 80111-6445. Office hours are from 8 am to 4:30 pm MT Monday – Friday. Telephone 1-303-799-1874. E-mail: foundation@gammaphibeta.org

Through simple bequest statements in your will you can make gifts to the Gamma Phi Beta Foundation through life insurance, real estate, securities, cash, trusts or annuities. There is no minimum gift amount for the TEΠ Society. Please let us know if you have already included the Gamma Phi Beta Foundation in your will so that we can recognize your generosity. If you'd like more information write or call the Foundation at 303-799-1874 or e-mail us at foundation@gammaphibeta.org. We can explain the many options available for planned gifts.

Each year, these generous gifts contribute to provide the flexibility we need to respond to rapidly changing needs issues in giving and development areas. Founders Society donors are a very important group of supporters. We thank those members who contributed this year.

Founders Society members are essential for the success of the Gamma Phi Beta Foundation efforts to build unrestricted resources so that we can react quickly to changes in the investment world, to the needs of our members or our philanthropy.

Please consider a gift to the Founders Society. Call us at 303-799-1874 or e-mail us foundation@gammaphibeta.org. We can arrange for you to give in monthly installments or through other flexible giving plans.

Collegiate & Alumnae Donors

Collegiate Chapters contributed to the Foundation in the 2002-2003 academic year. With busy academic, personal and Sorority schedules, collegians found time and energy to participate in everything from car washes to walk-a-thons to support favorite local charities and contribute to the Foundation. We are grateful to these trend-setting chapters and encourage all others to follow their lead.

Senior Carnation Appeal

We encourage Gamma Phi Beta seniors to begin their alumnae philanthropic giving tradition with a pledge of a \$100 gift to the Foundation. We ask that members notify the Foundation of their new address and make a \$10 gift after graduation with a commitment to fulfill the \$100 pledge over a four year period. Senior Carnation donors are included in the Loyalty Fund list.

Gamma Phi Beta alumnae do far more than make personal contributions to the Foundation. These enthusiastic, dedicated and very busy women sponsor a myriad of creative fundraisers and special events to support local charities and the Gamma Phi Beta Foundation. A bouquet of pink carnations to these alumnae groups who included support for the Foundation in their program plans in 2002-2003. Listed in descending order from largest to smallest contribution

Loyalty Fund

Thousands of Gamma Phi Beta alumnae and college members made tax-deductible unrestricted gifts to the Gamma Phi Beta Foundation in 2002-2003. Some contributed to the Loyalty Fund through an 1874 Society contribution or with a Founders Society gift. Many, many donors gave gifts to the general fund through responses to an appeal or inserts in The Crescent. They gave in memory of a loved one, in honor of a Gamma Phi member or in celebration of an important event. They gave a gift associated with a collegiate or alumnae chapter activity or just because they always make an annual contribution to the Foundation that supports the sisters whom they love.

Heartfelt thanks to every single contributor

Donors to Restricted Funds

Donors may choose to designate a gift to support a special project or to contribute to a particular endowment fund. Many alumnae prefer that a gift be used to support educationally-related improvements at their alma mater Chapter house. Some wish to support a special event at Convention. And, of course many donors give both unrestricted and restricted gifts. We thank all of these donors for their generosity and support.

These donors contributed a restricted gift to the Gamma Phi Beta Foundation in 2002-2003

Parents and Families

A heartfelt thank you to more than 1,000 parents and family members who honored a Gamma Phi member with a gift to the Foundation 2002-03. More than 150 parents made a contribution of \$125 or more to the Foundation for an inscribed brick in the Sisterhood Plaza.

We are gratified when parents and families acknowledge the leadership opportunities that the Sorority provides to their daughters, granddaughters, nieces and cousins with a gift to the Gamma Phi Beta Foundation.

Why you should give to the Gamma Phi Beta Foundation:

In 1874, our Founders acted on a vision that women, when guided by common values in a supportive environment, could lead the world. Your tax-deductible gift of any amount contributes to the Sorority's commitment to develop young leaders.

How you can make tax-deductible contributions to the Gamma Phi Beta Foundation:

- Join the 1874 Society
- Respond to requests from sisters
- Contribute to the Loyalty Fund
- Establish or support an endowment
- Designate the Foundation in your will
- Join the Founders Society
- Participate in the Race for the Moon at convention
- Recognize your membership or that of someone special to you with an inscribed brick in The Sisterhood Plaza
- Participate in the Senior Carnation Appeal
- Support educationally related improvements for your chapter house
- Contribute a gift in memory of someone
- Celebrate a special event in the life of a member or other loved one
- Secure a matching gift from your or your spouse's employer
- Give just because it's one way to show your love and loyalty to our Sorority

The Gamma Phi Beta Foundation offers many ways to meet your giving goals and preferences. We gratefully accept:

- Cash or check contributions
- Gifts of securities, real estate and life insurance
- Pledges of any amount to be fulfilled through regular installments
- Contributions made directly from your checking account through periodic electronic transfer of funds
- Regular charges to a credit card
- Notification of potential bequests
- On-line contributions

Regardless of how you choose to give or how much you can afford to give, every contribution helps make our Founders' vision a reality.
